

Comparison of Buckle between athaliana and celegans

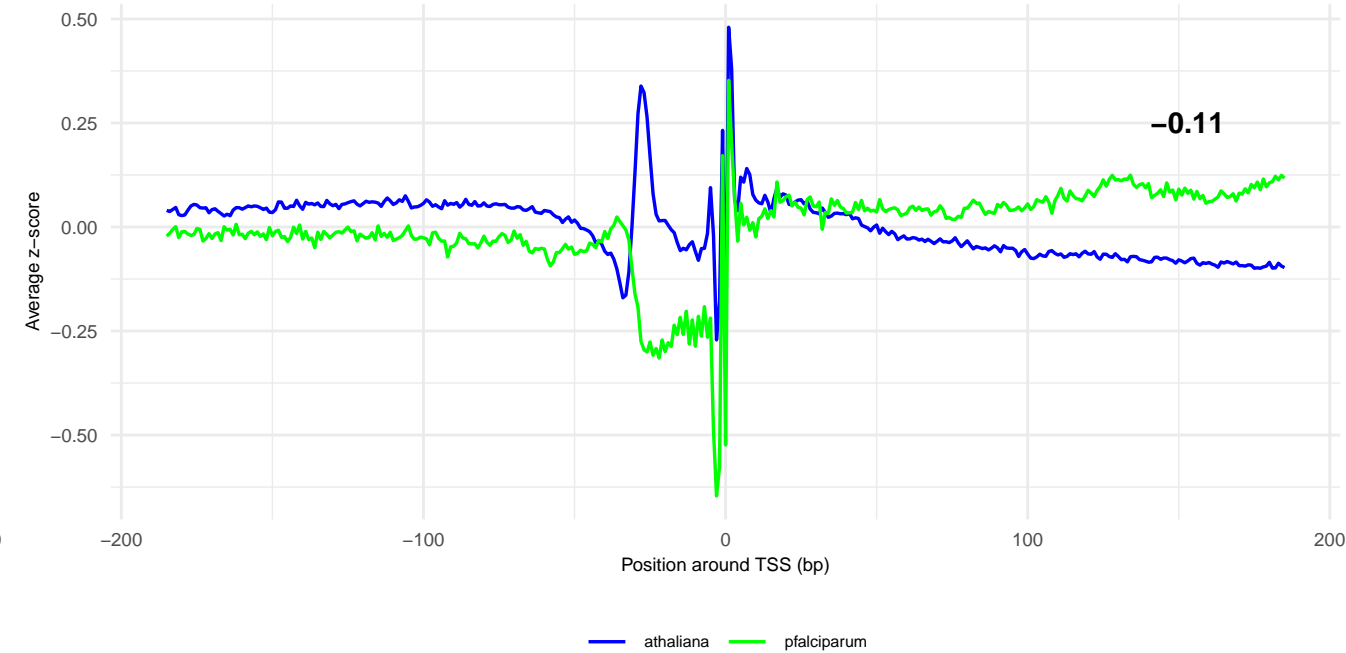

Comparison of Buckle between athaliana and hsapiens

Comparison of Buckle between athaliana and dmelanogaster

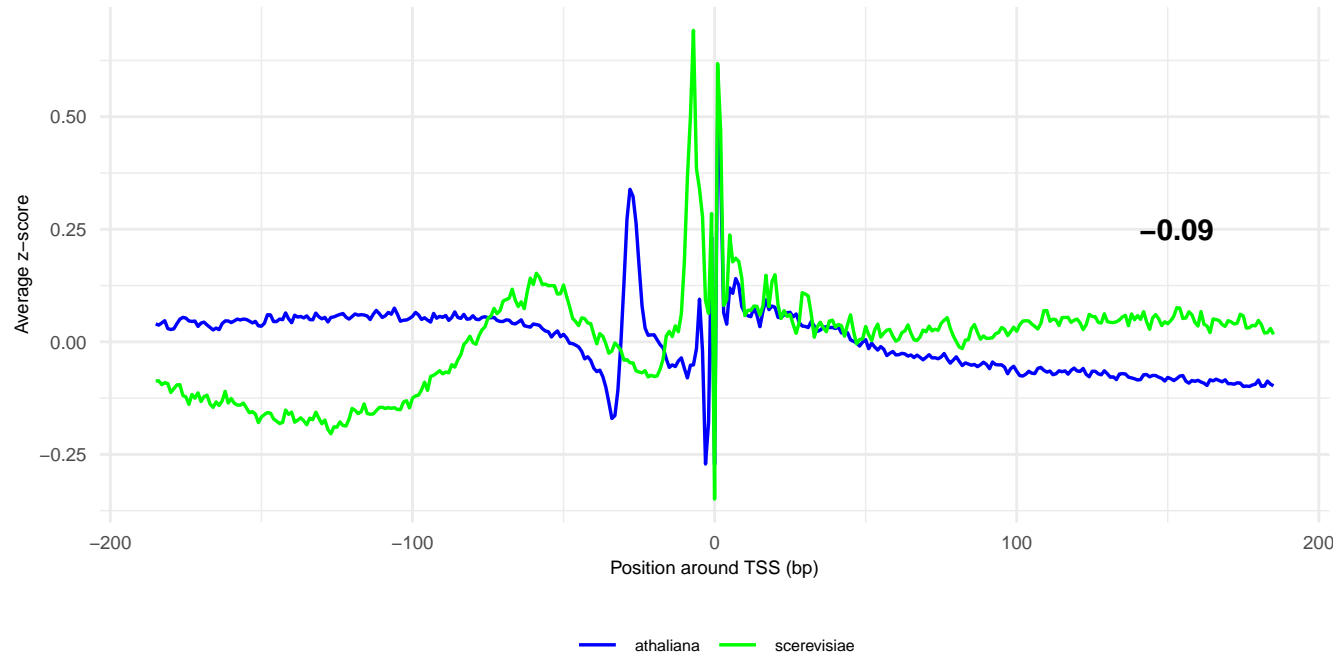

Comparison of Buckle between athaliana and pfalciparum

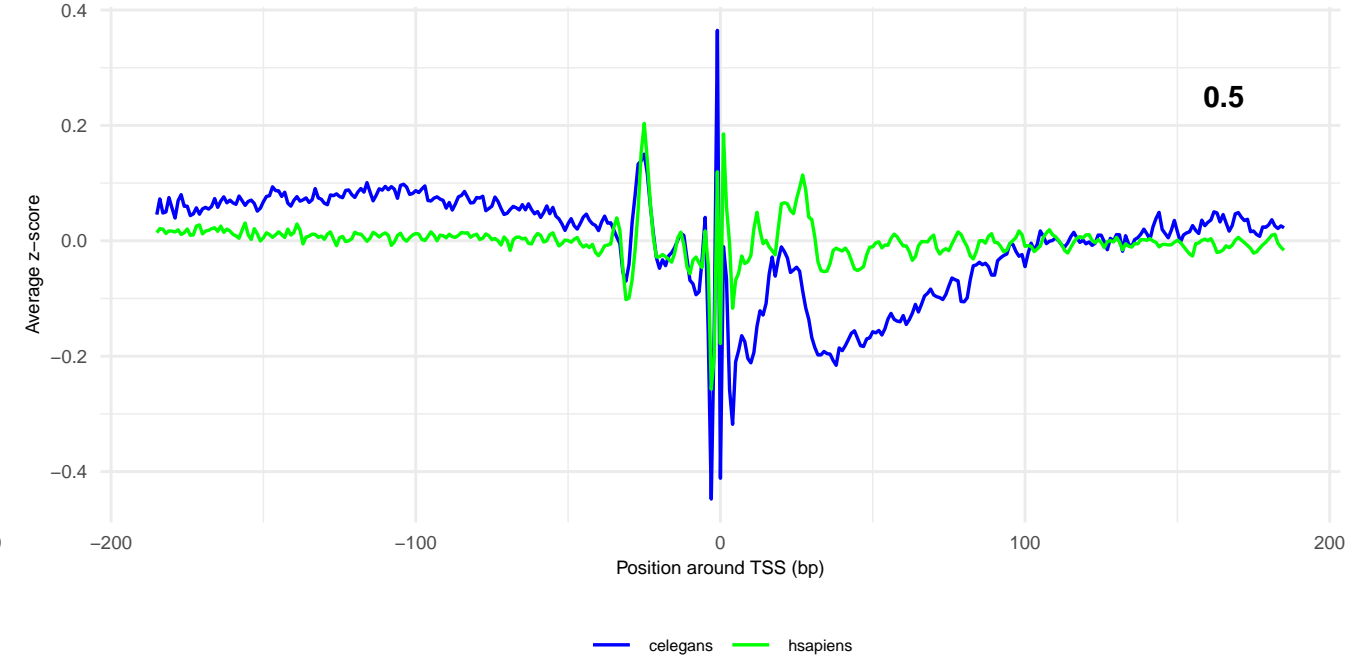

Property: Buckle

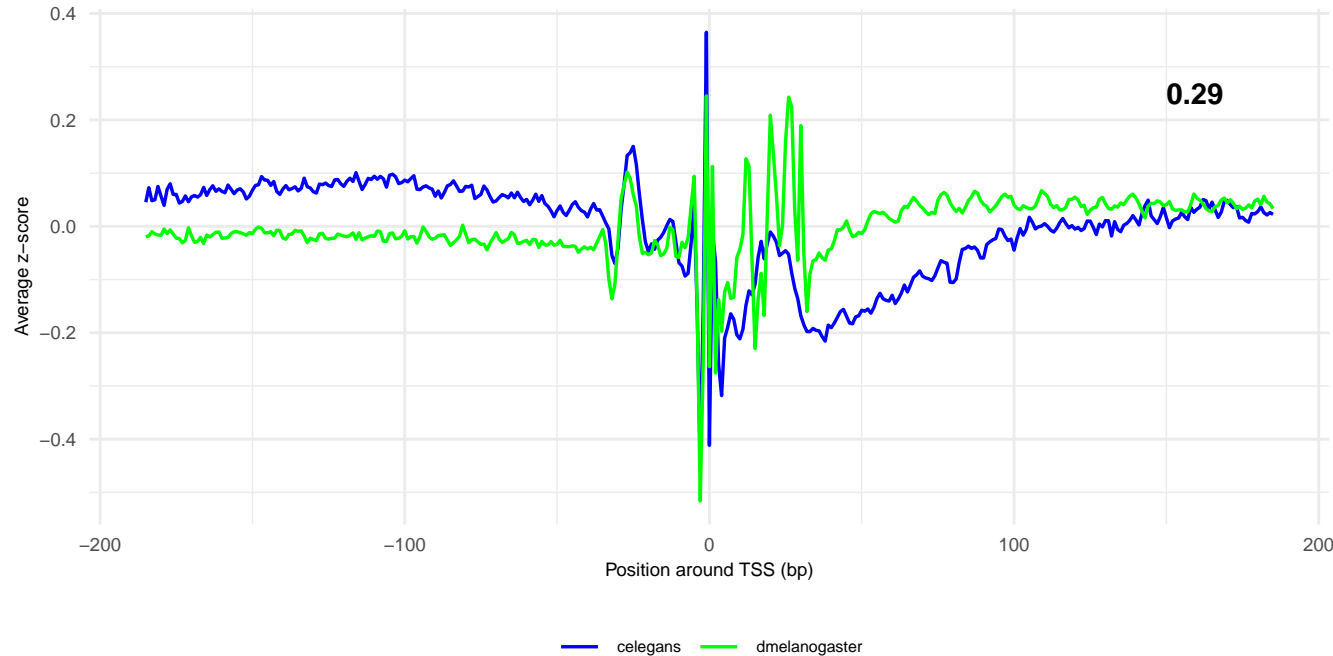

Comparison of Buckle between athaliana and scerevisiae

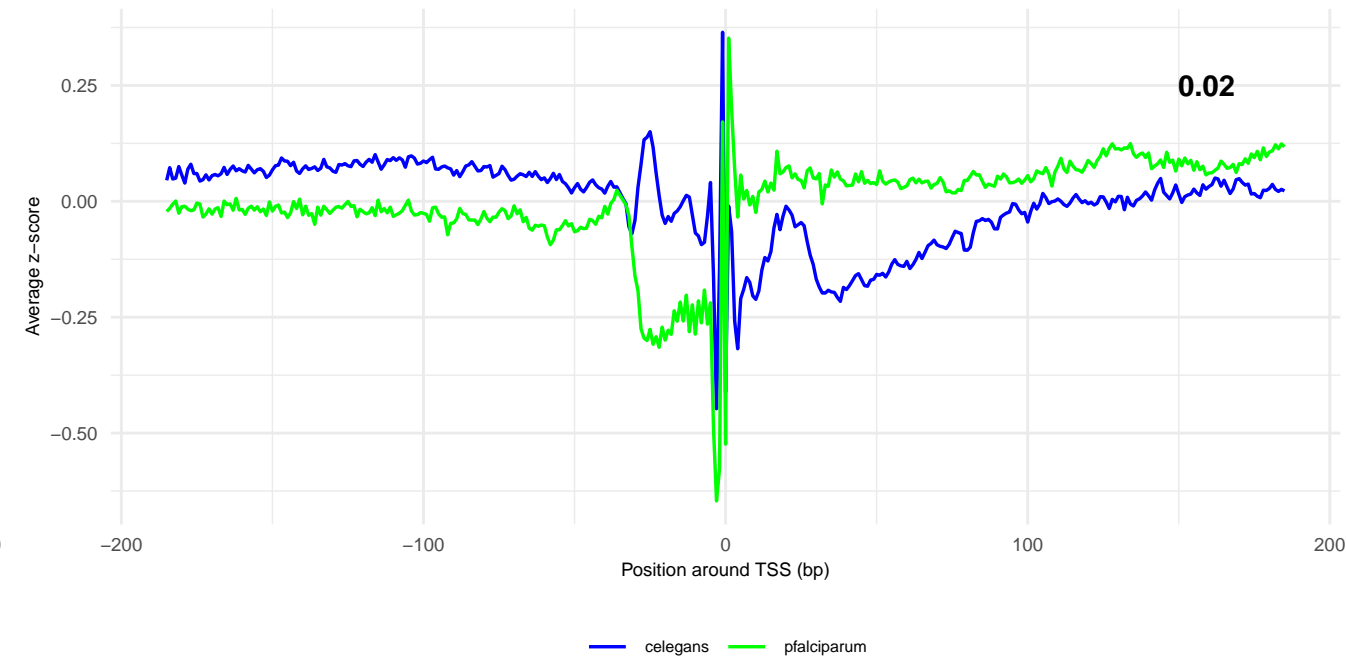

Comparison of Buckle between celegans and hsapiens

Comparison of Buckle between celegans and dmelanogaster

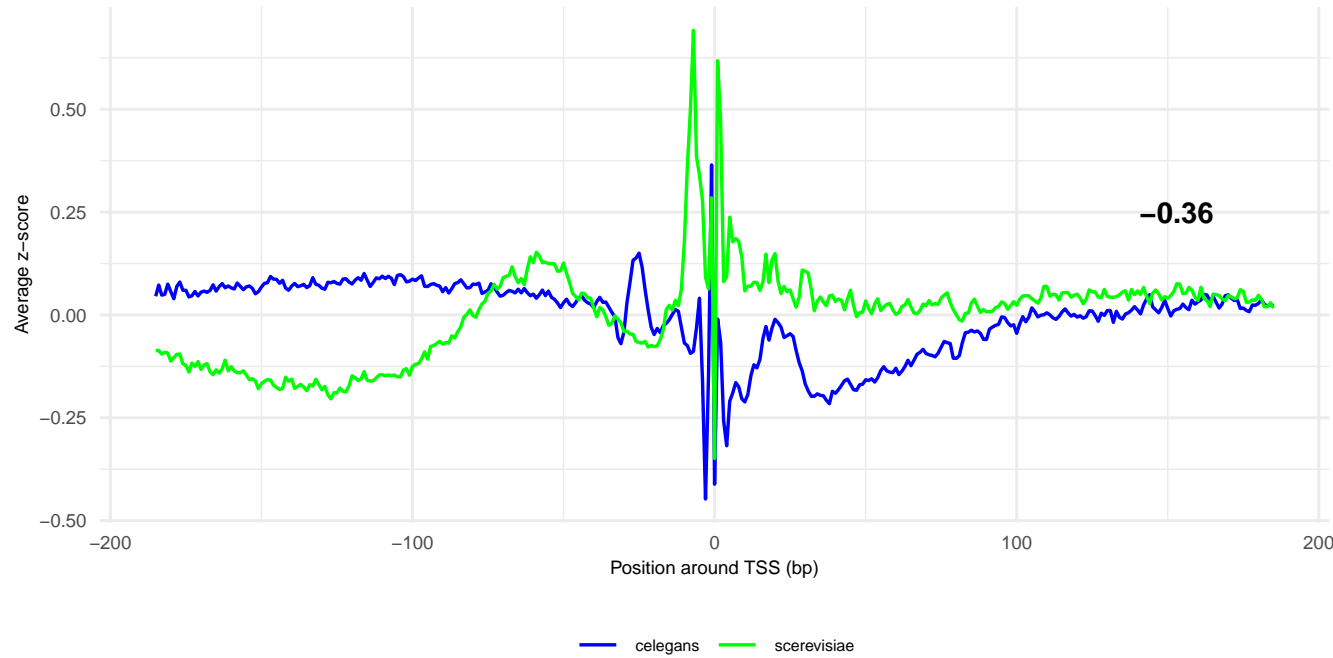

Comparison of Buckle between celegans and pfalciparum

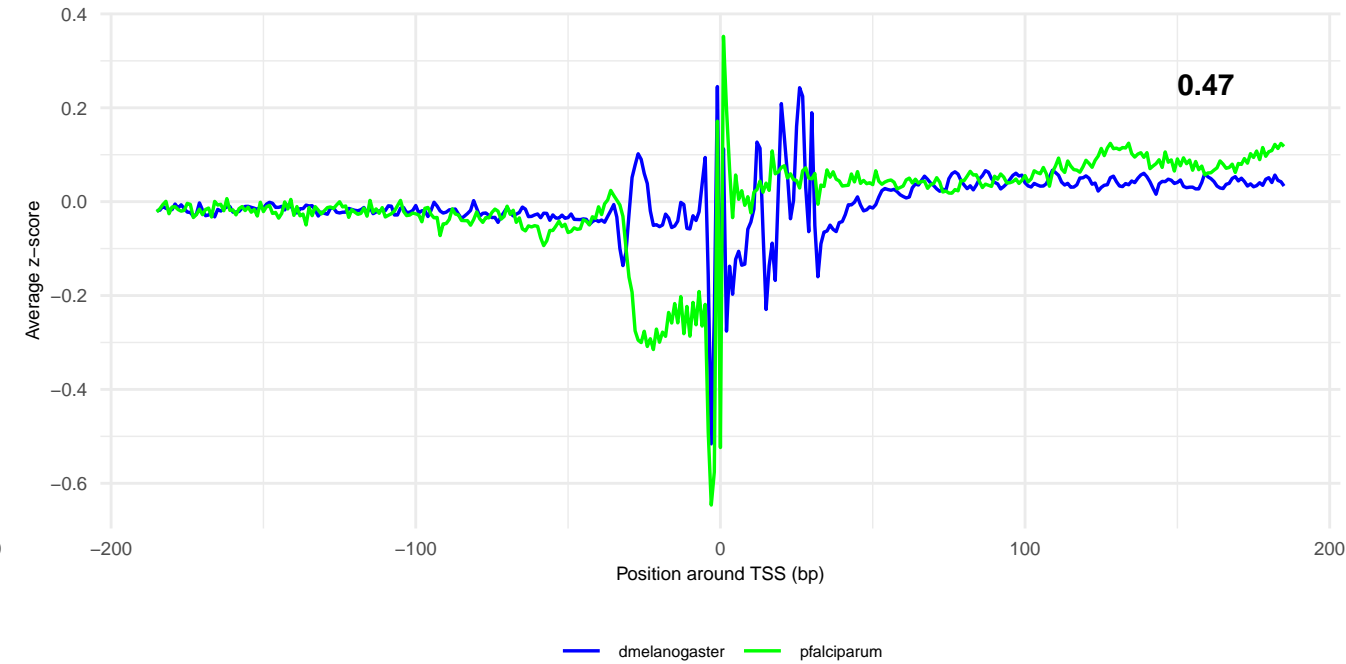

Property: Buckle

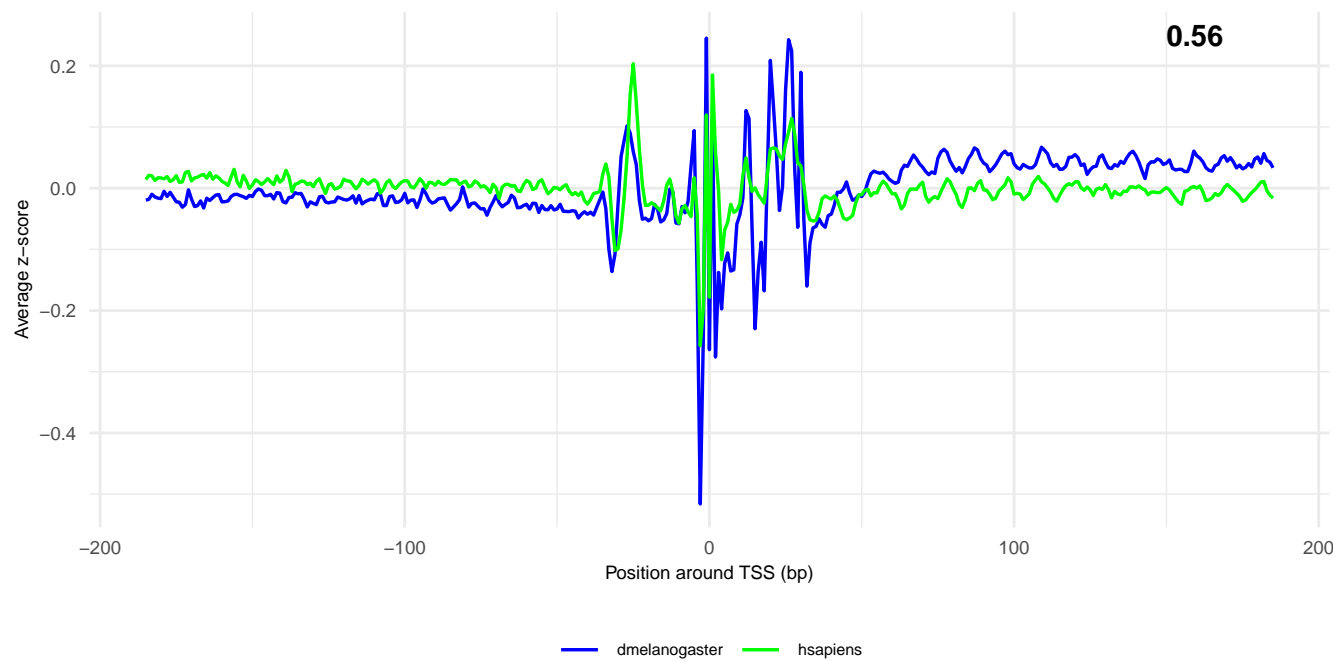

Comparison of Buckle between celegans and scerevisiae

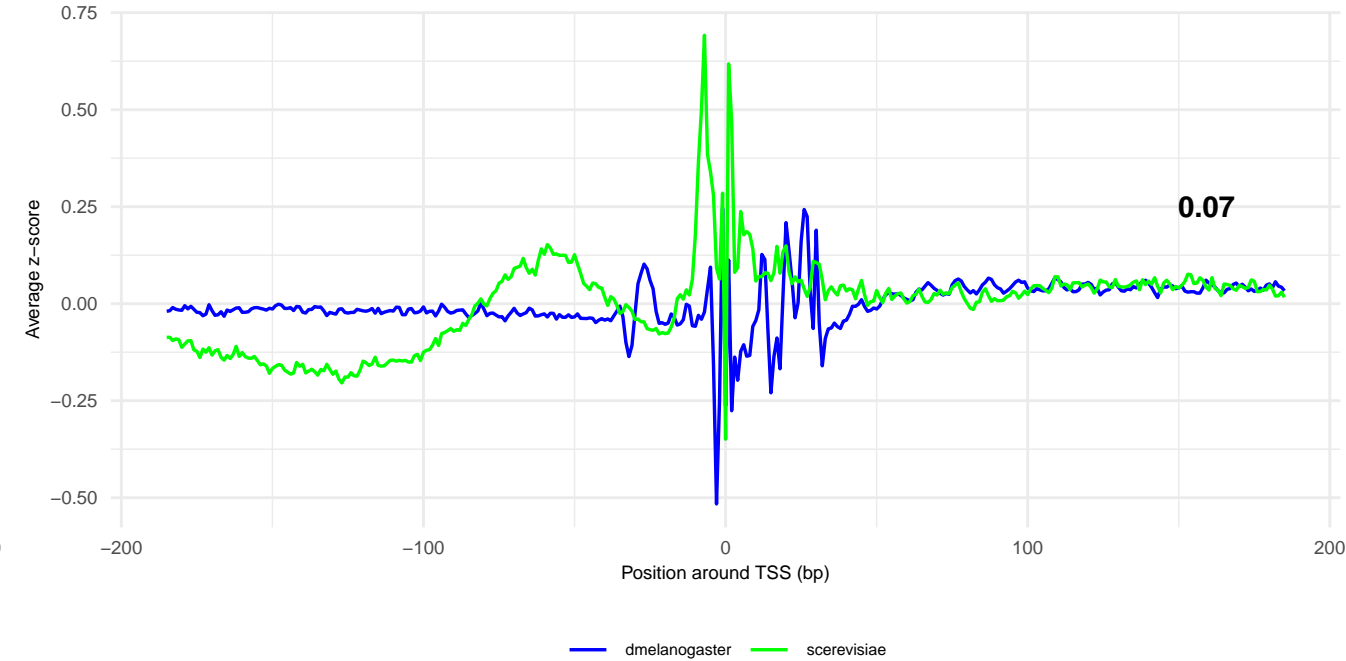

Comparison of Buckle between dmelanogaster and pfalciparum

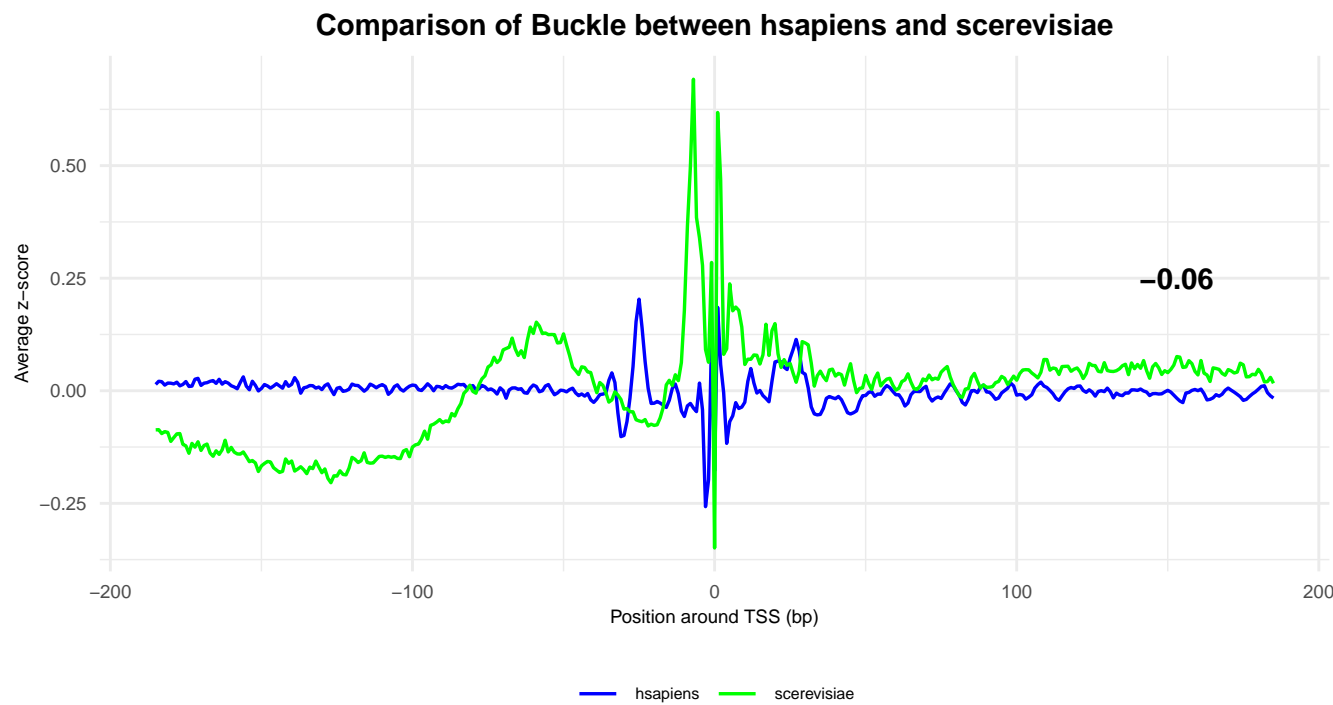

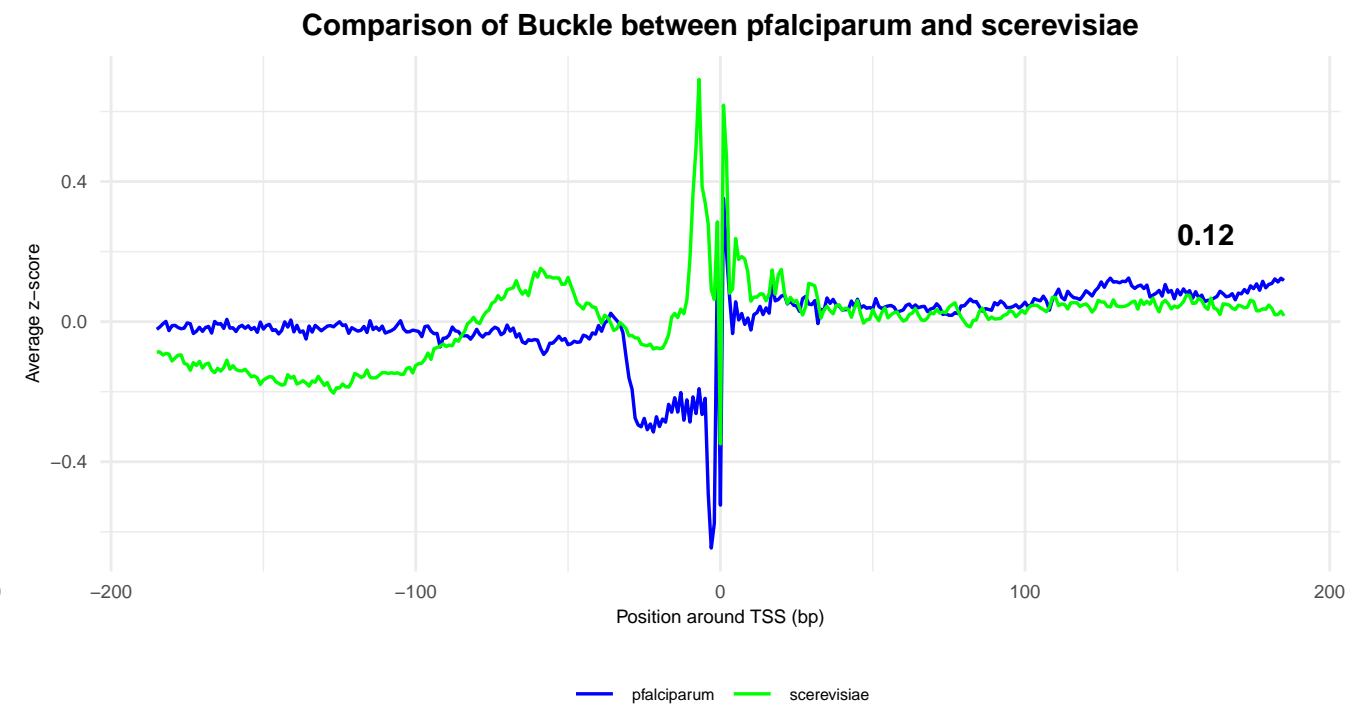

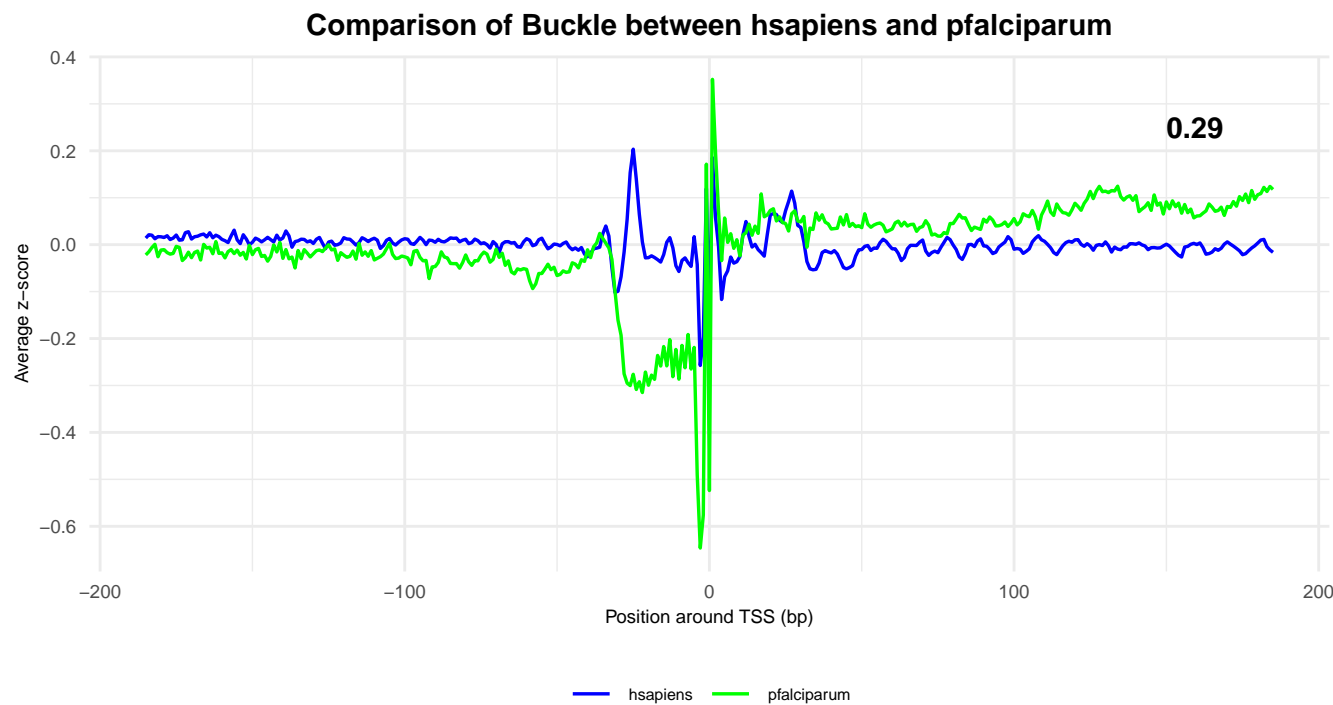

Comparison of Buckle between dmelanogaster and hsapiens

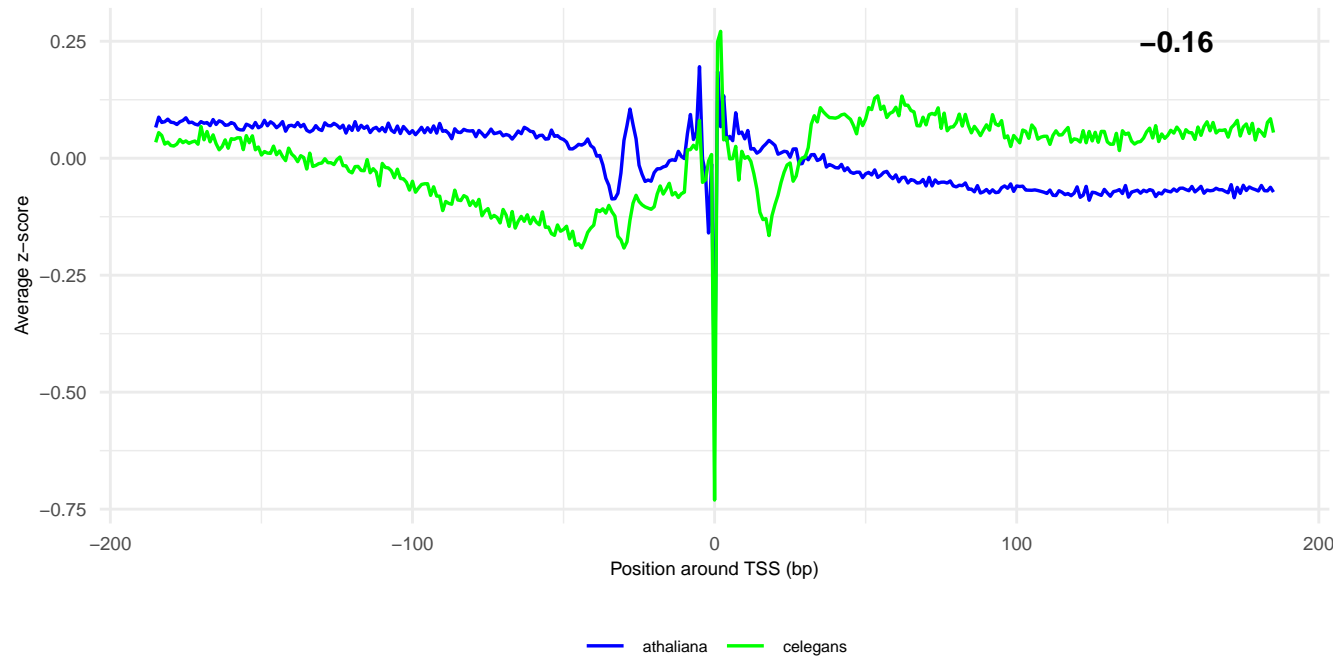

Comparison of Buckle between dmelanogaster and scerevisiae

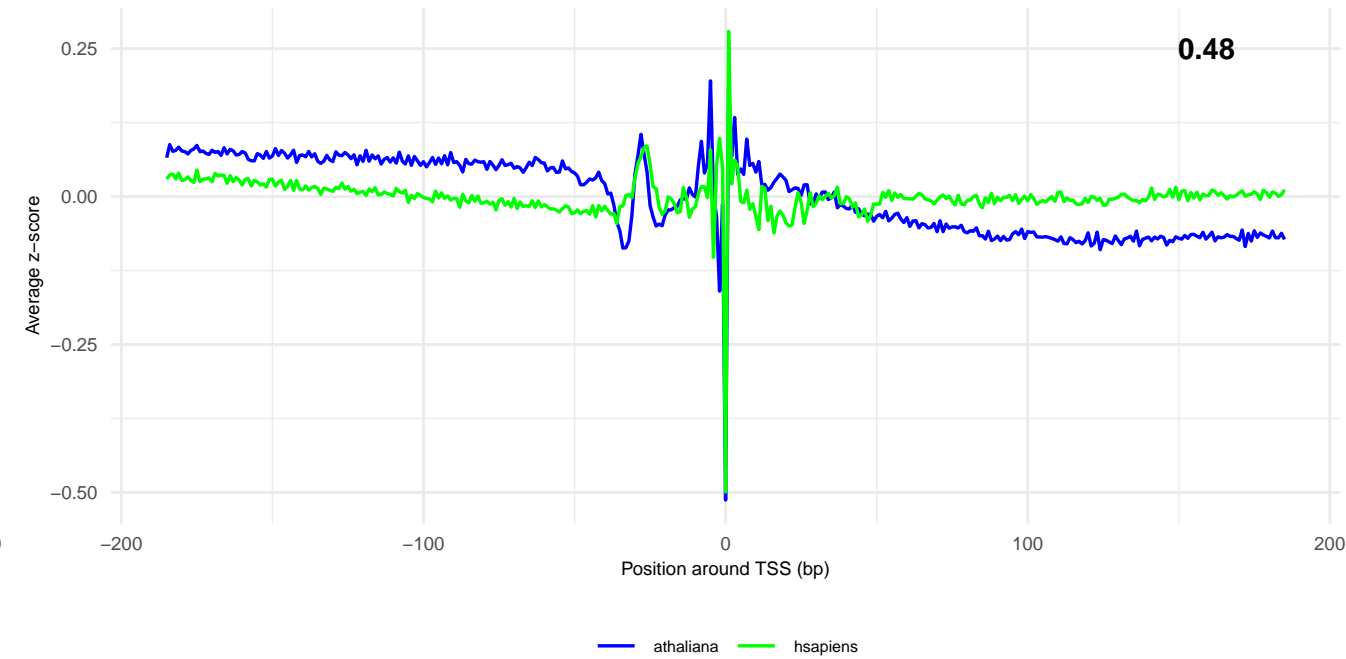

Property: Buckle

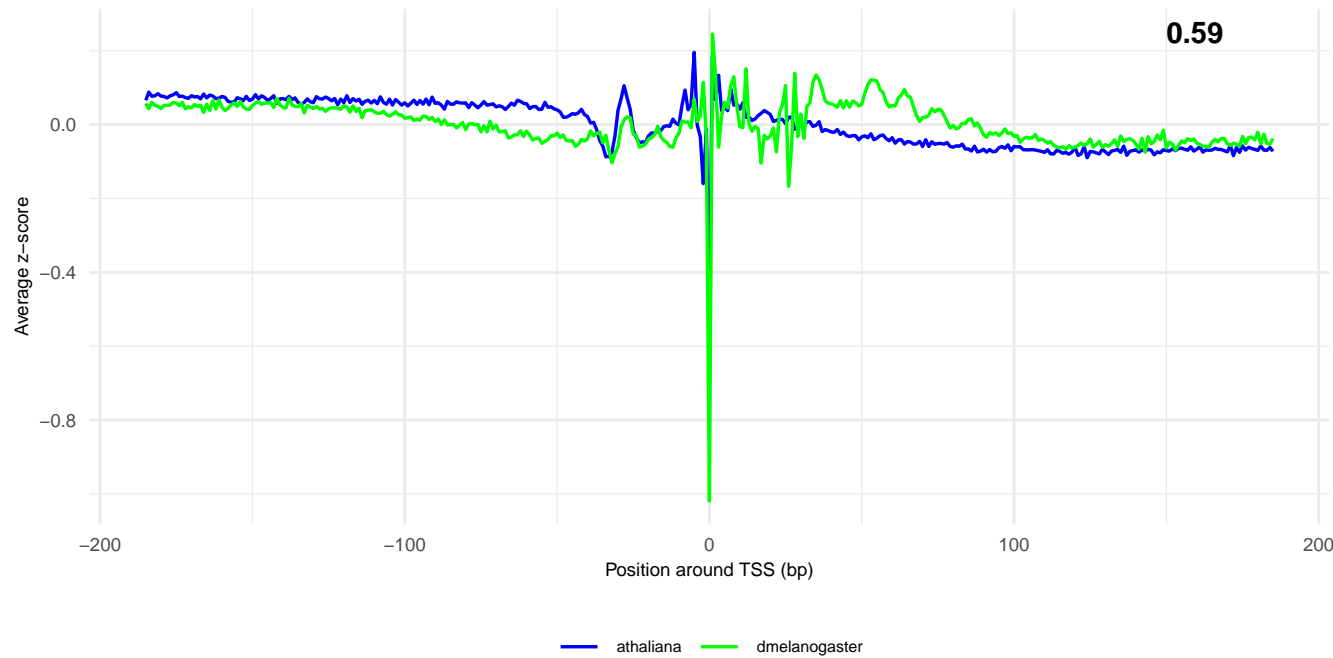

Comparison of HelT between athaliana and celegans

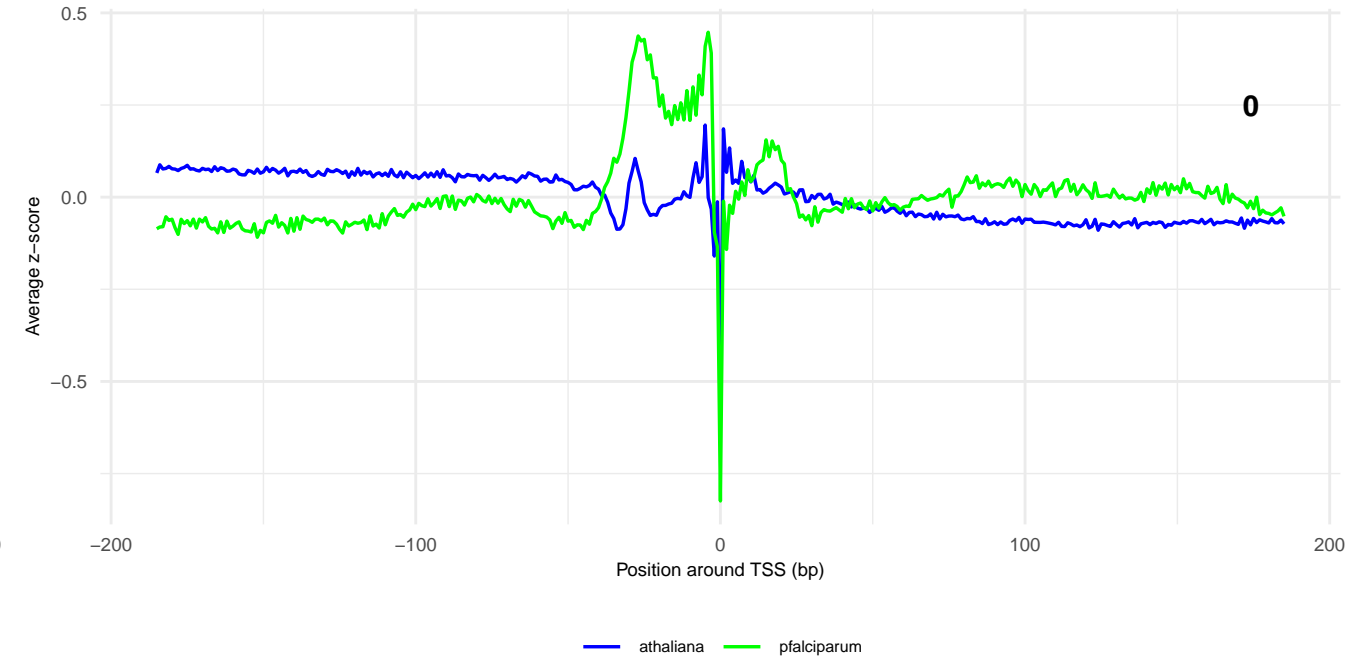

Comparison of HelT between athaliana and hsapiens

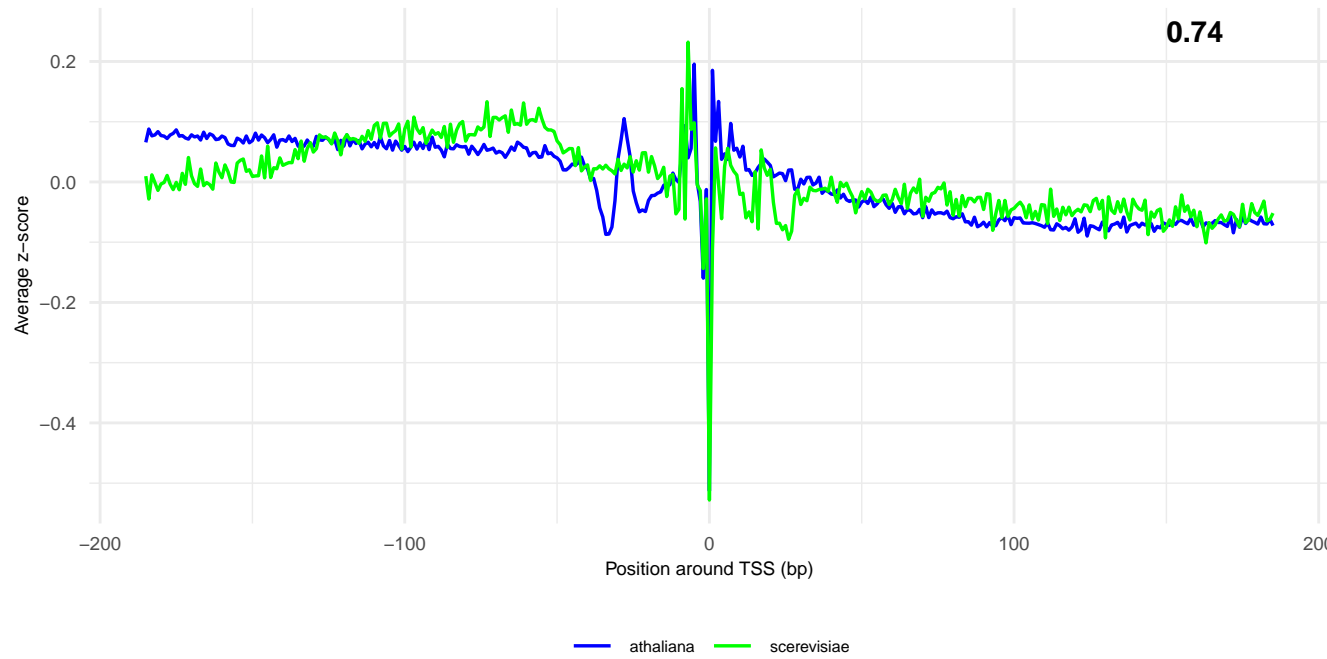

Comparison of HelT between athaliana and dmelanogaster

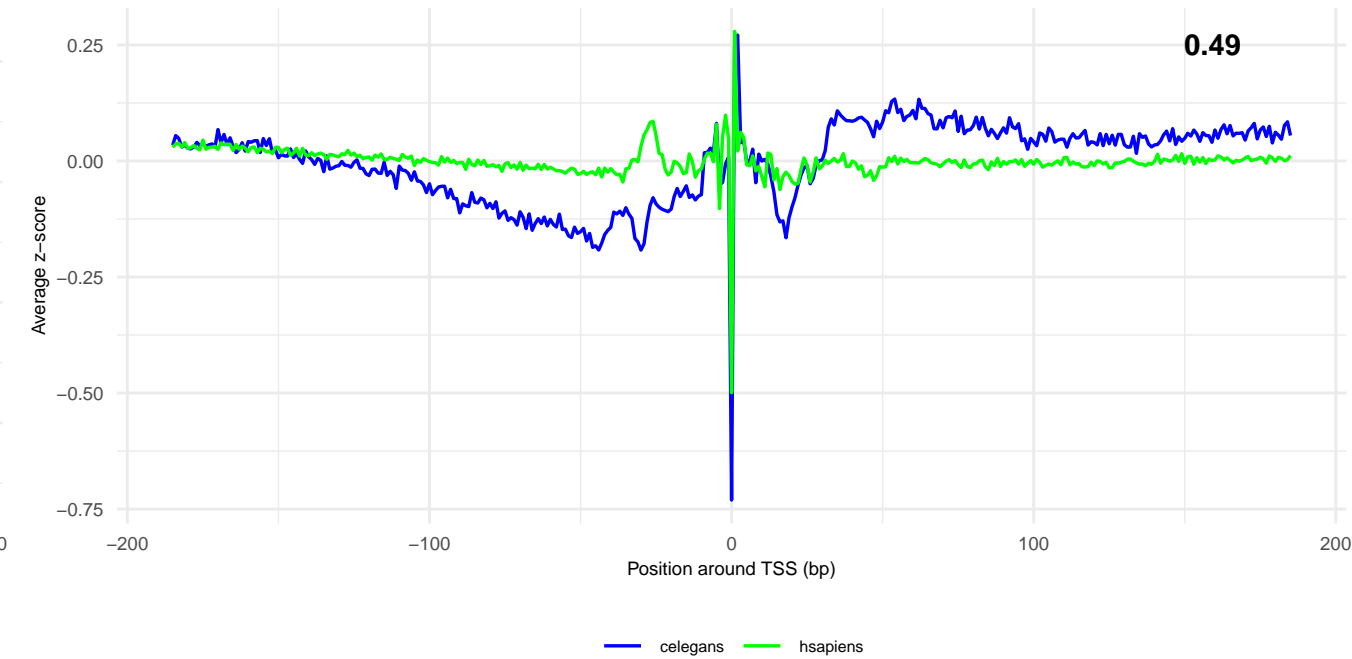

Comparison of HelT between athaliana and pfalciparum

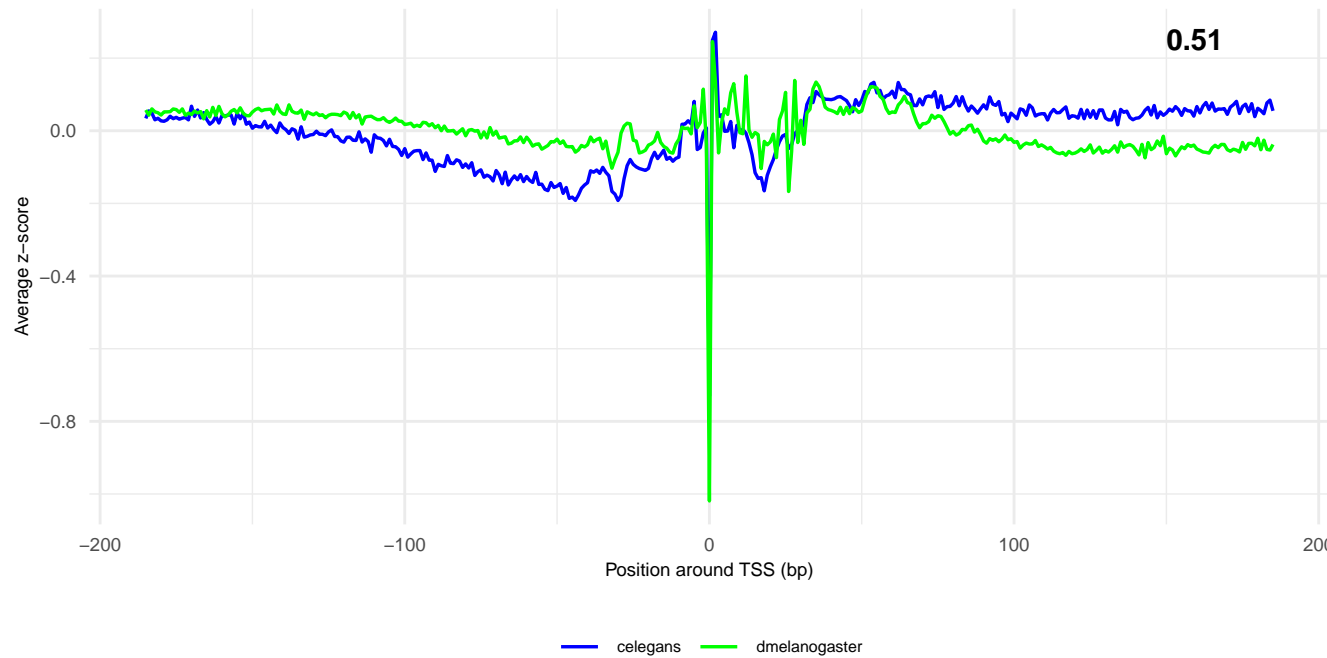

Comparison of HelT between athaliana and scerevisiae

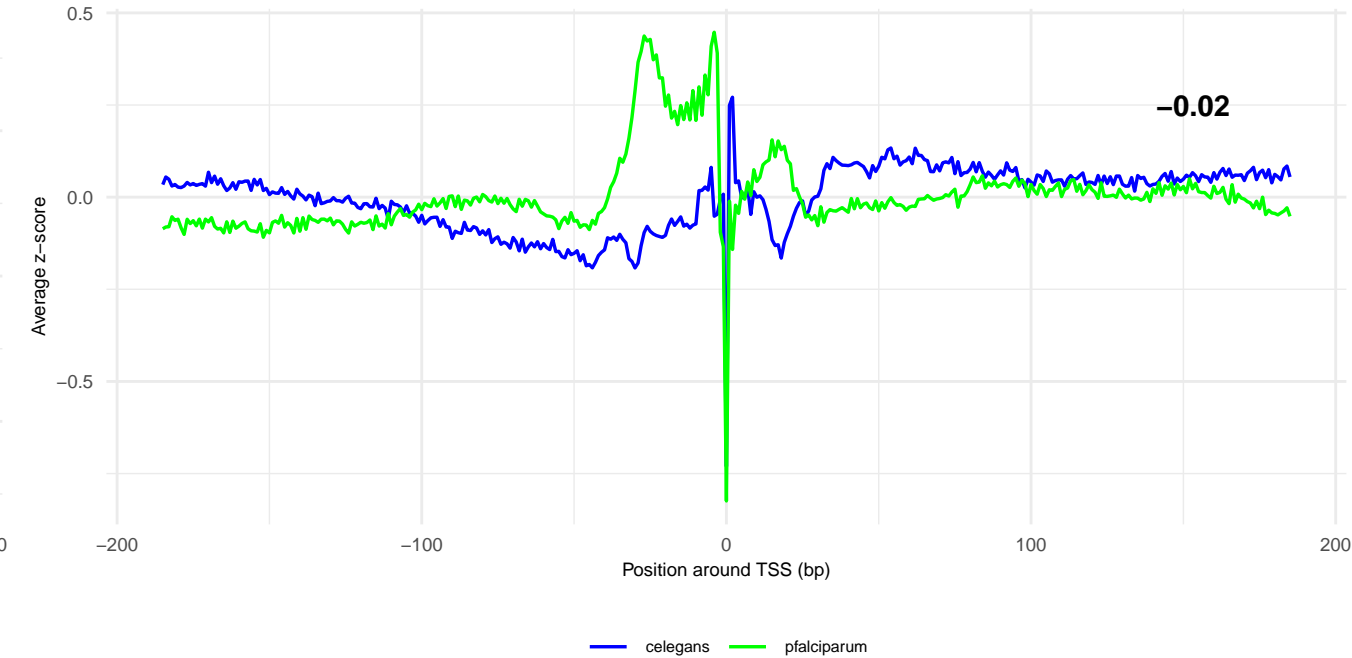

Comparison of HelT between celegans and hsapiens

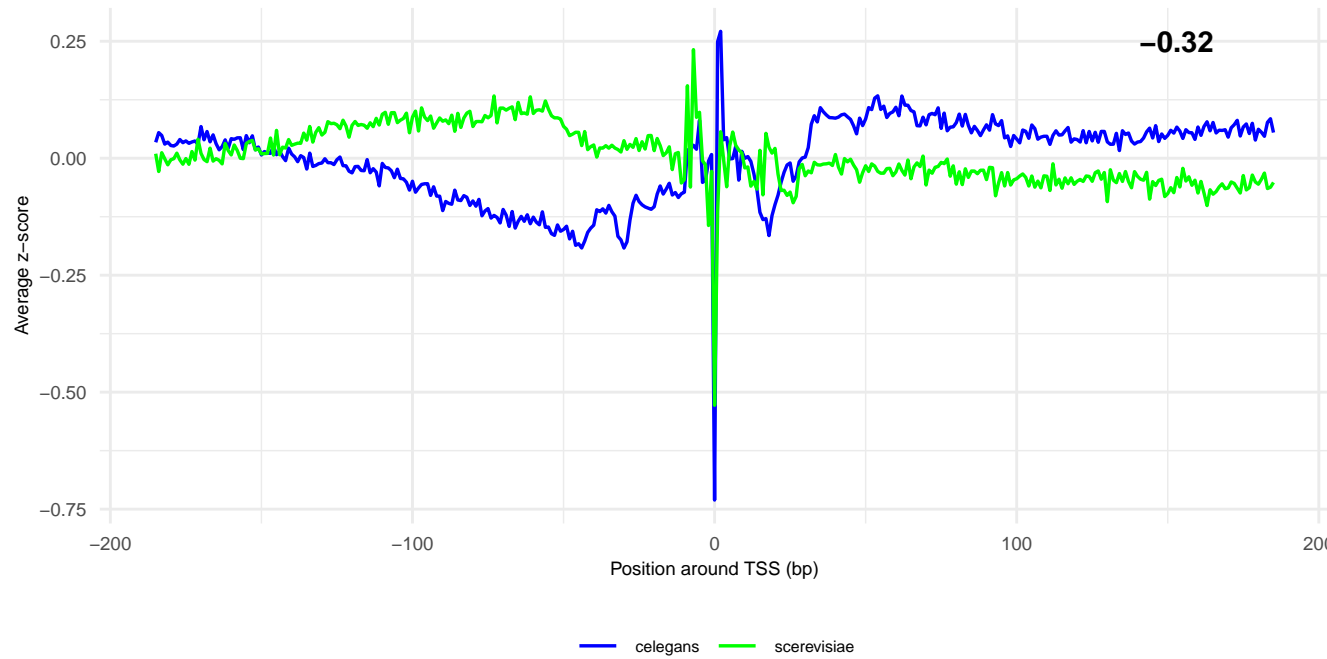

Comparison of HelT between celegans and dmelanogaster

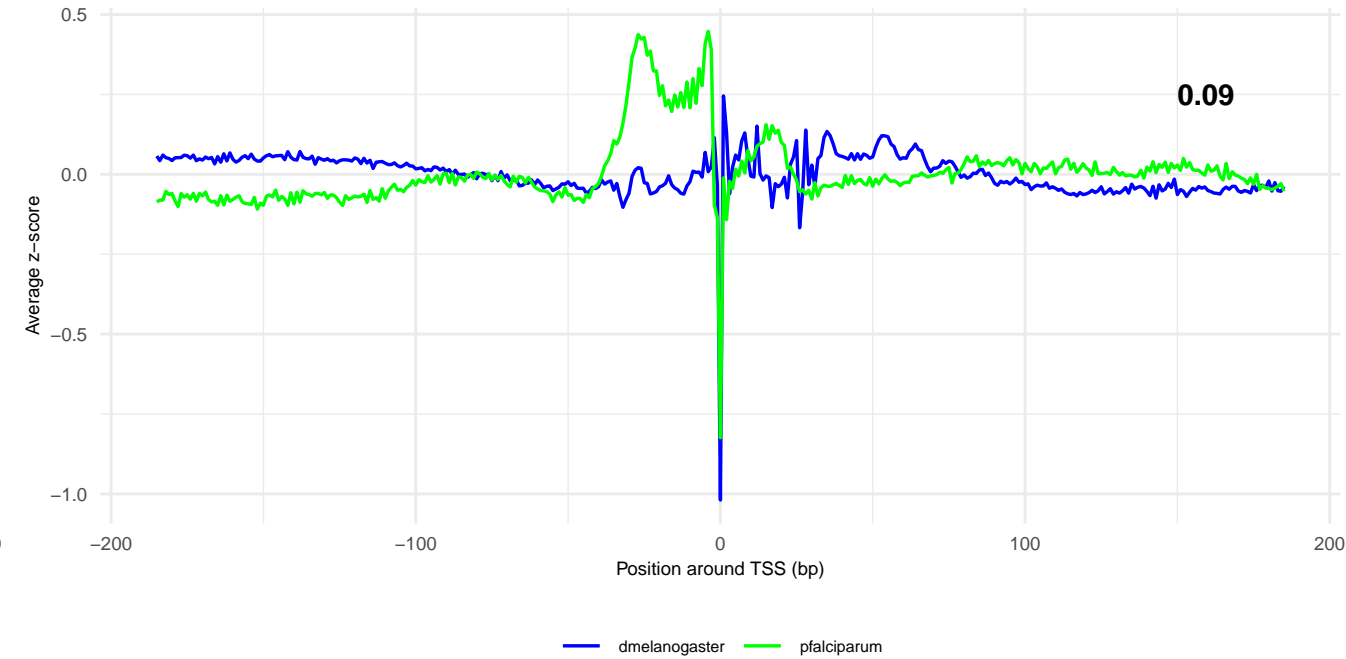

Comparison of HelT between celegans and pfalciparum

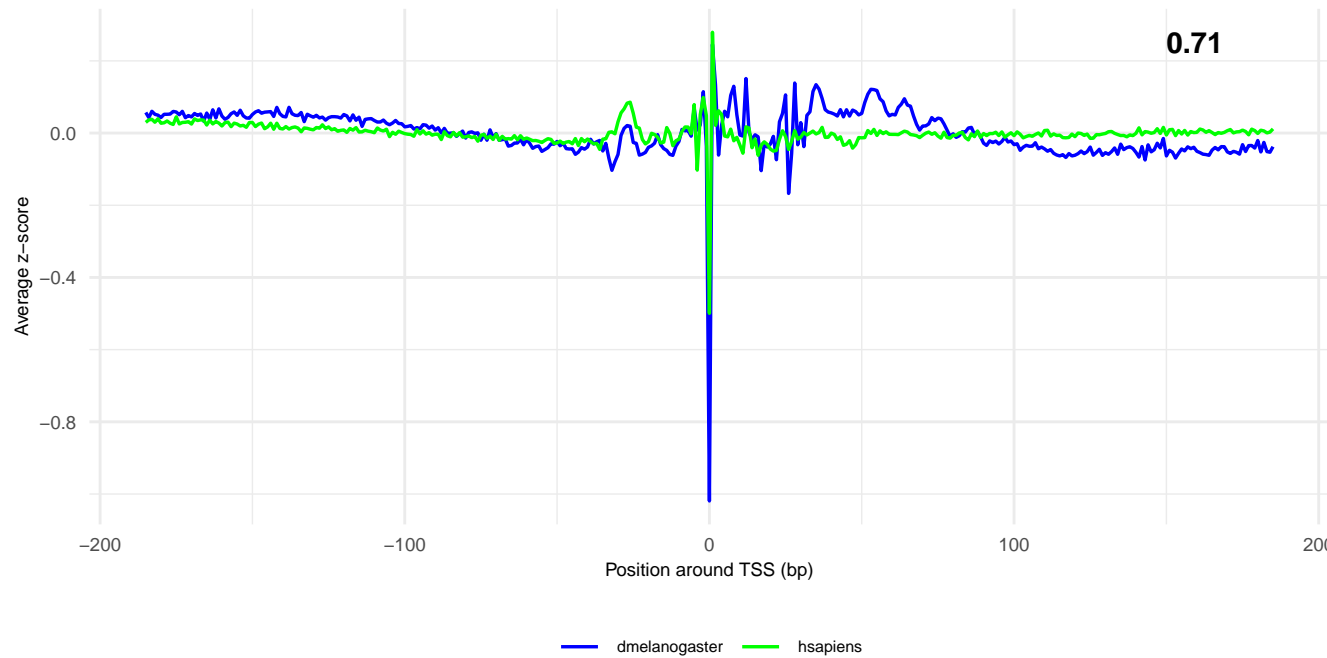

Comparison of HelT between celegans and scerevisiae

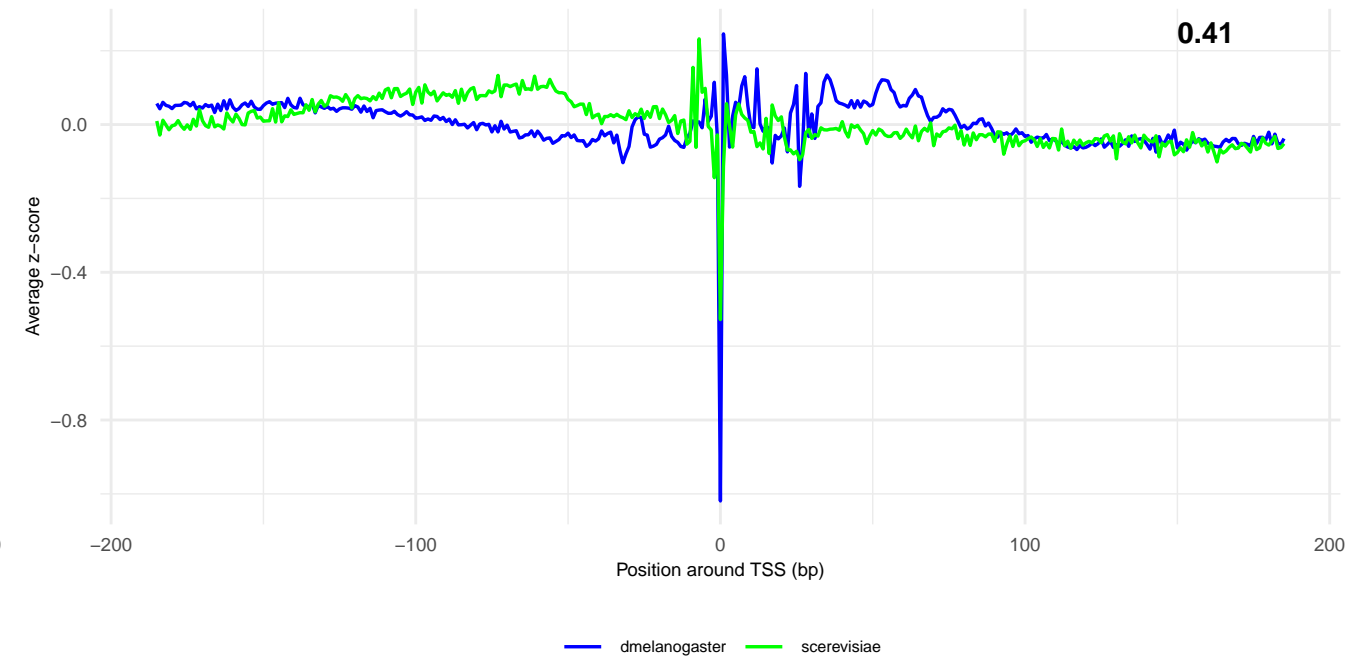

Comparison of HelT between dmelanogaster and pfalciparum

Comparison of HelT between dmelanogaster and hsapiens

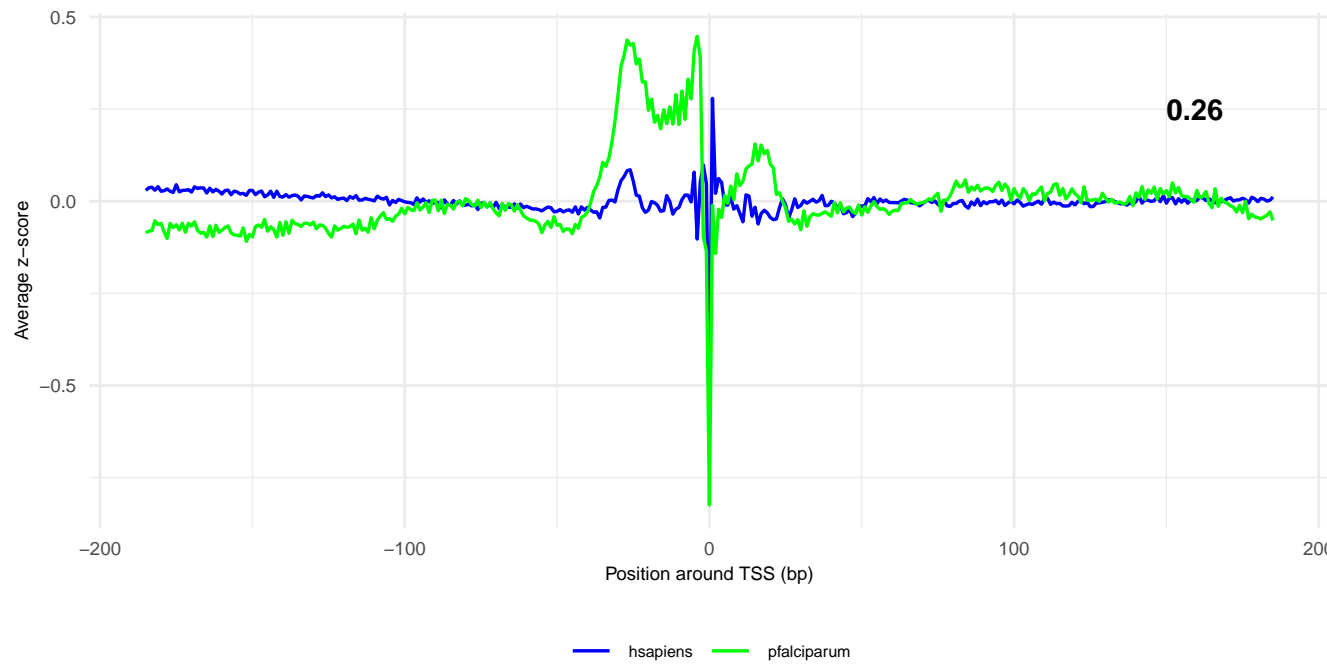

Comparison of HelT between dmelanogaster and scerevisiae

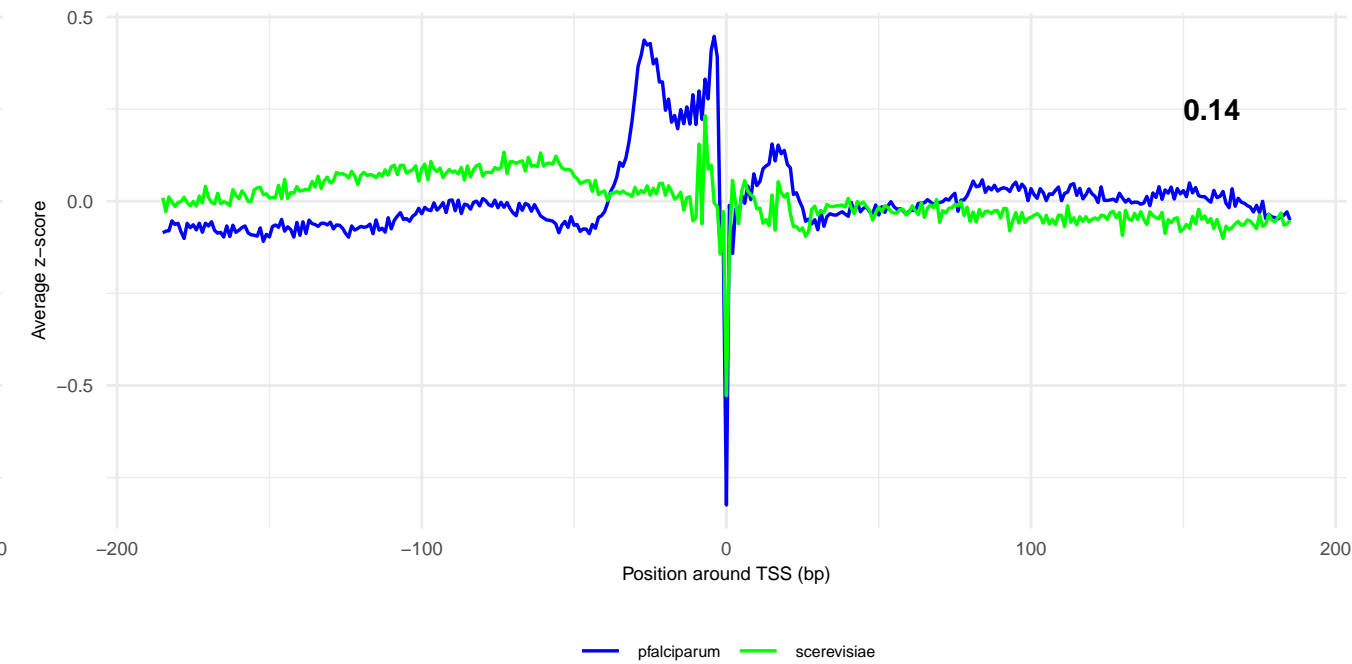

Property: HeIT

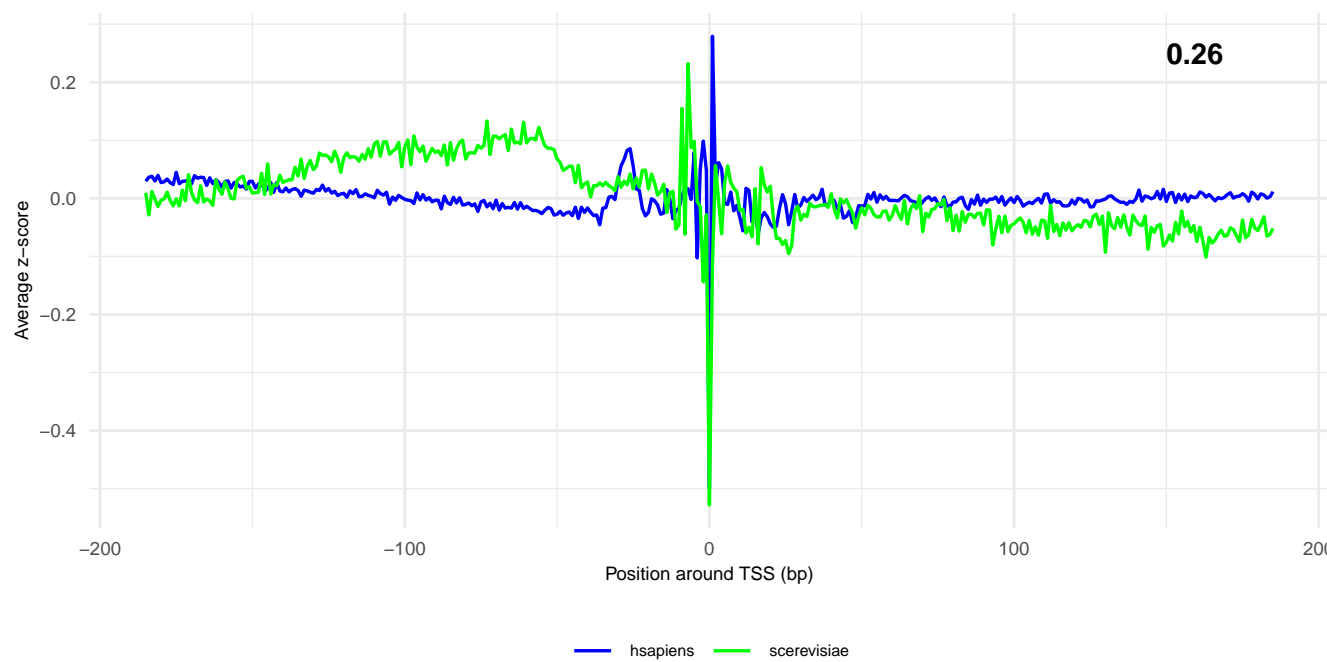

Comparison of HeIT between hsapiens and pfalciparum

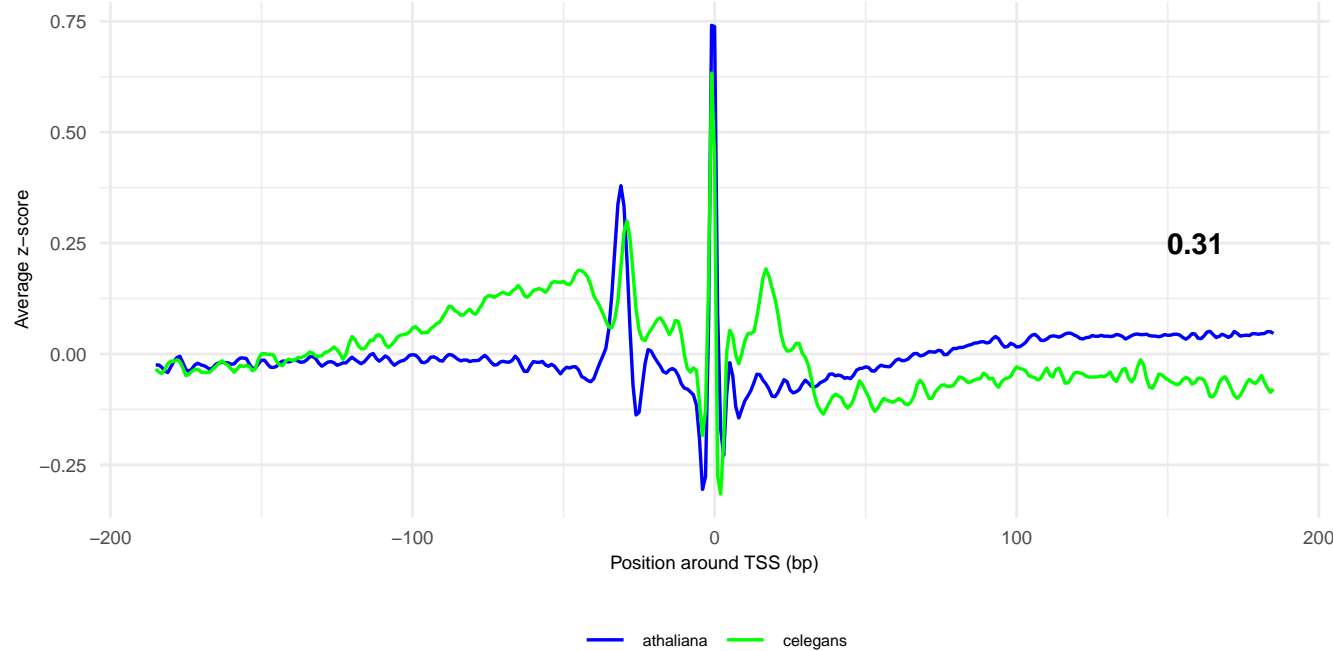

Comparison of HeIT between pfalciparum and scerevisiae

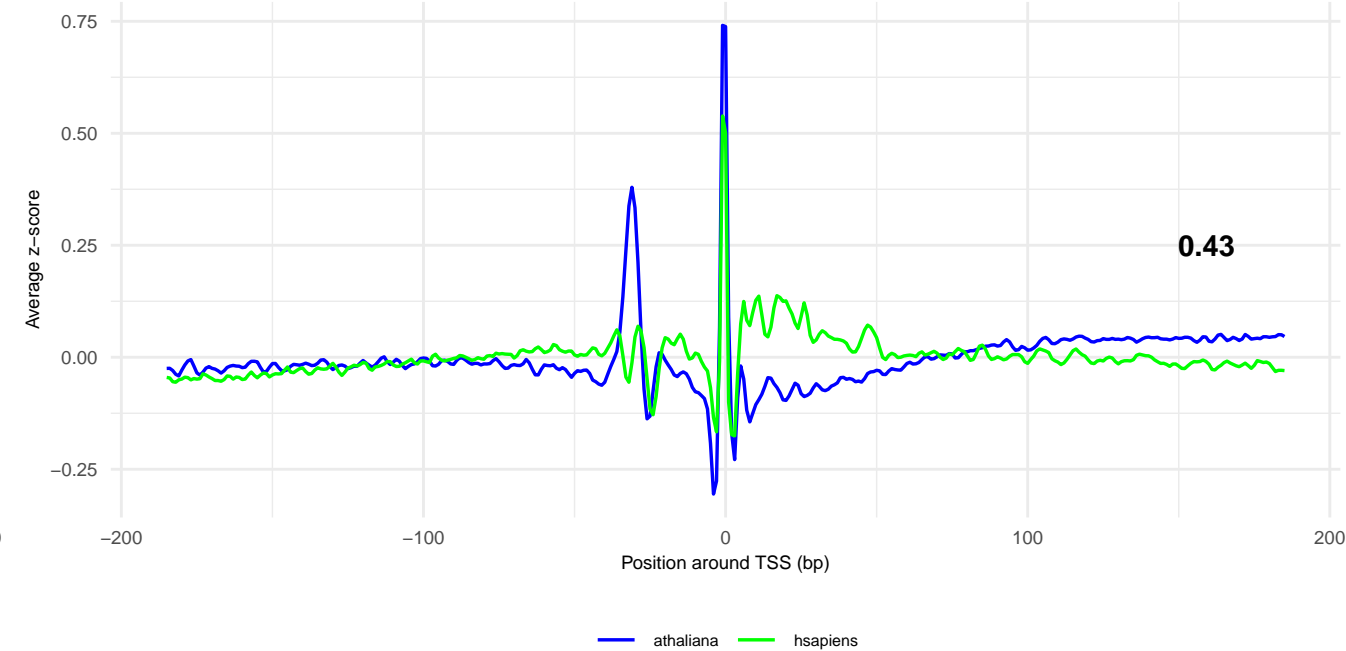

Comparison of HeIT between hsapiens and scerevisiae

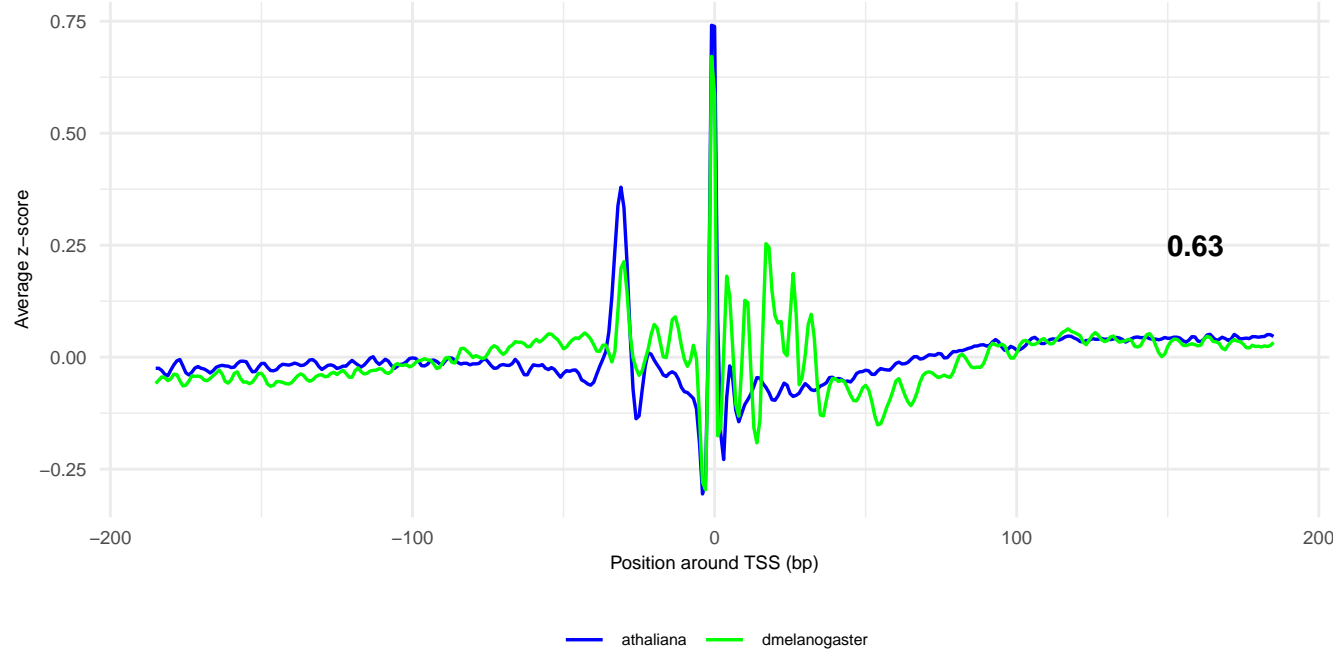

Comparison of MGW between athaliana and celegans

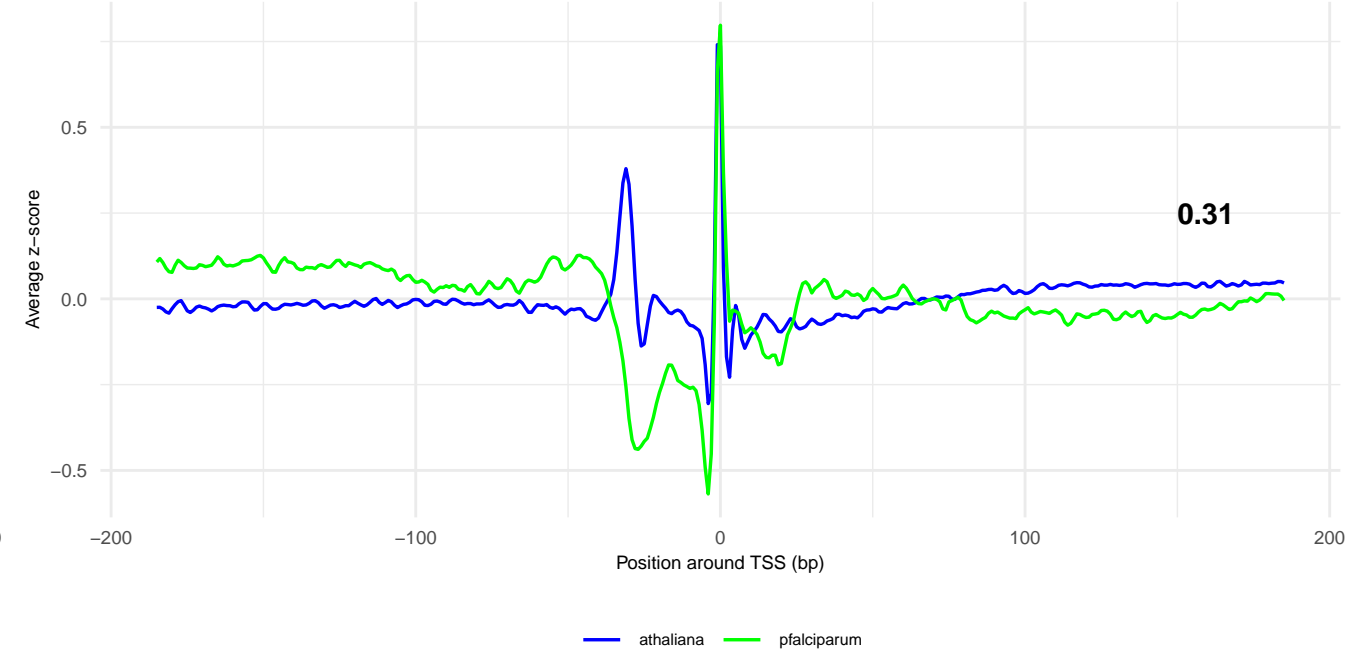

Comparison of MGW between athaliana and hsapiens

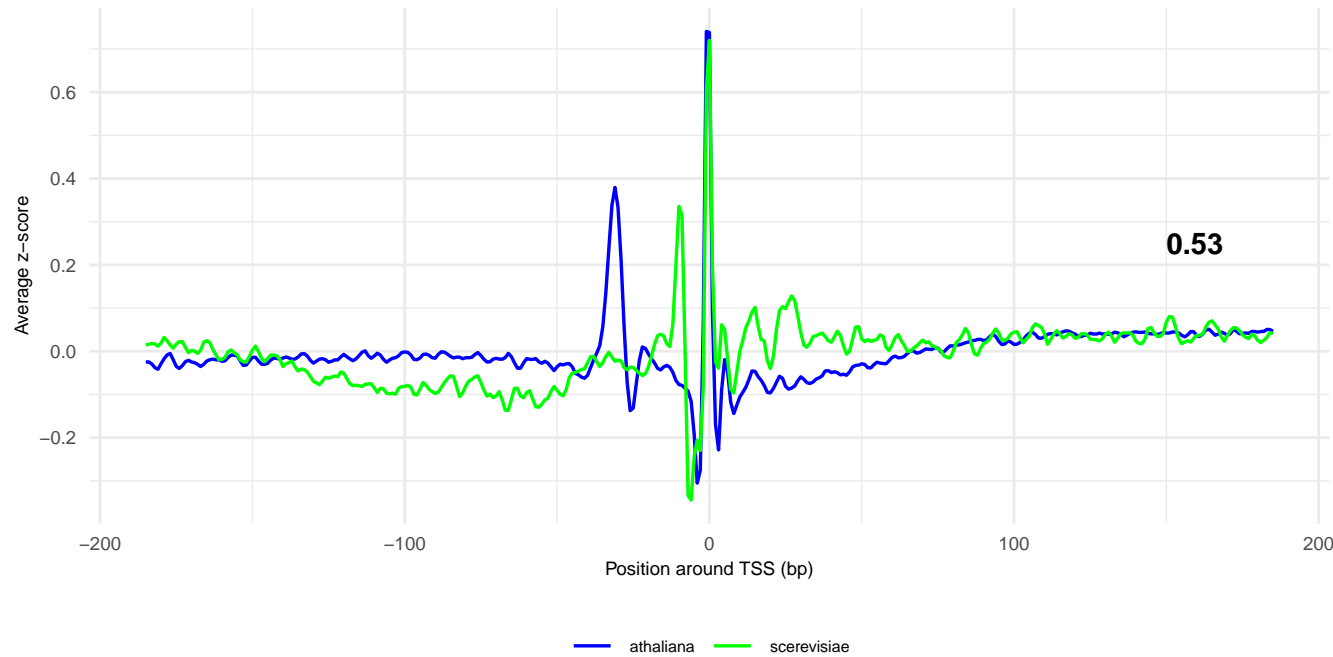

Comparison of MGW between athaliana and dmelanogaster

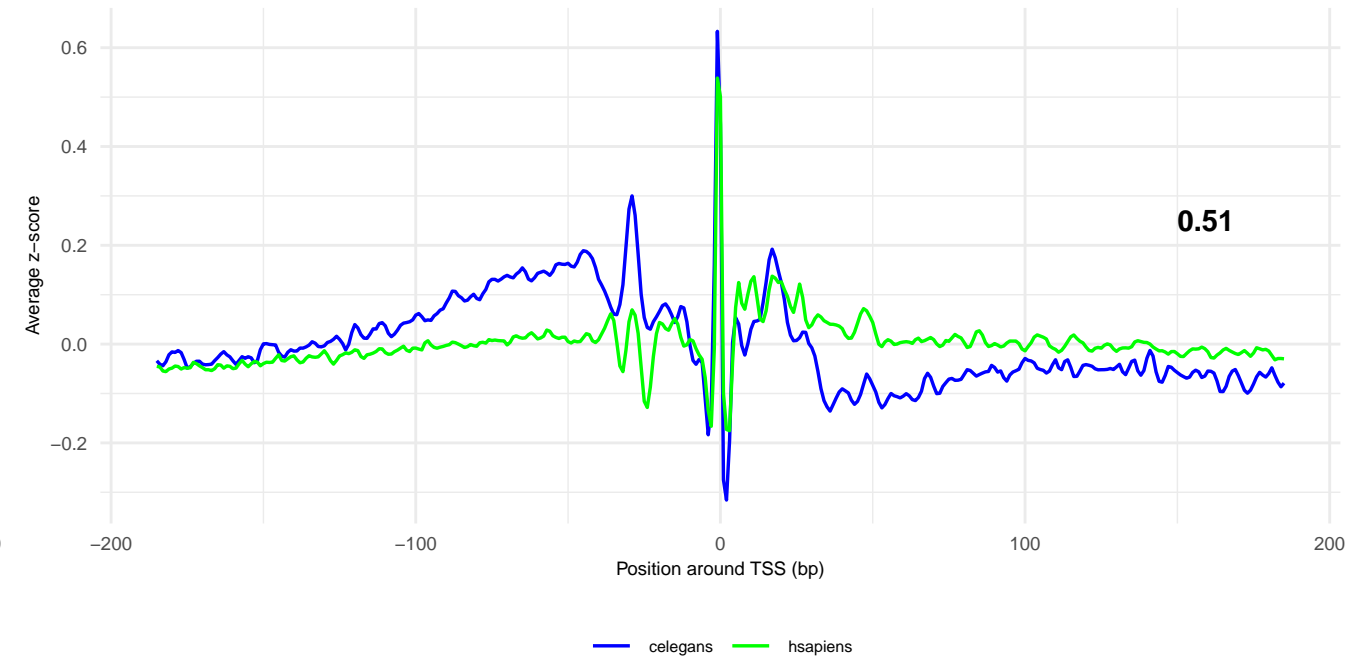

Comparison of MGW between athaliana and pfalciparum

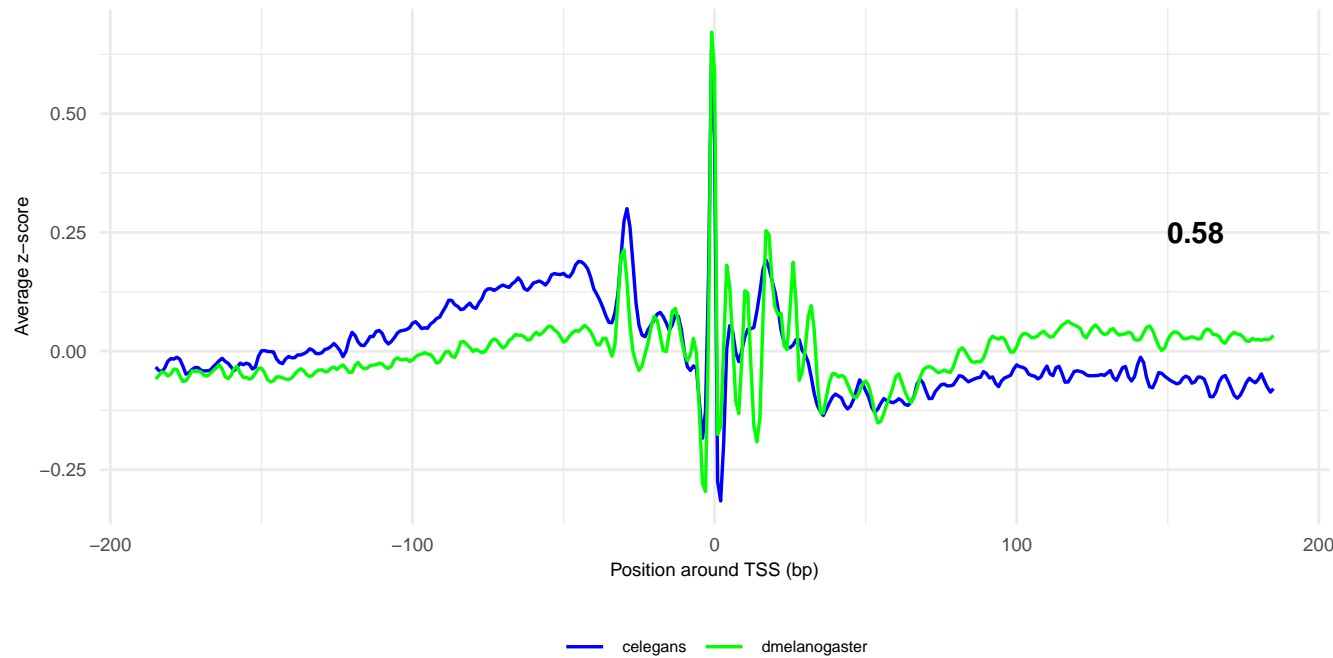

Comparison of MGW between athaliana and scerevisiae

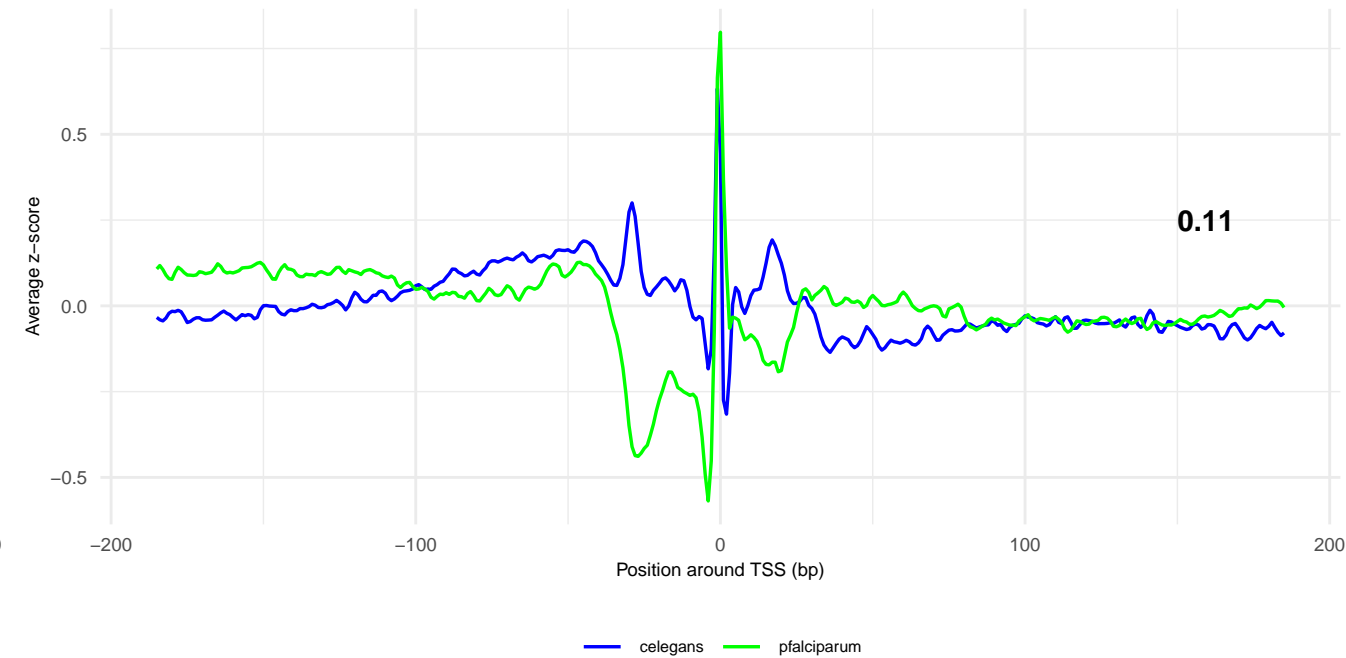

Comparison of MGW between celegans and hsapiens

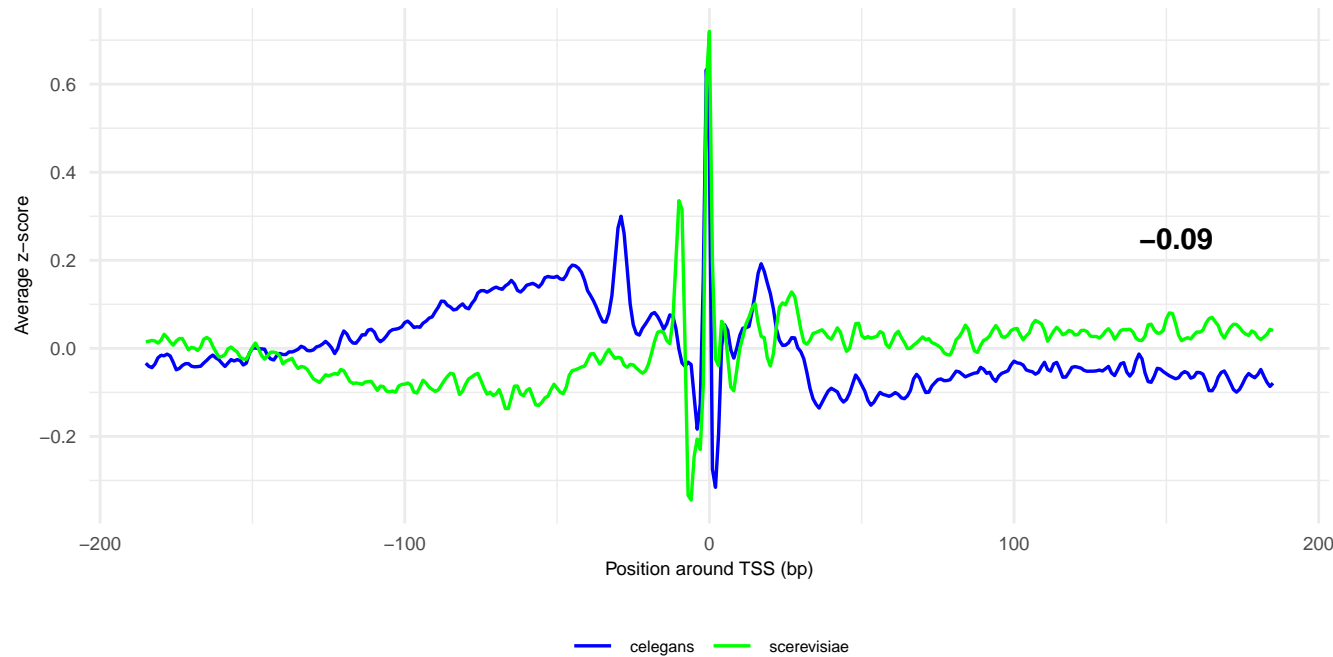

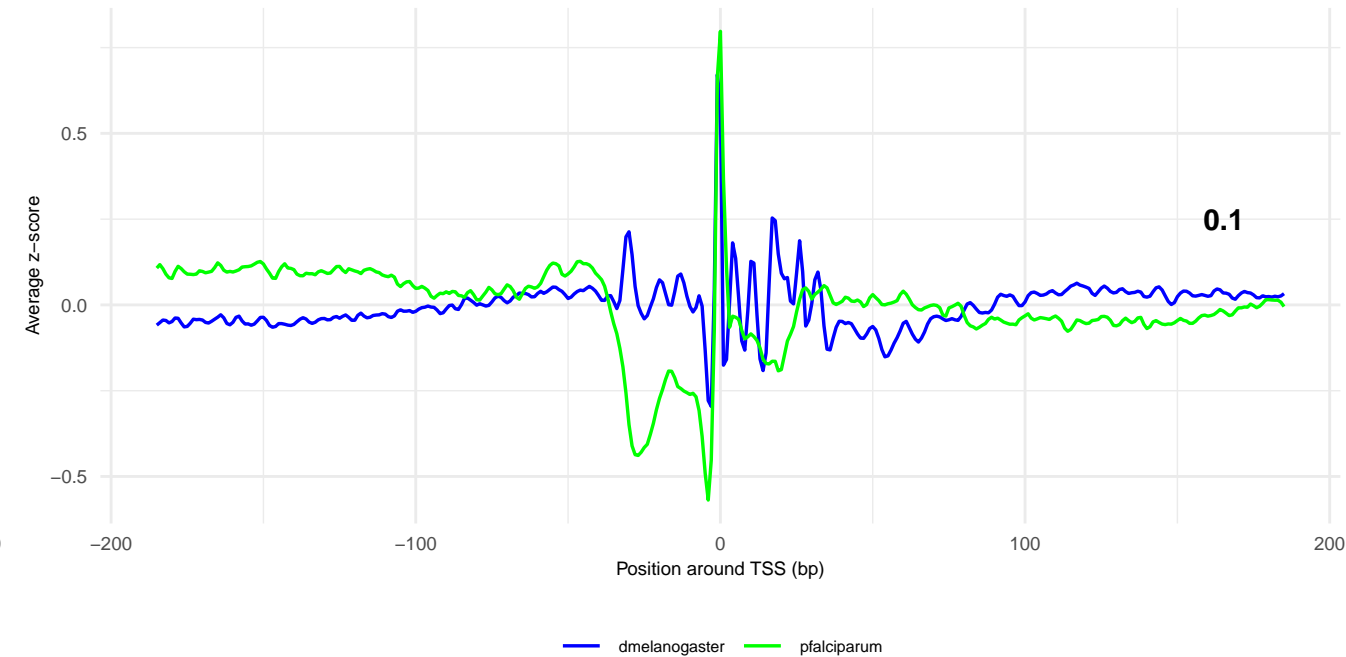

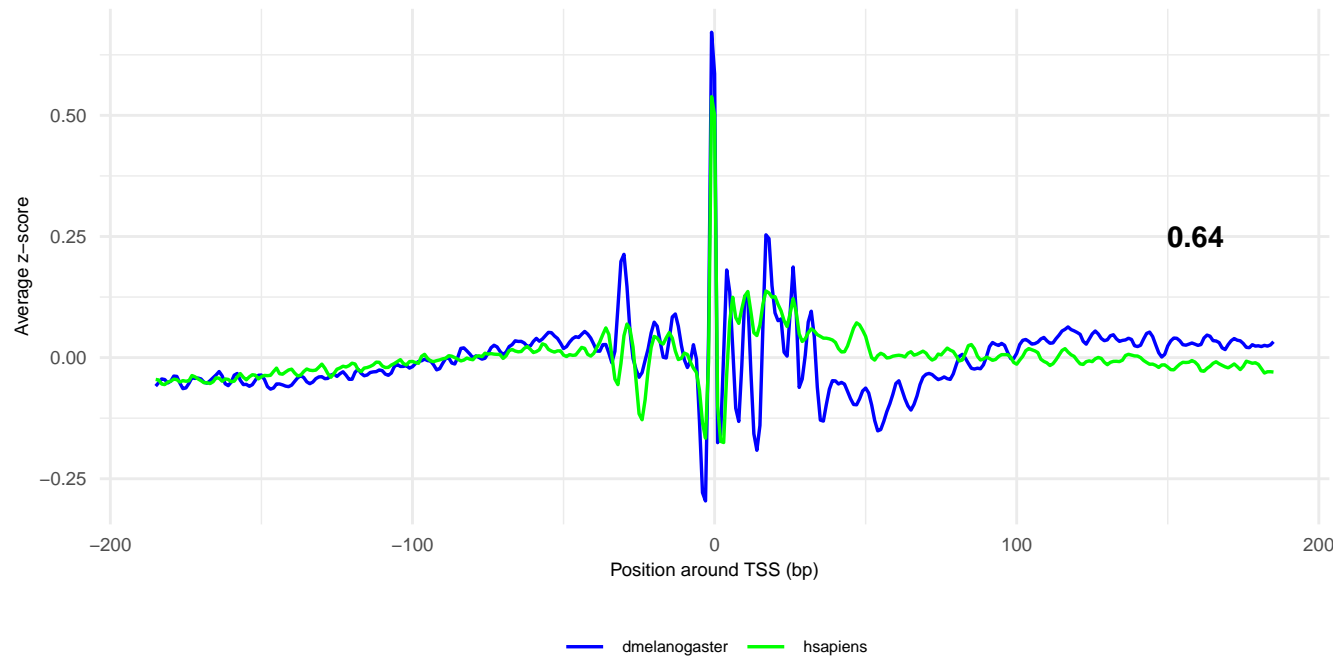

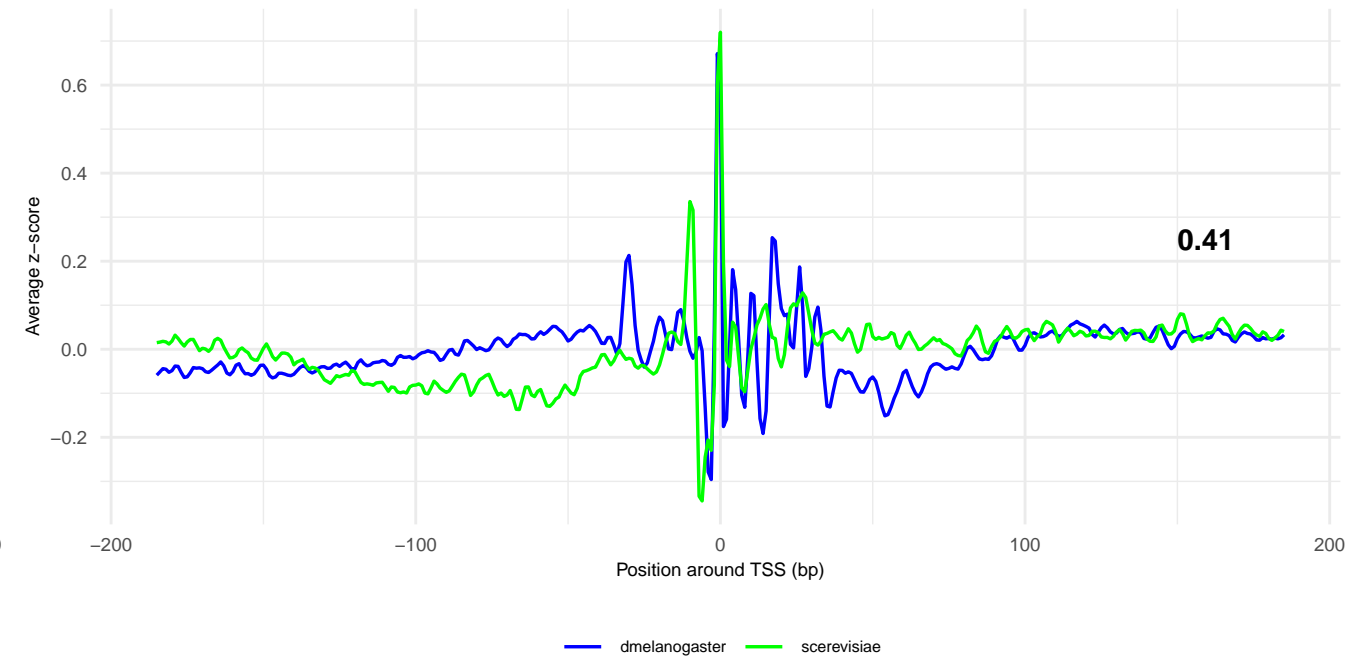

Comparison of MGW between celegans and dmelanogaster

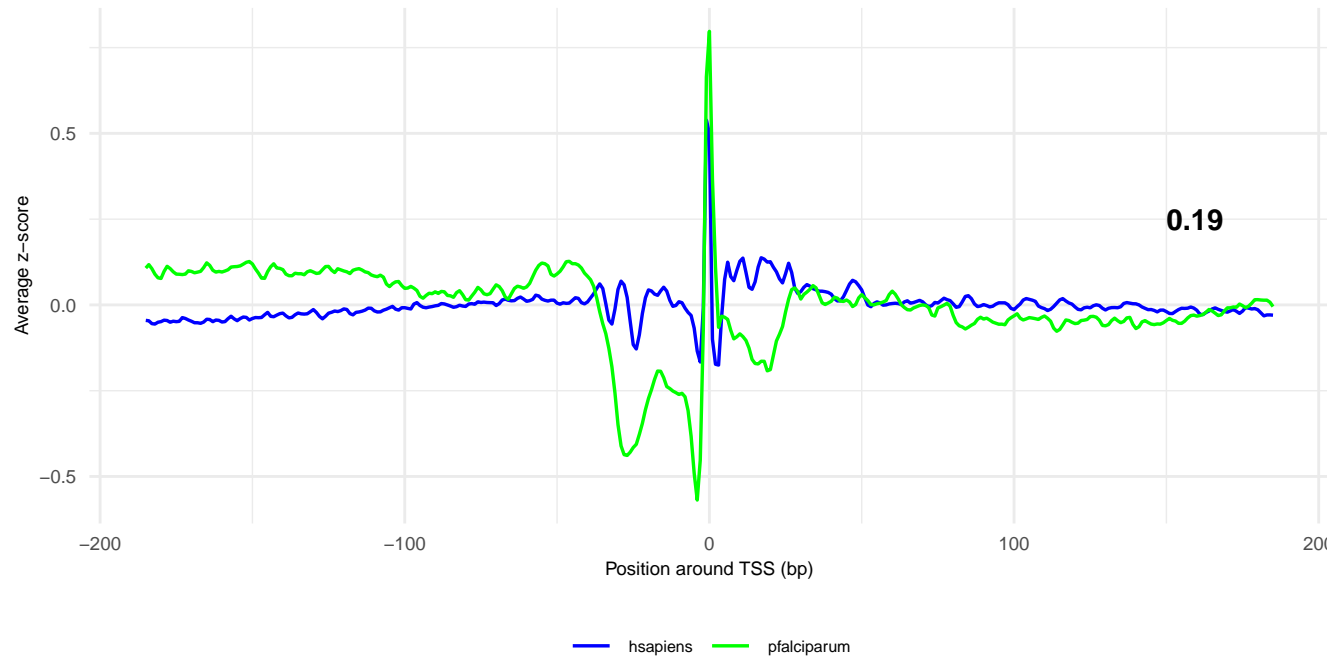

Comparison of MGW between celegans and pfalciparum

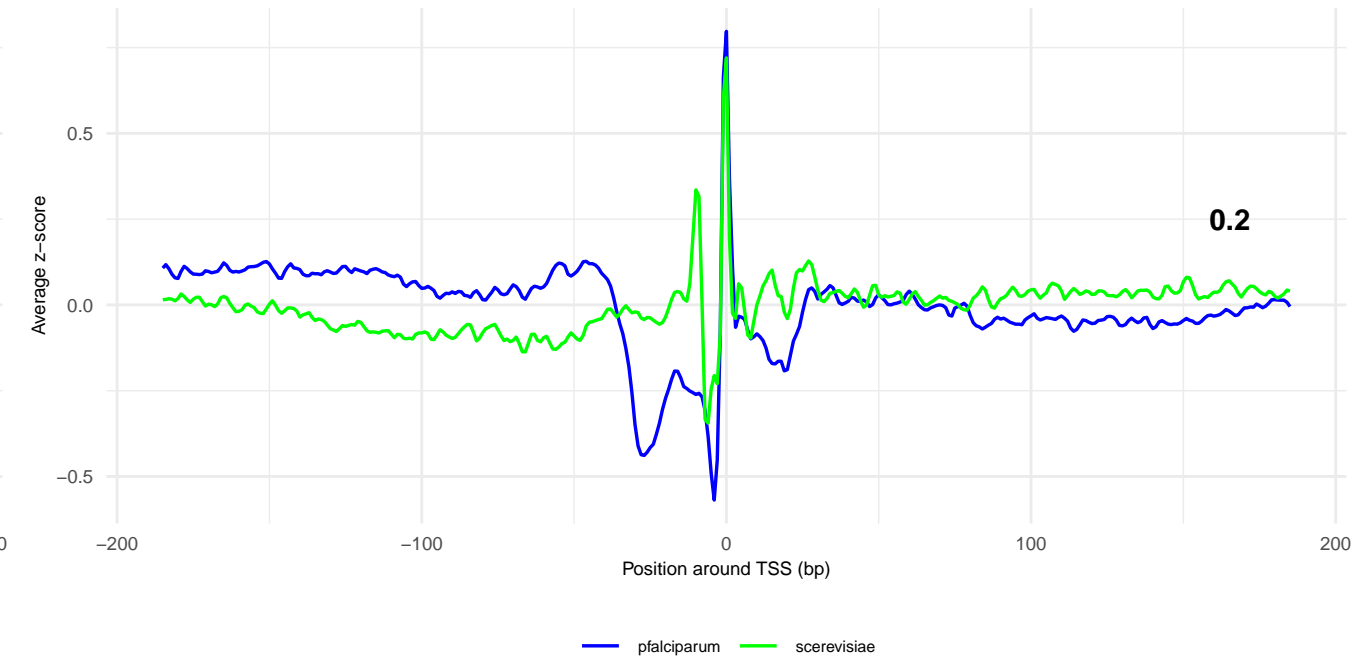

Comparison of MGW between *celegans* and *scerevisiae*Comparison of MGW between *dmelanogaster* and *pfalciparum*Comparison of MGW between *dmelanogaster* and *hsapiens*Comparison of MGW between *dmelanogaster* and *scerevisiae*

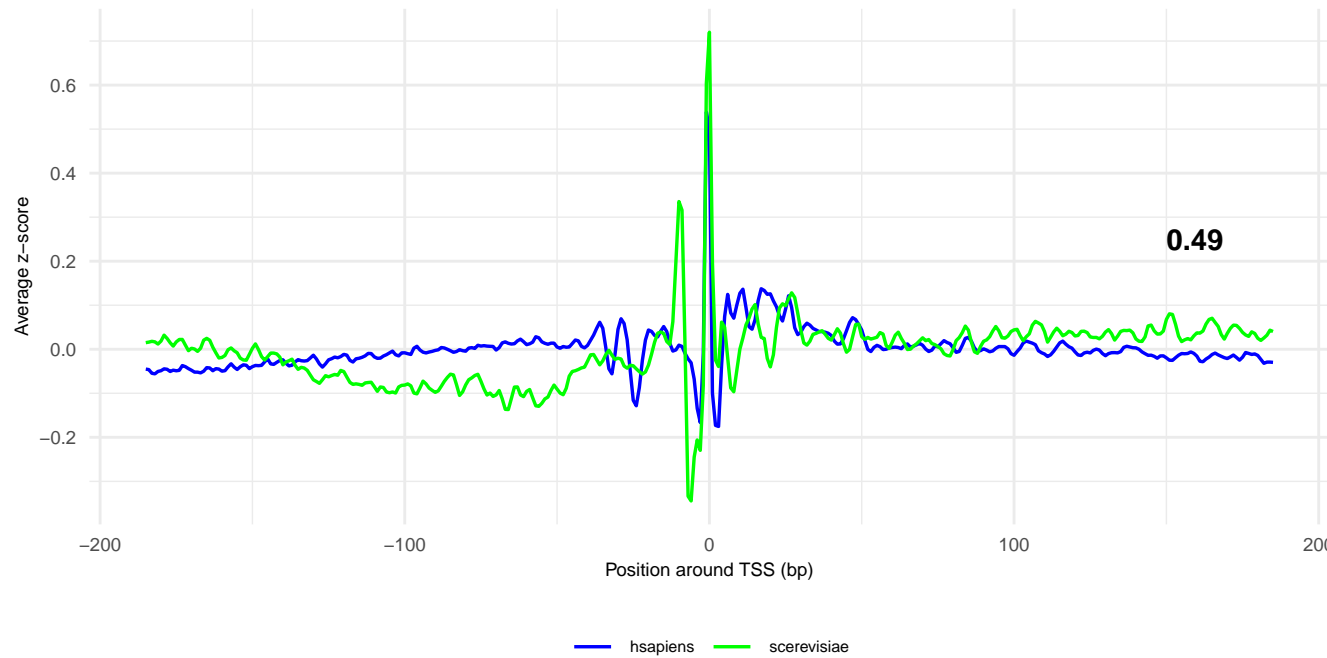

Comparison of MGW between hsapiens and pfalciparum

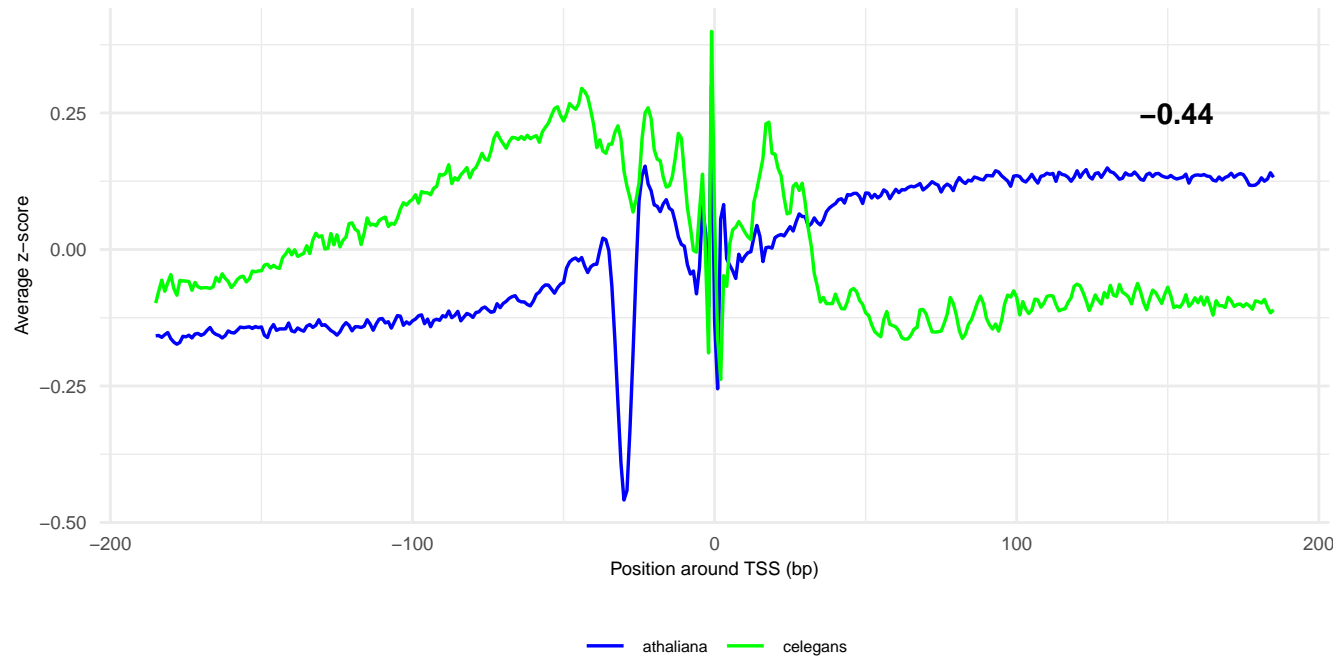

Comparison of MGW between pfalciparum and scerevisiae

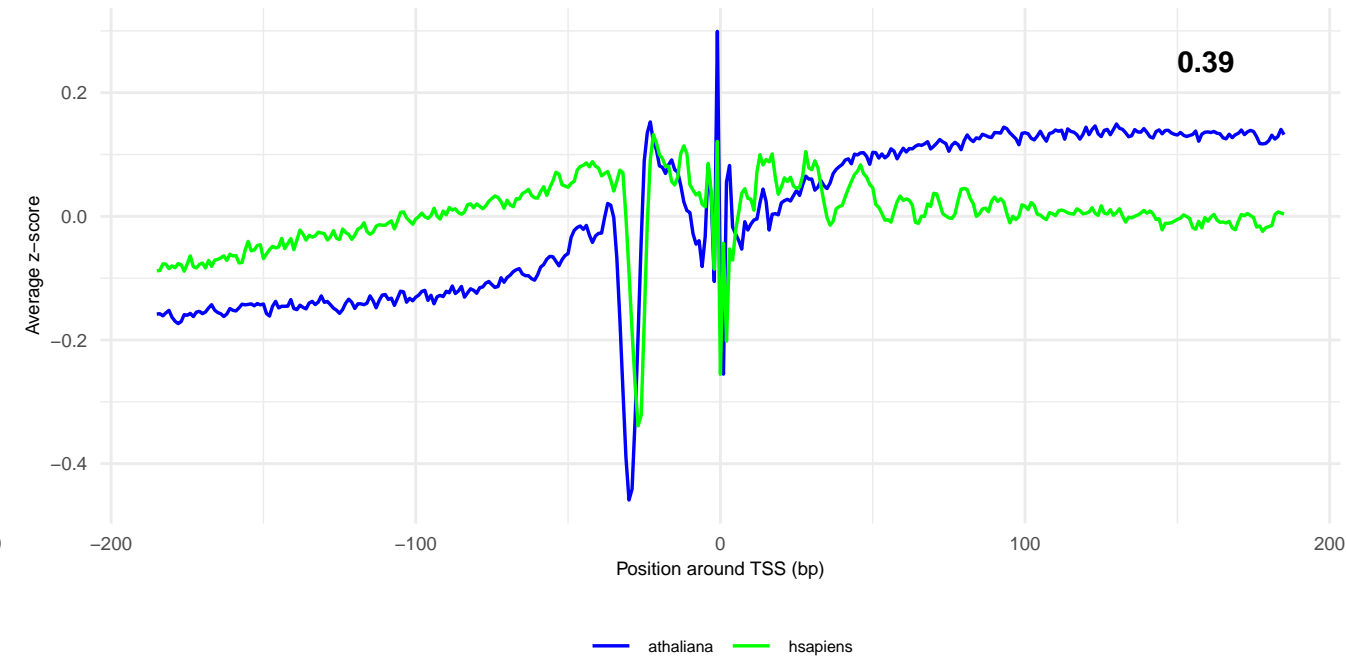

Comparison of MGW between hsapiens and scerevisiae

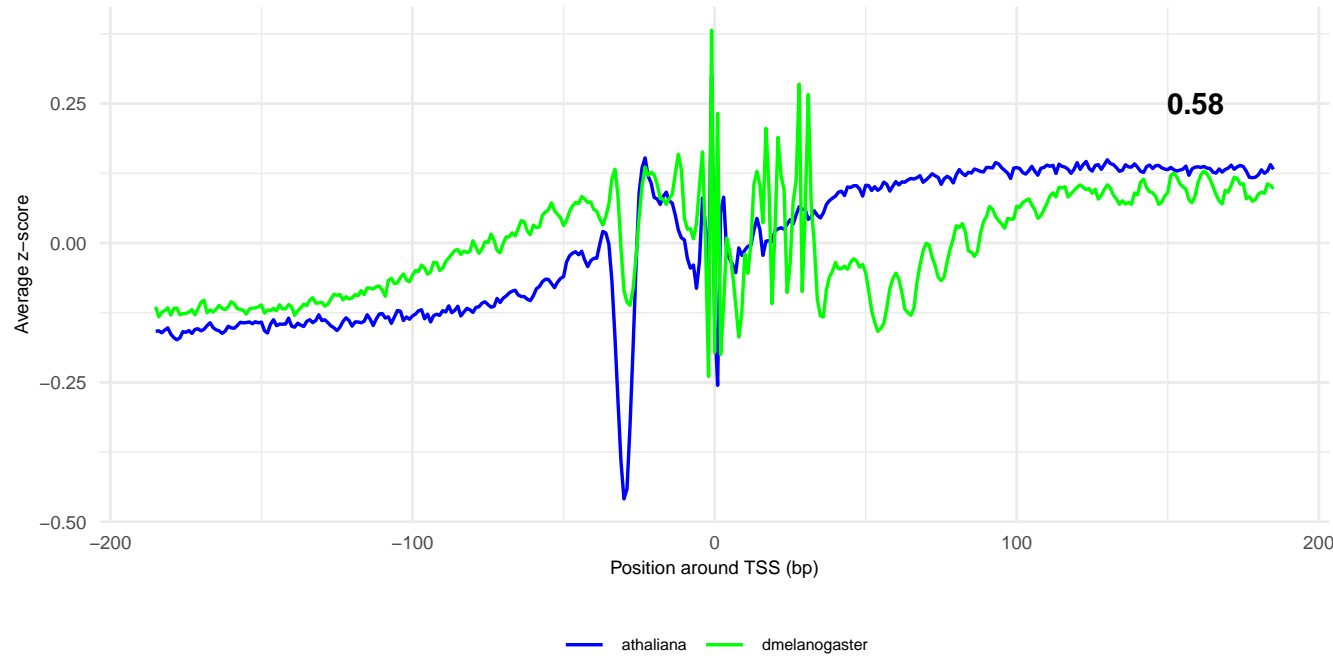

Comparison of Opening between athaliana and celegans

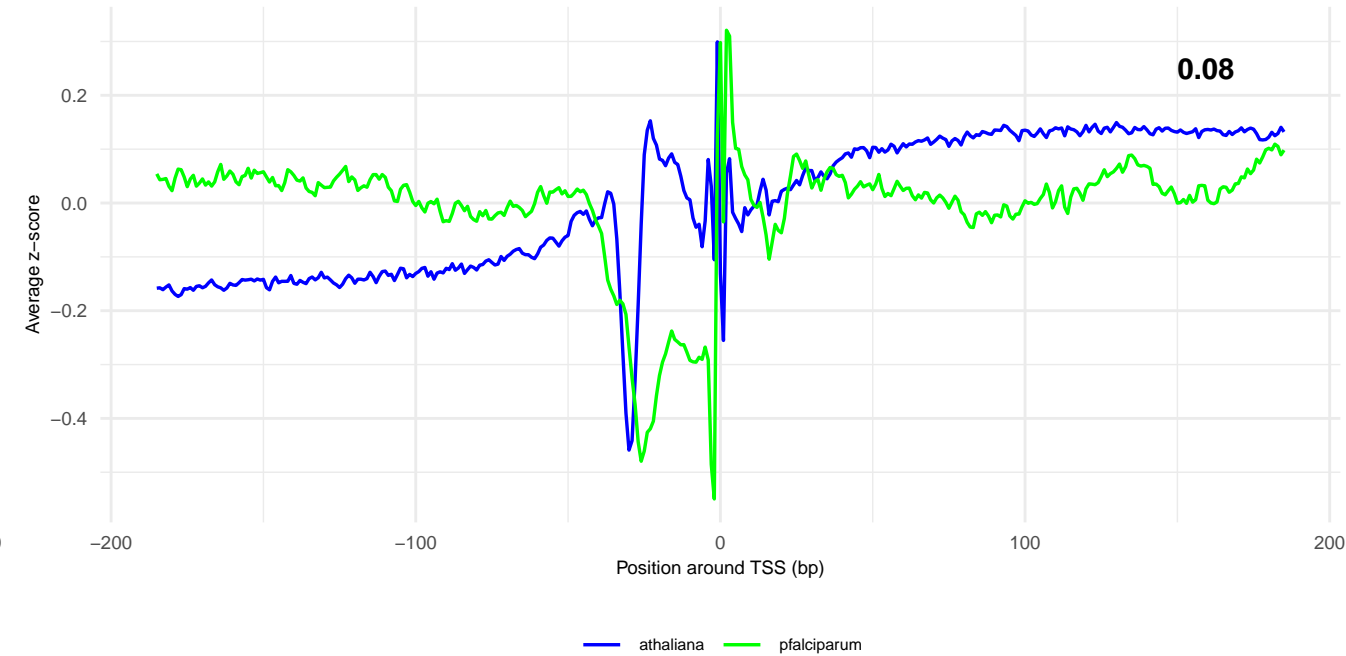

Comparison of Opening between athaliana and hsapiens

Comparison of Opening between athaliana and dmelanogaster

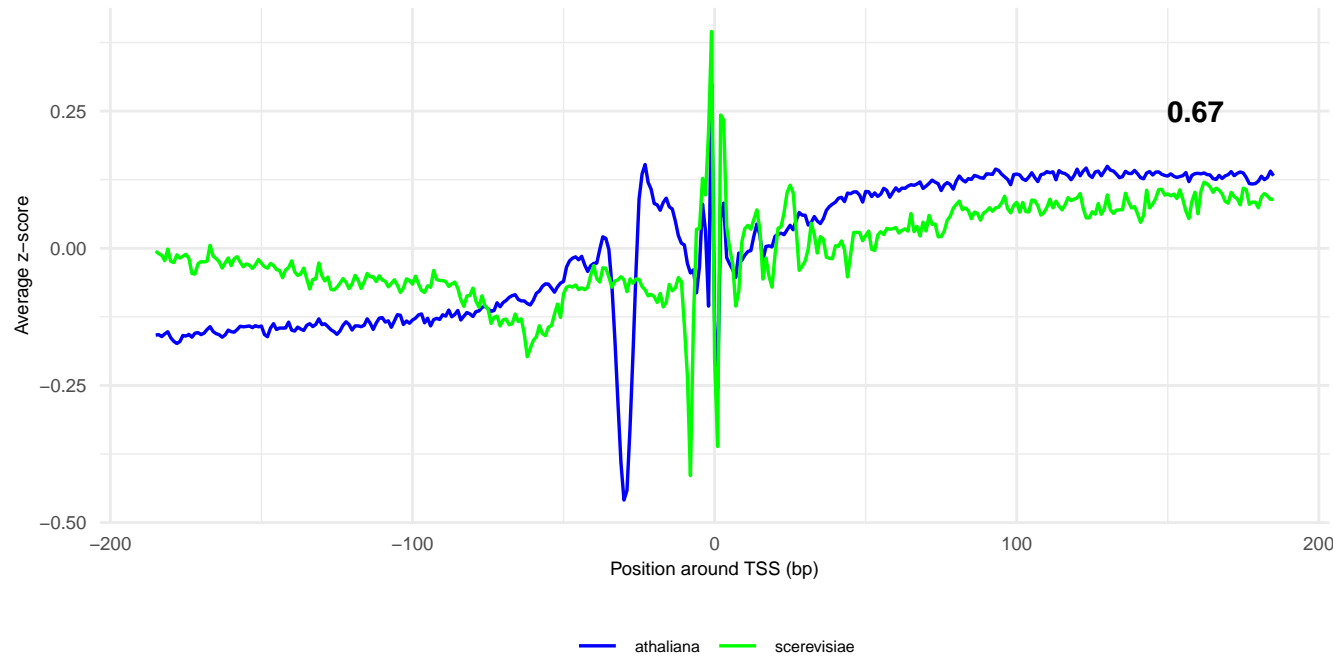

Comparison of Opening between athaliana and pfalciparum

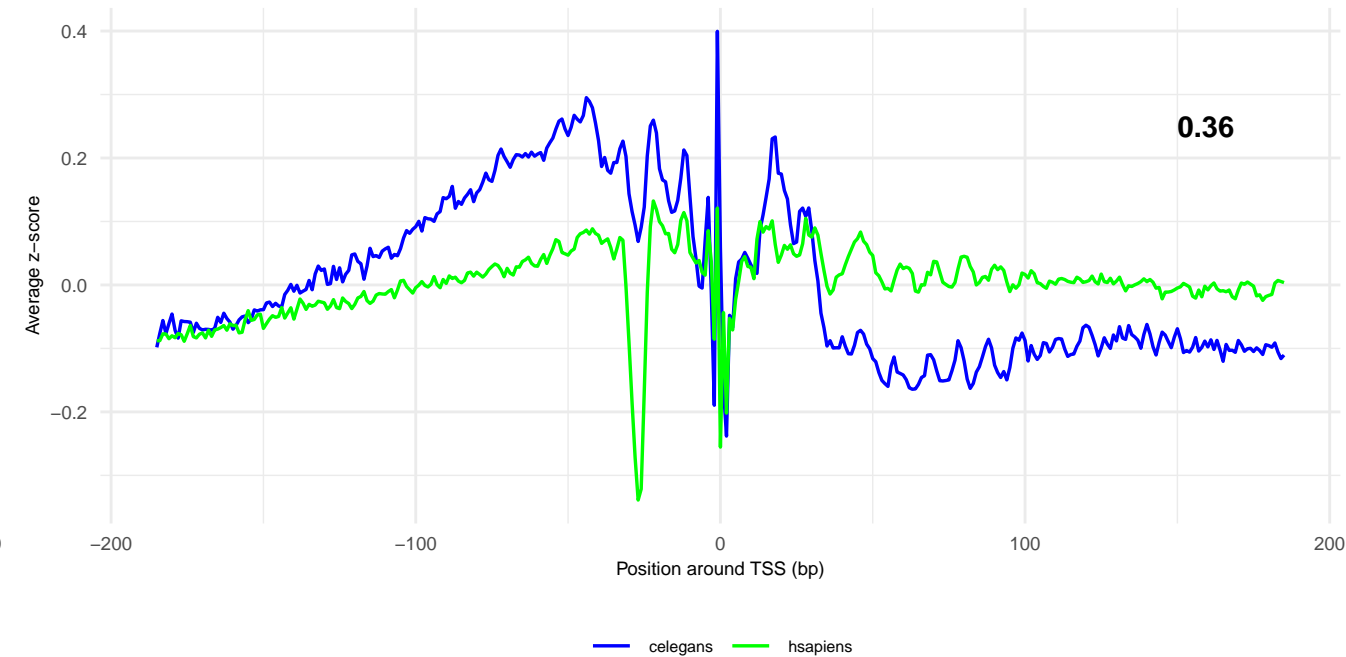

Property: Opening

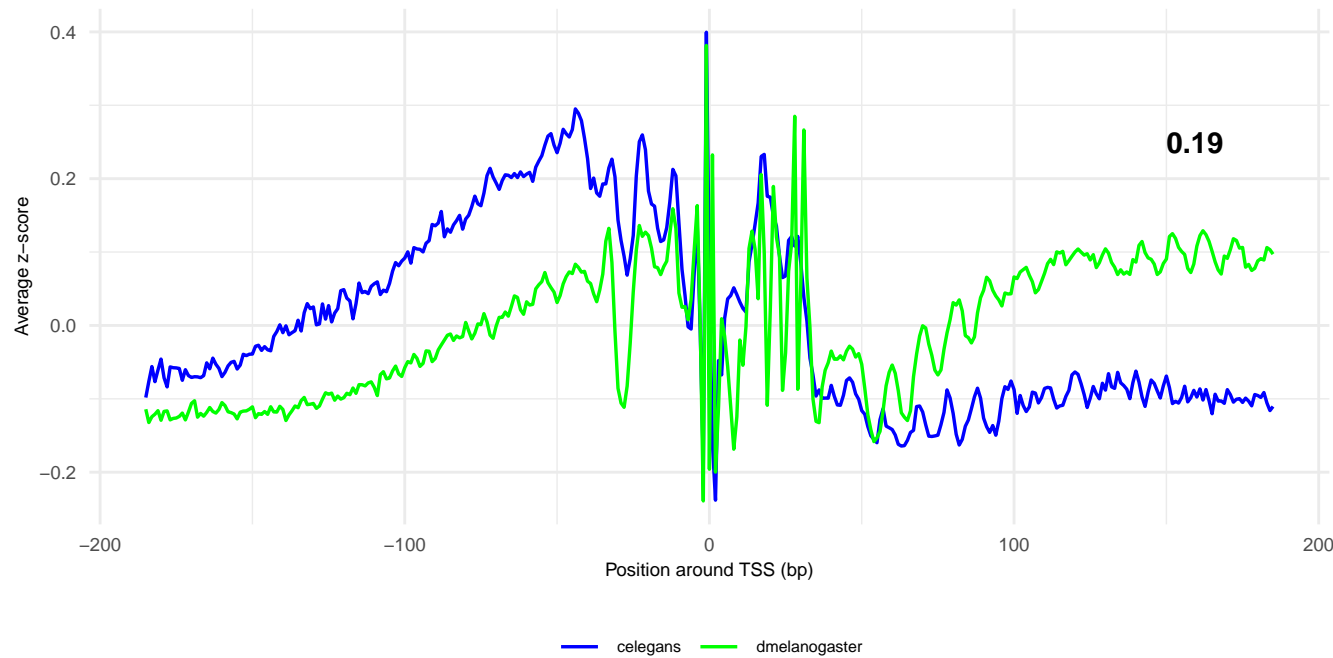

Comparison of Opening between athaliana and scerevisiae

Comparison of Opening between celegans and hsapiens

Comparison of Opening between celegans and dmelanogaster

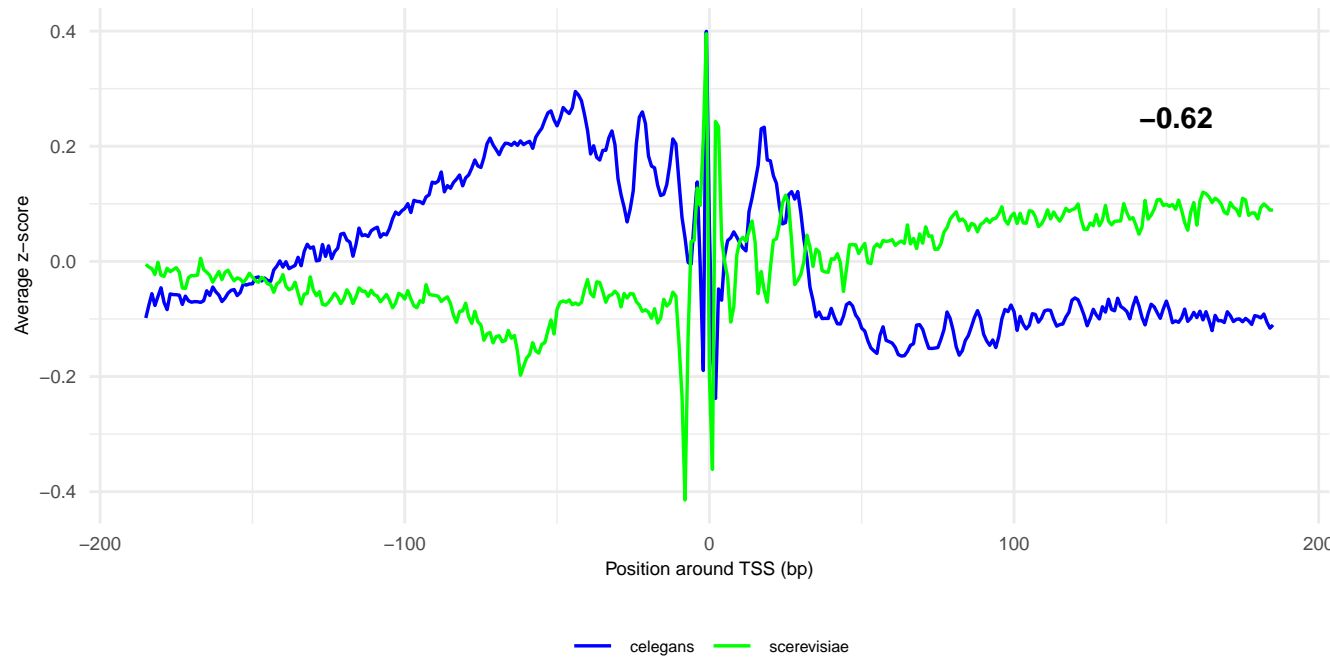

Comparison of Opening between celegans and pfalciparum

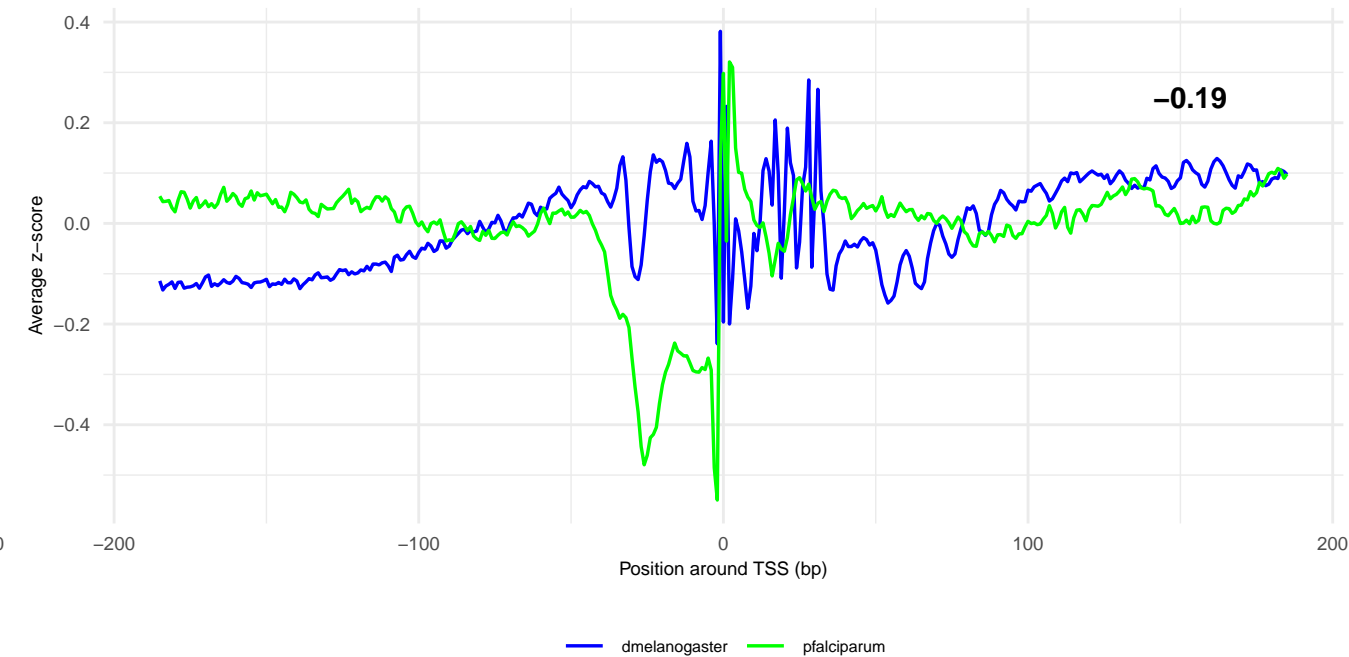

Property: Opening

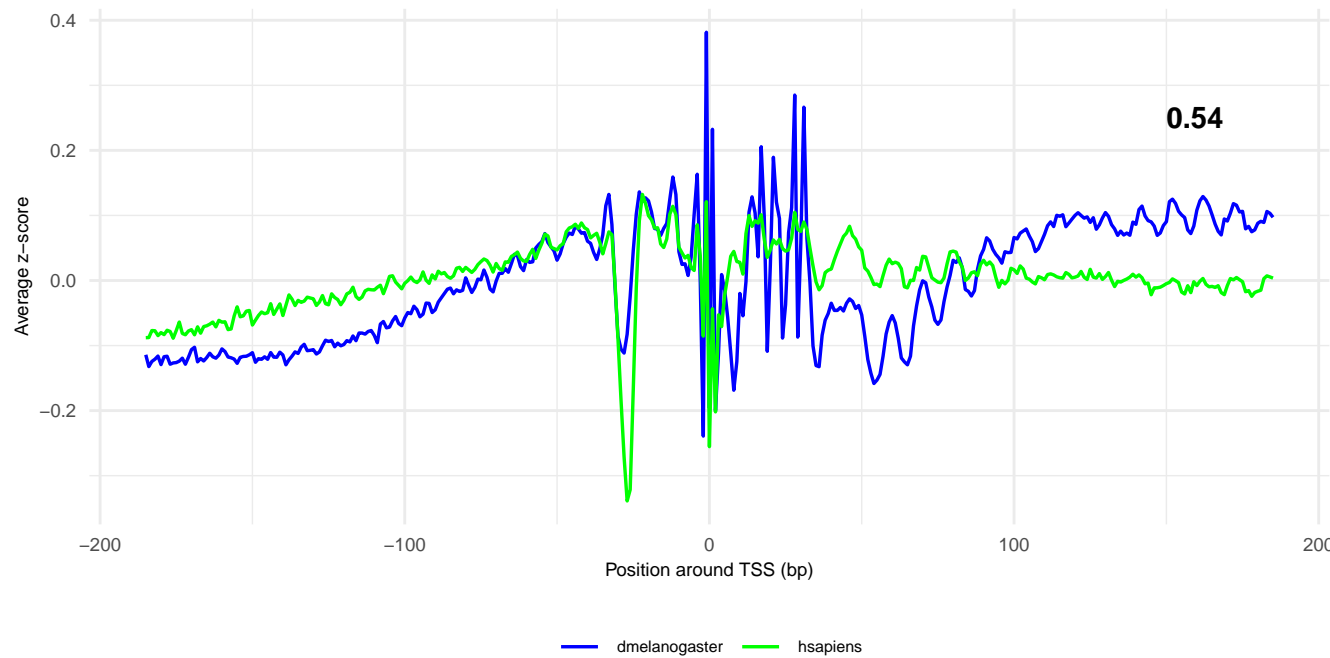

Comparison of Opening between celegans and scerevisiae

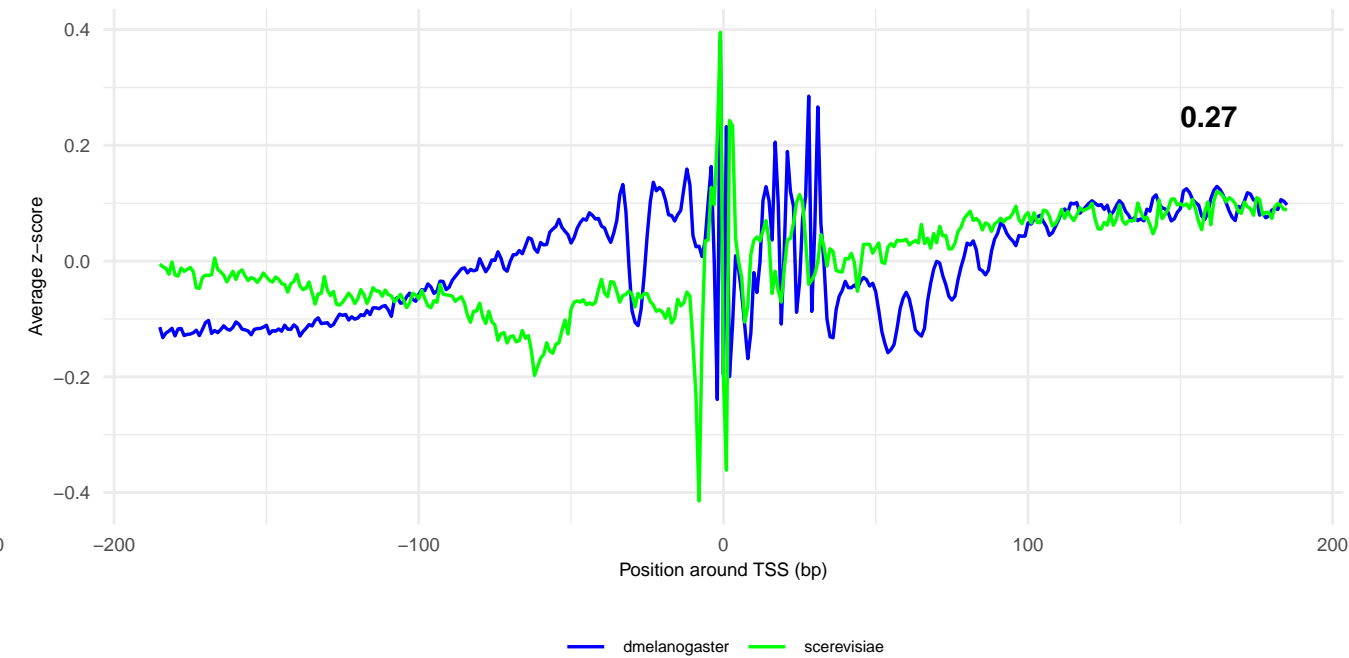

Comparison of Opening between dmelanogaster and pfalciparum

Comparison of Opening between dmelanogaster and hsapiens

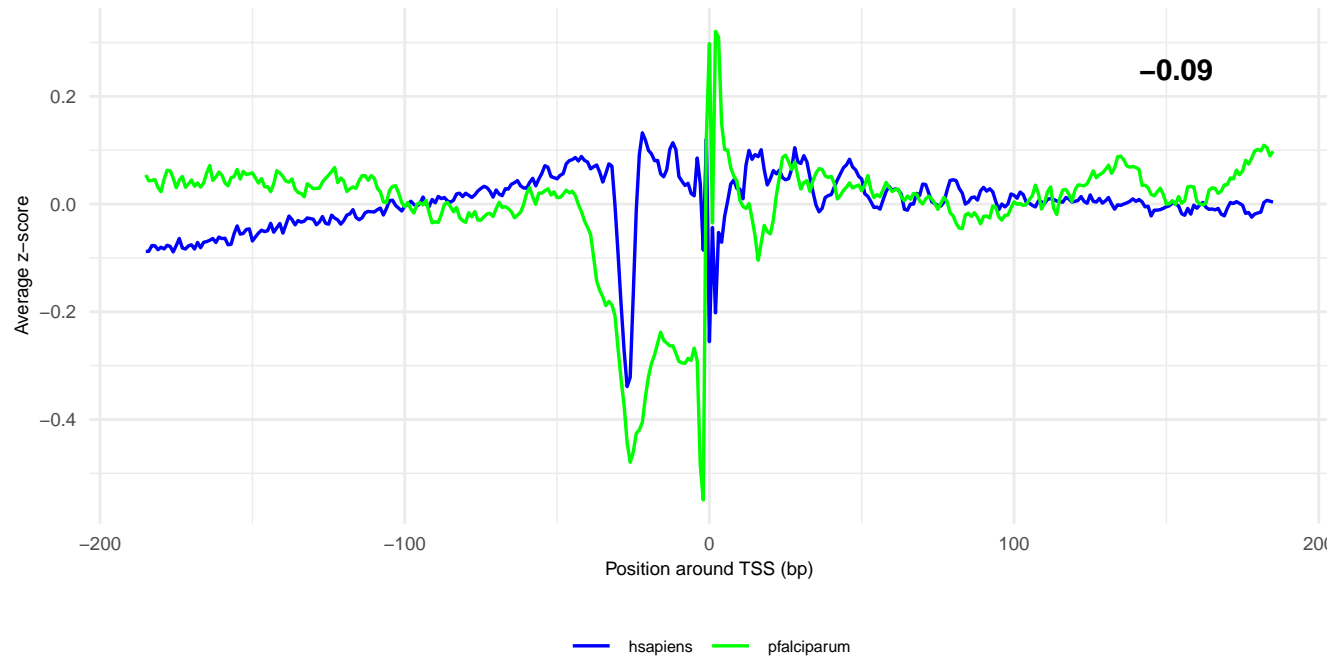

Comparison of Opening between dmelanogaster and scerevisiae

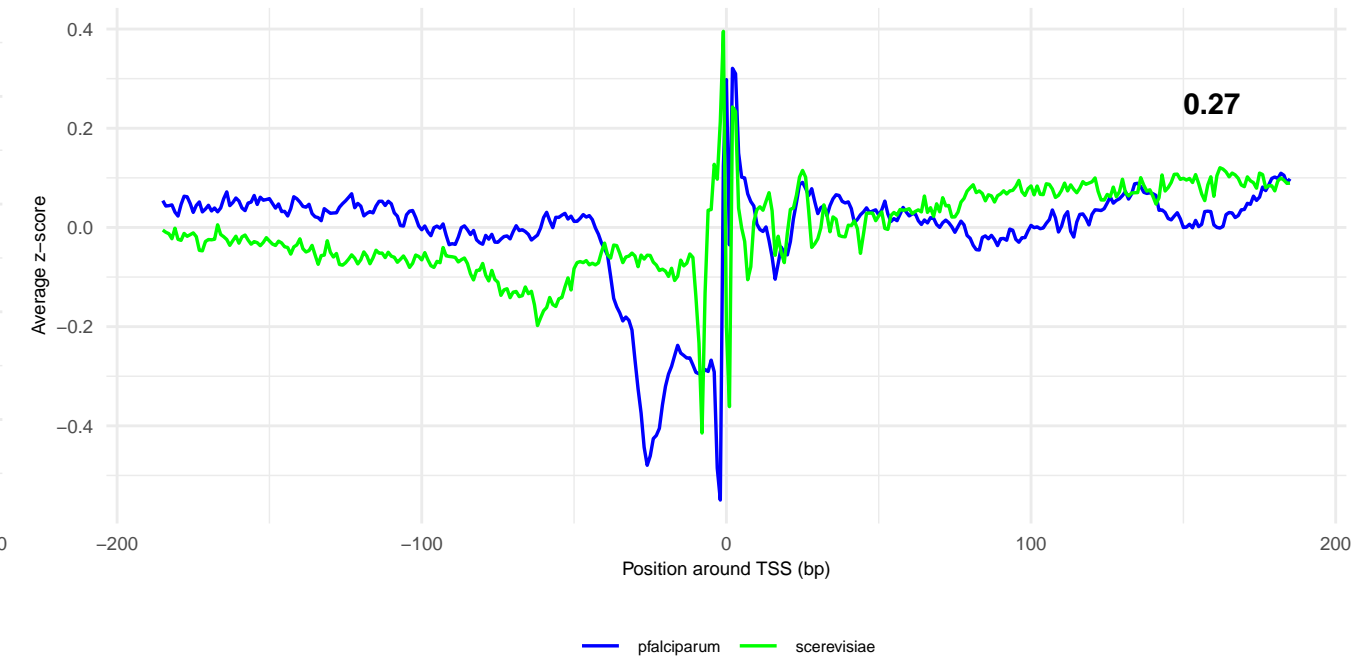

Property: Opening

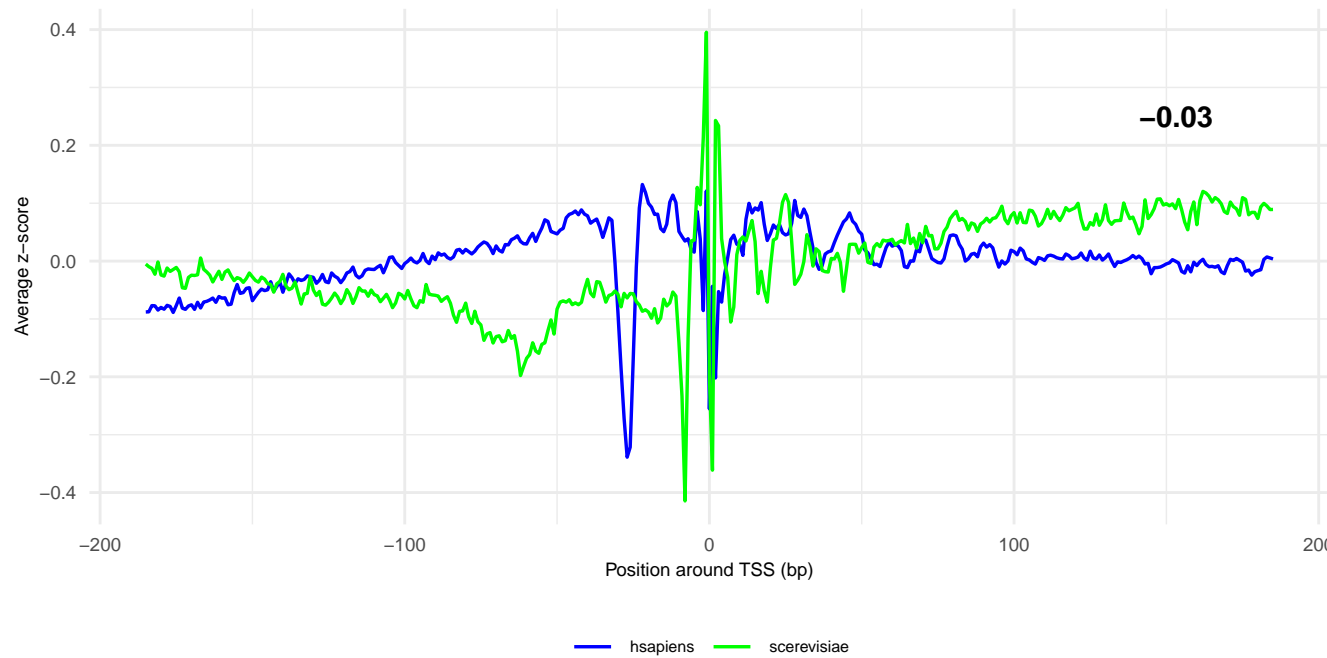

Comparison of Opening between hsapiens and pfalciparum

Comparison of Opening between pfalciparum and scerevisiae

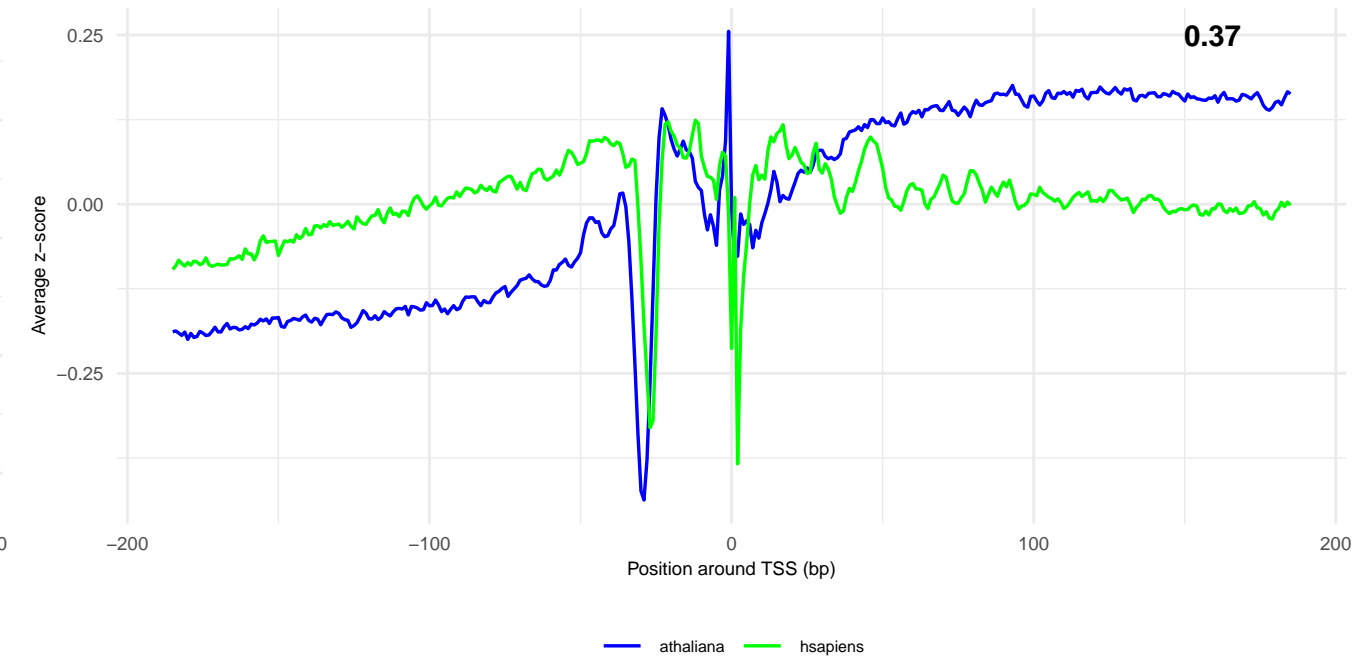

Comparison of Opening between hsapiens and scerevisiae

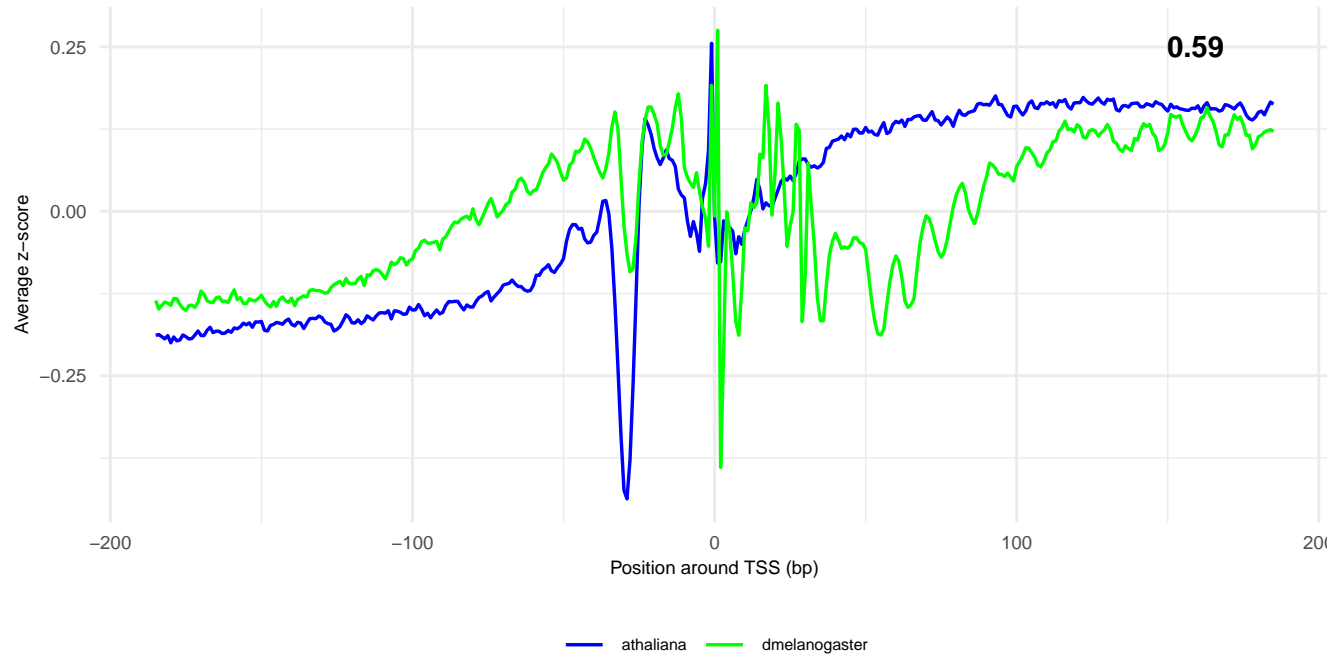

Comparison of ProT between athaliana and celegans

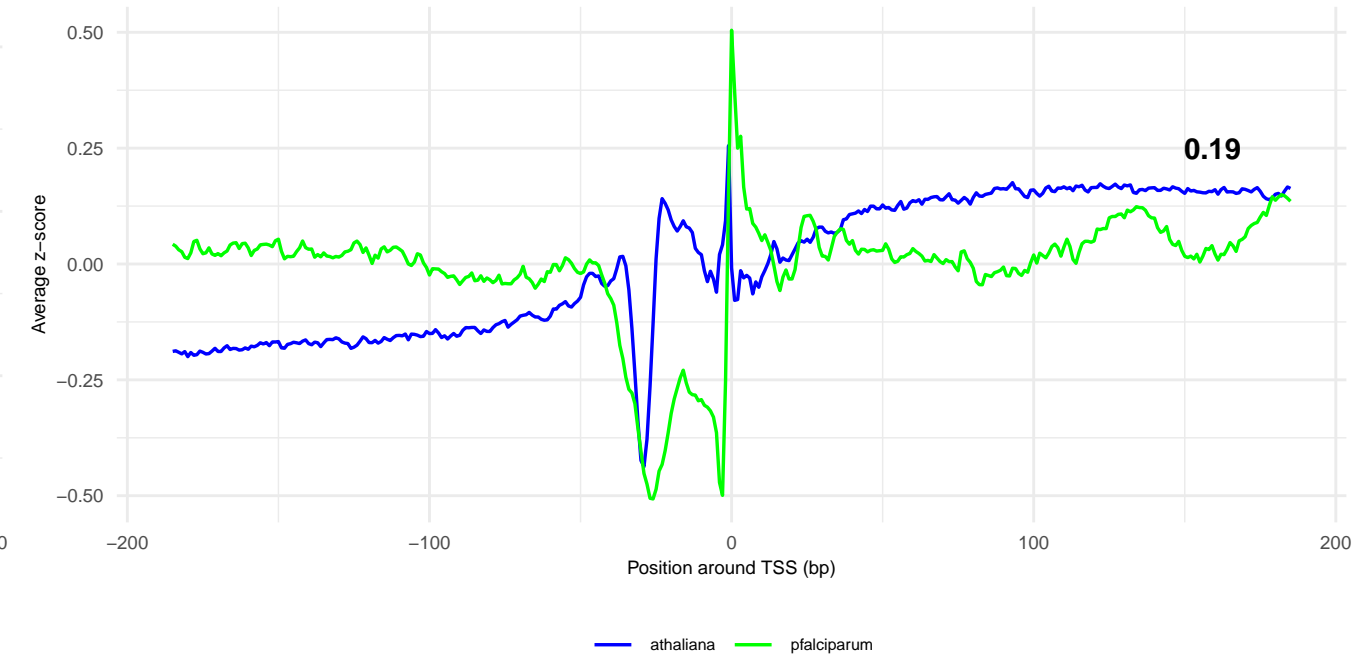

Comparison of ProT between athaliana and hsapiens

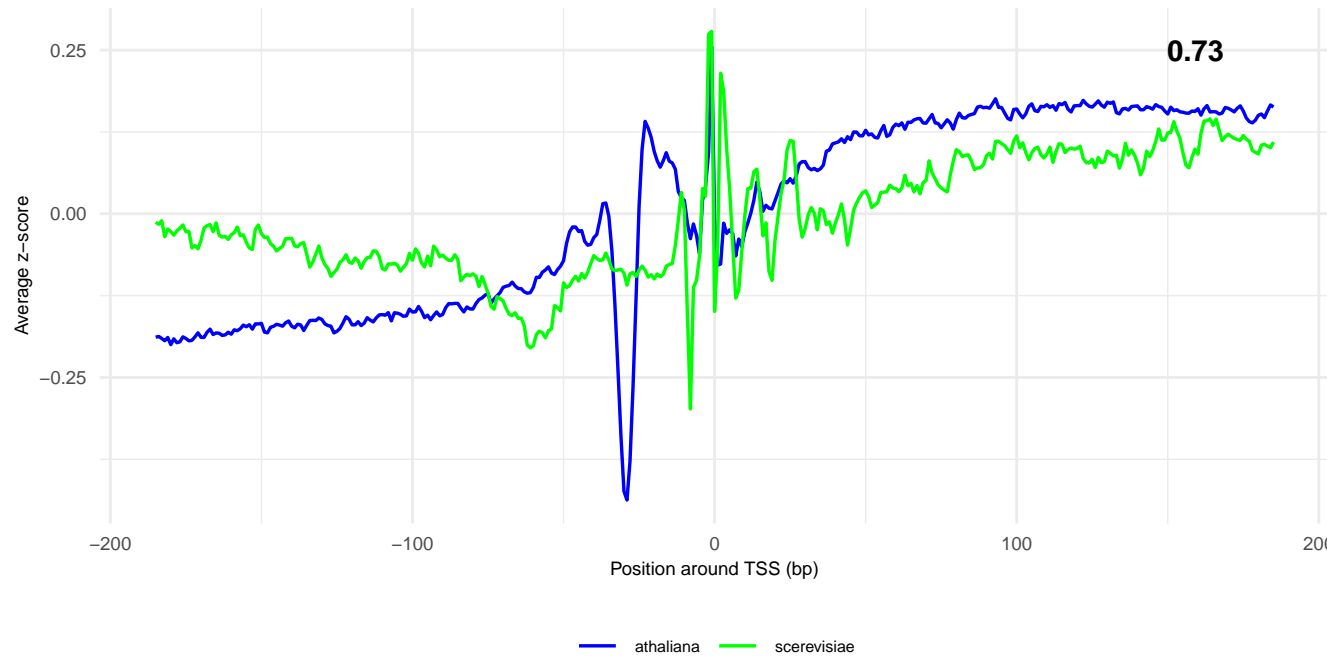

Comparison of ProT between athaliana and dmelanogaster

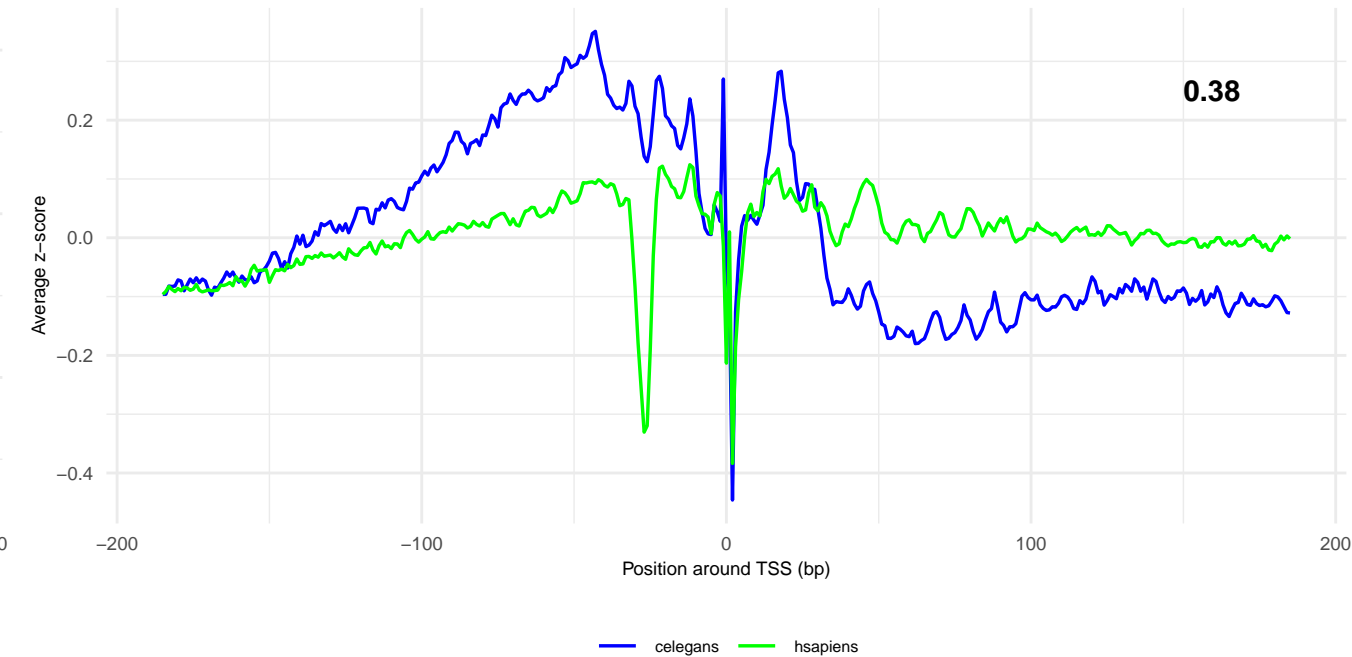

Comparison of ProT between athaliana and pfalciparum

Comparison of ProT between athaliana and scerevisiae

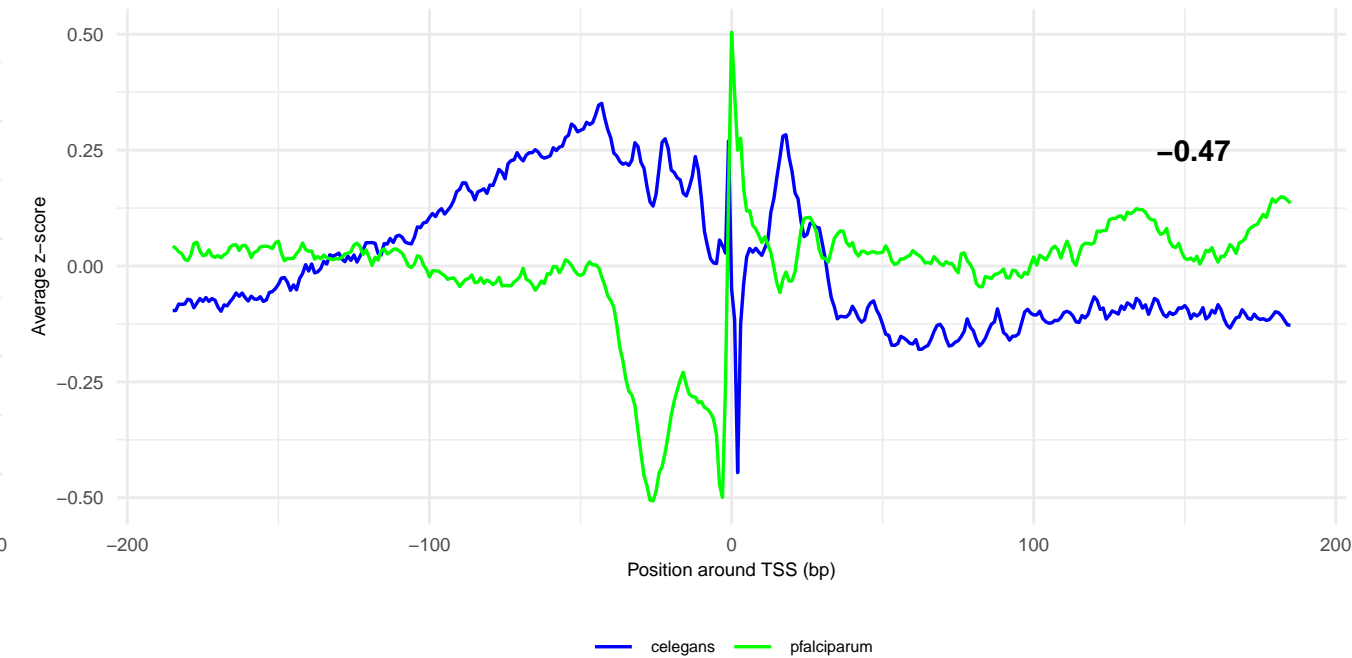

Comparison of ProT between celegans and hsapiens

Comparison of ProT between celegans and dmelanogaster

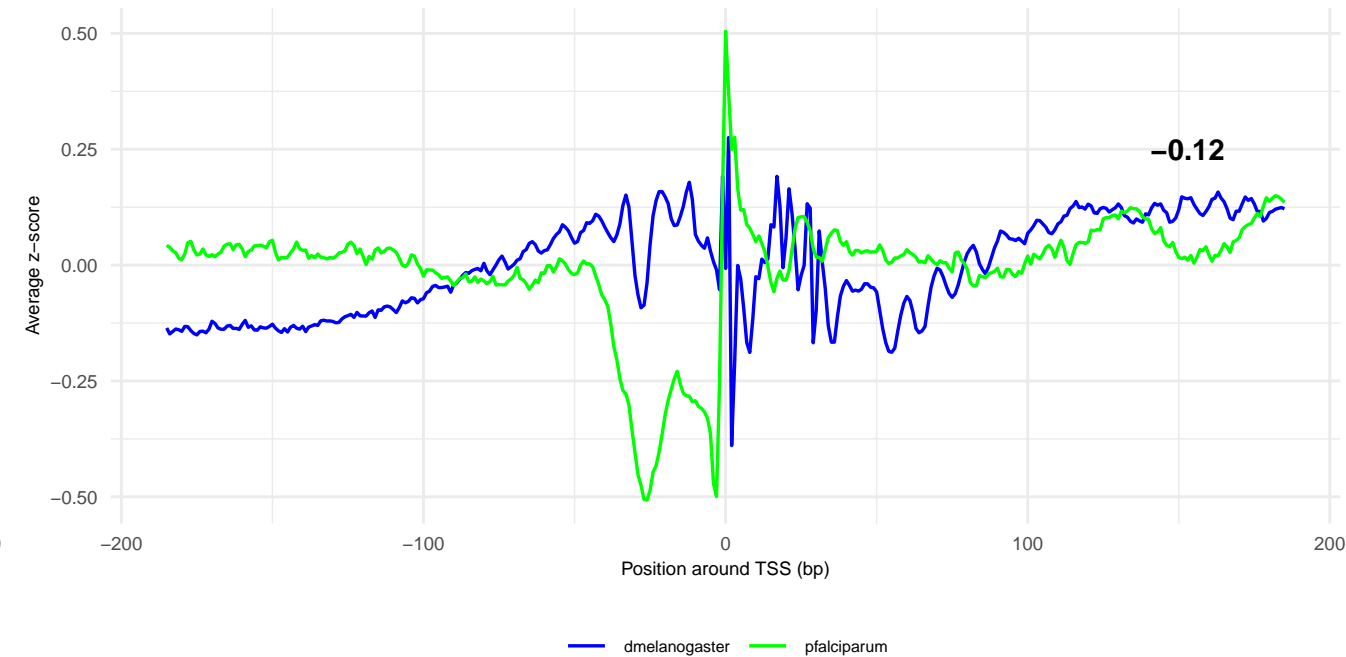

Comparison of ProT between celegans and pfalciparum

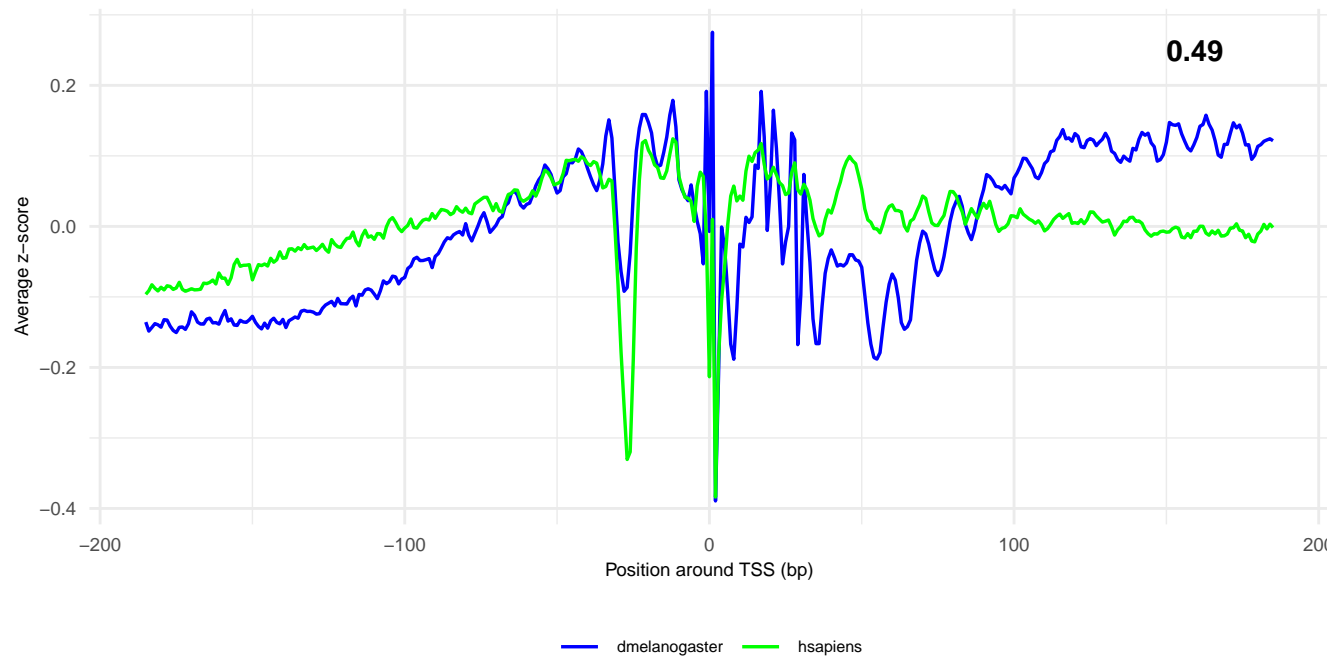

Comparison of ProT between celegans and scerevisiae

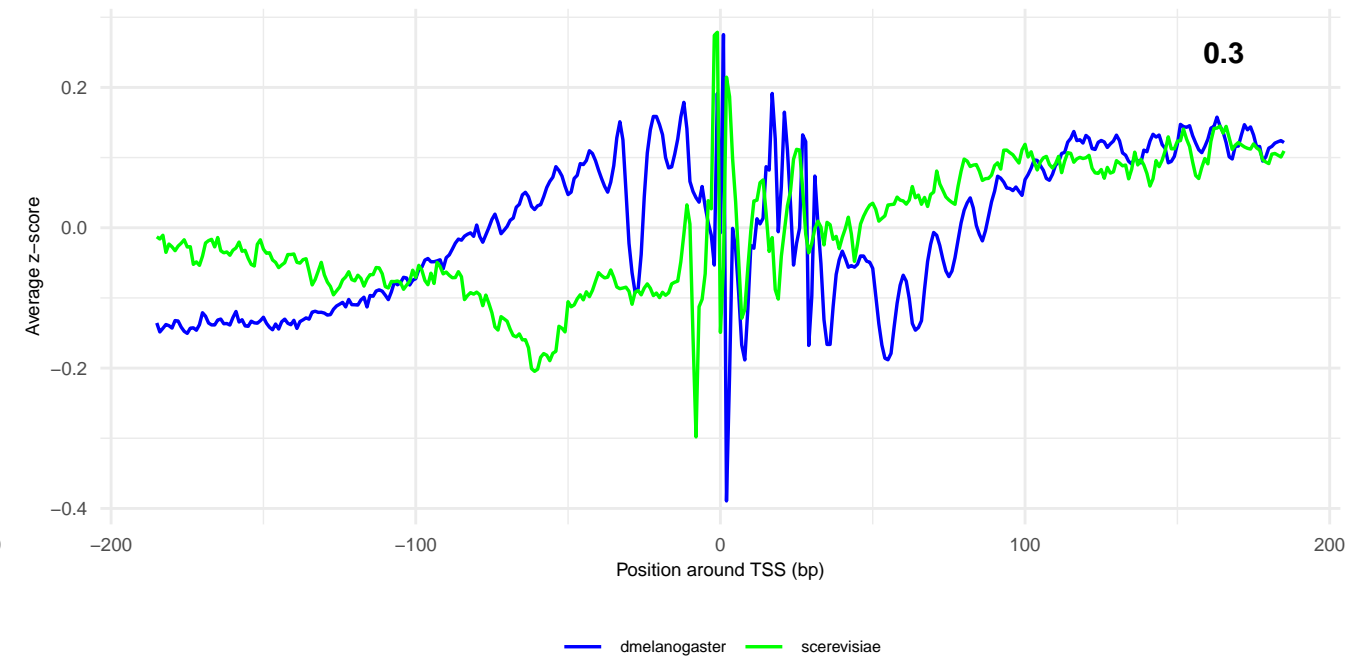

Comparison of ProT between dmelanogaster and pfalciparum

Comparison of ProT between dmelanogaster and hsapiens

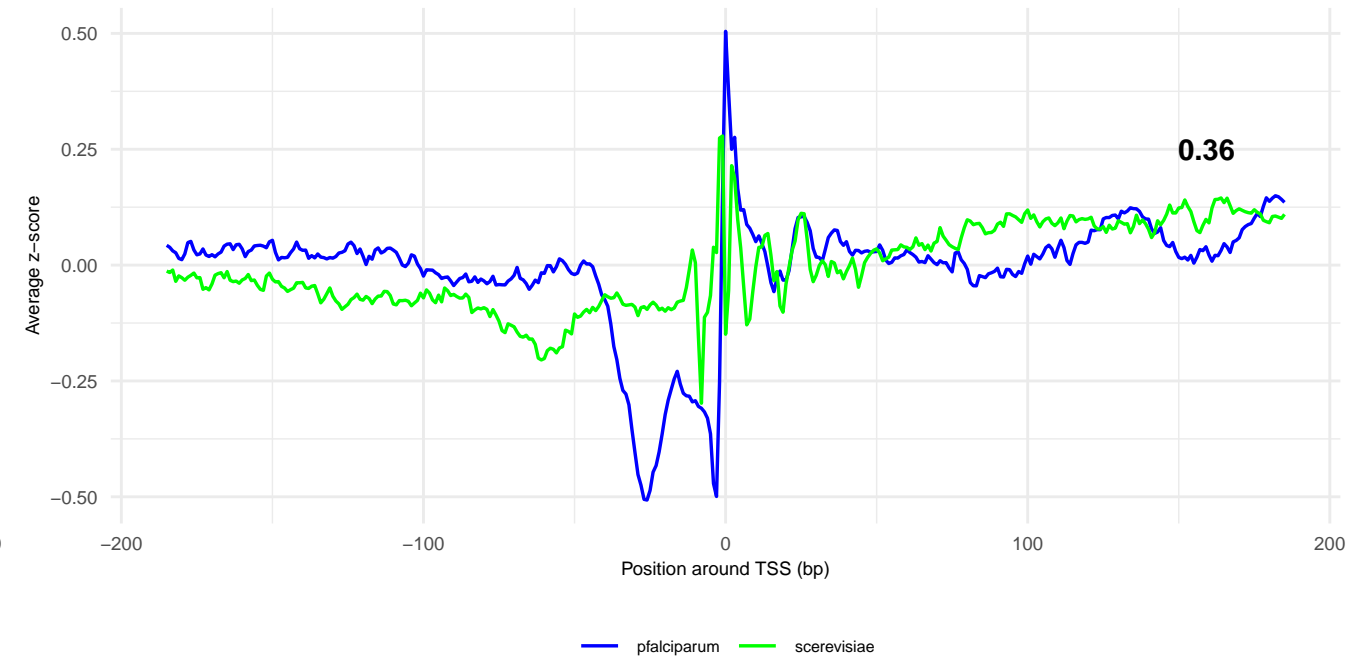

Comparison of ProT between dmelanogaster and scerevisiae

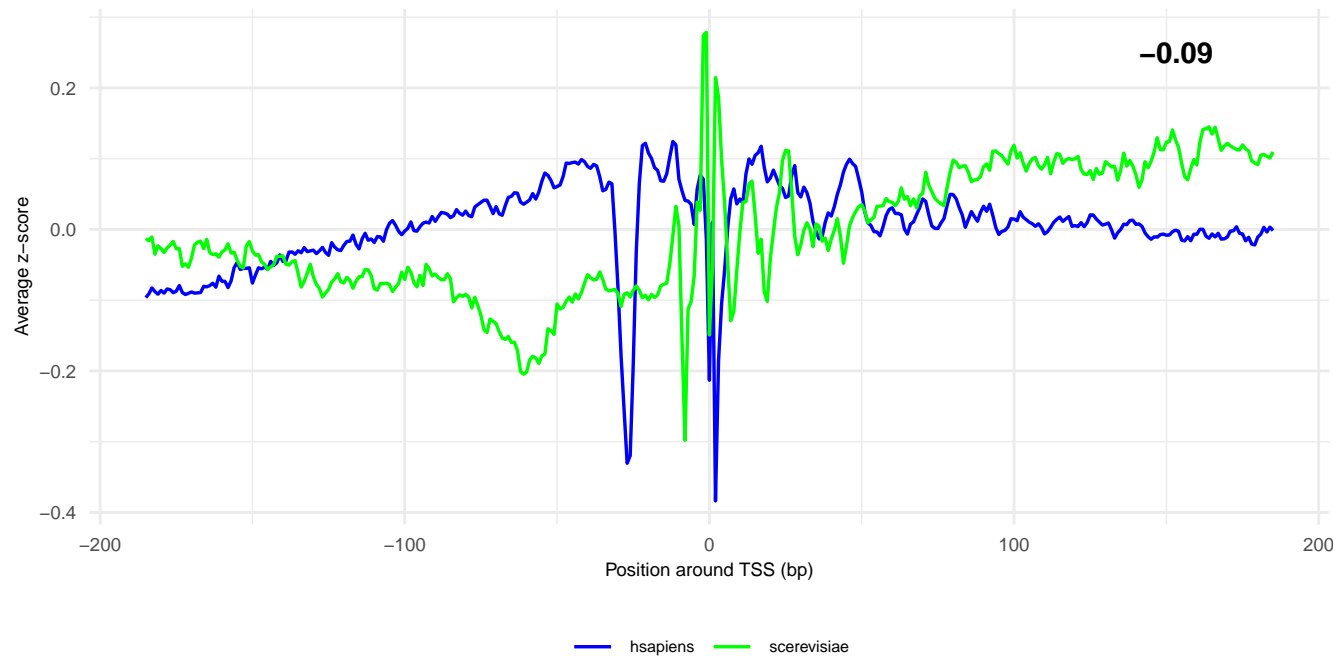

Comparison of ProT between hsapiens and pfalciparum

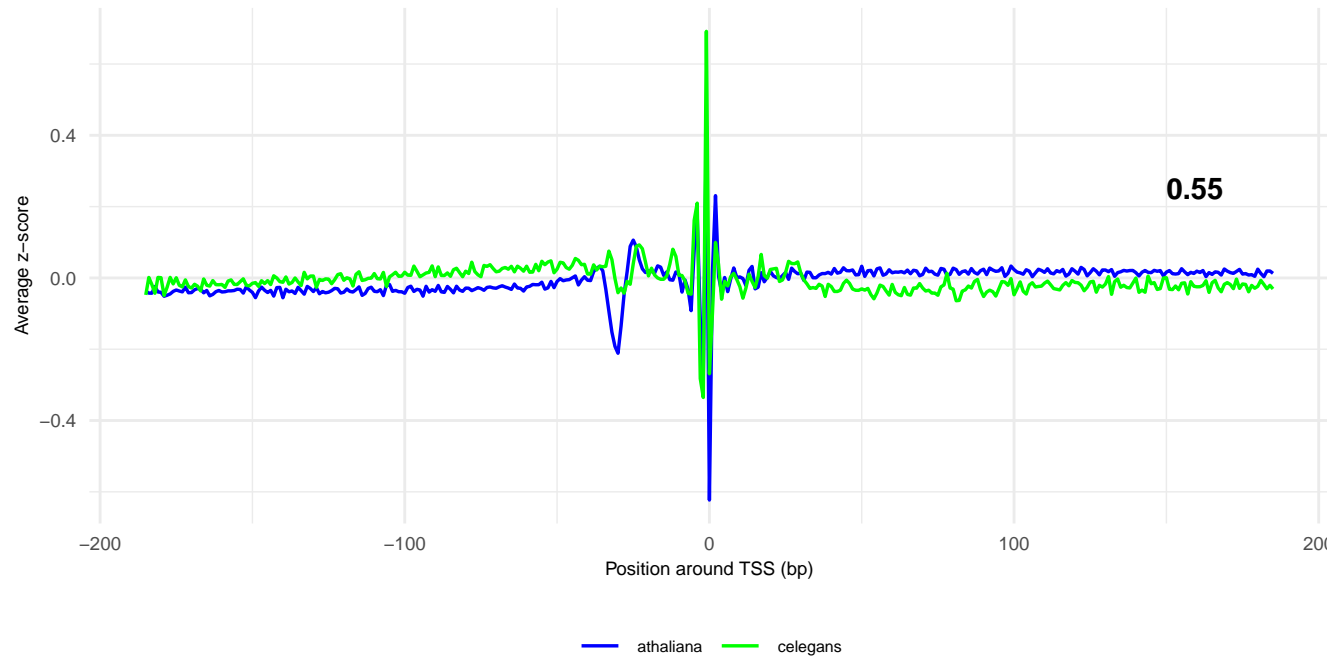

Comparison of ProT between pfalciparum and scerevisiae

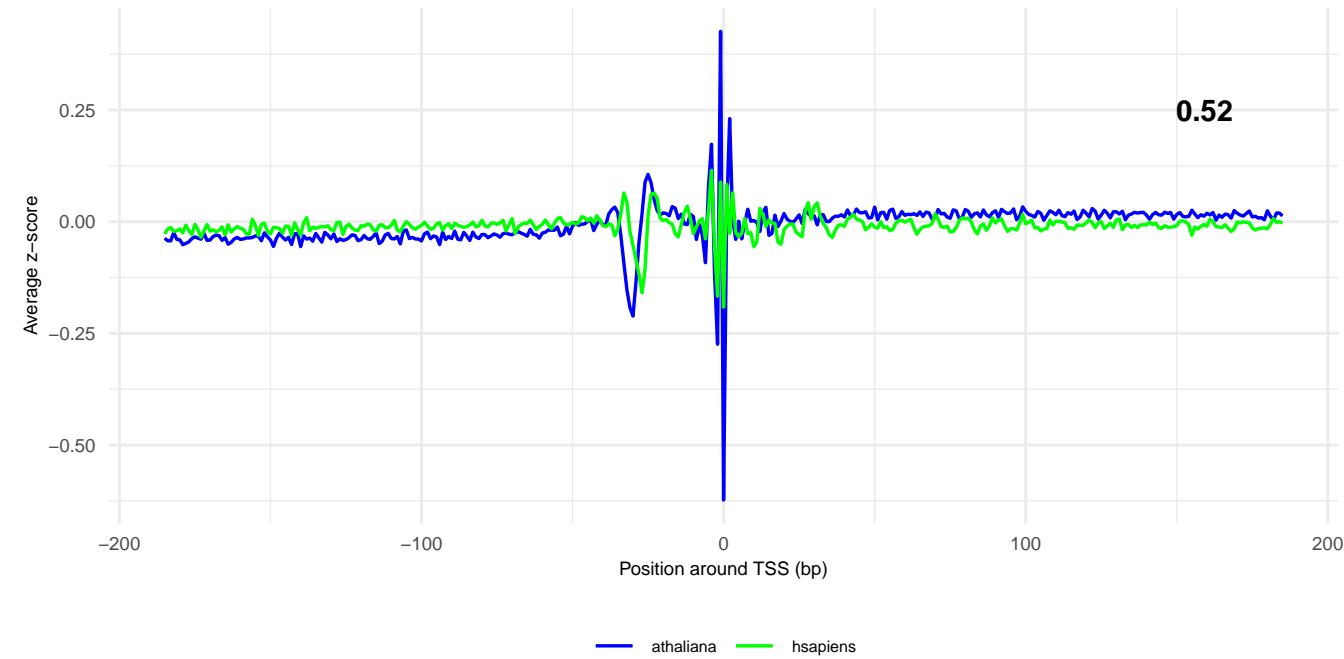

Comparison of ProT between hsapiens and scerevisiae

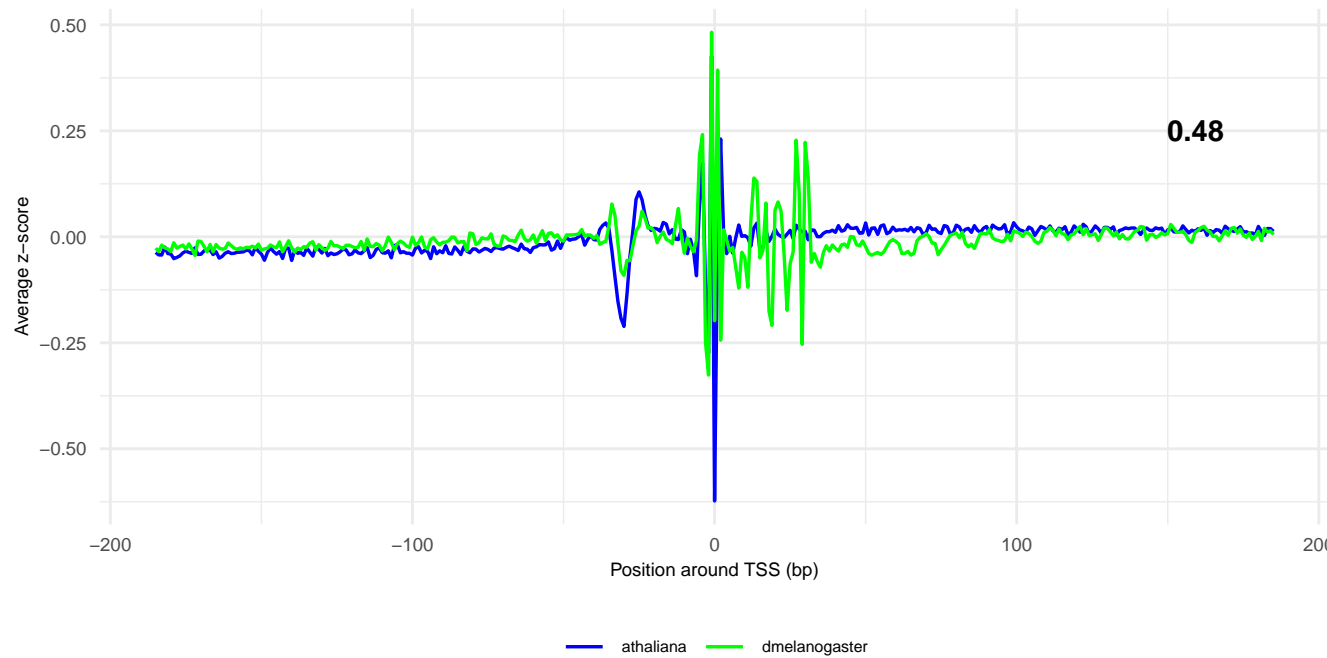

Comparison of Rise between athaliana and celegans

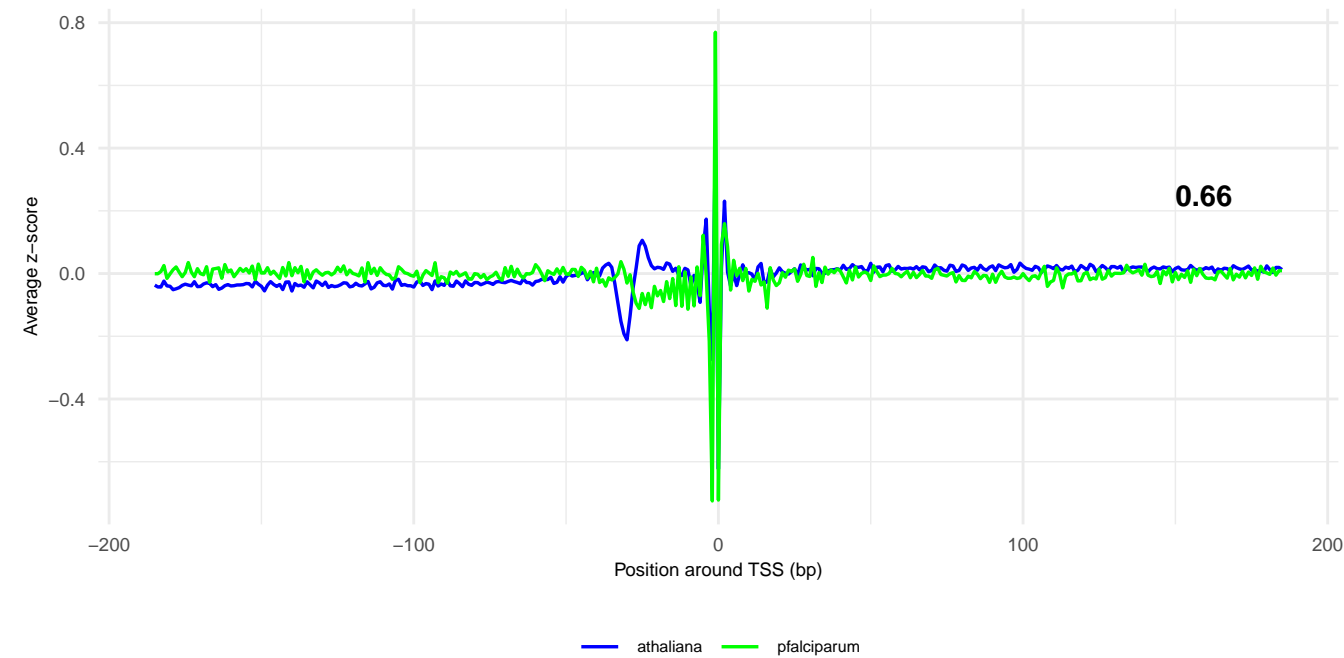

Comparison of Rise between athaliana and hsapiens

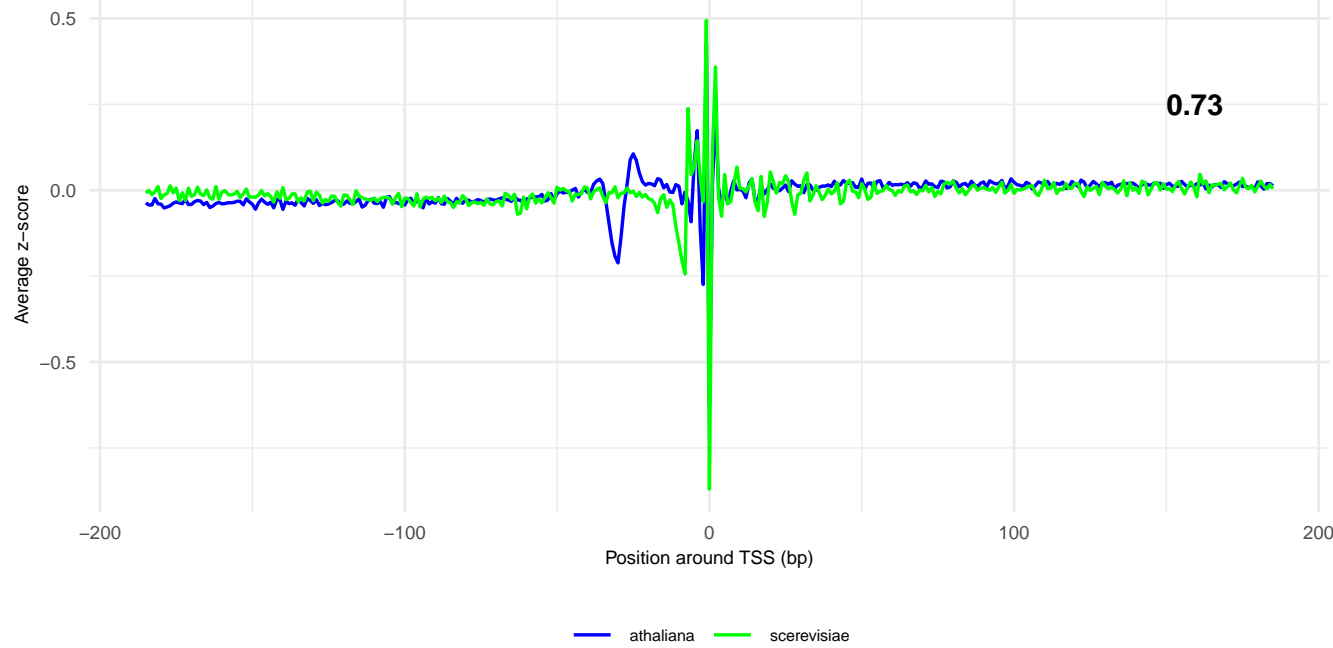

Comparison of Rise between athaliana and dmelanogaster

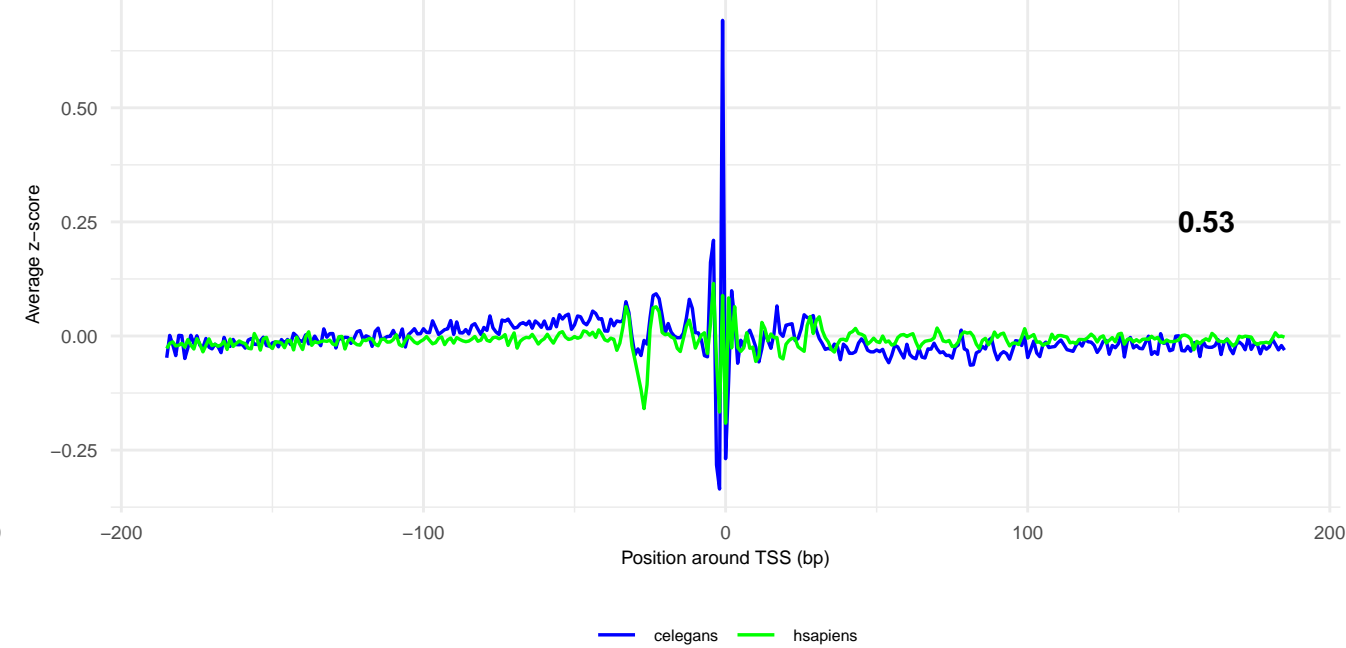

Comparison of Rise between athaliana and pfalciparum

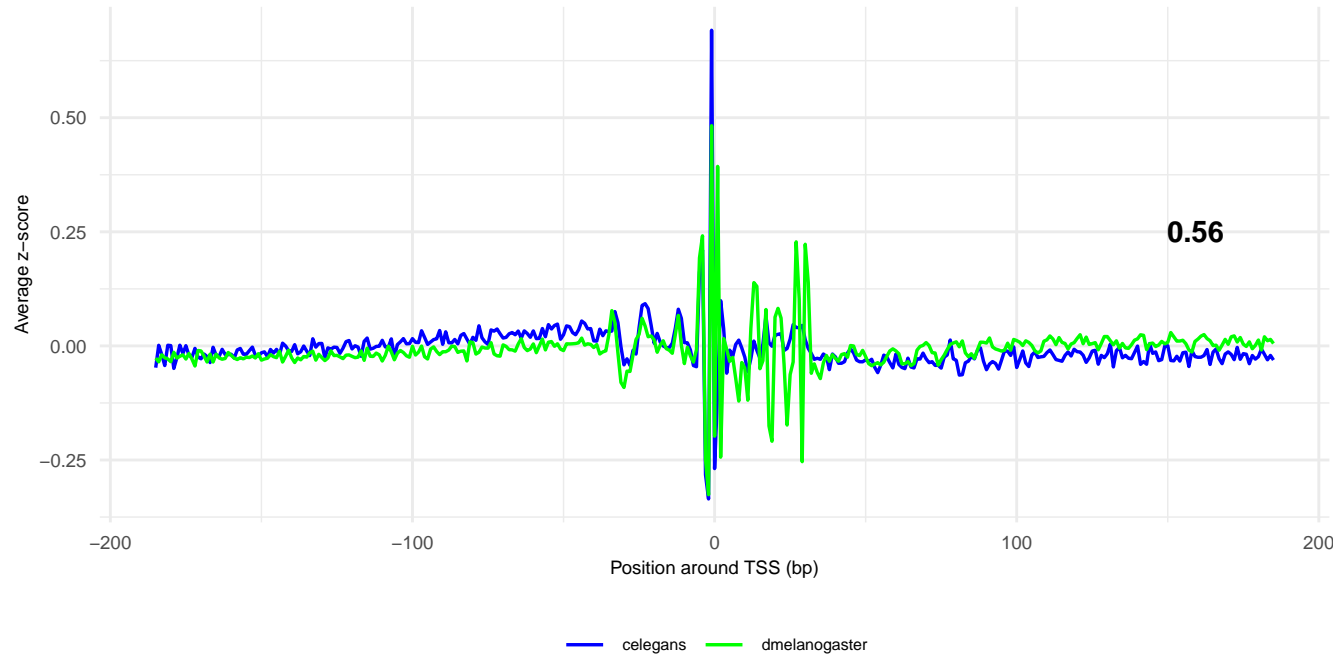

Comparison of Rise between athaliana and scerevisiae

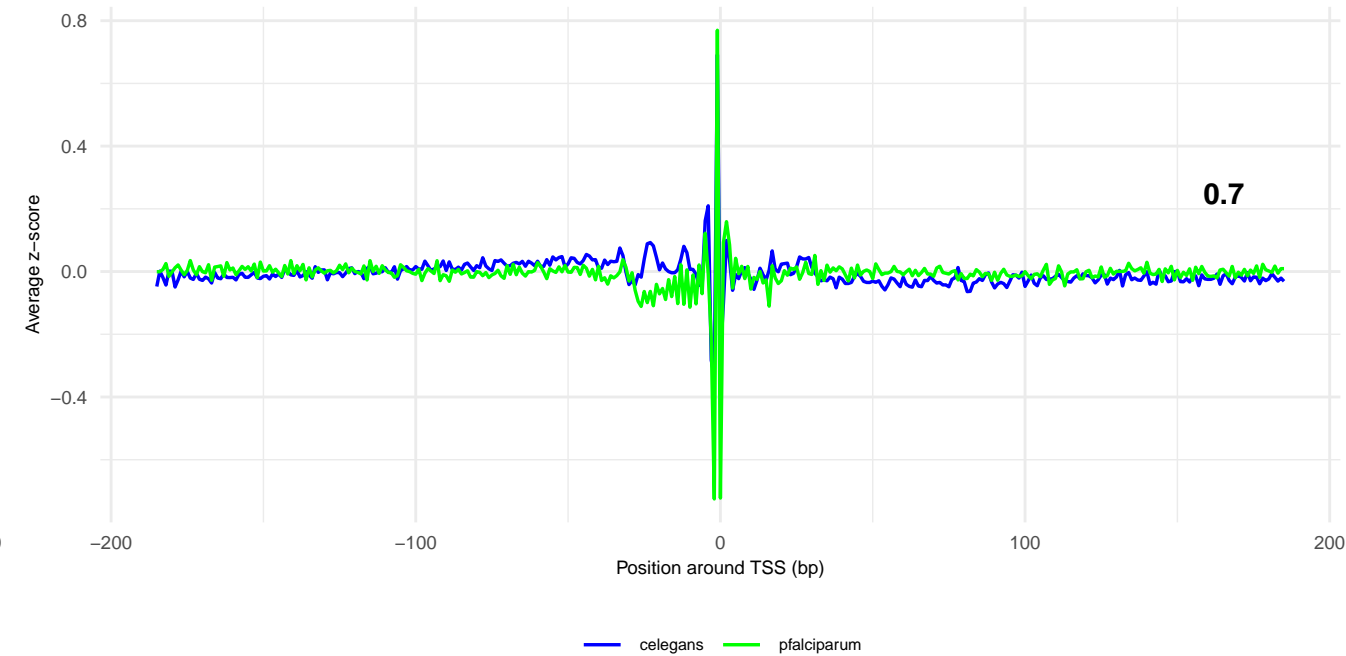

Comparison of Rise between celegans and hsapiens

Comparison of Rise between celegans and dmelanogaster

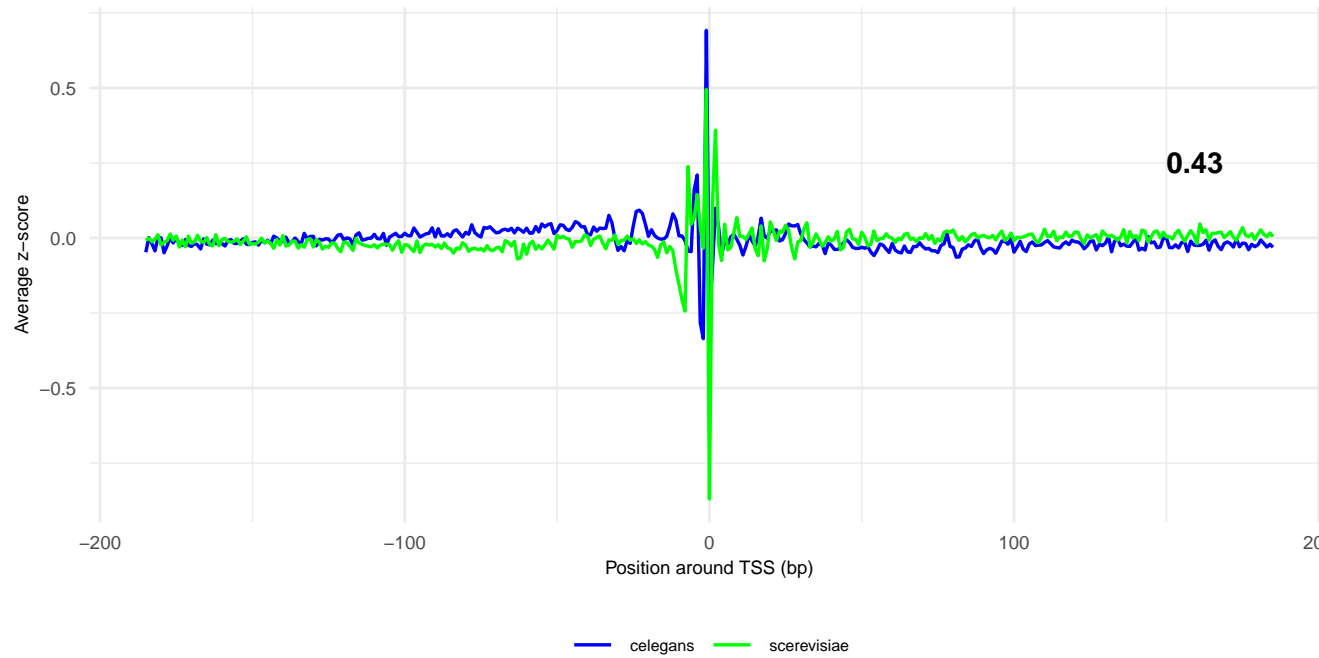

Comparison of Rise between celegans and pfalciparum

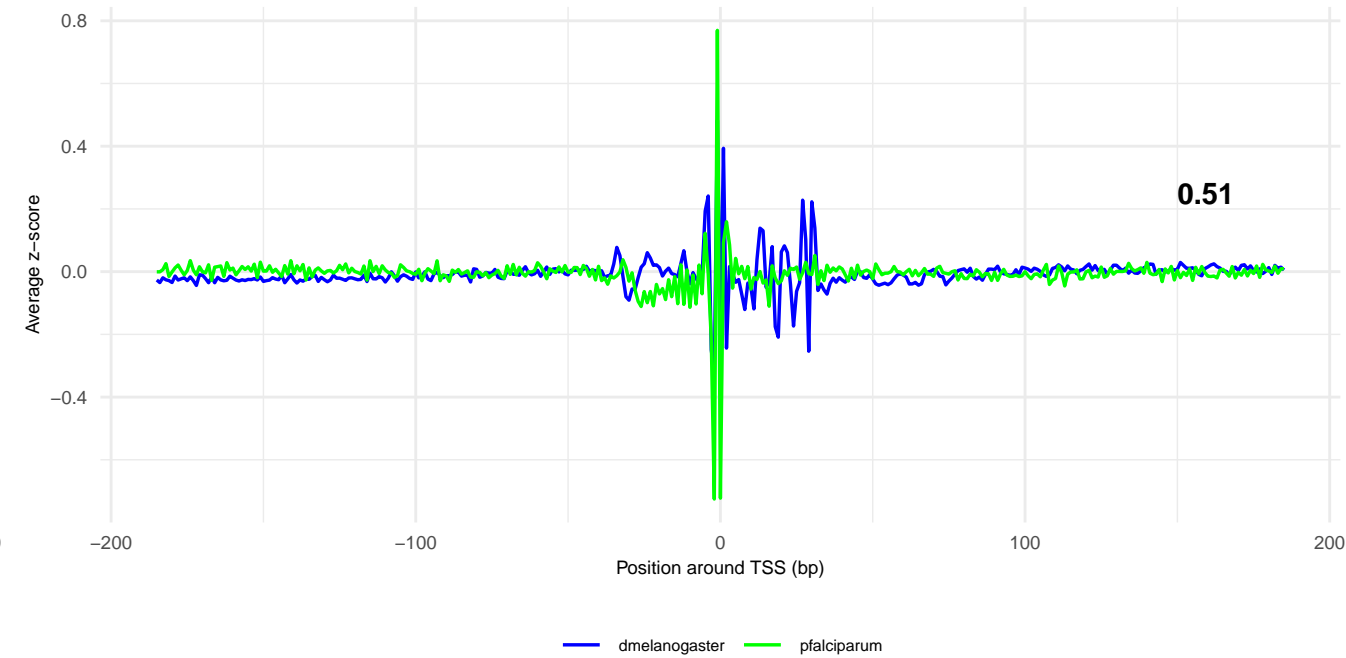

Property: Rise

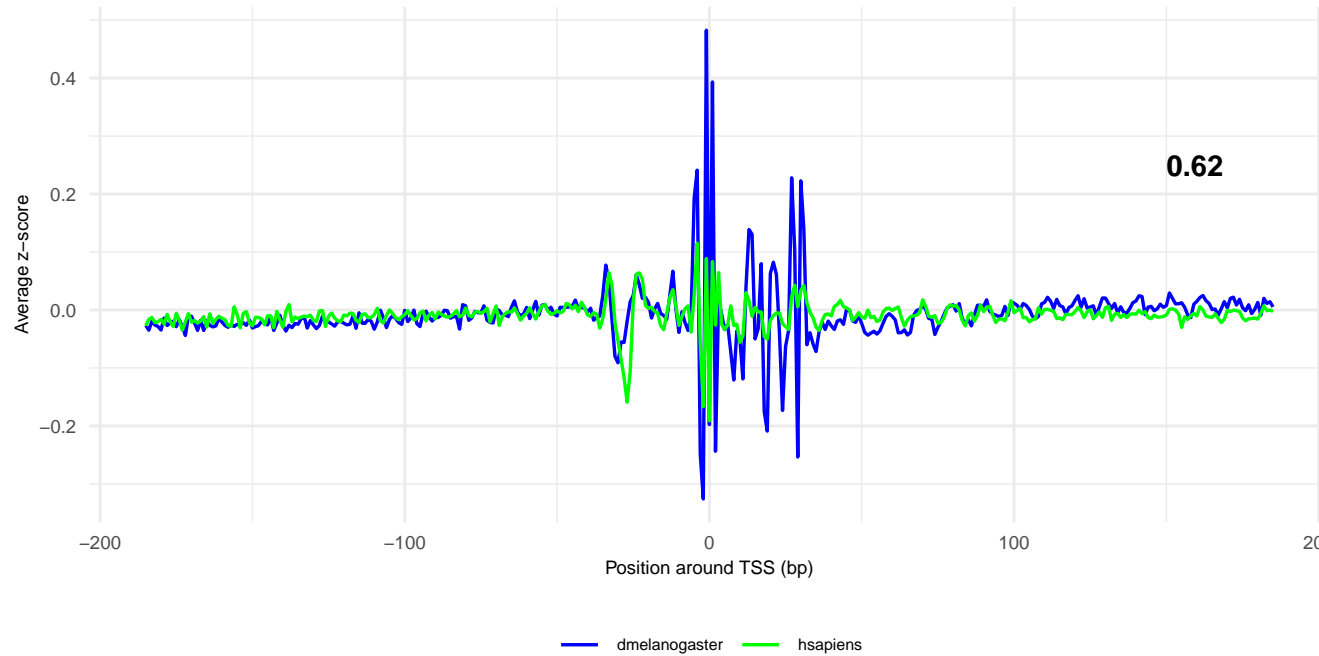

Comparison of Rise between celegans and scerevisiae

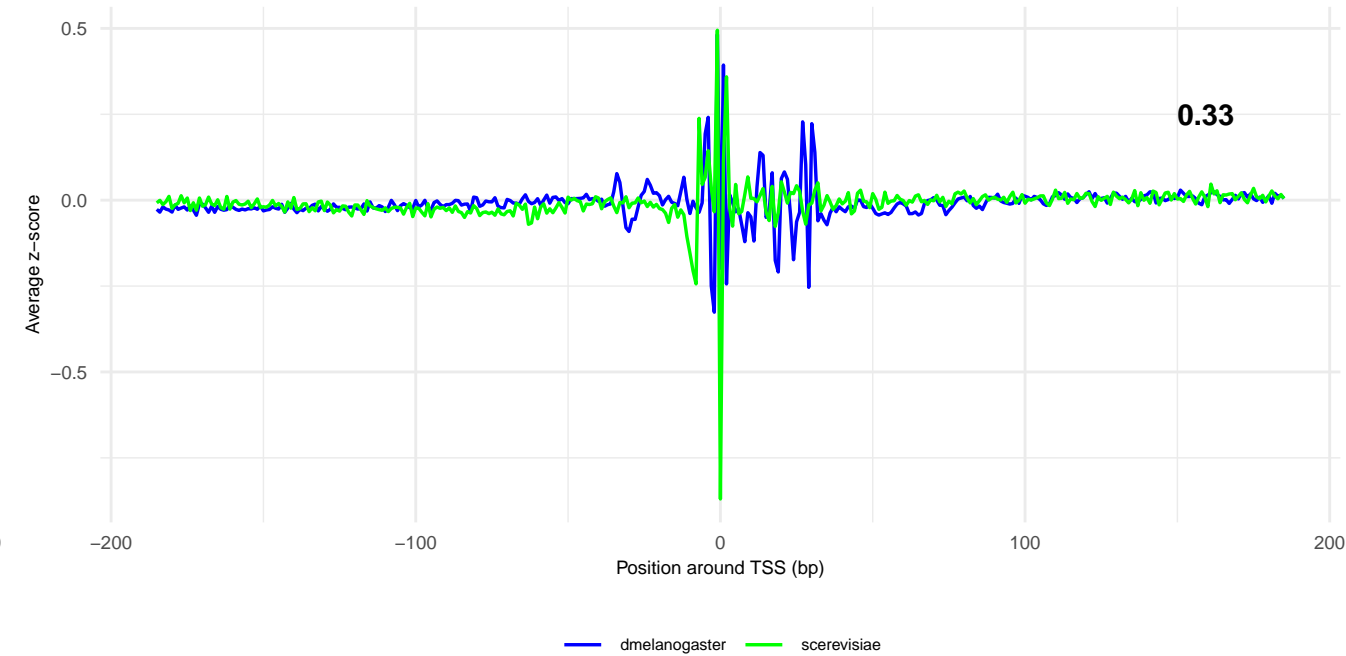

Comparison of Rise between dmelanogaster and pfalciparum

Comparison of Rise between dmelanogaster and hsapiens

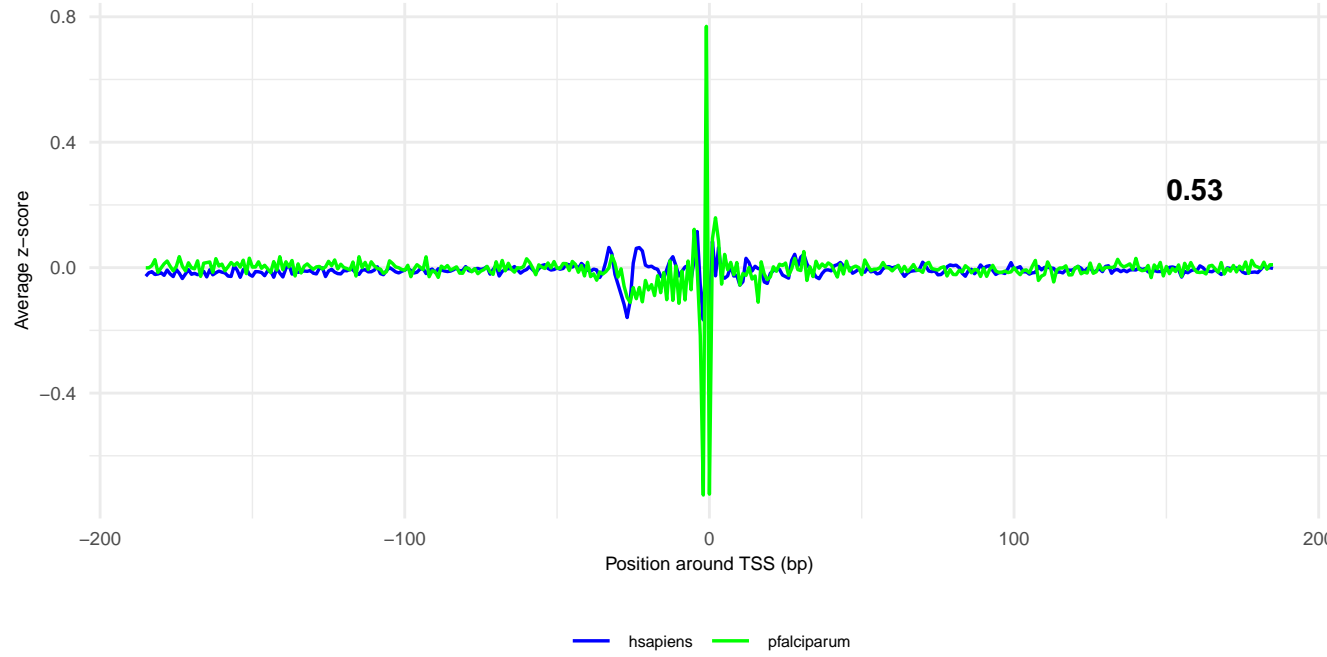

Comparison of Rise between dmelanogaster and scerevisiae

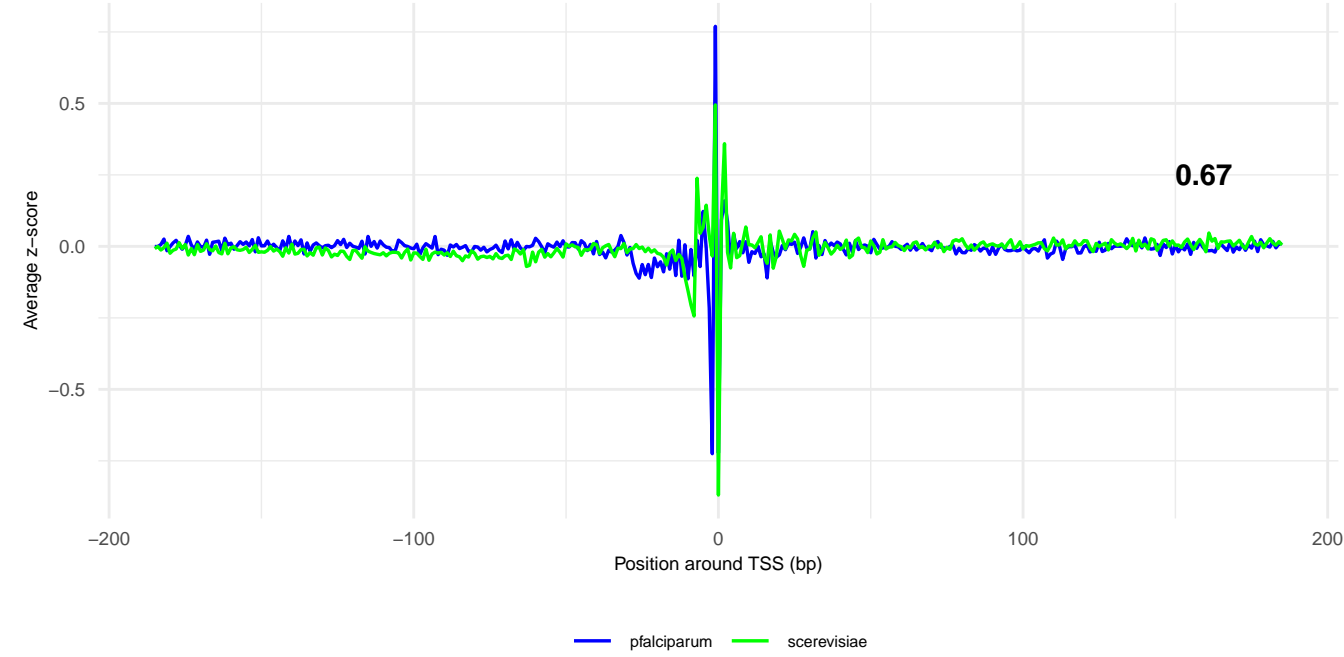

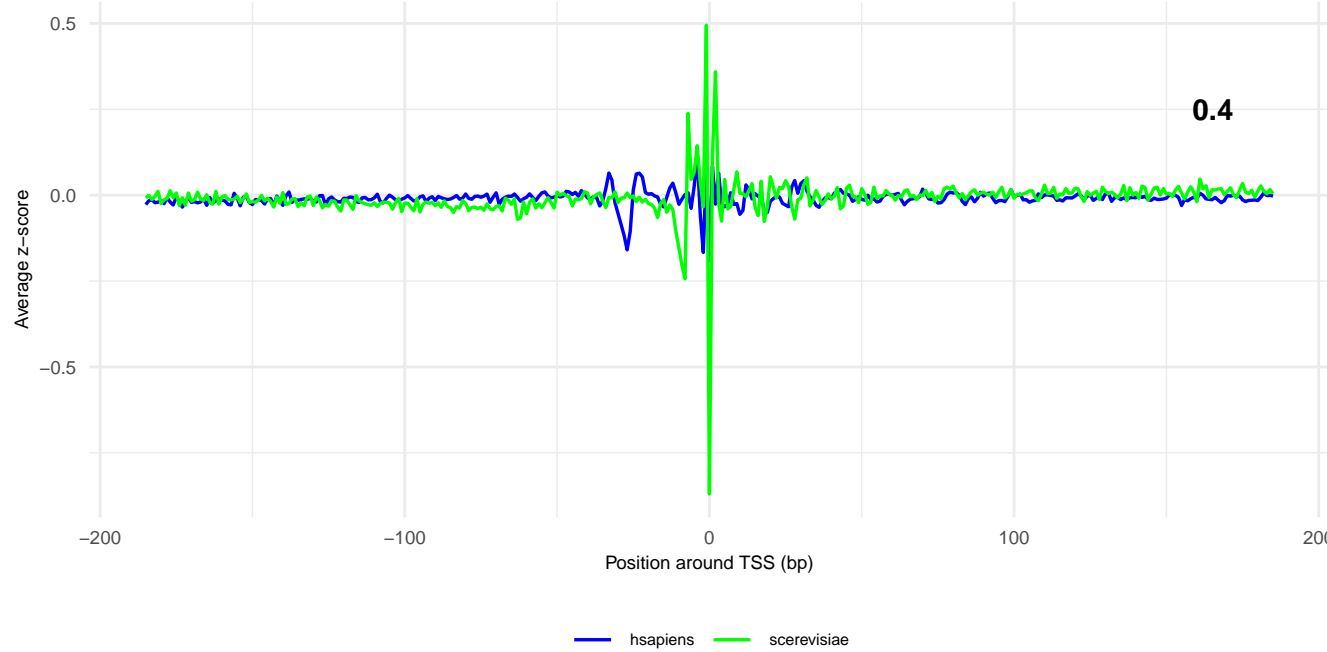

Comparison of Rise between hsapiens and pfalciparum

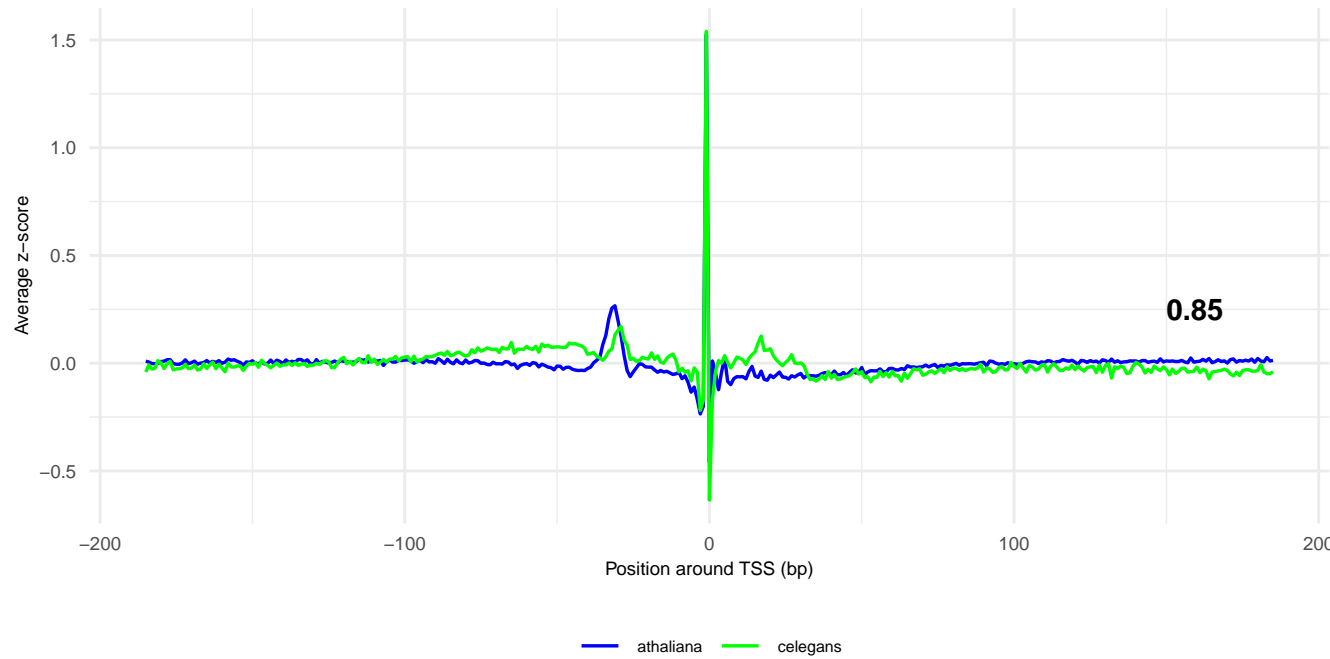

Comparison of Rise between pfalciparum and scerevisiae

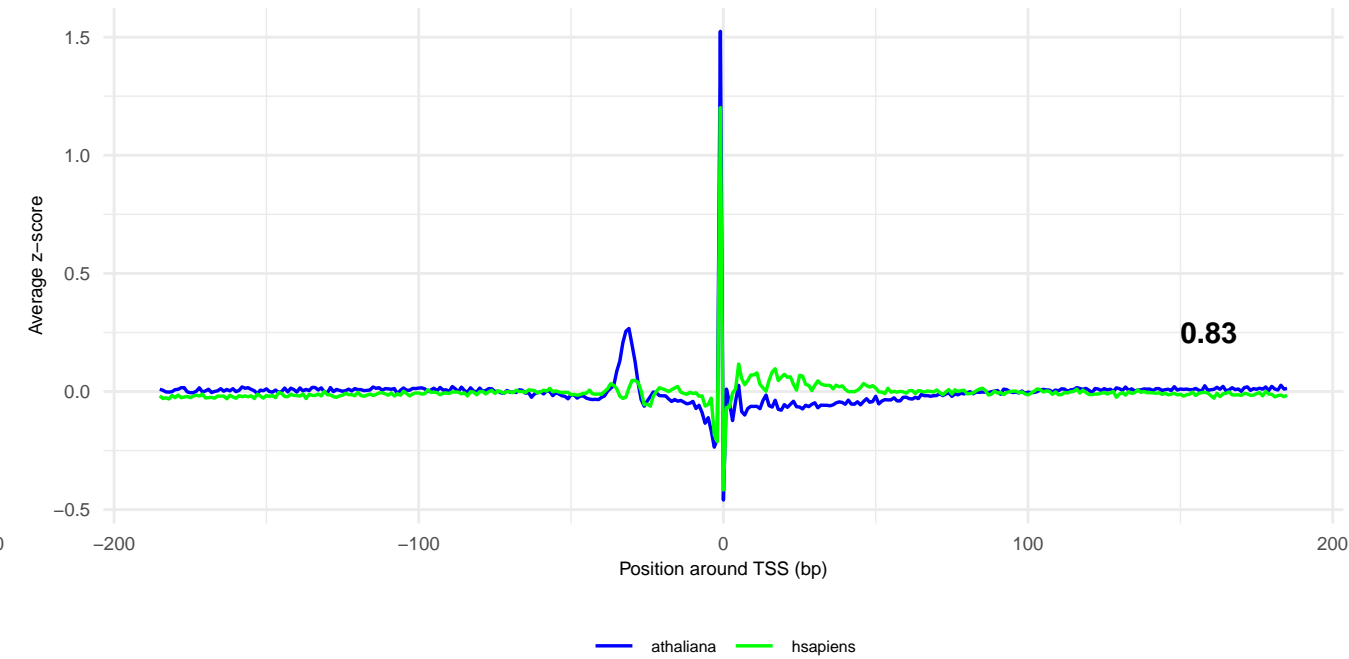

Comparison of Rise between hsapiens and scerevisiae

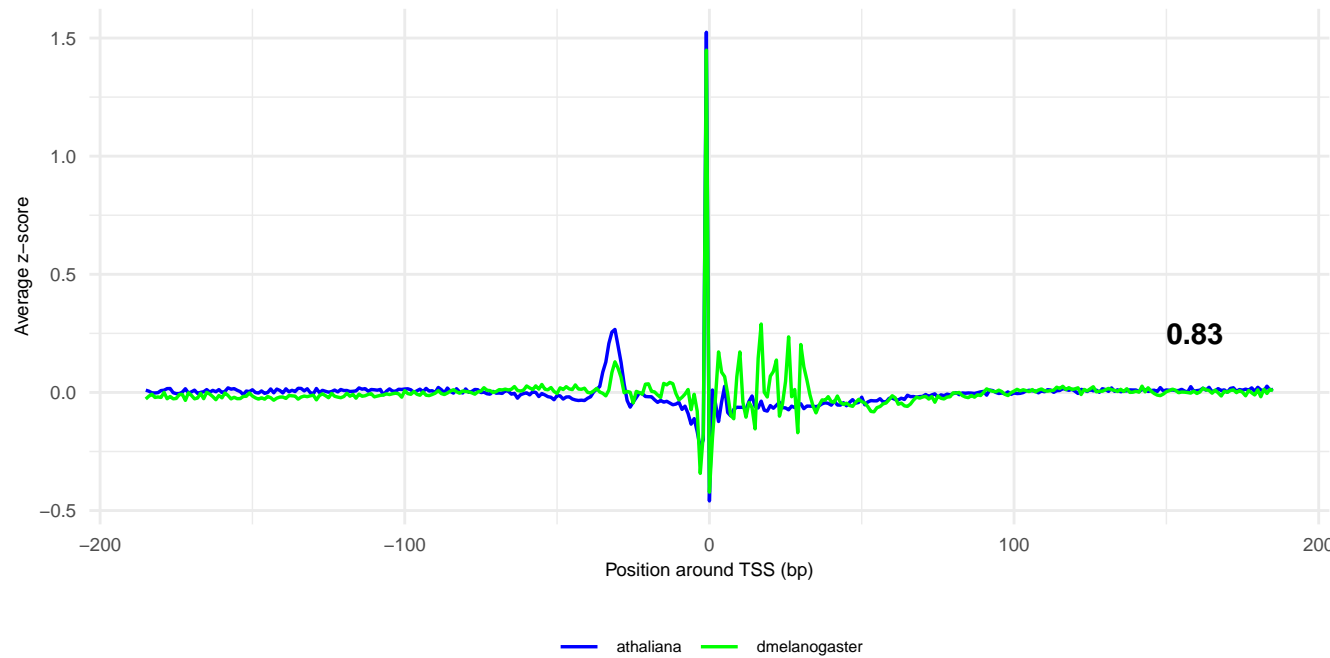

Comparison of Roll between athaliana and celegans

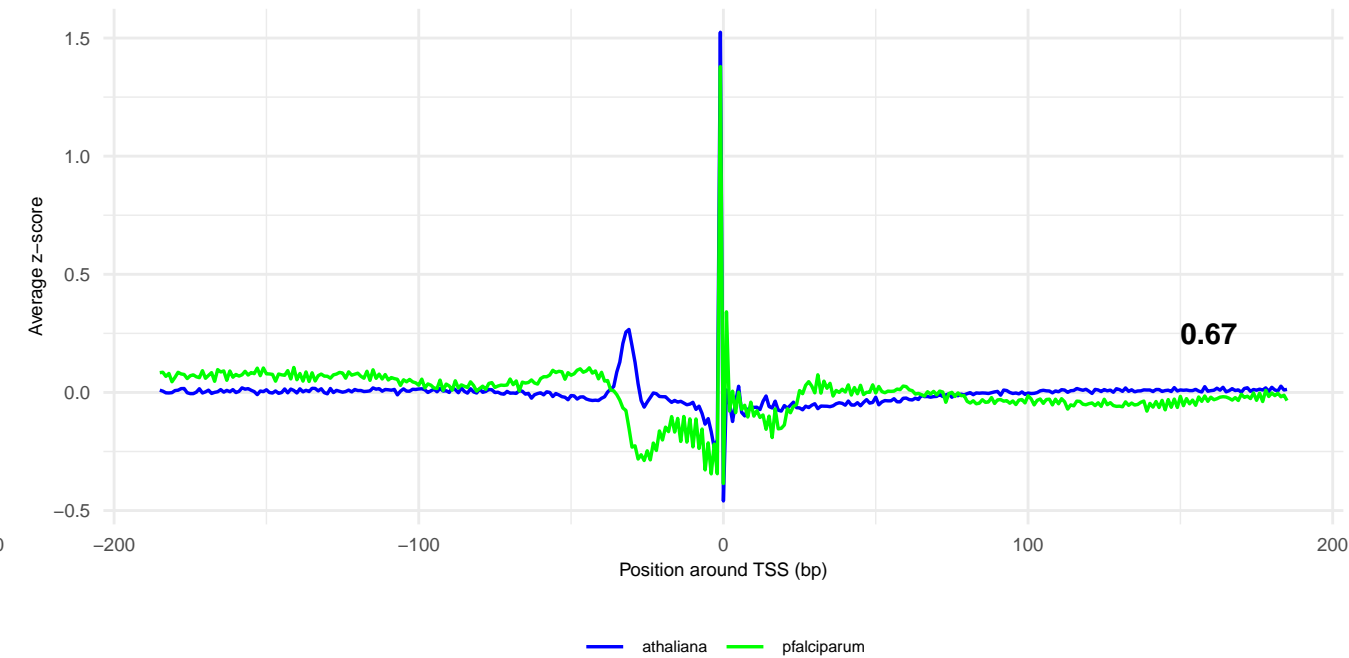

Comparison of Roll between athaliana and hsapiens

Comparison of Roll between athaliana and dmelanogaster

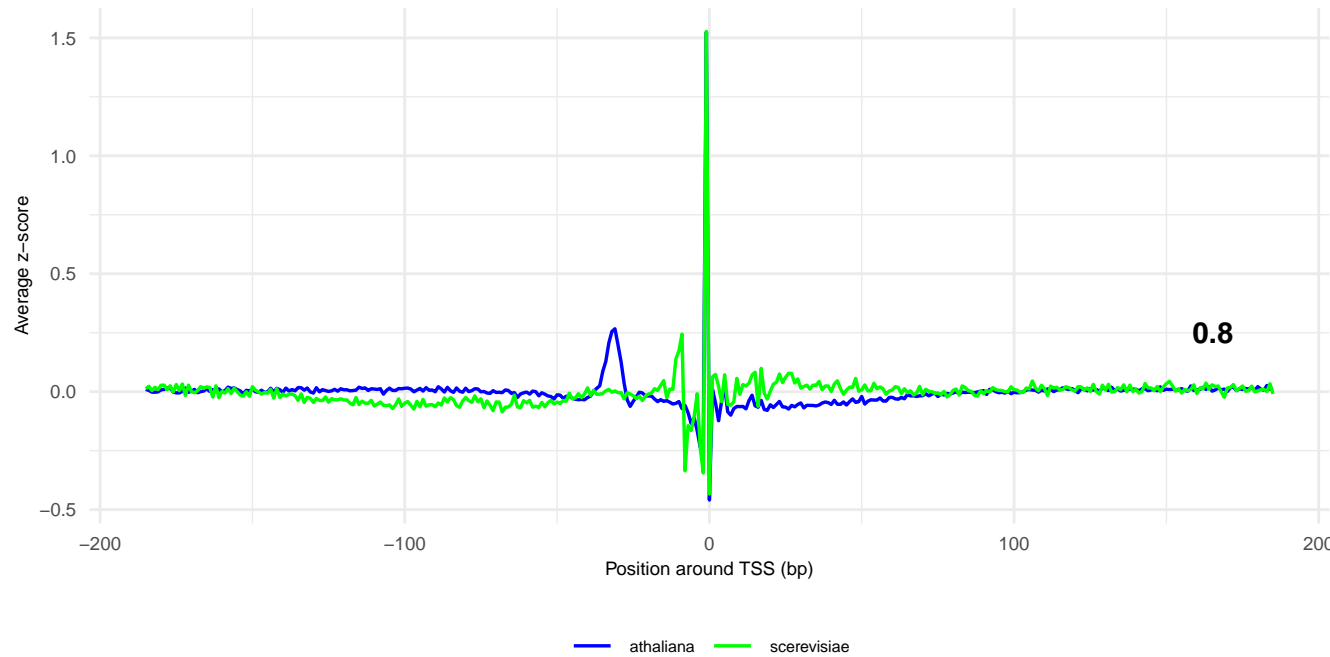

Comparison of Roll between athaliana and pfalciparum

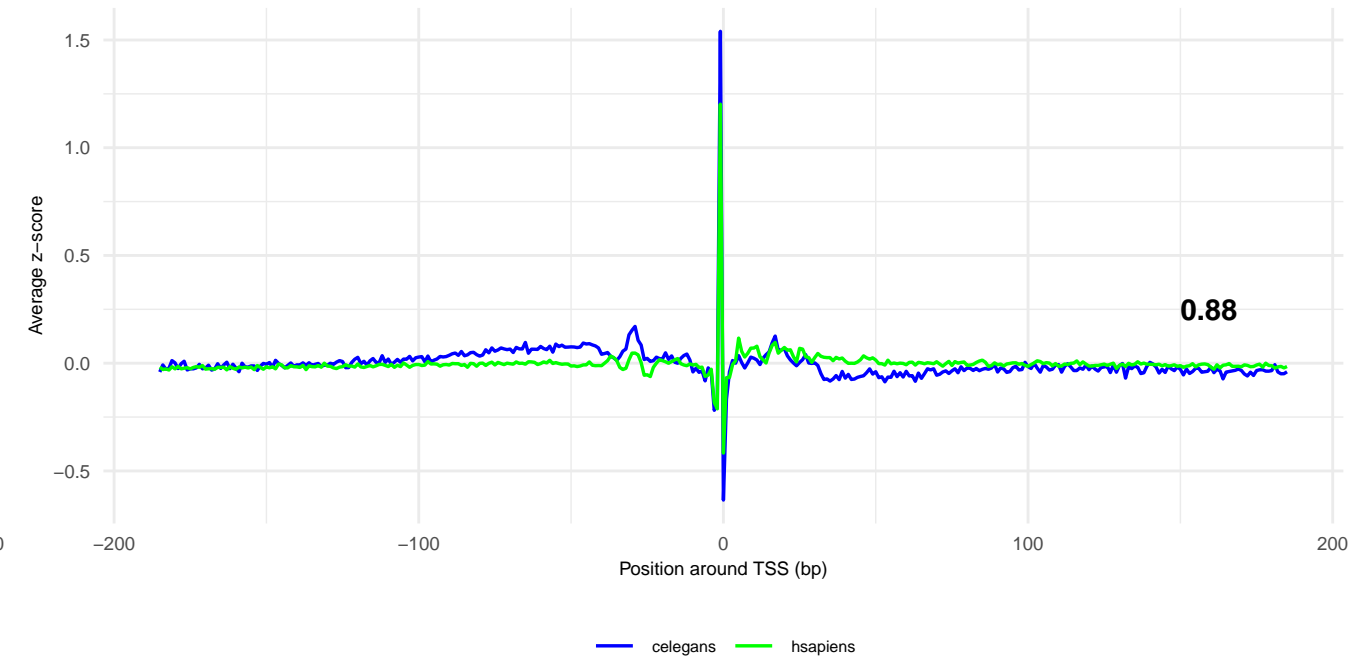

Property: Roll

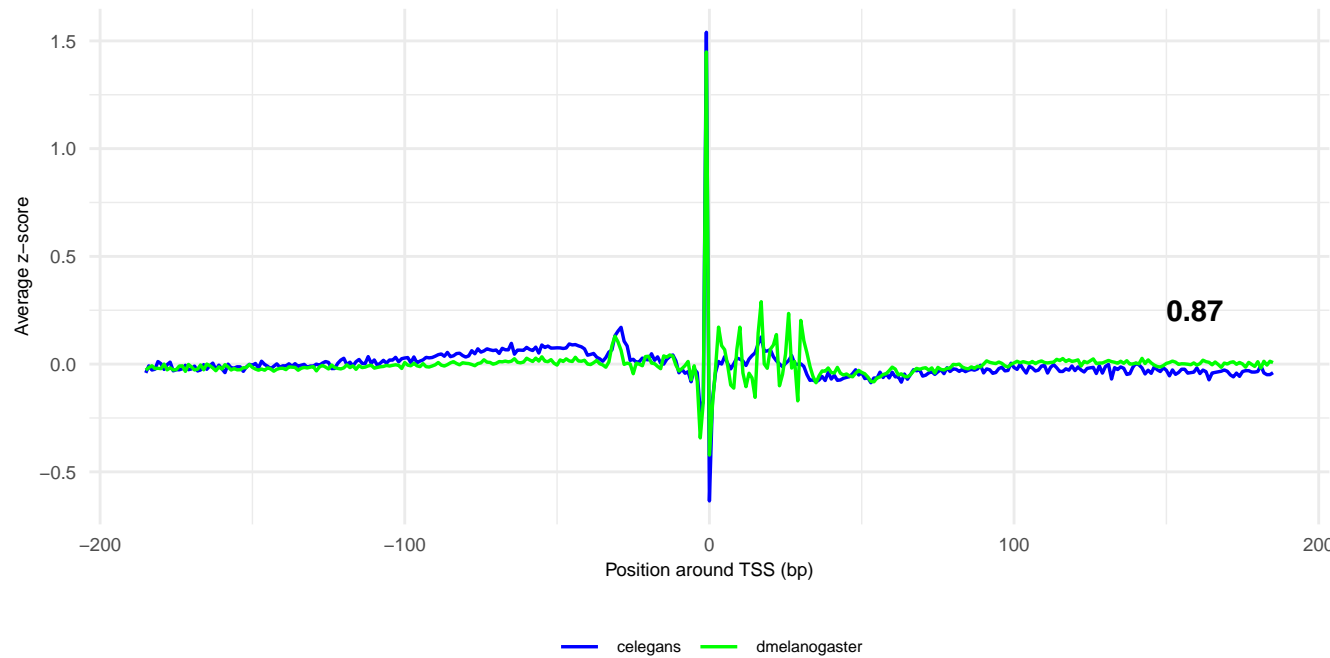

Comparison of Roll between athaliana and scerevisiae

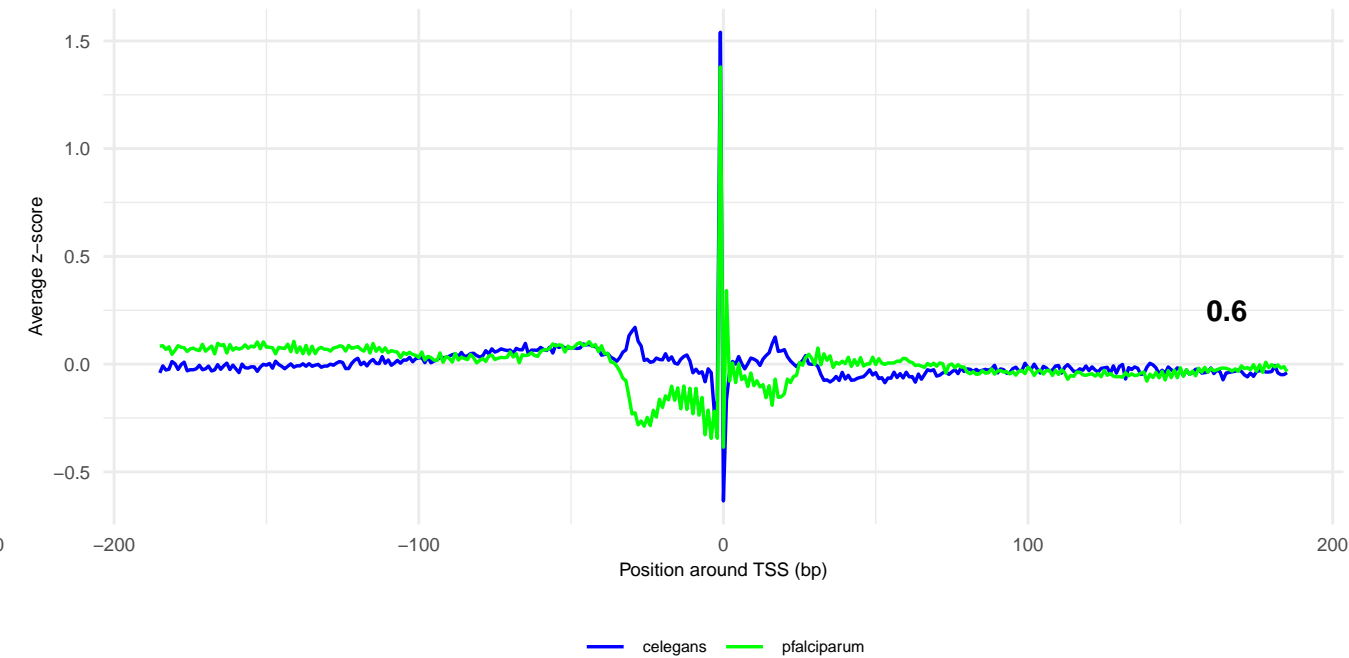

Comparison of Roll between celegans and hsapiens

Comparison of Roll between celegans and dmelanogaster

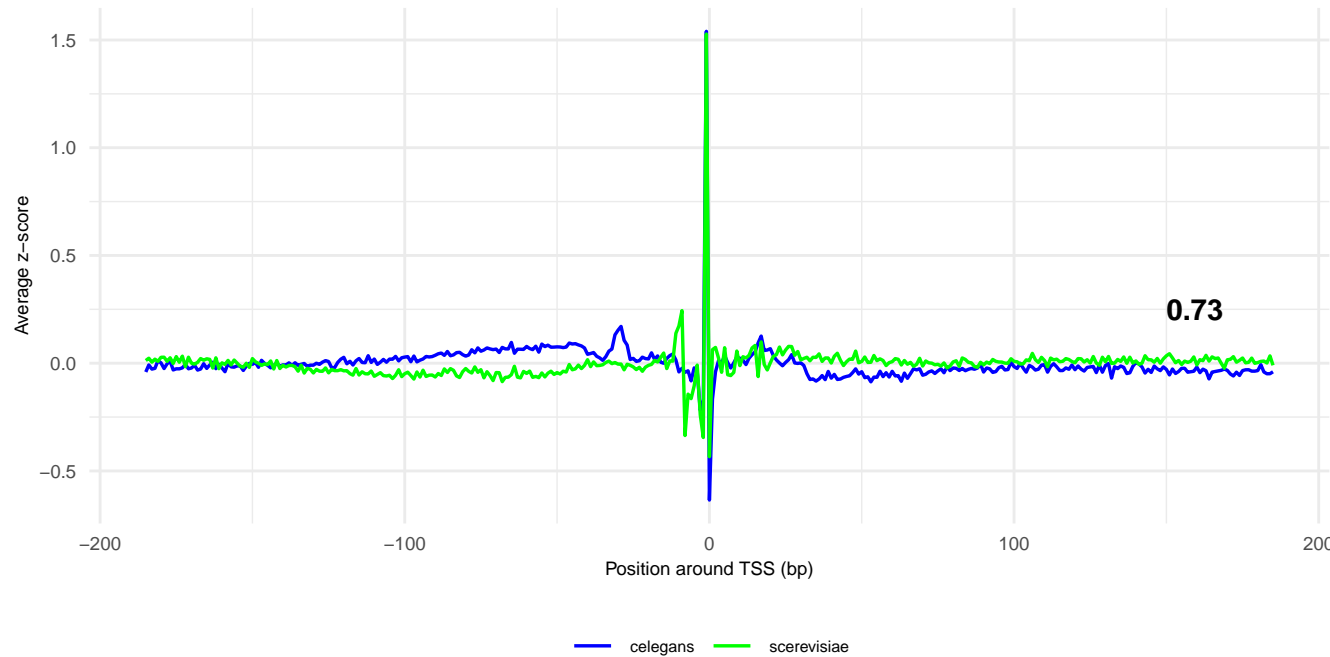

Comparison of Roll between celegans and pfalciparum

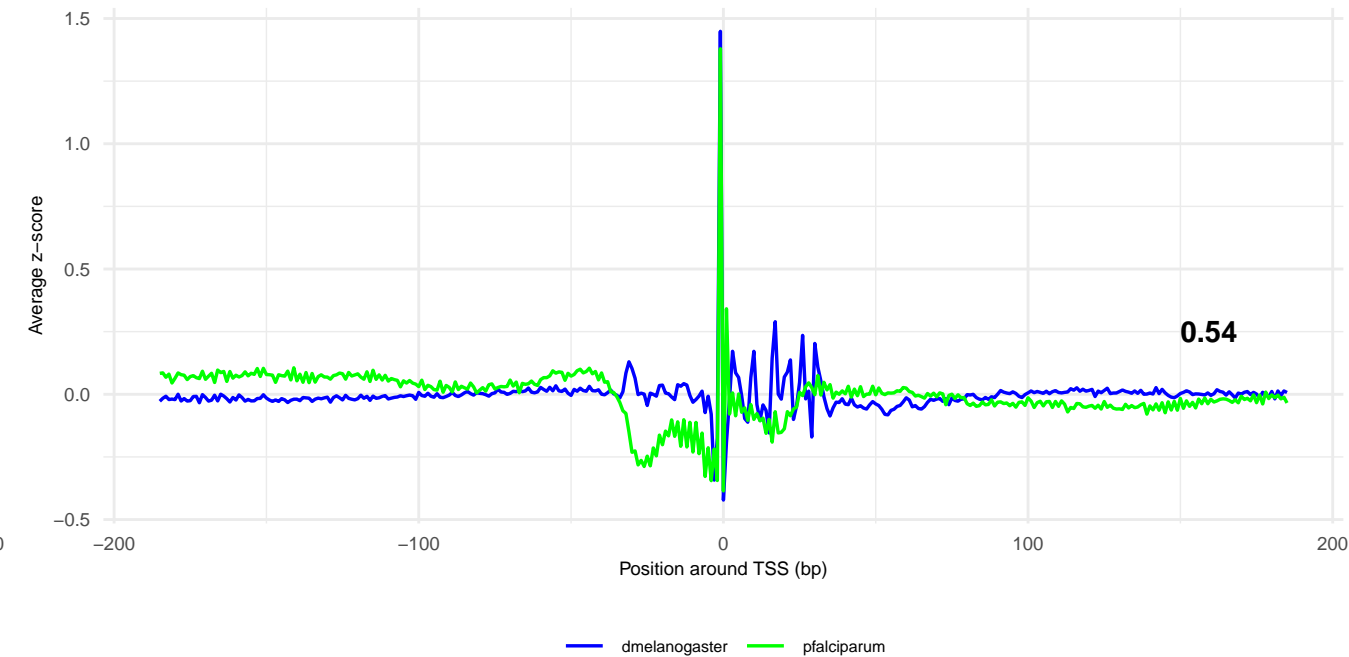

Property: Roll

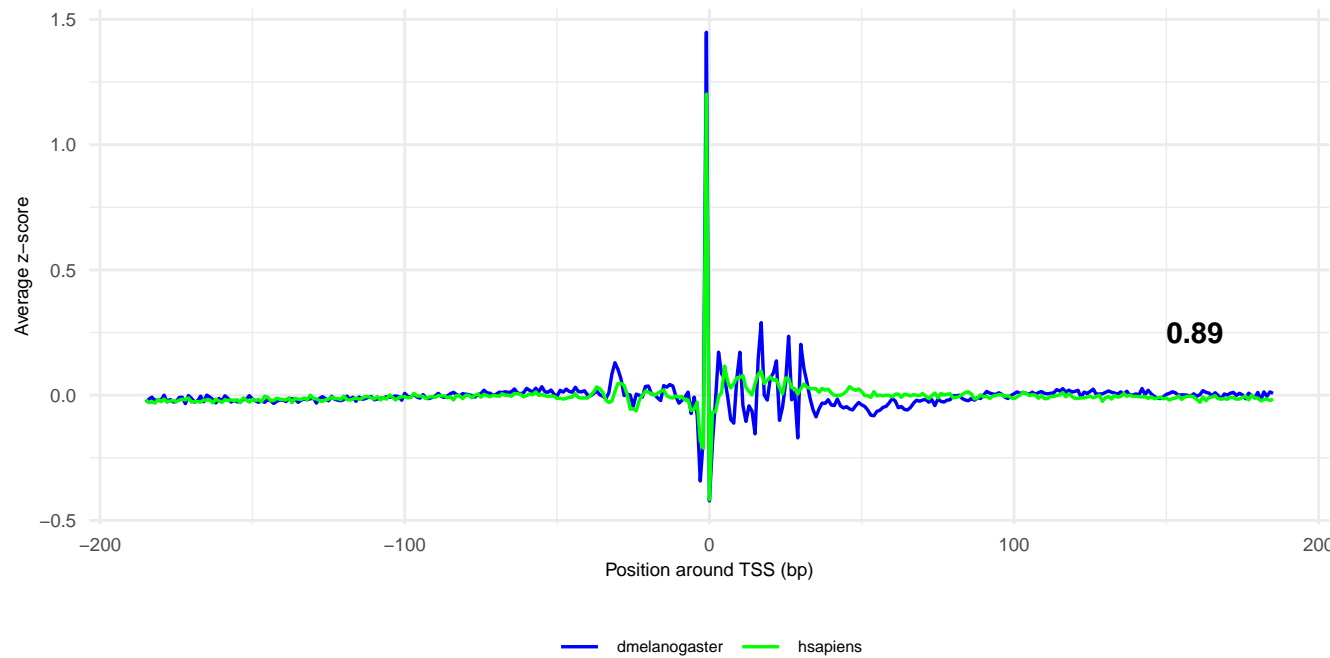

Comparison of Roll between celegans and scerevisiae

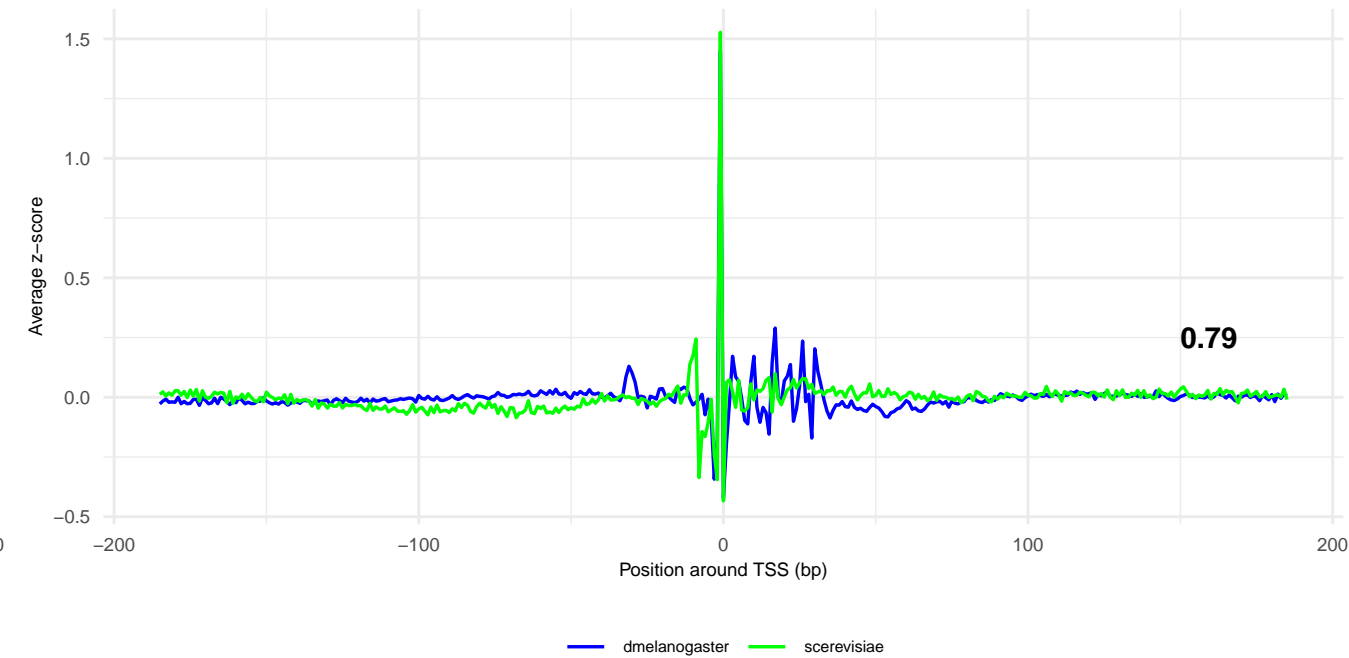

Comparison of Roll between dmelanogaster and pfalciparum

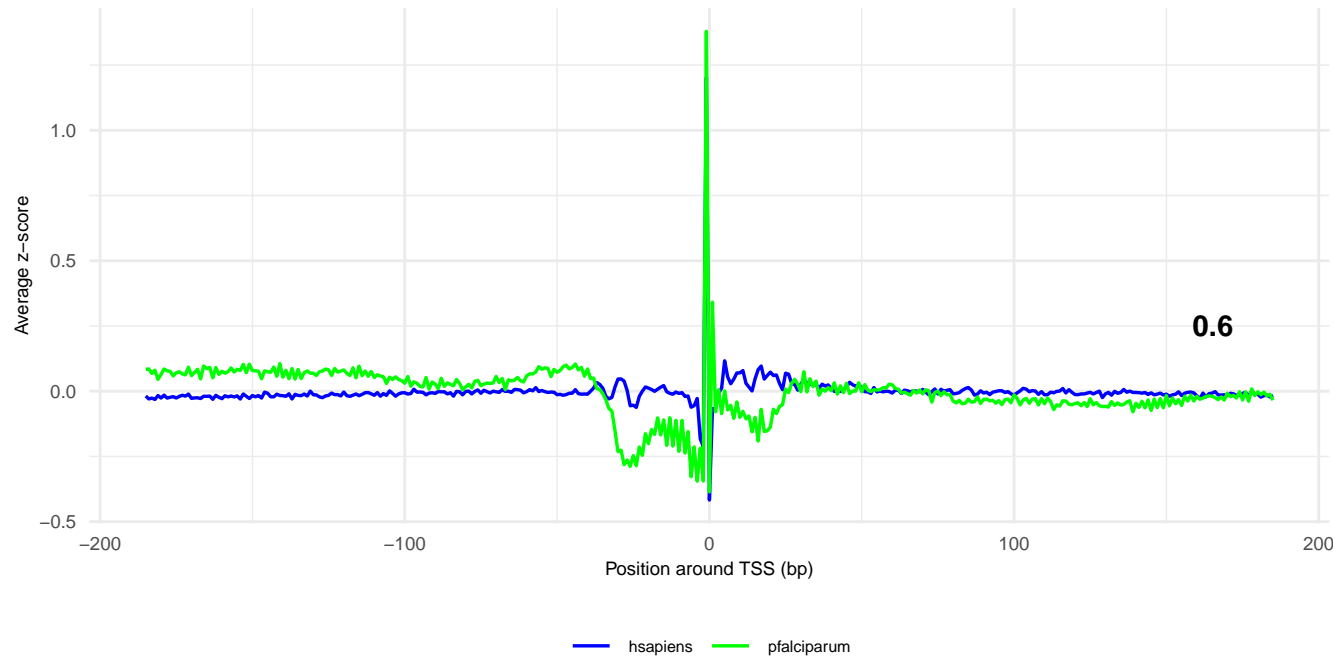

Comparison of Roll between dmelanogaster and hsapiens

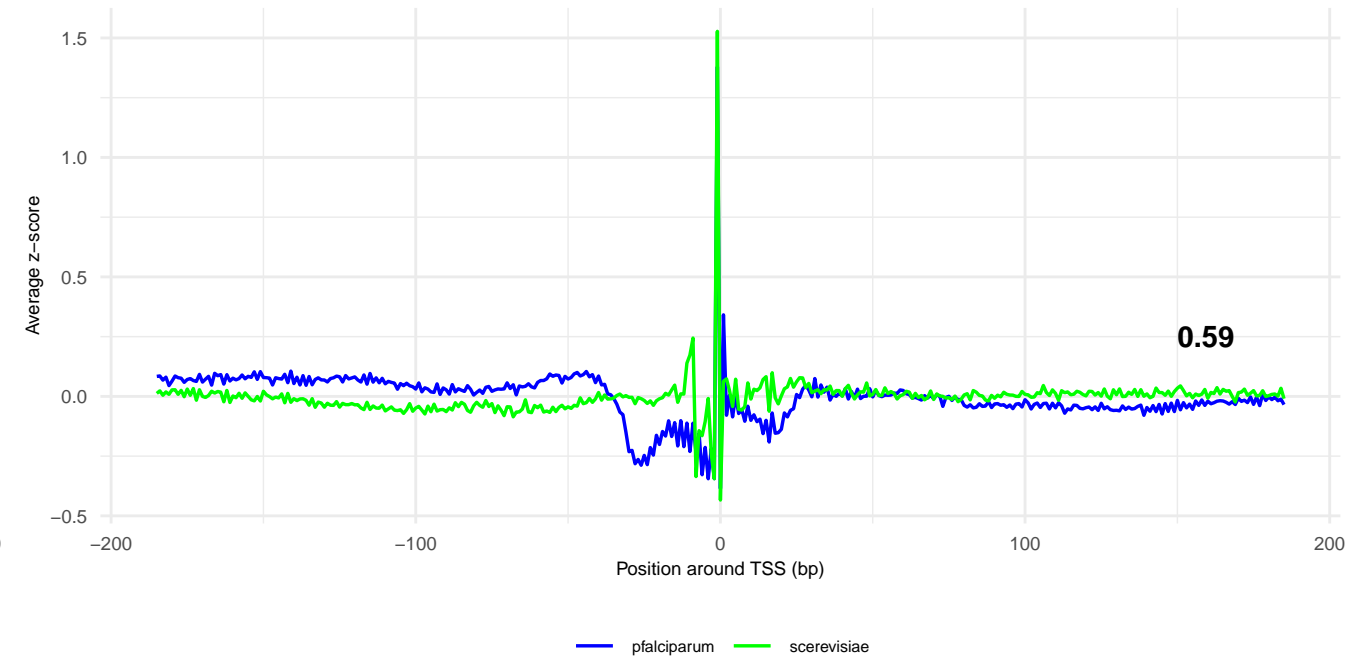

Comparison of Roll between dmelanogaster and scerevisiae

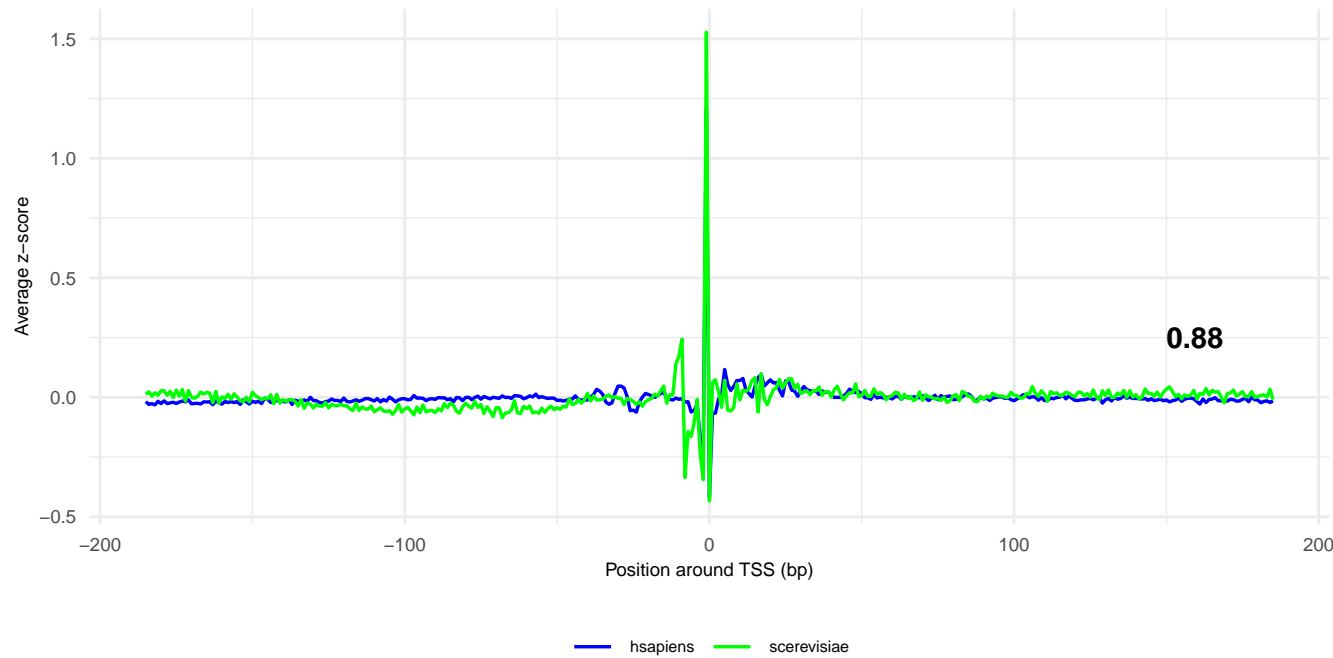

Comparison of Roll between hsapiens and pfalciparum

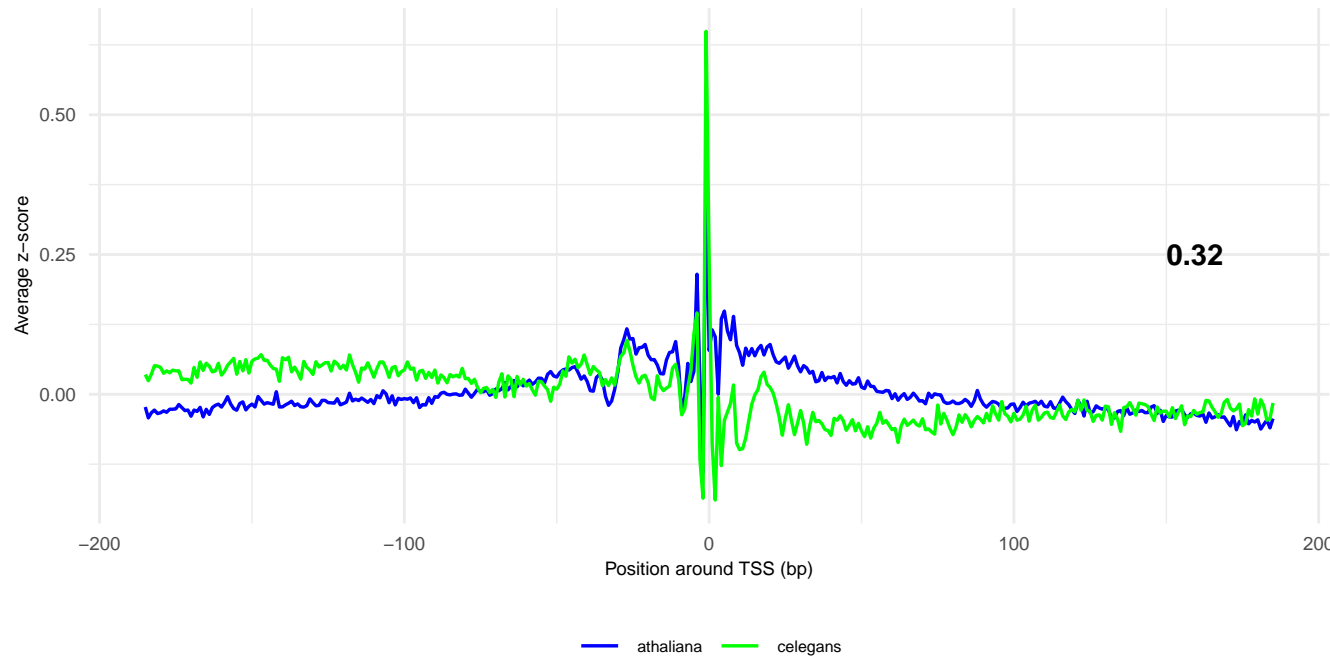

Comparison of Roll between pfalciparum and scerevisiae

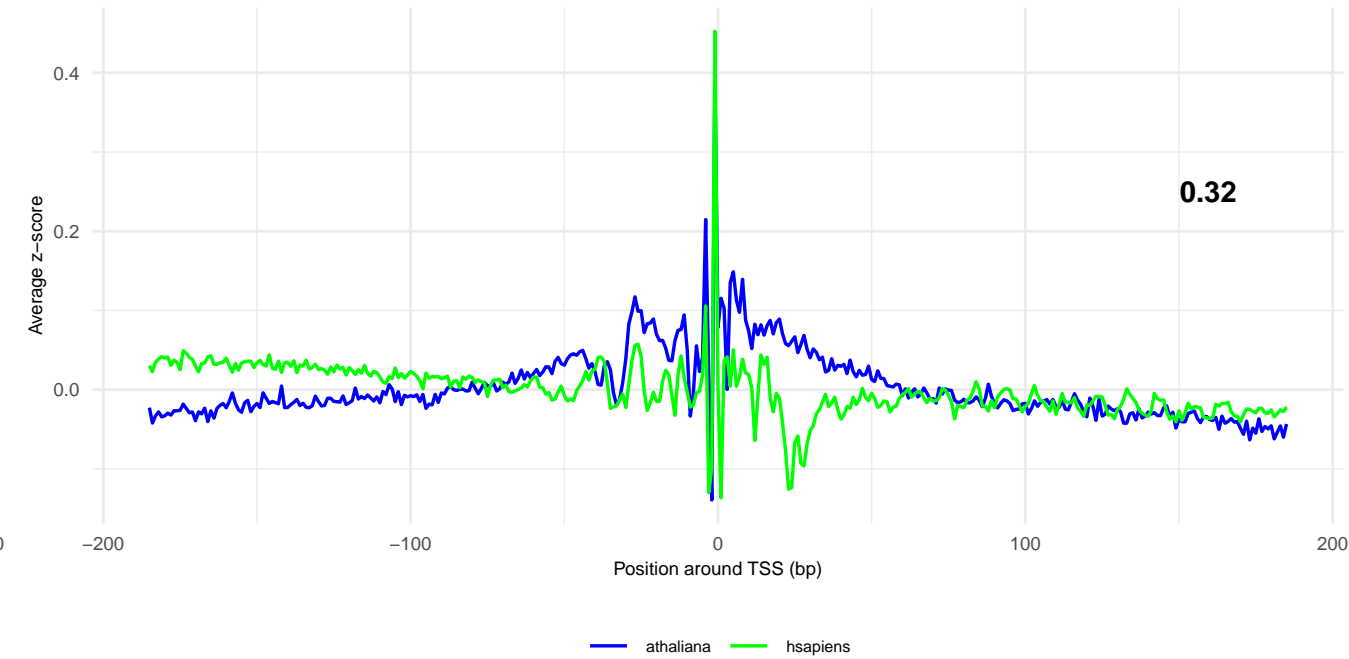

Comparison of Roll between hsapiens and scerevisiae

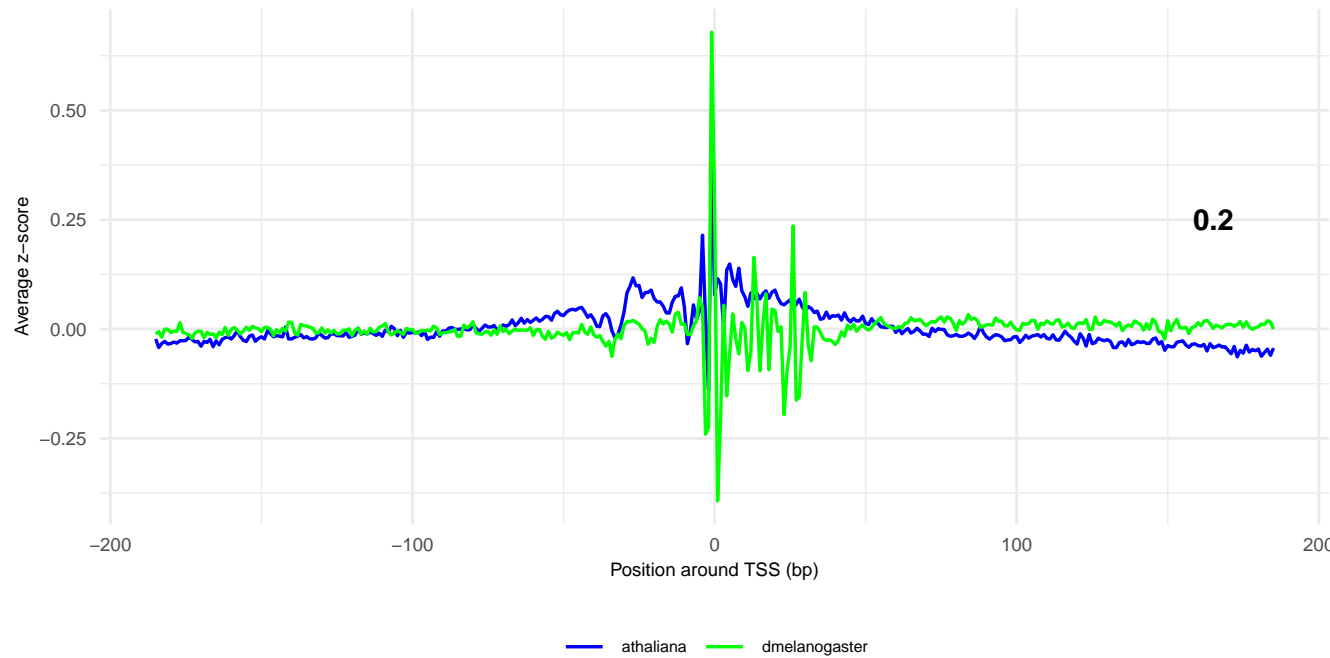

Comparison of Shear between athaliana and celegans

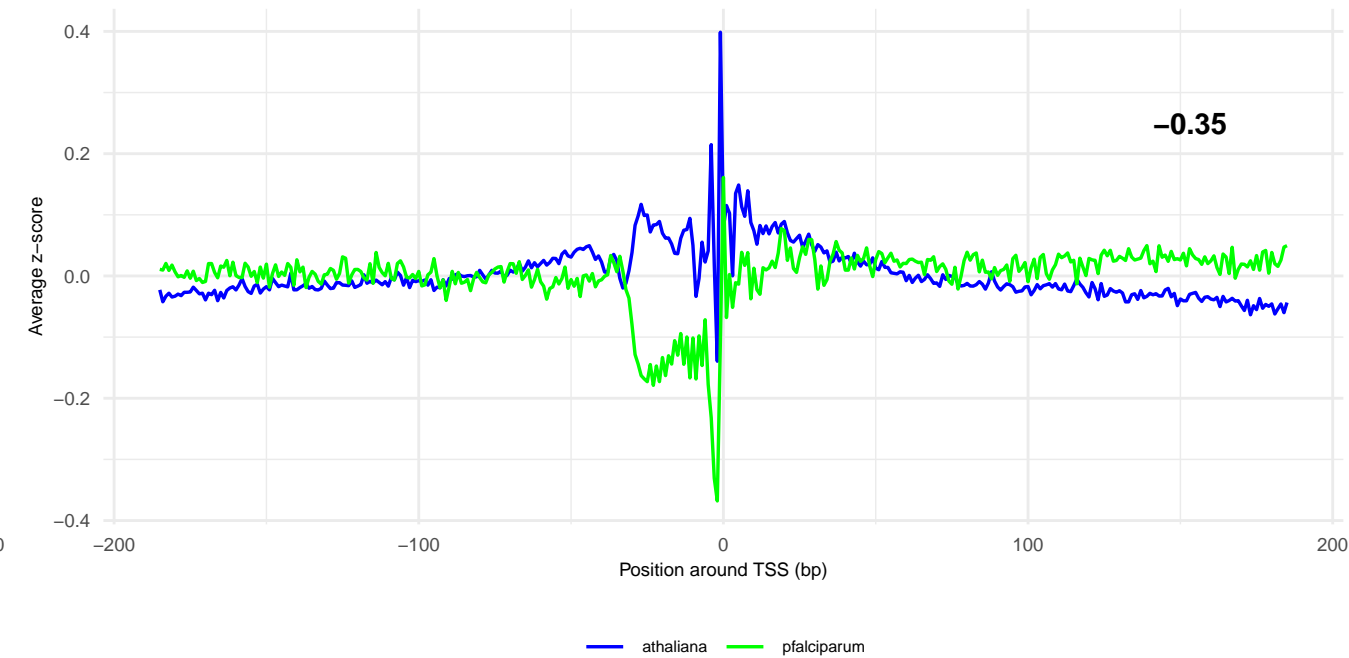

Comparison of Shear between athaliana and hsapiens

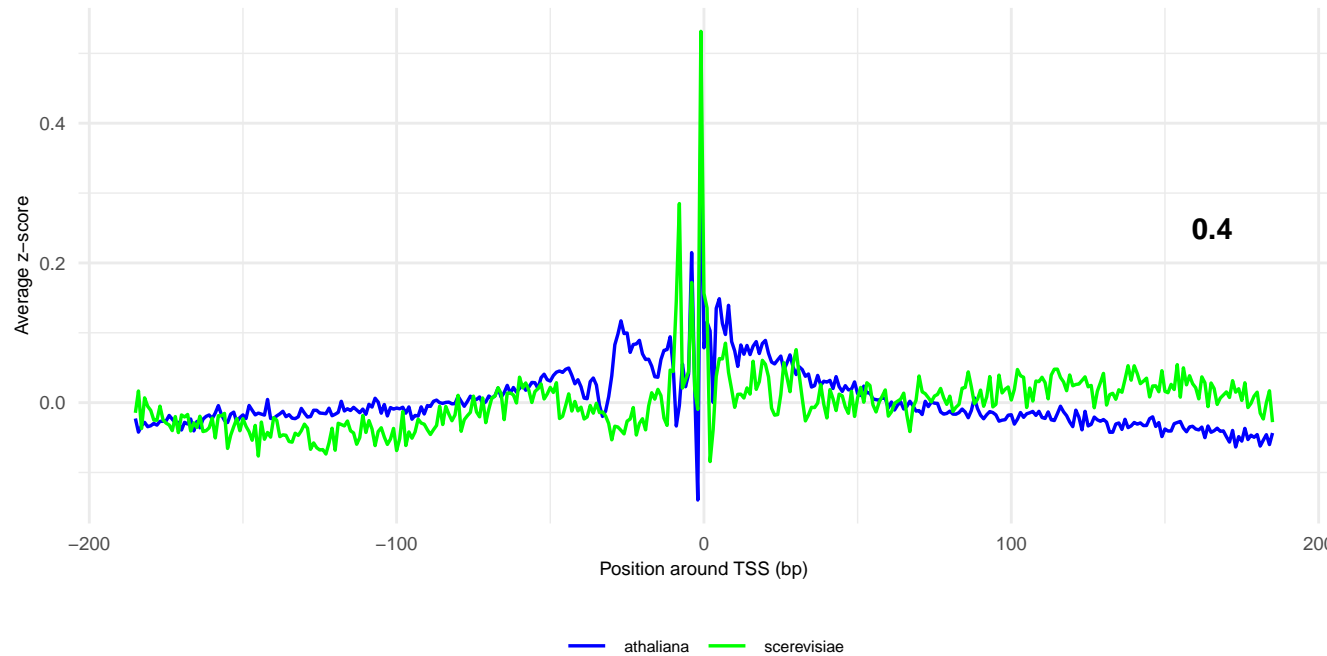

Comparison of Shear between athaliana and dmelanogaster

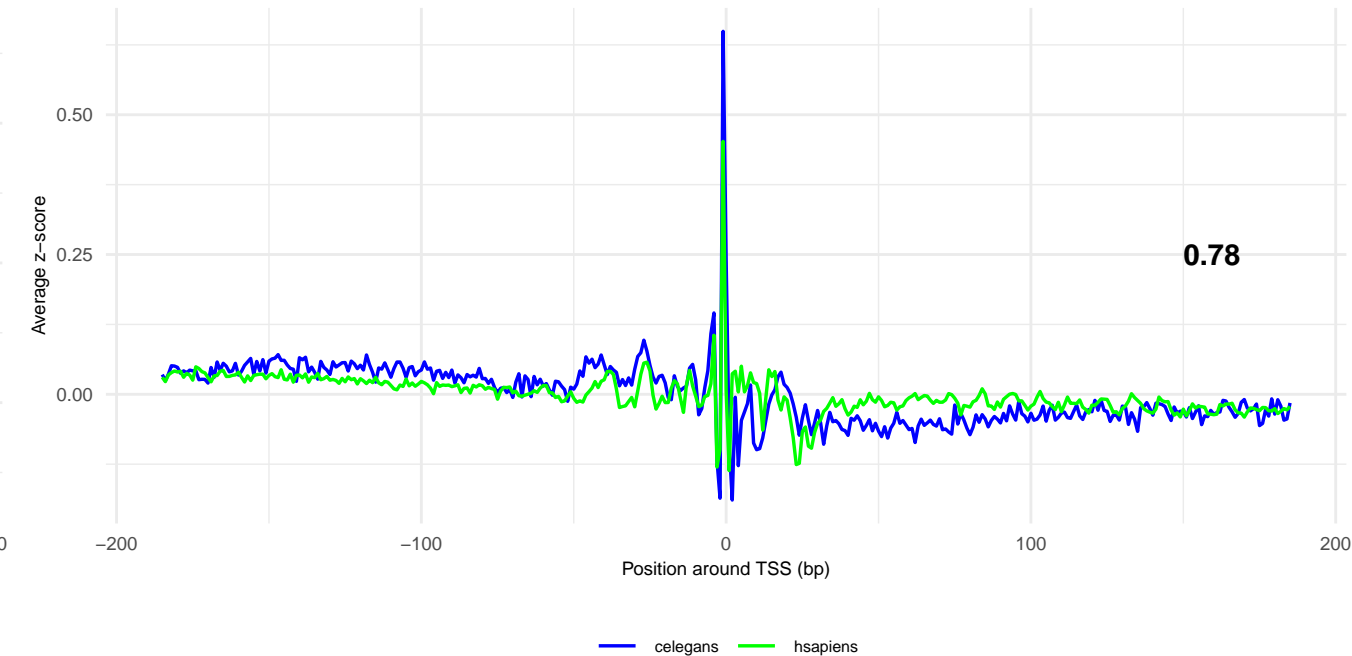

Comparison of Shear between athaliana and pfalciparum

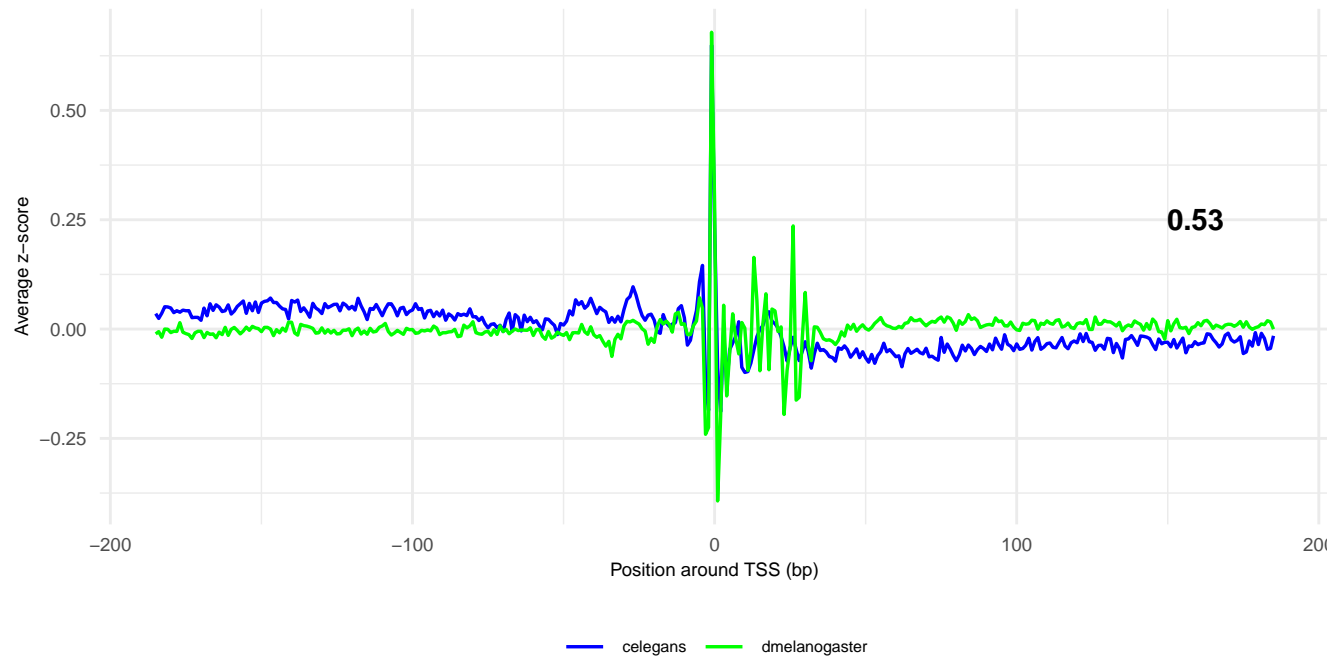

Comparison of Shear between athaliana and scerevisiae

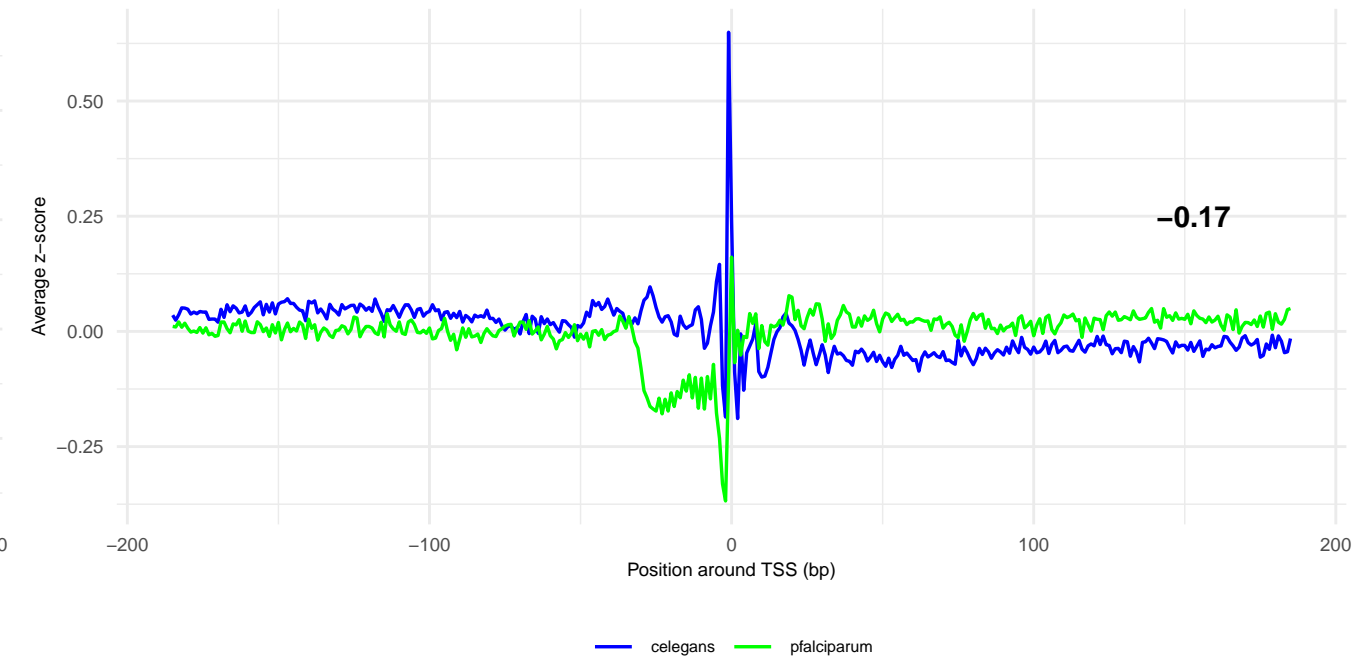

Comparison of Shear between celegans and hsapiens

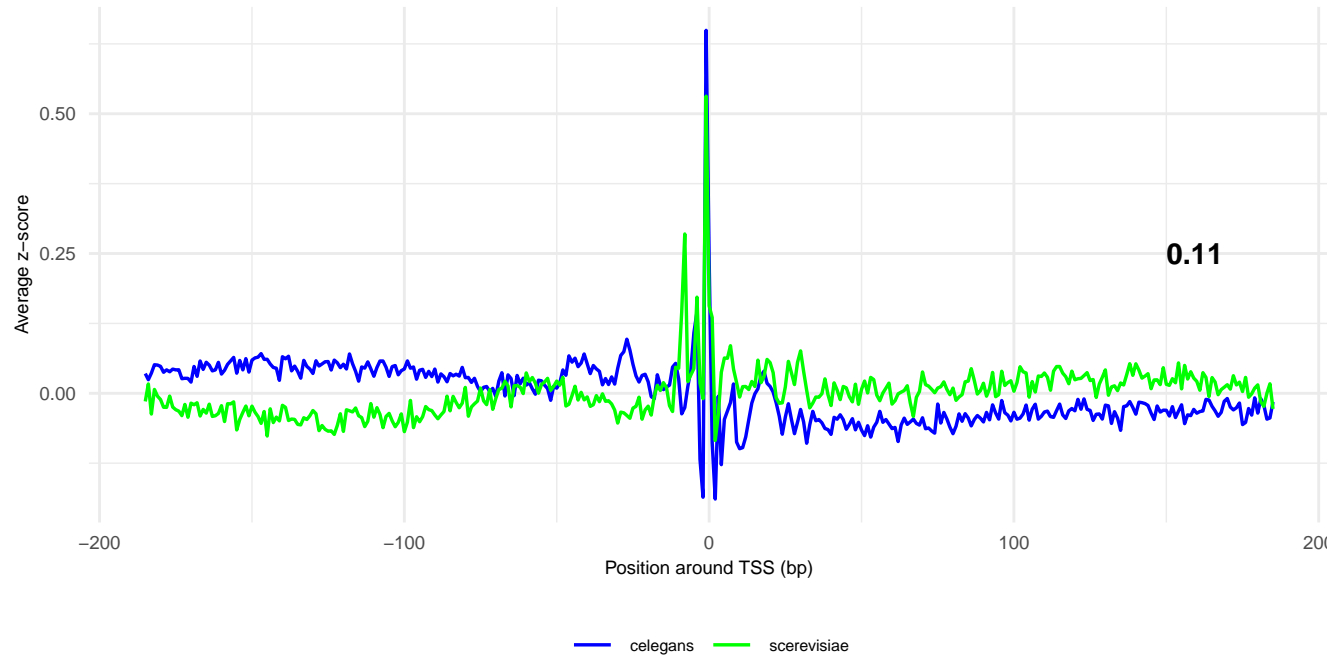

Comparison of Shear between celegans and dmelanogaster

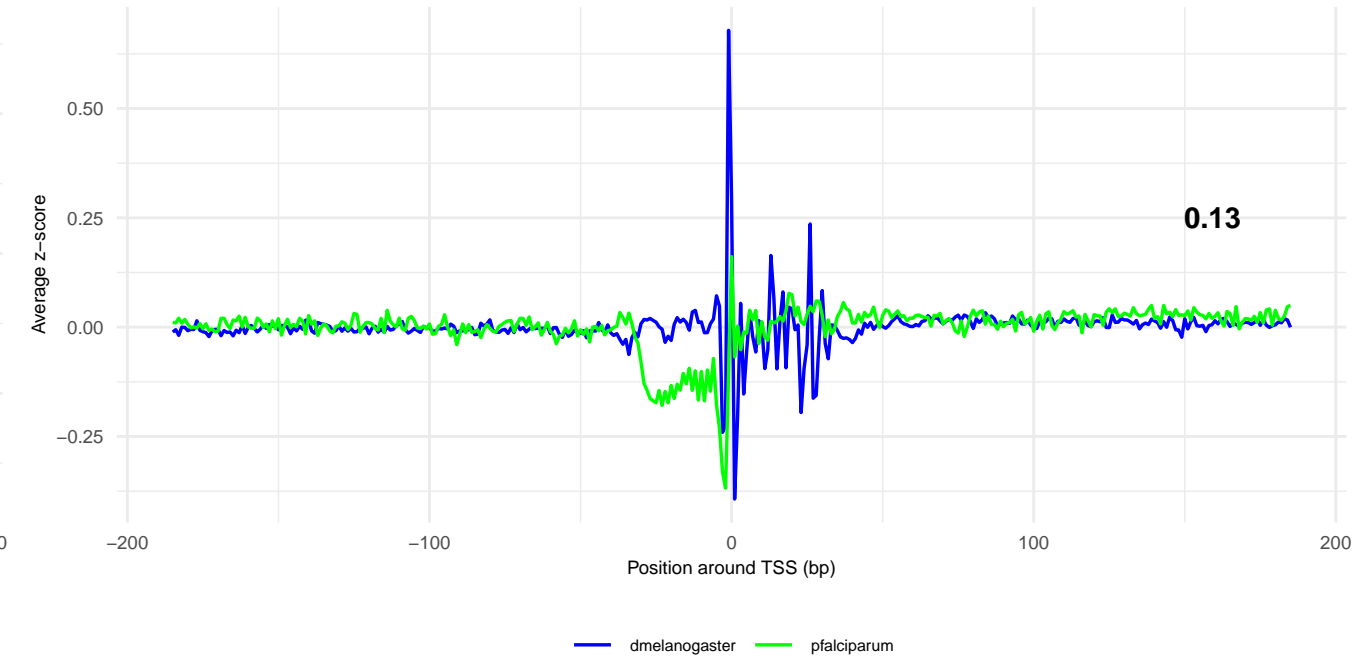

Comparison of Shear between celegans and pfalciparum

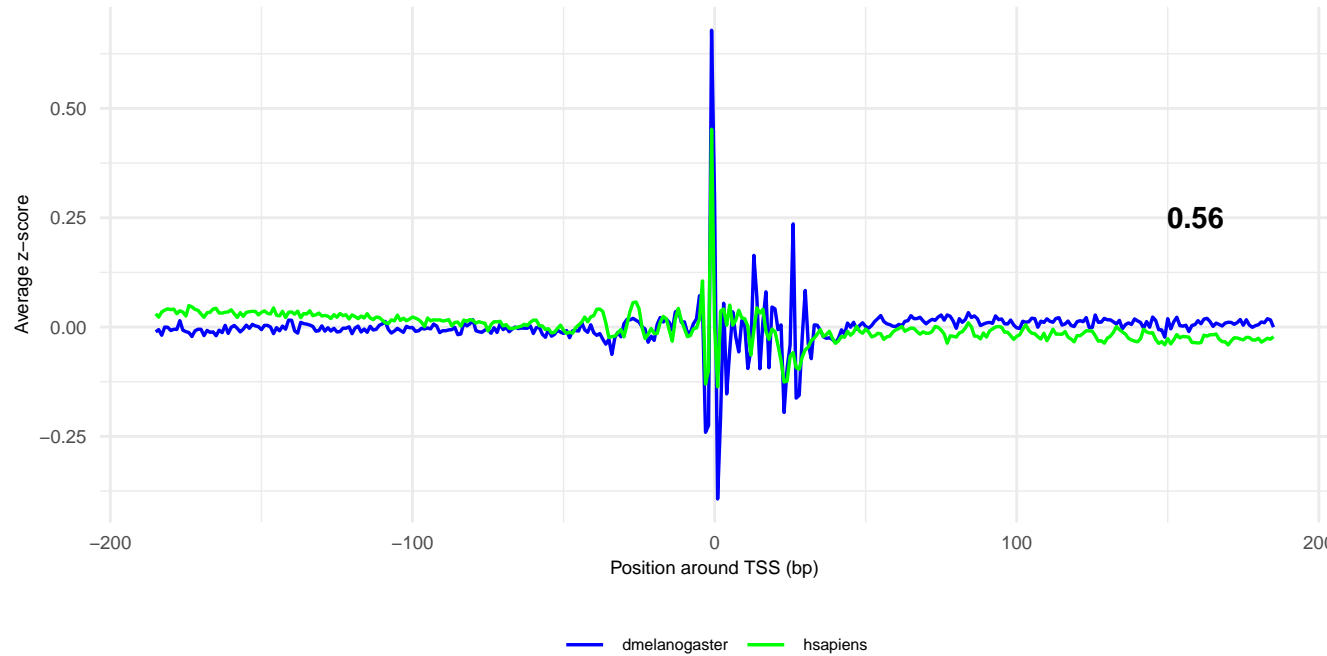

Comparison of Shear between celegans and scerevisiae

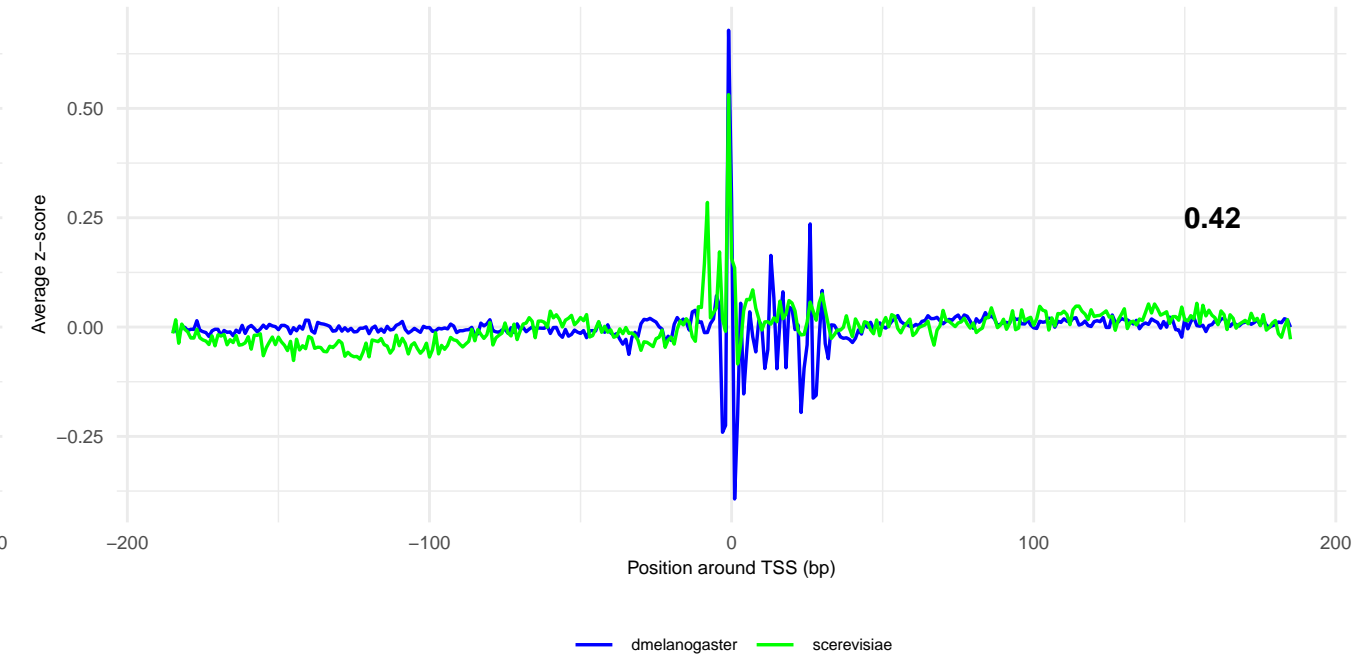

Comparison of Shear between dmelanogaster and pfalciparum

Comparison of Shear between dmelanogaster and hsapiens

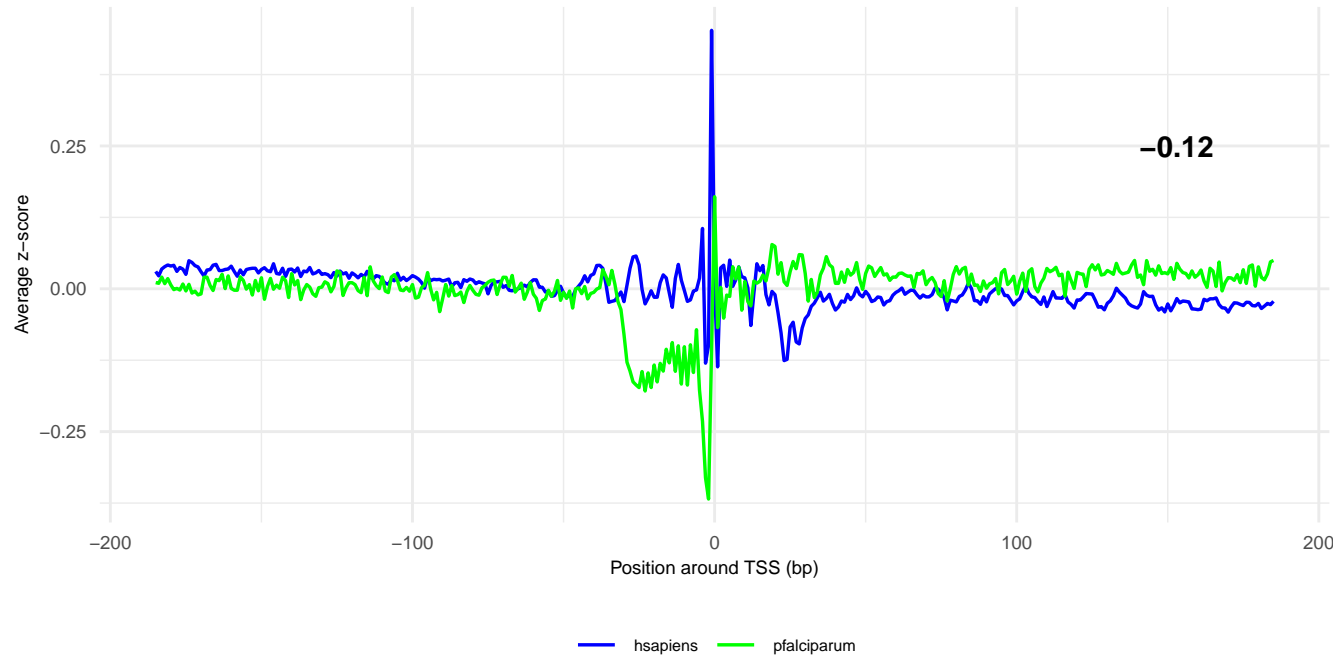

Comparison of Shear between dmelanogaster and scerevisiae

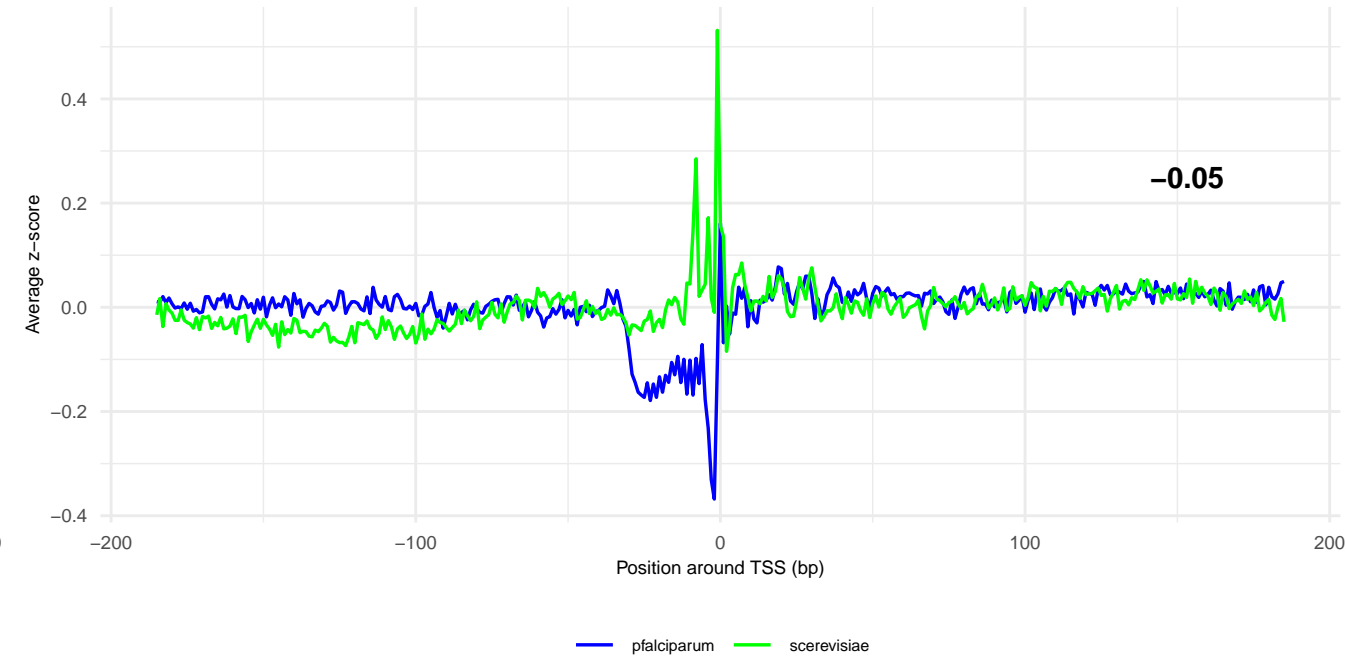

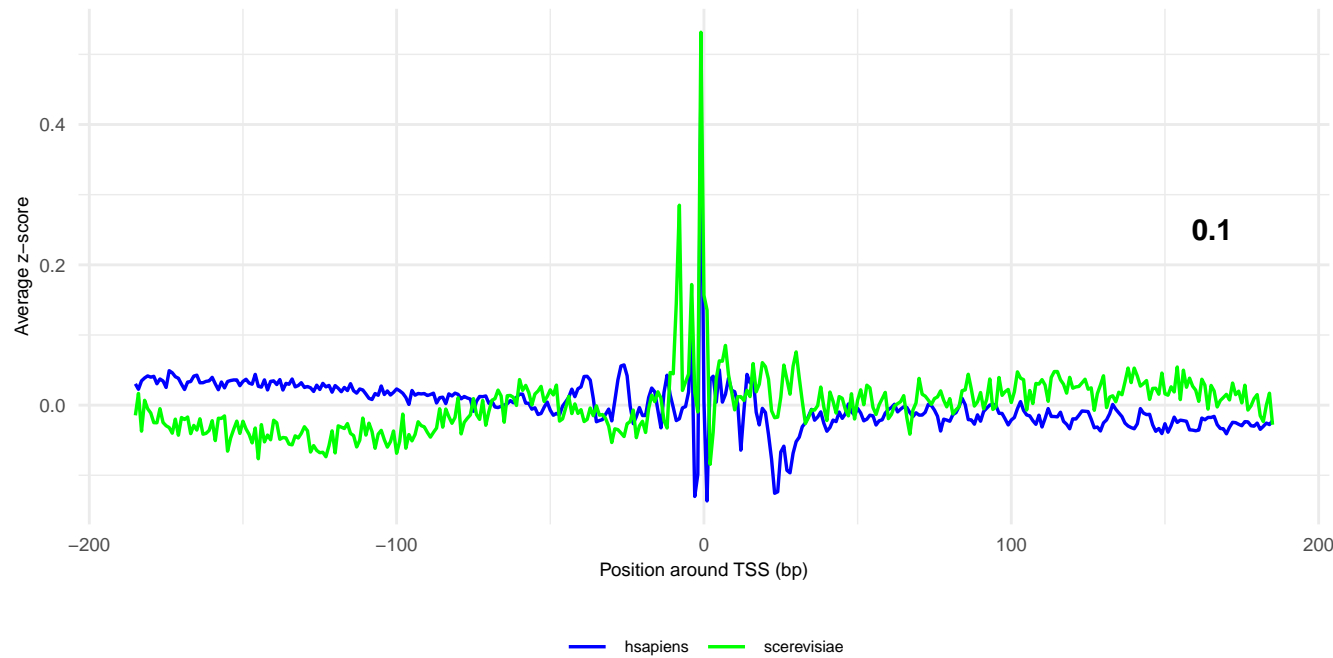

Comparison of Shear between hsapiens and pfalciparum

Comparison of Shear between pfalciparum and scerevisiae

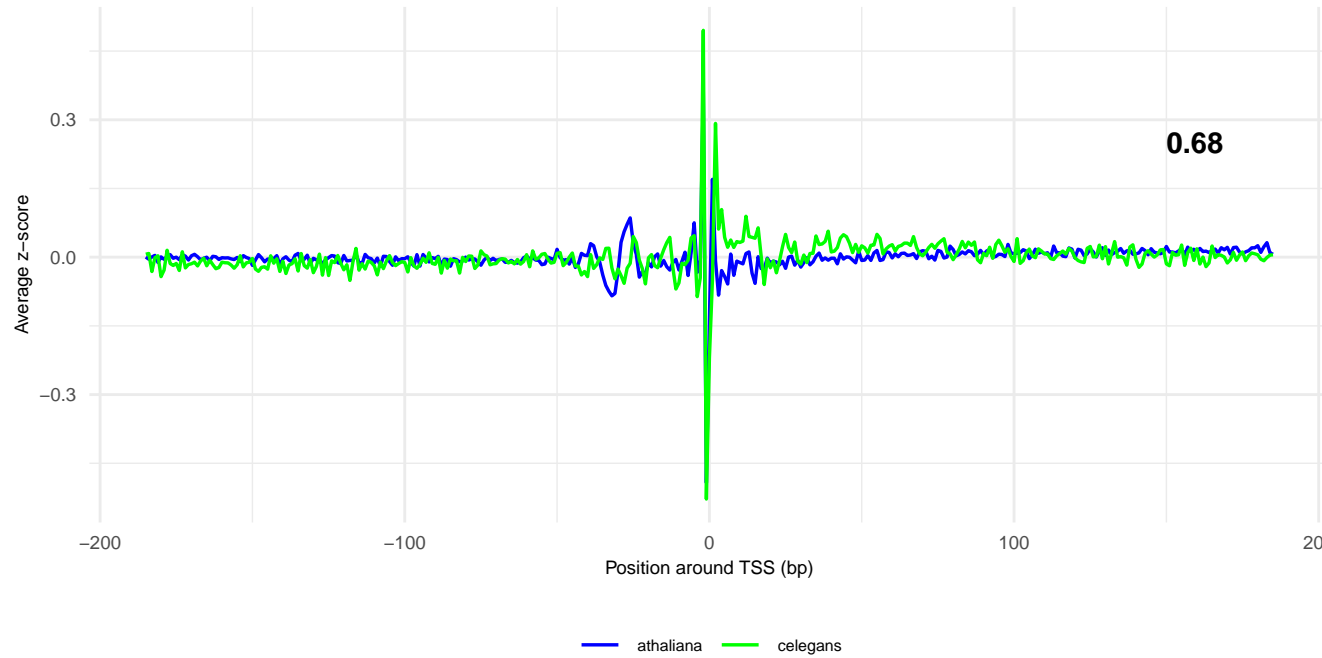

Comparison of Shear between hsapiens and scerevisiae

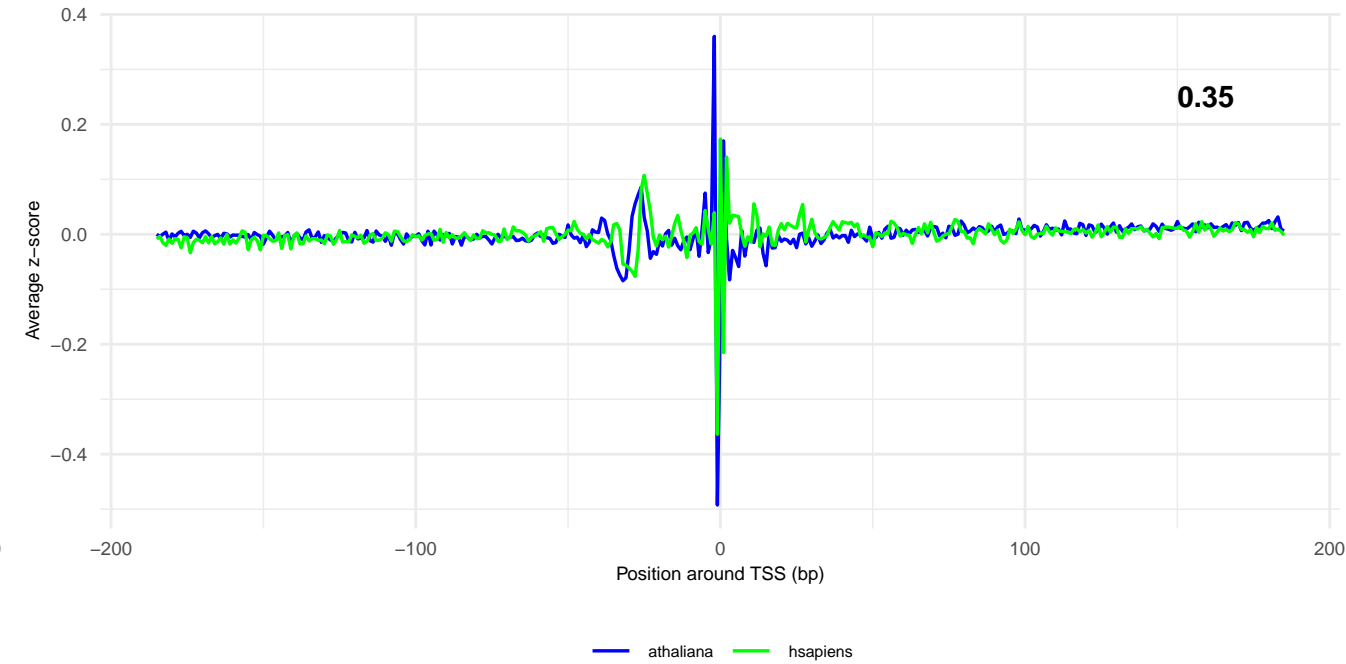

Property: Shift

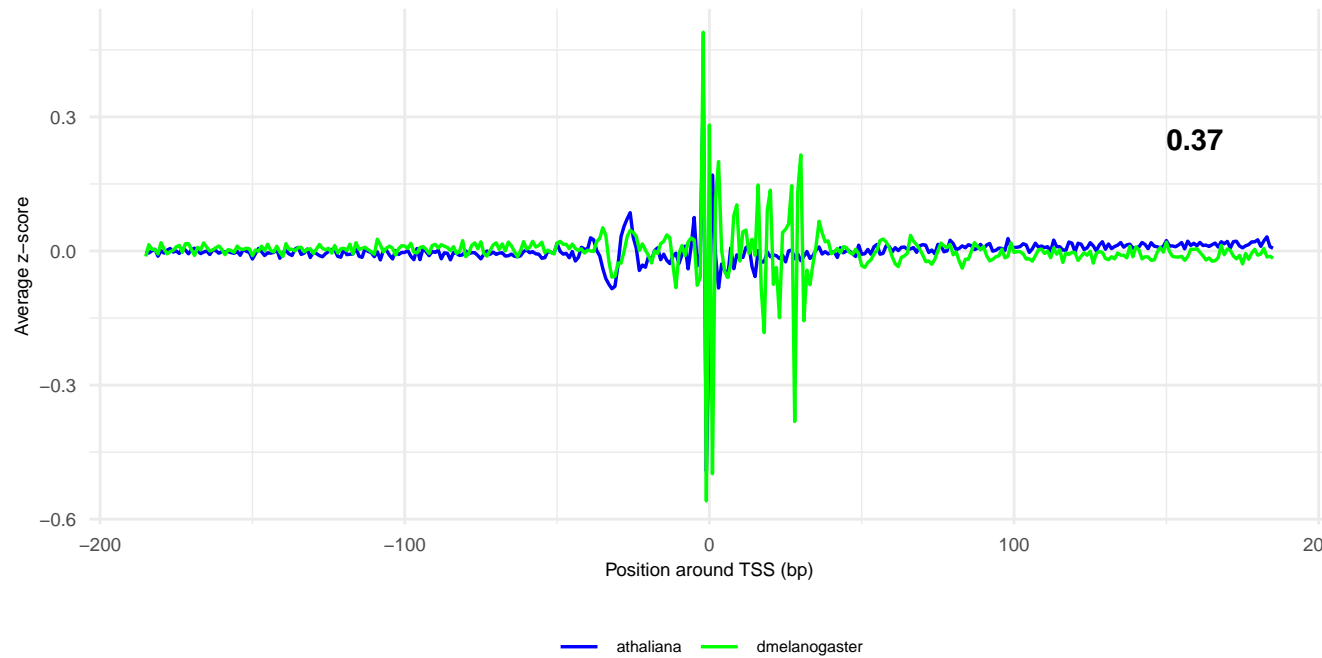

Comparison of Shift between athaliana and celegans

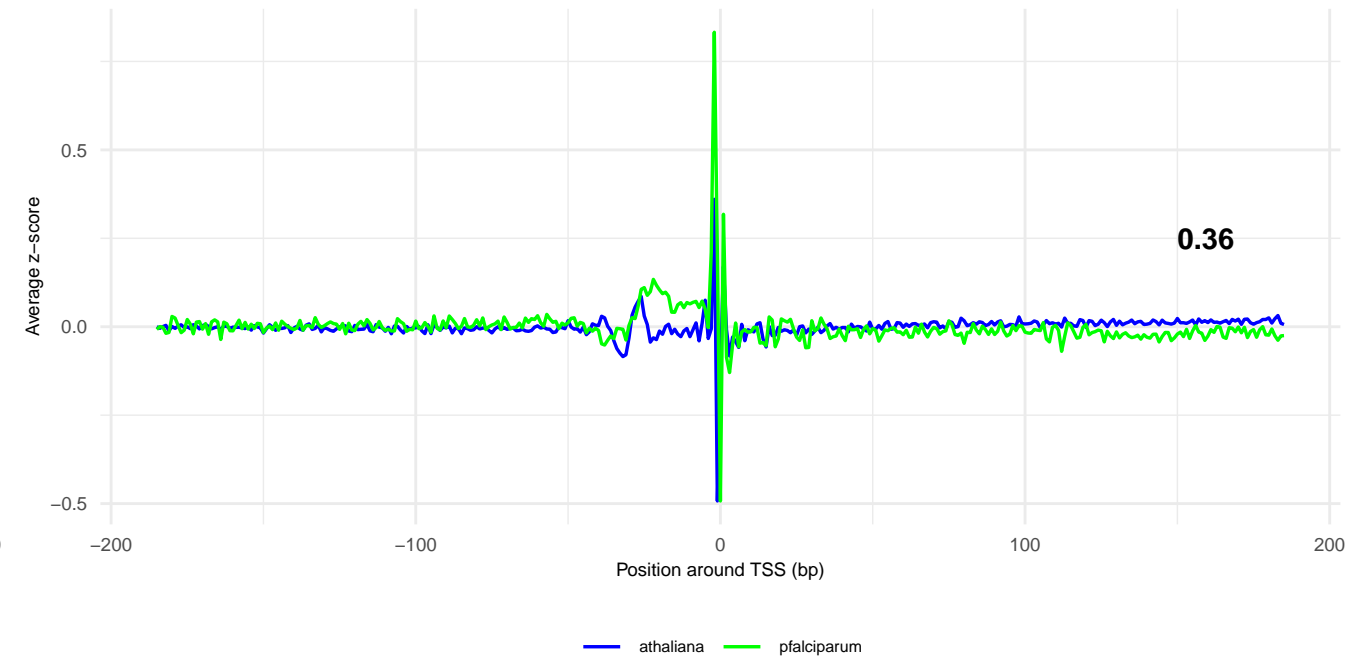

Comparison of Shift between athaliana and hsapiens

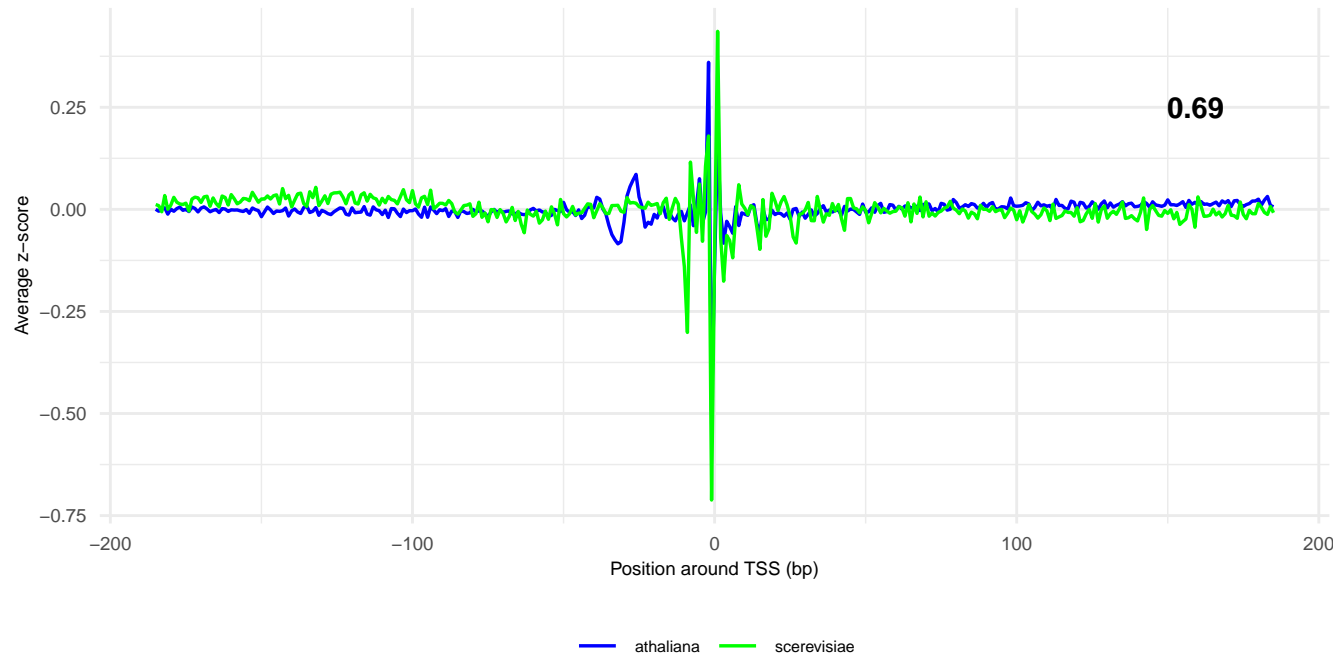

Comparison of Shift between athaliana and dmelanogaster

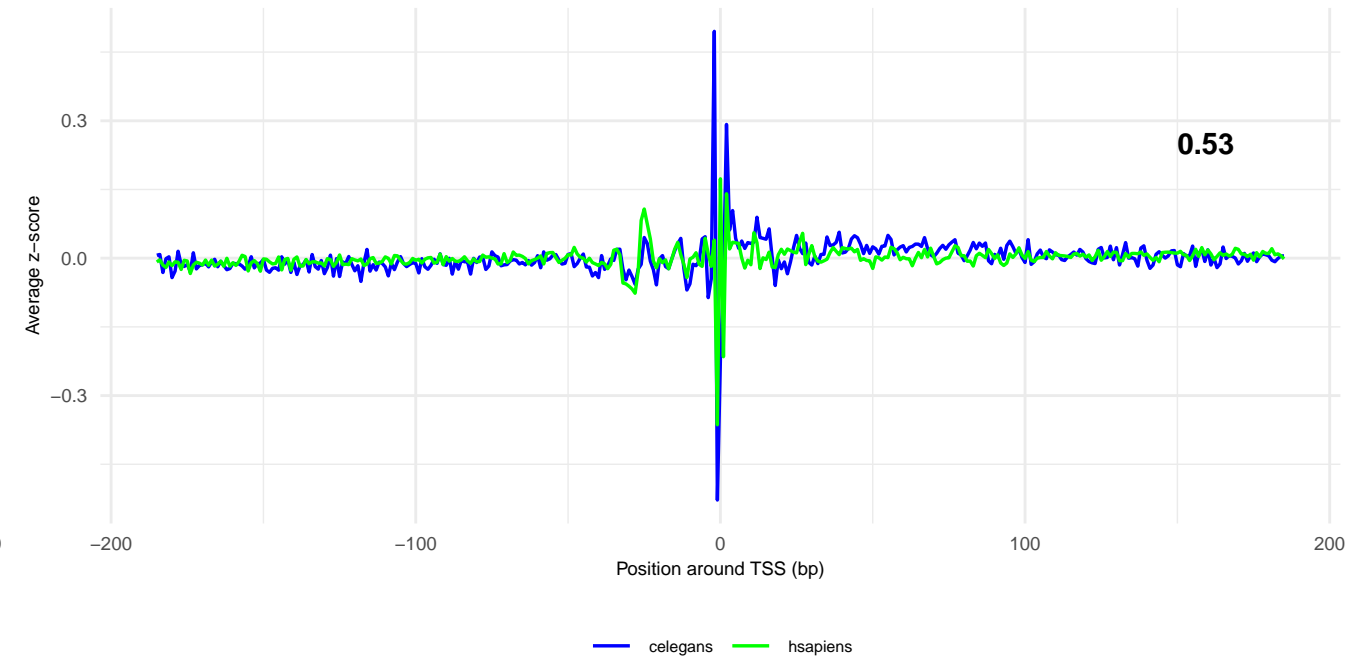

Comparison of Shift between athaliana and pfalciparum

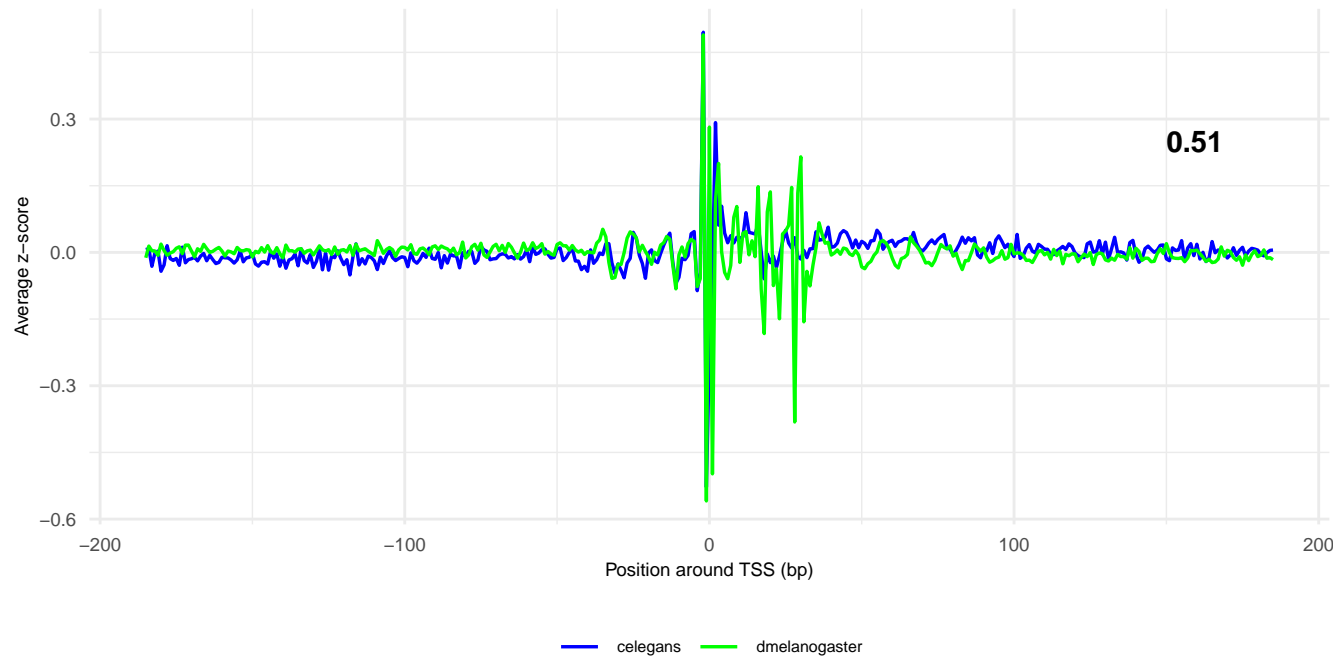

Comparison of Shift between athaliana and scerevisiae

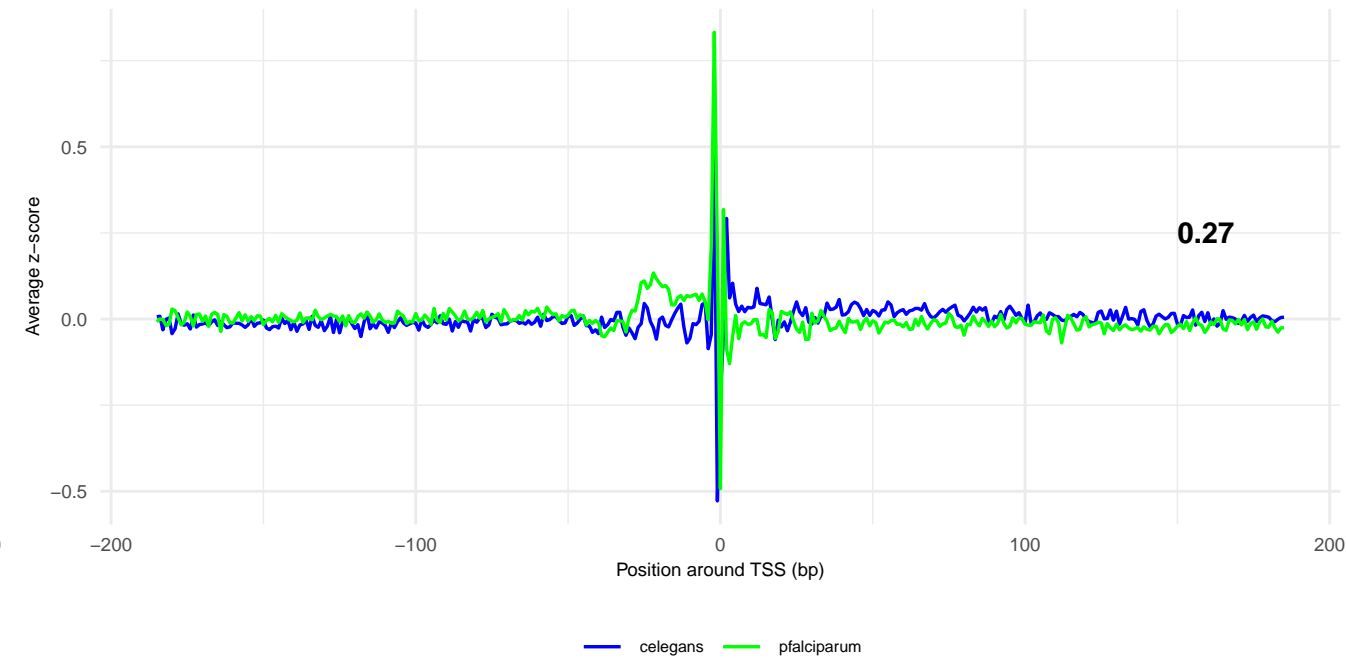

Comparison of Shift between celegans and hsapiens

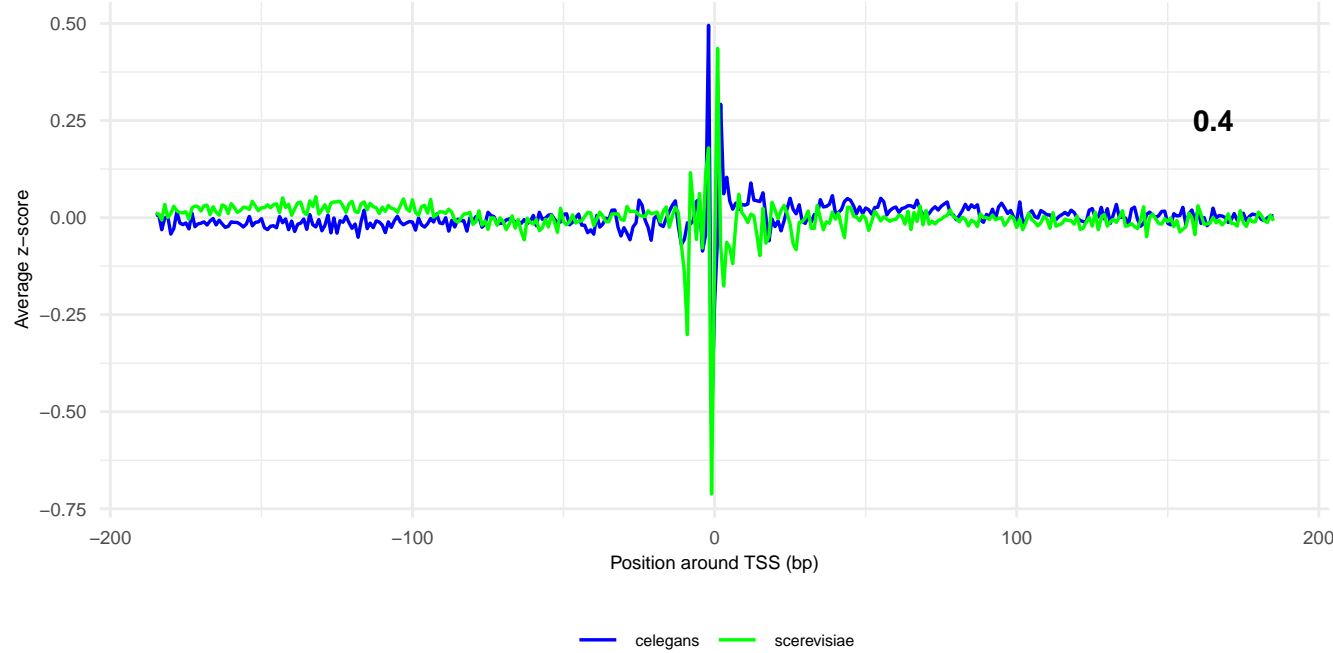

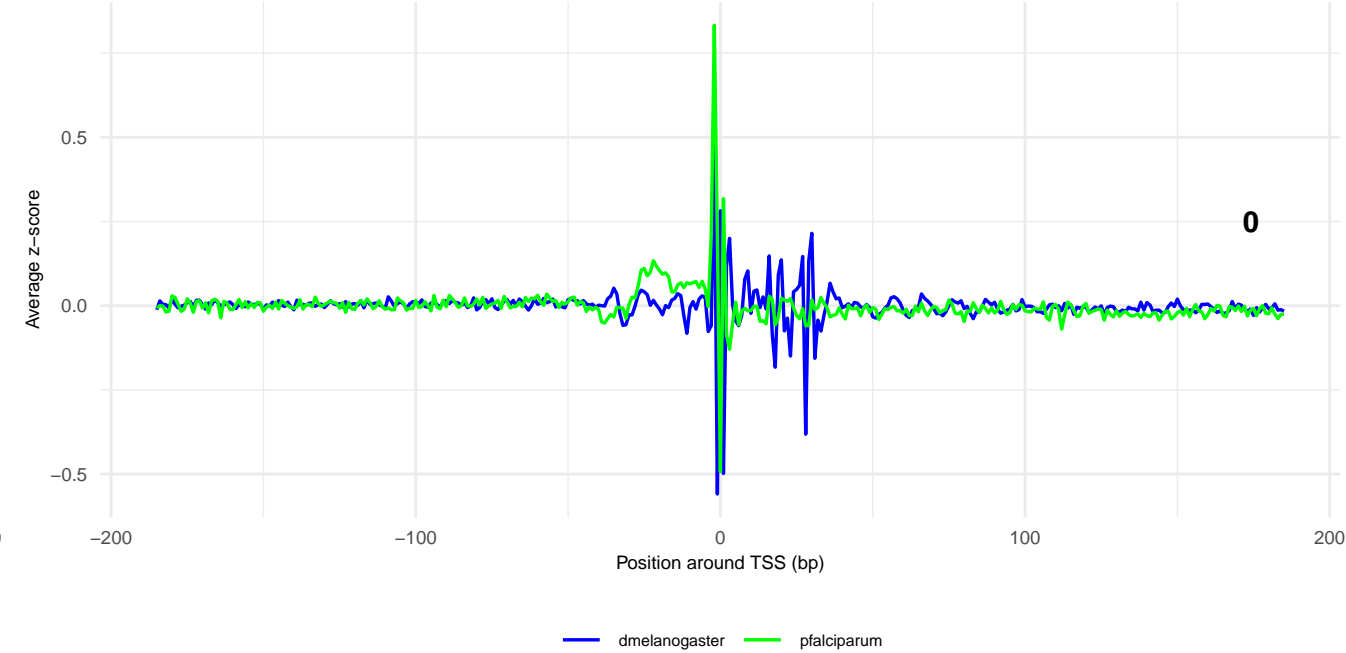

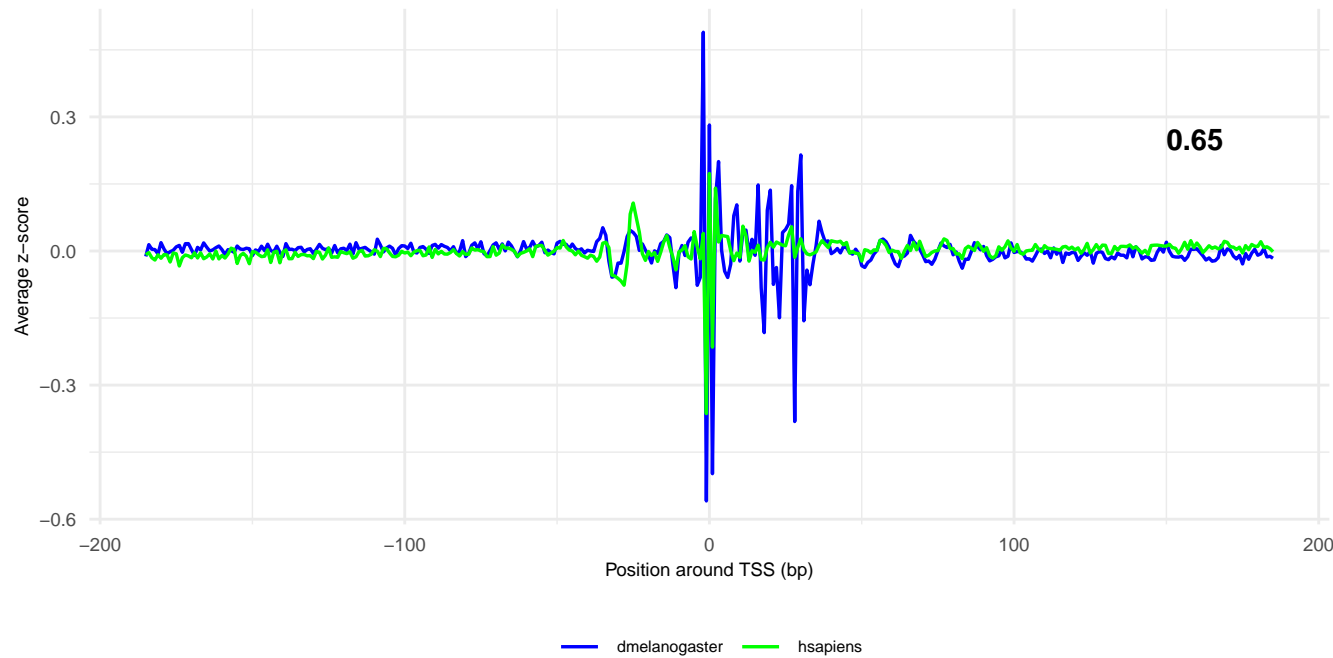

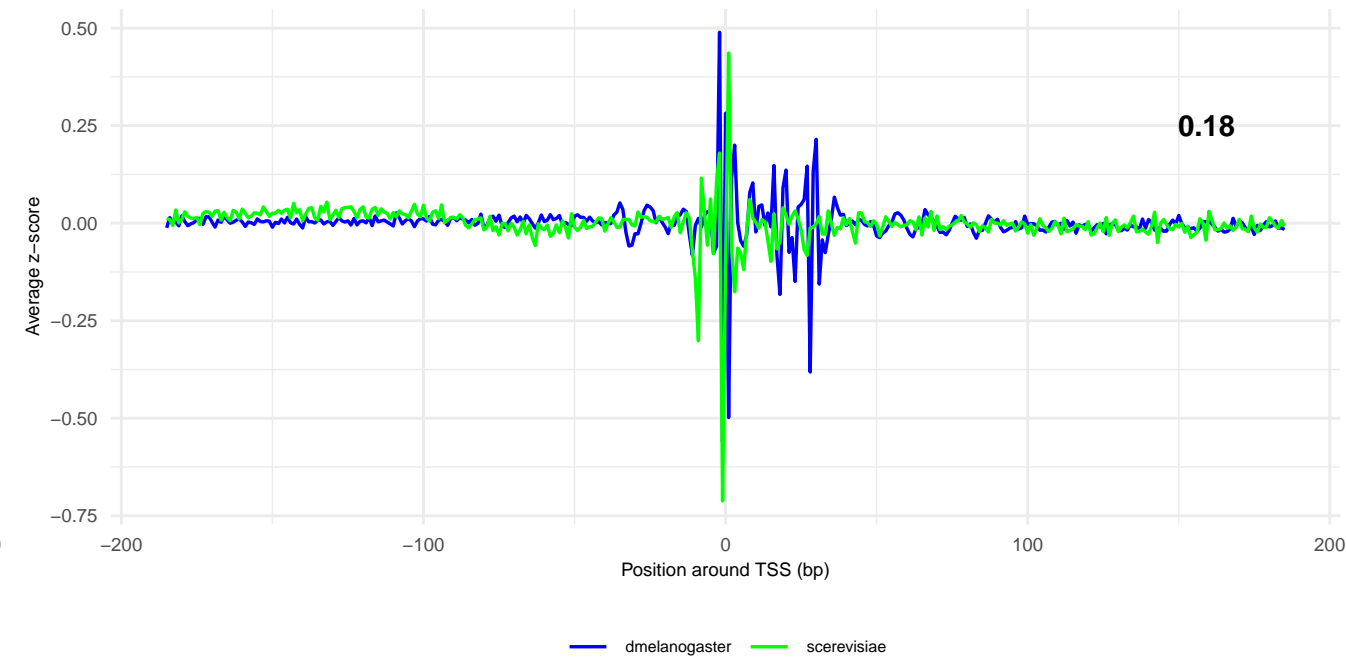

Comparison of Shift between celegans and dmelanogaster

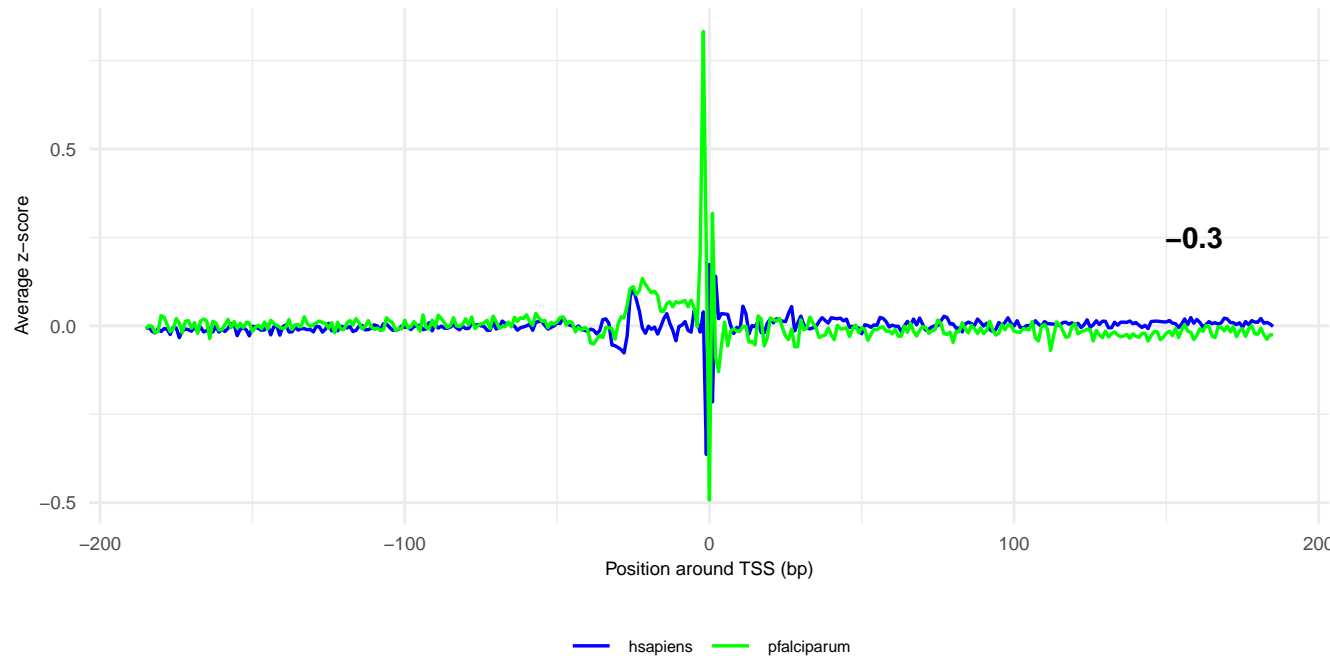

Comparison of Shift between celegans and pfalciparum

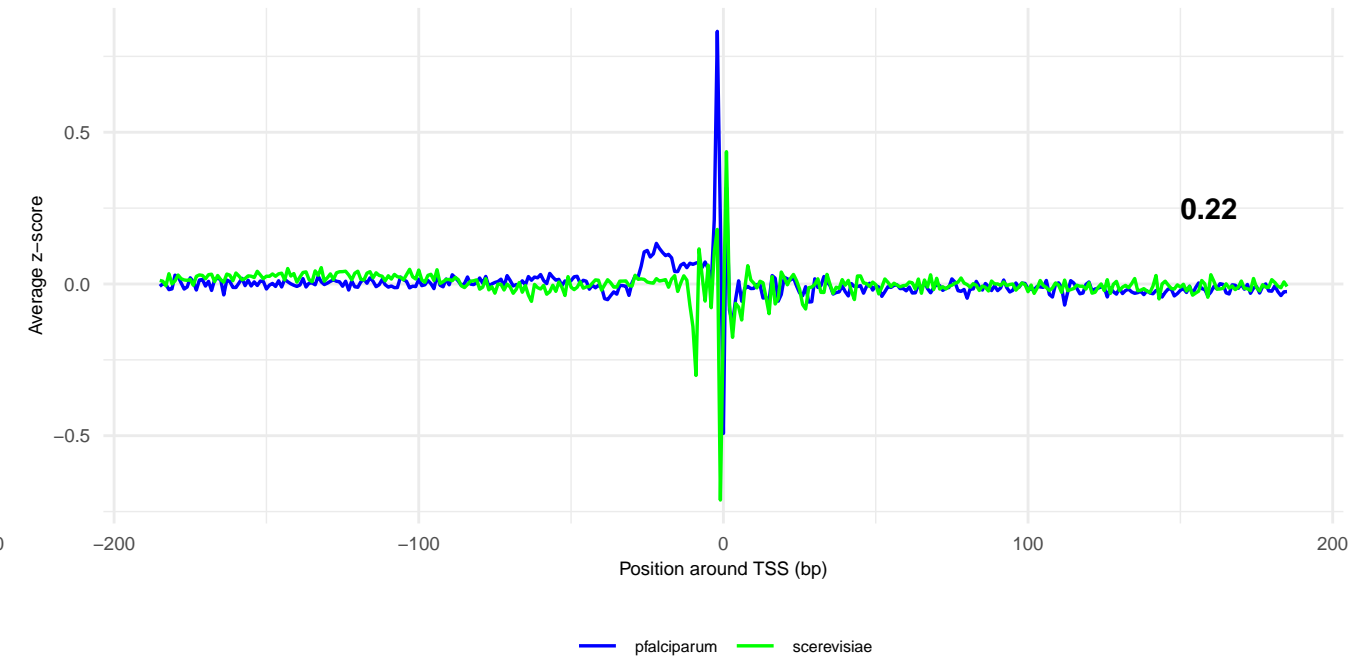

Comparison of Shift between *celegans* and *scerevisiae*Comparison of Shift between *dmelanogaster* and *pfalciparum*Comparison of Shift between *dmelanogaster* and *hsapiens*Comparison of Shift between *dmelanogaster* and *scerevisiae*

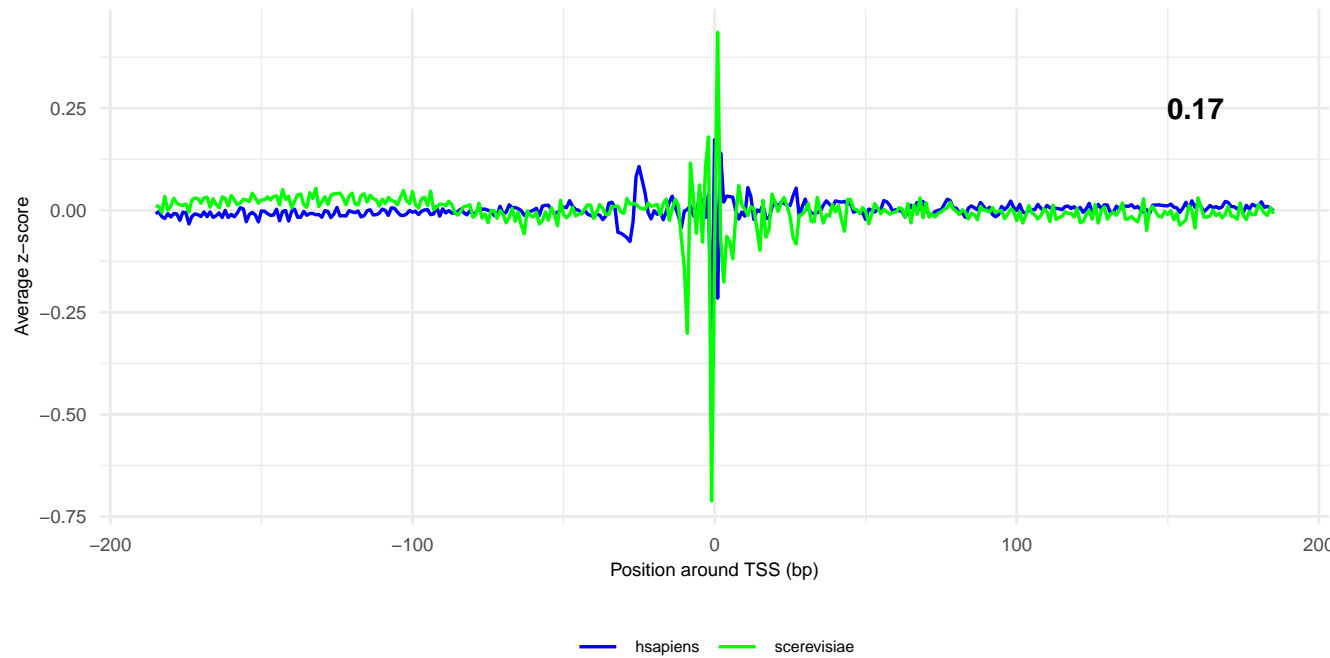

Comparison of Shift between hsapiens and pfalciparum

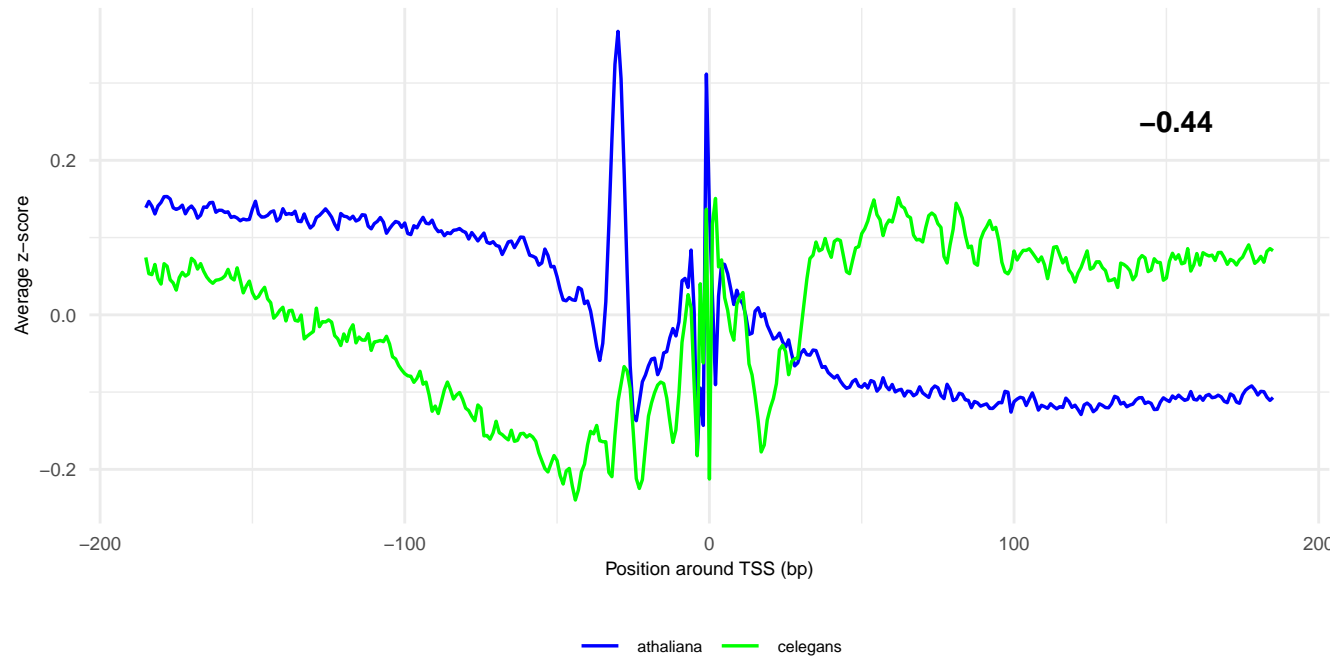

Comparison of Shift between pfalciparum and scerevisiae

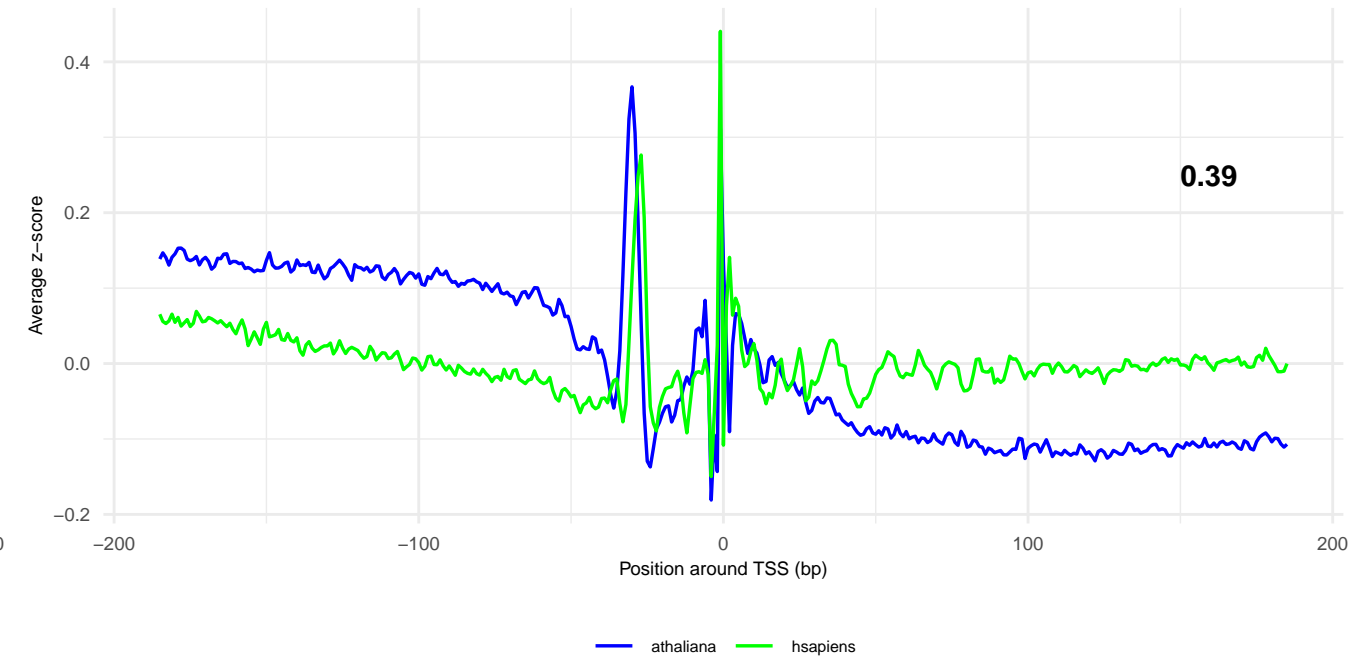

Comparison of Shift between hsapiens and scerevisiae

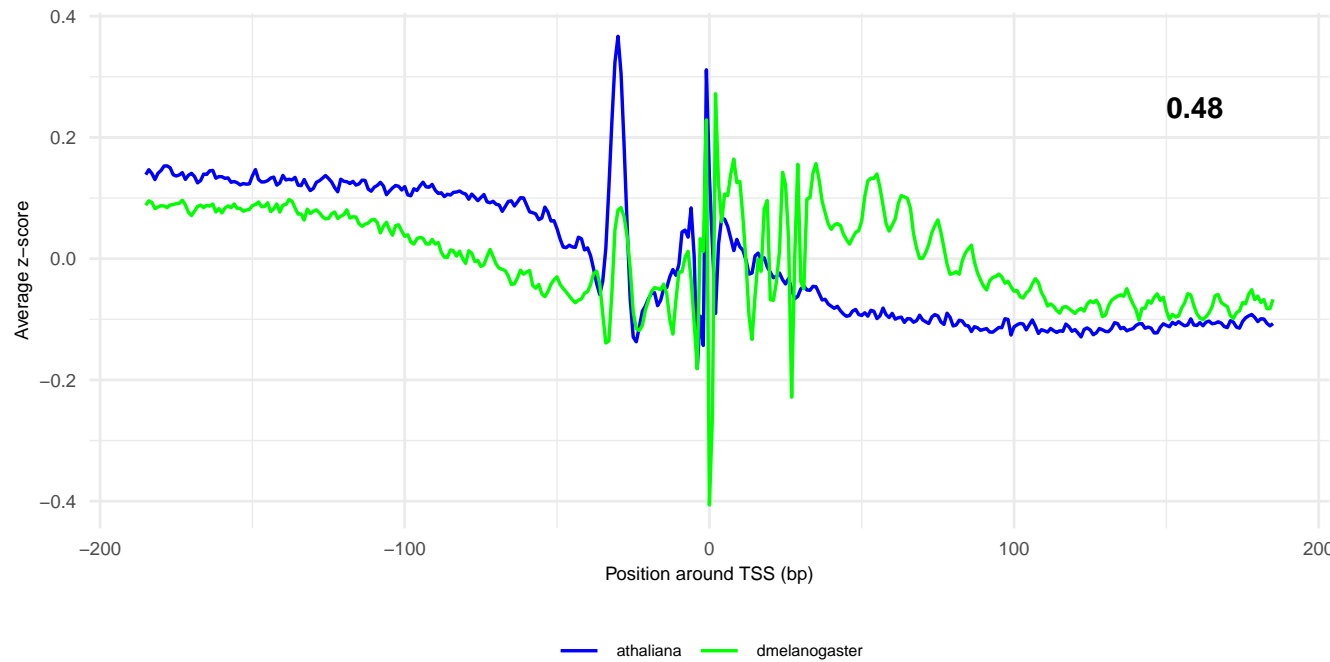

Comparison of Slide between athaliana and celegans

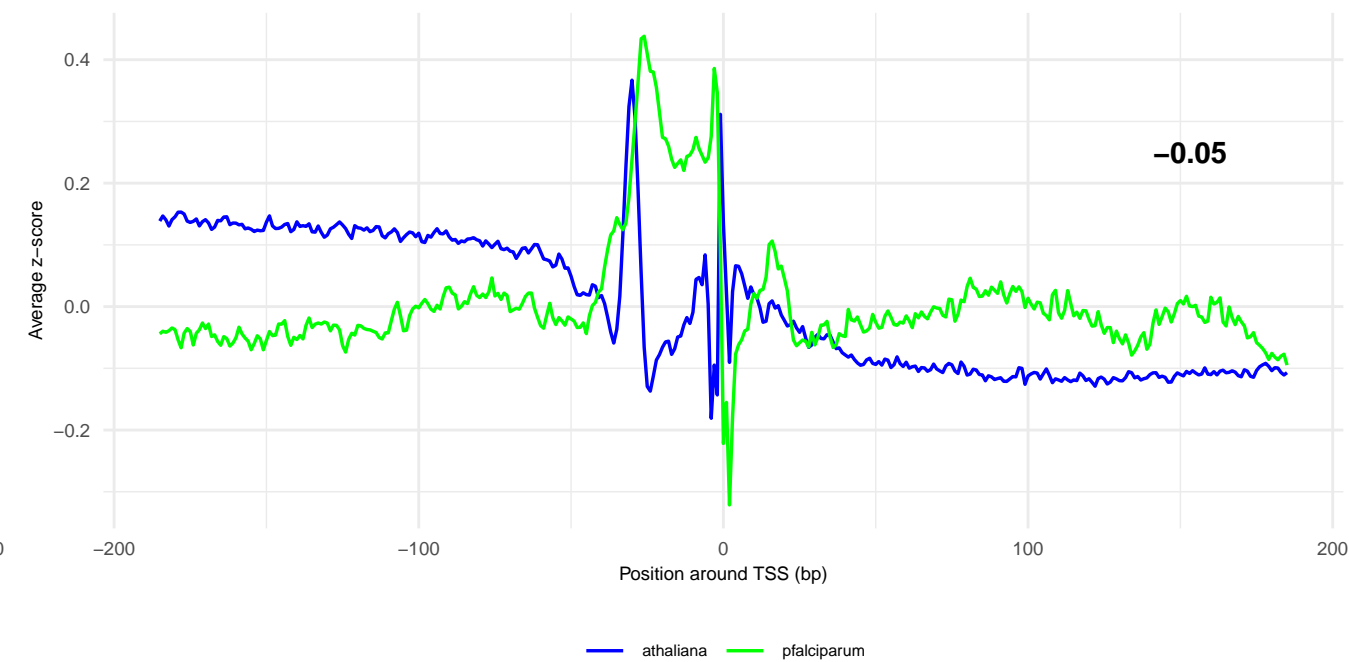

Comparison of Slide between athaliana and hsapiens

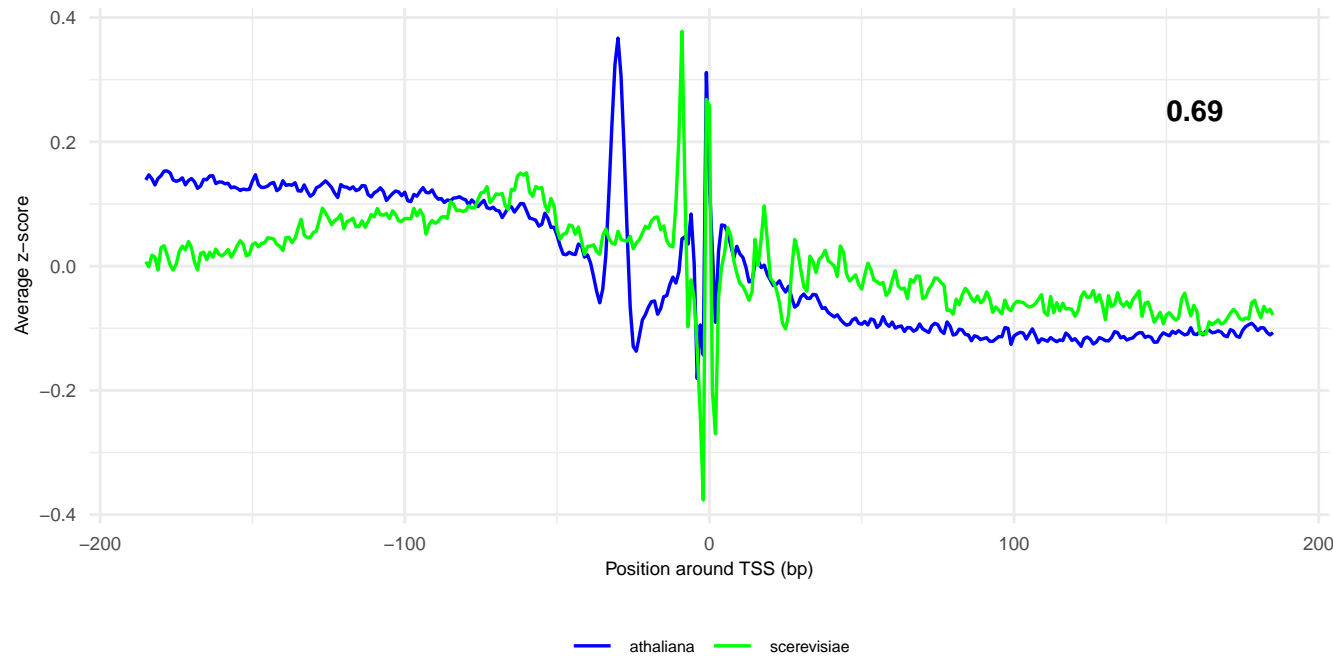

Comparison of Slide between athaliana and dmelanogaster

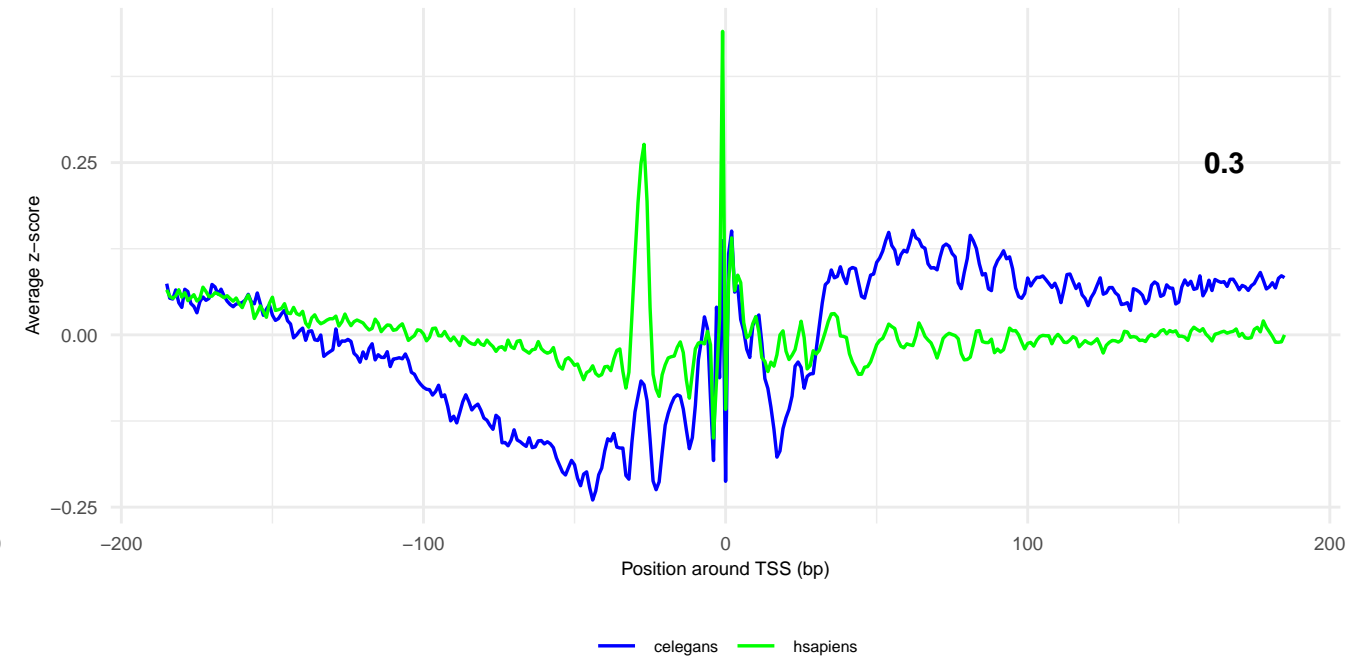

Comparison of Slide between athaliana and pfalciparum

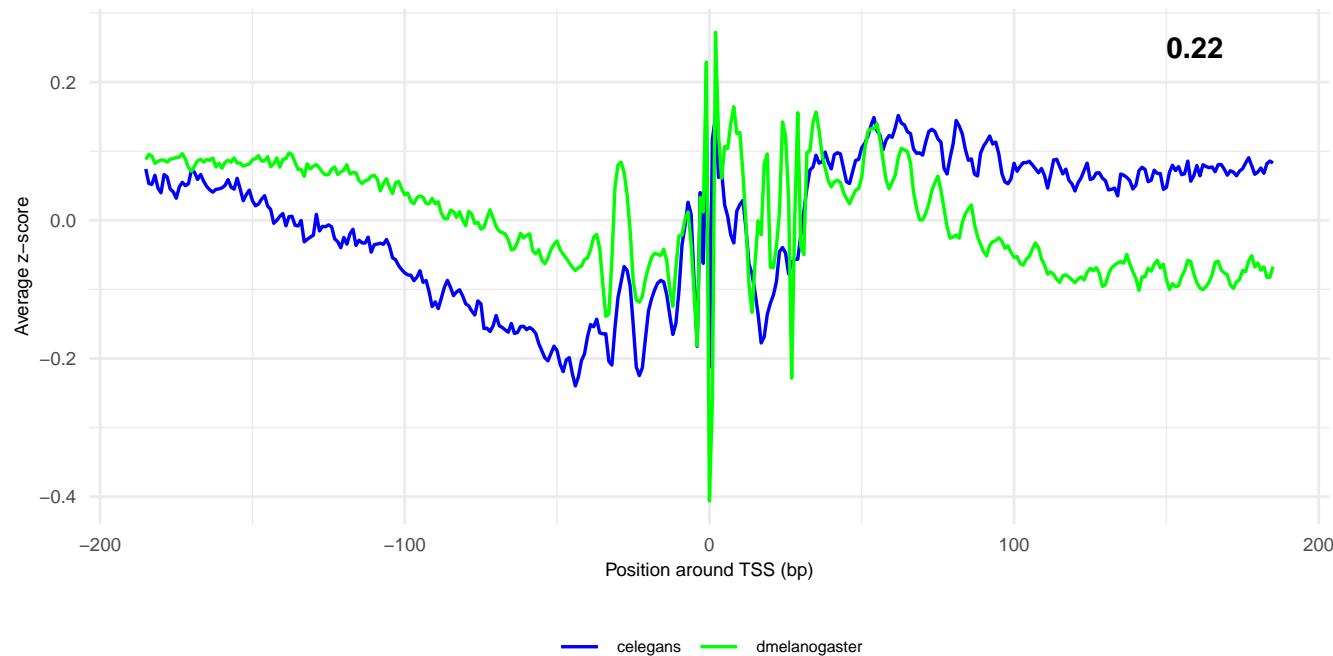

Comparison of Slide between athaliana and scerevisiae

Comparison of Slide between celegans and hsapiens

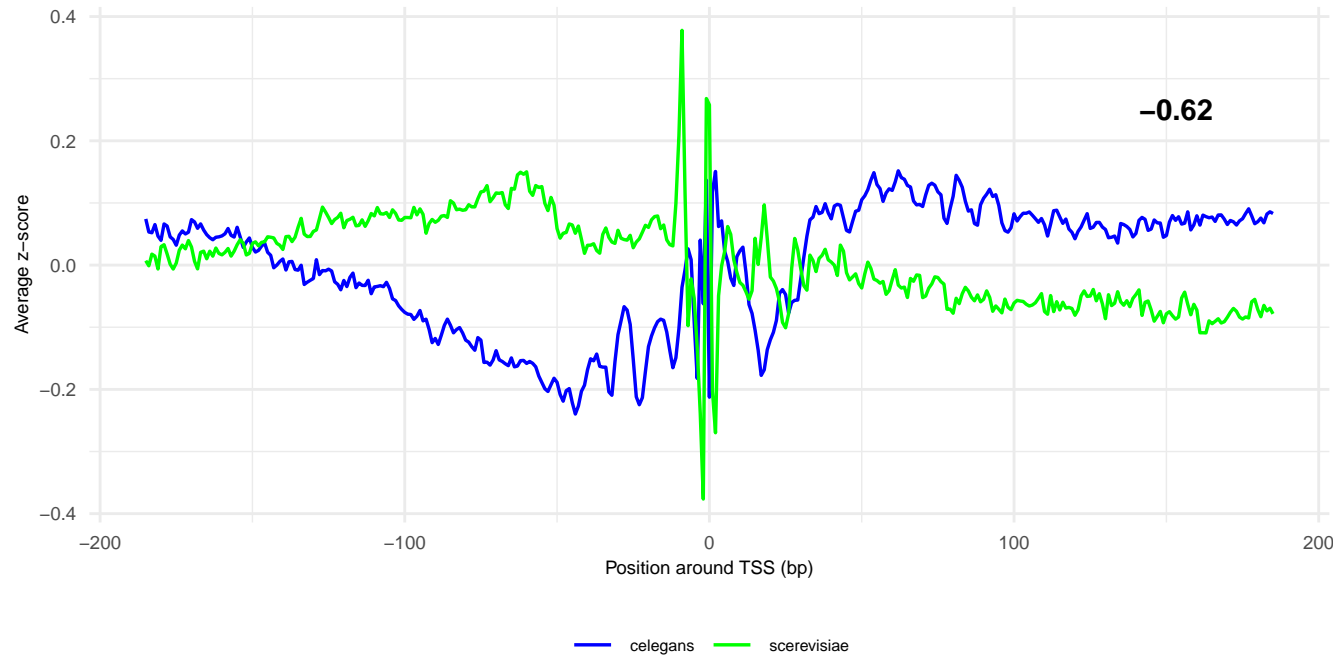

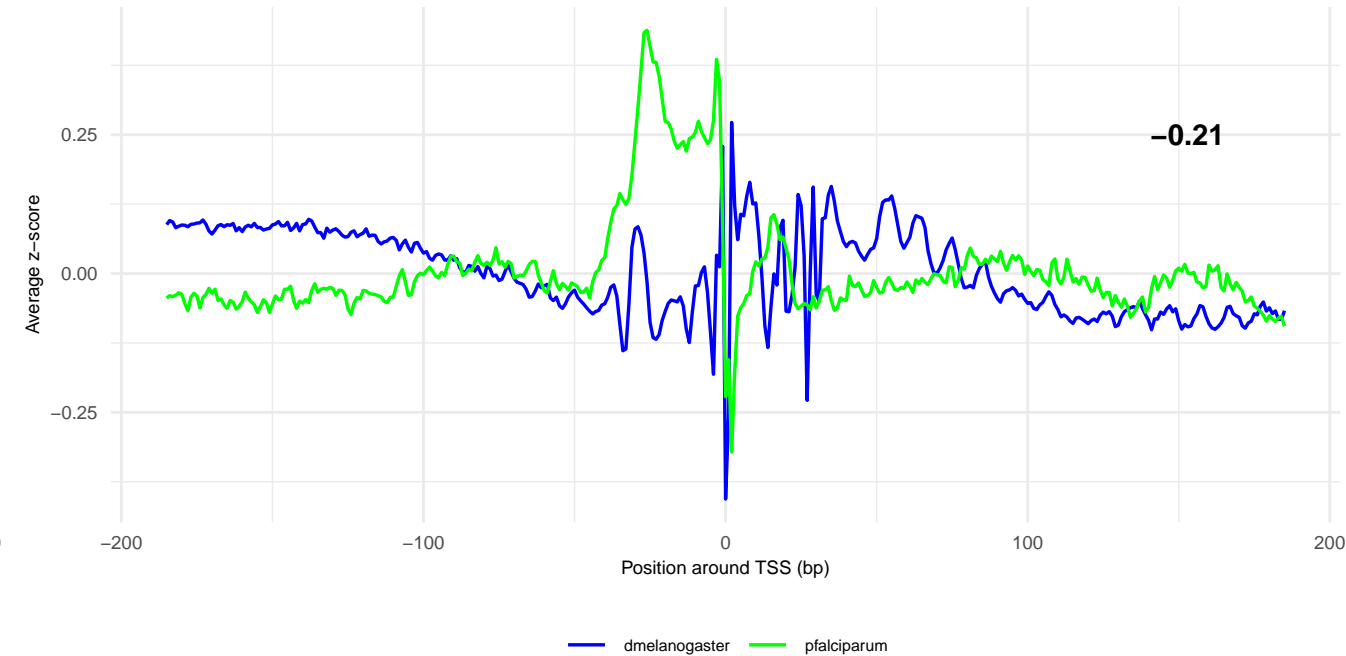

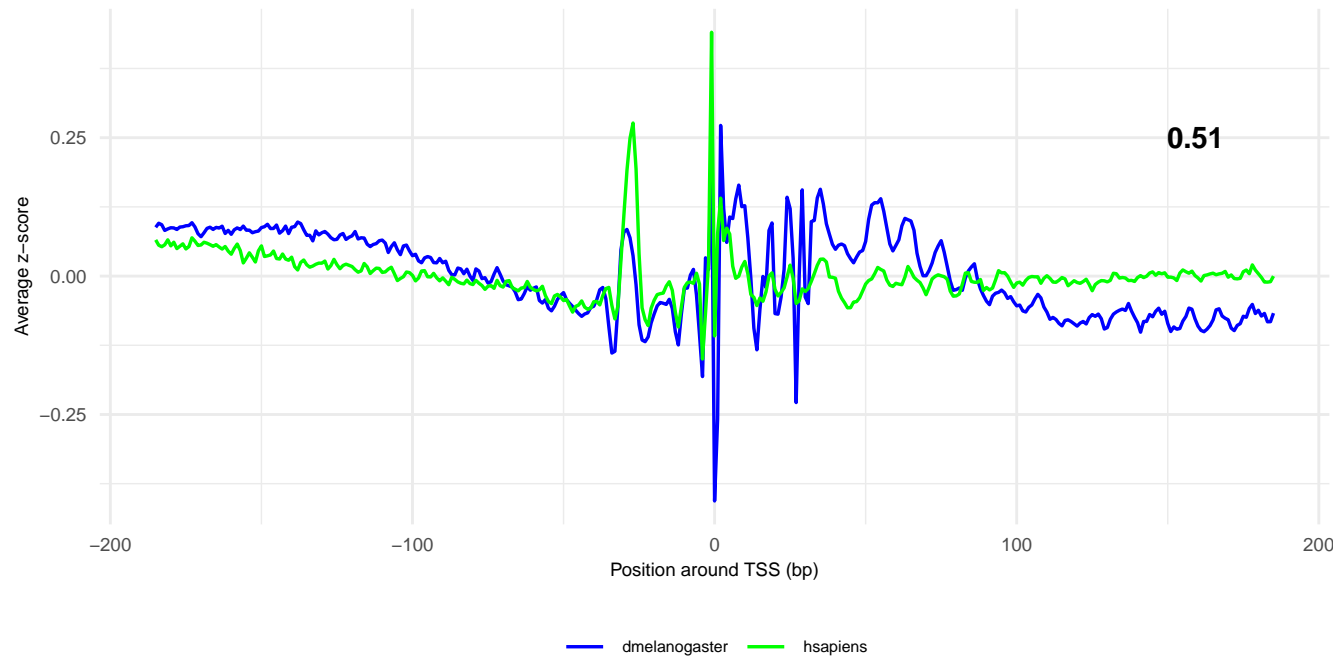

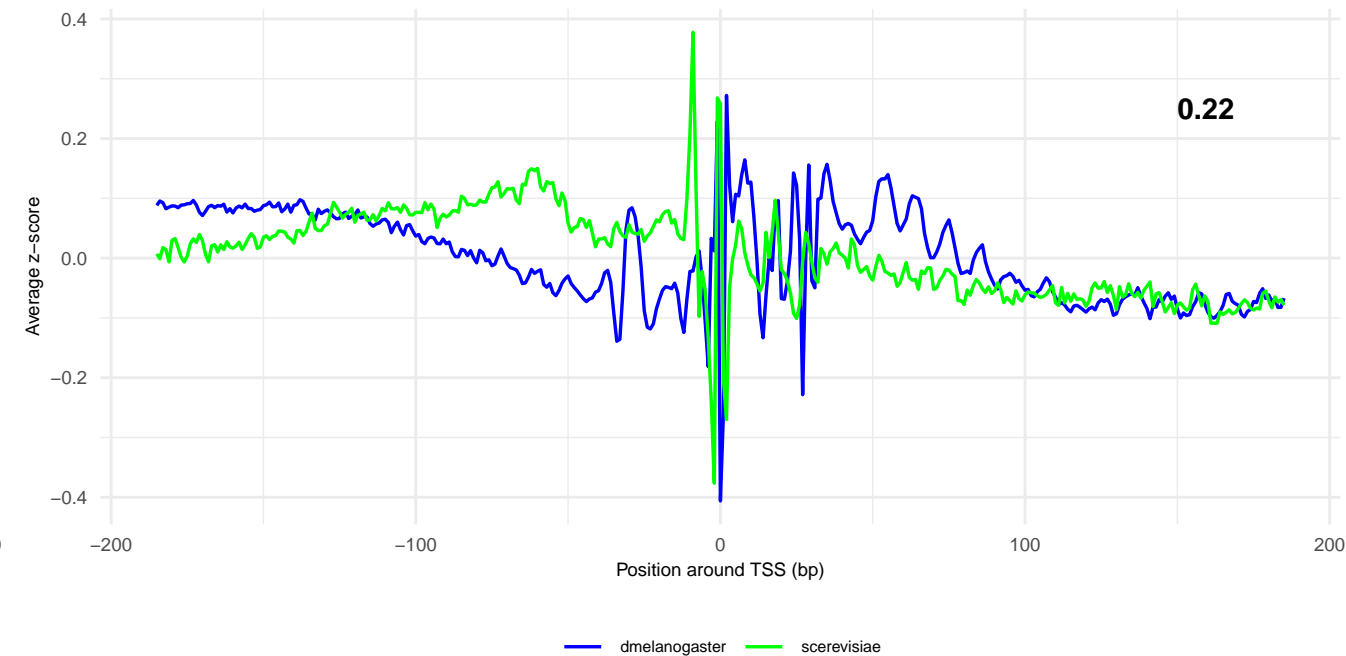

Comparison of Slide between celegans and dmelanogaster

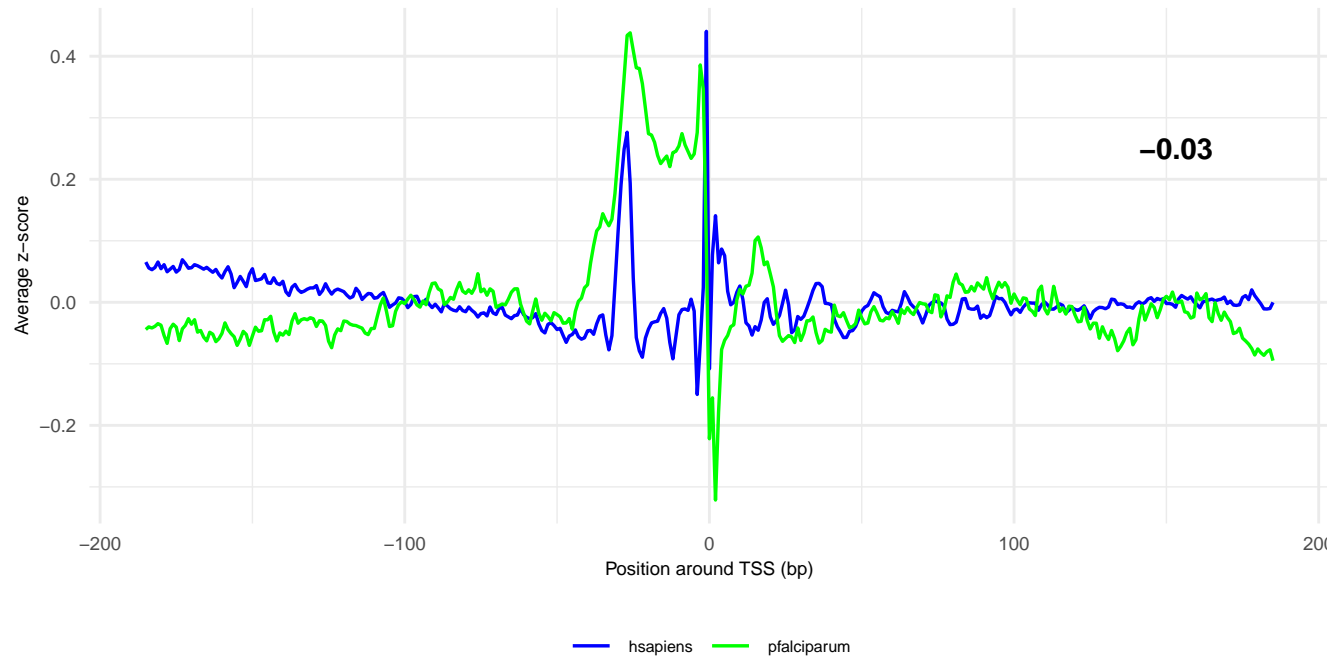

Comparison of Slide between celegans and pfalciparum

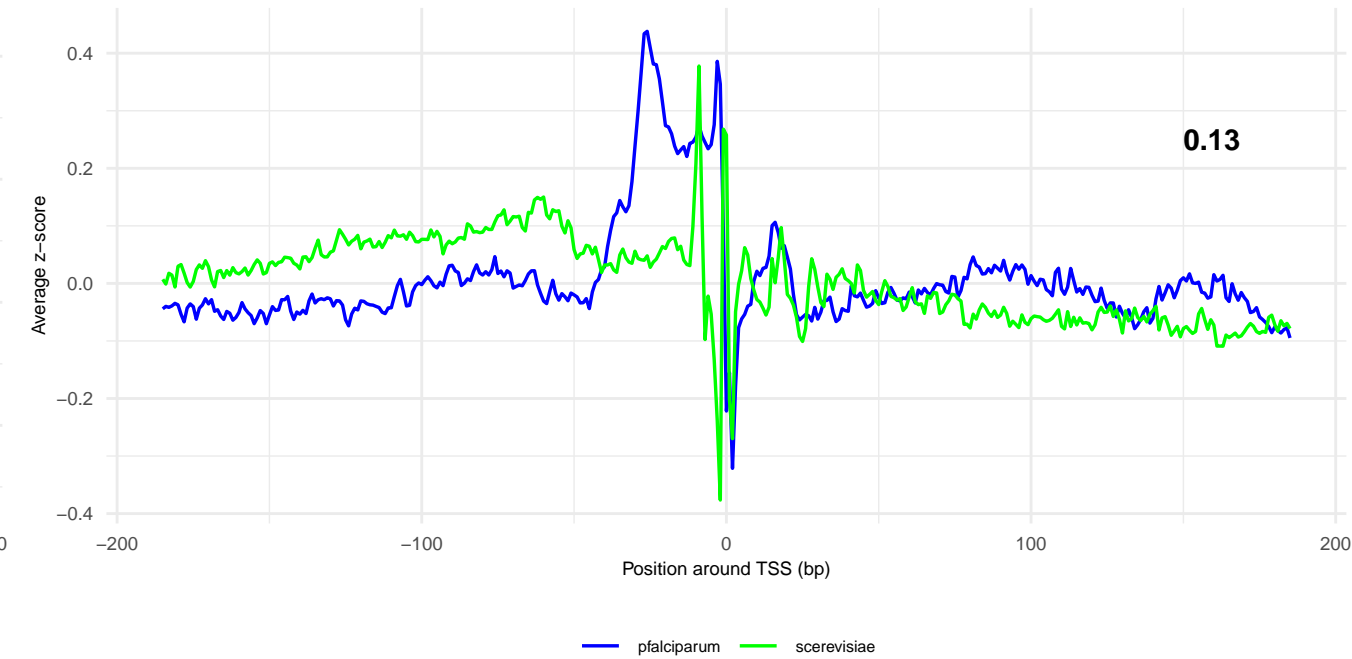

Comparison of Slide between *celegans* and *scerevisiae*Comparison of Slide between *dmelanogaster* and *pfalciparum*Comparison of Slide between *dmelanogaster* and *hsapiens*Comparison of Slide between *dmelanogaster* and *scerevisiae*

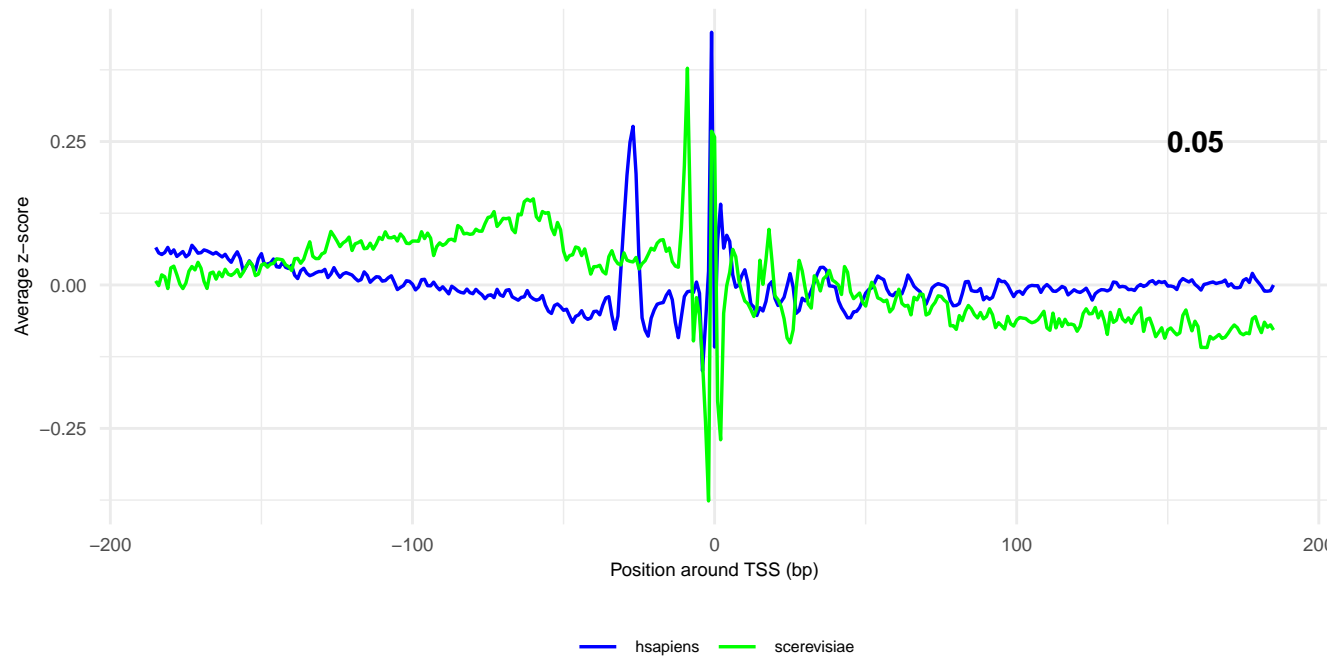

Comparison of Slide between hsapiens and pfalciparum

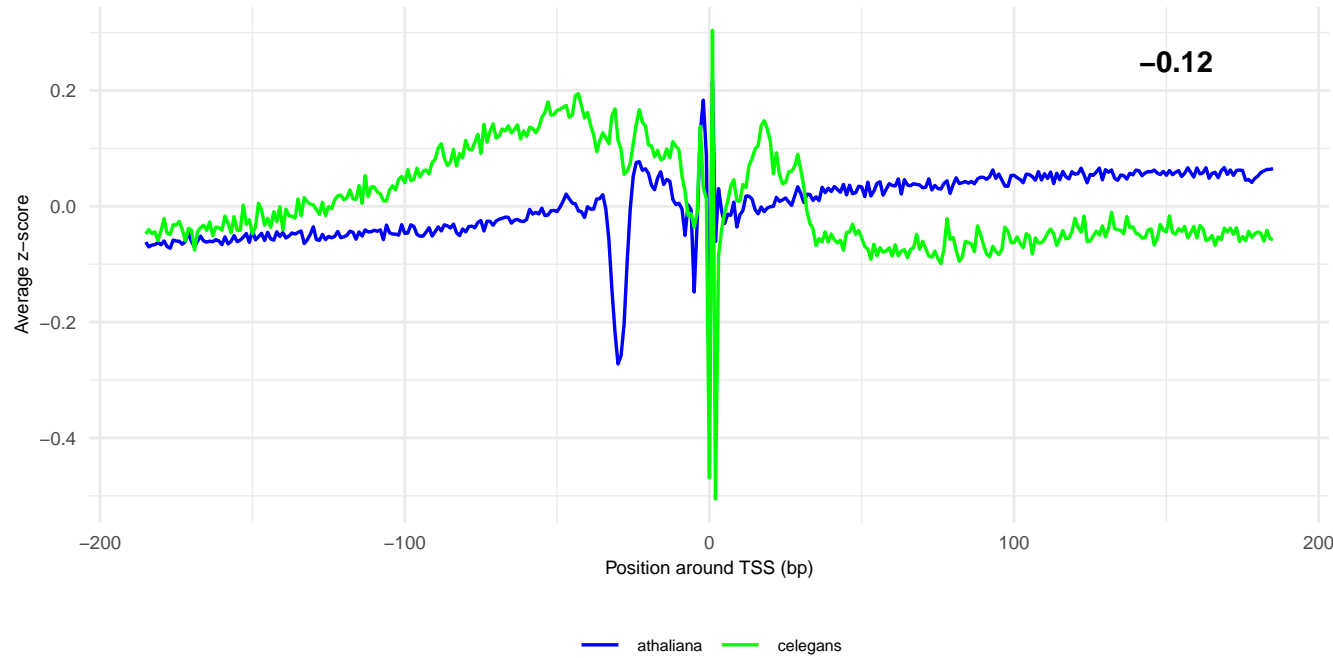

Comparison of Slide between pfalciparum and scerevisiae

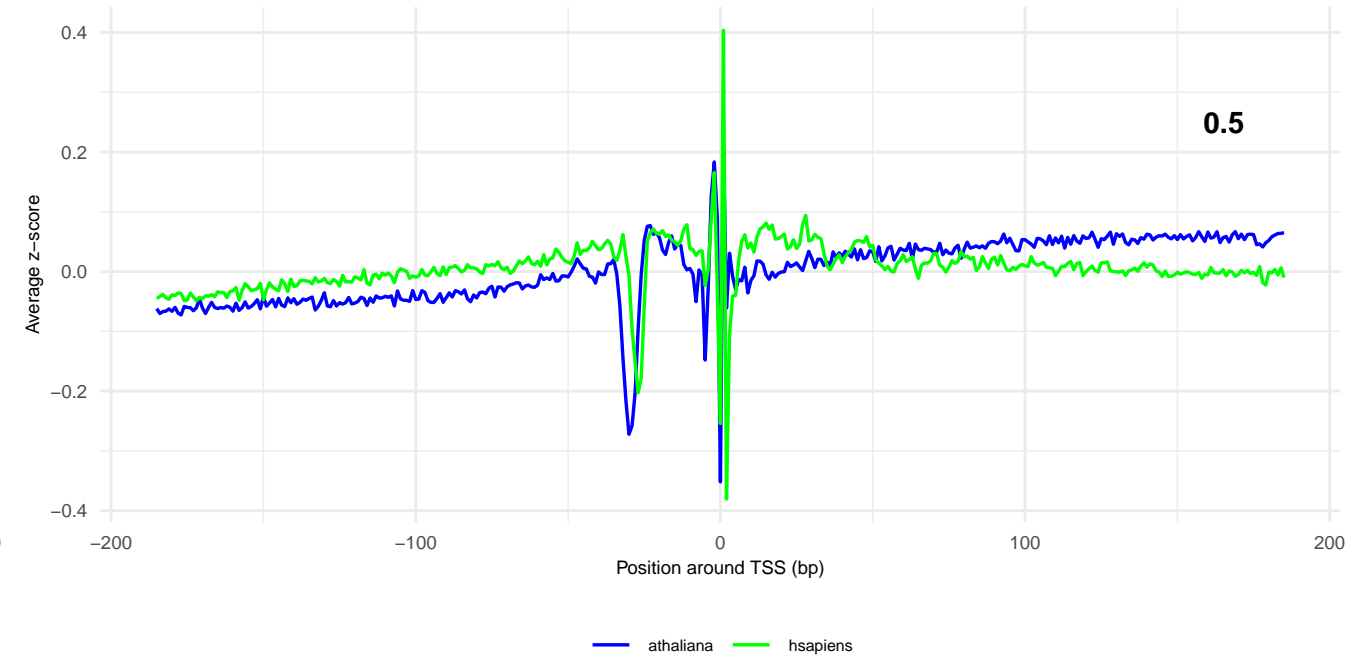

Comparison of Slide between hsapiens and scerevisiae

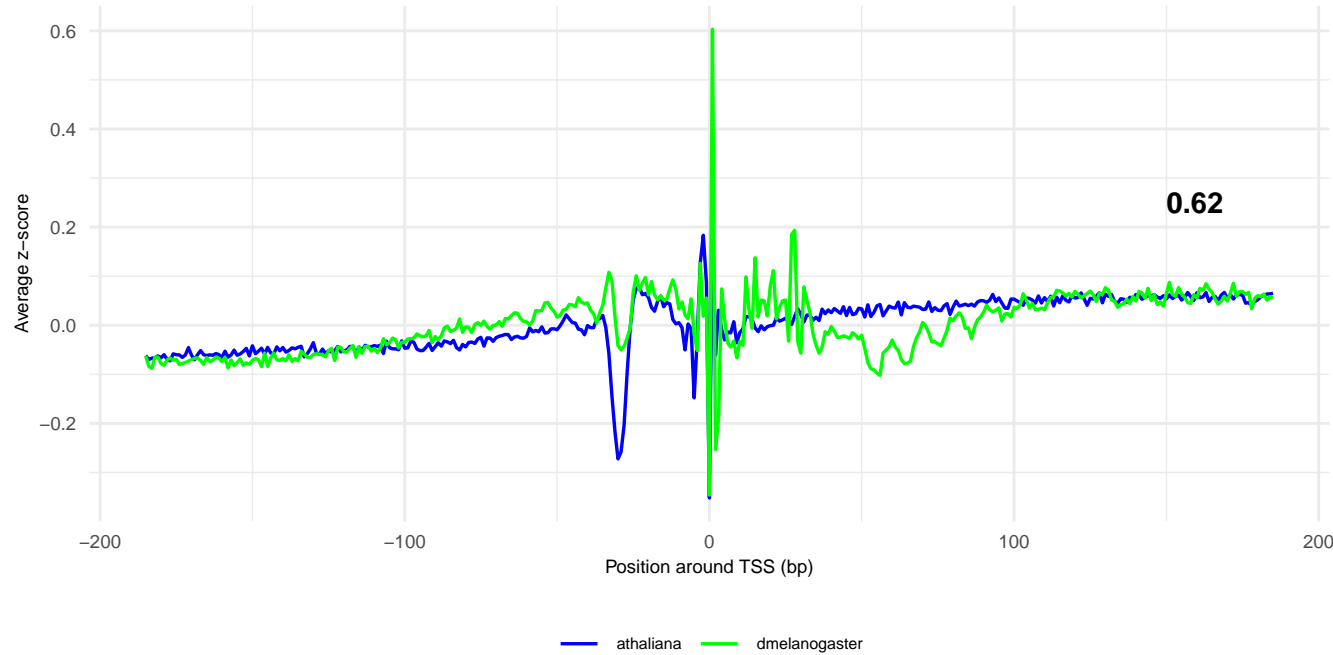

Comparison of Stagger between athaliana and celegans

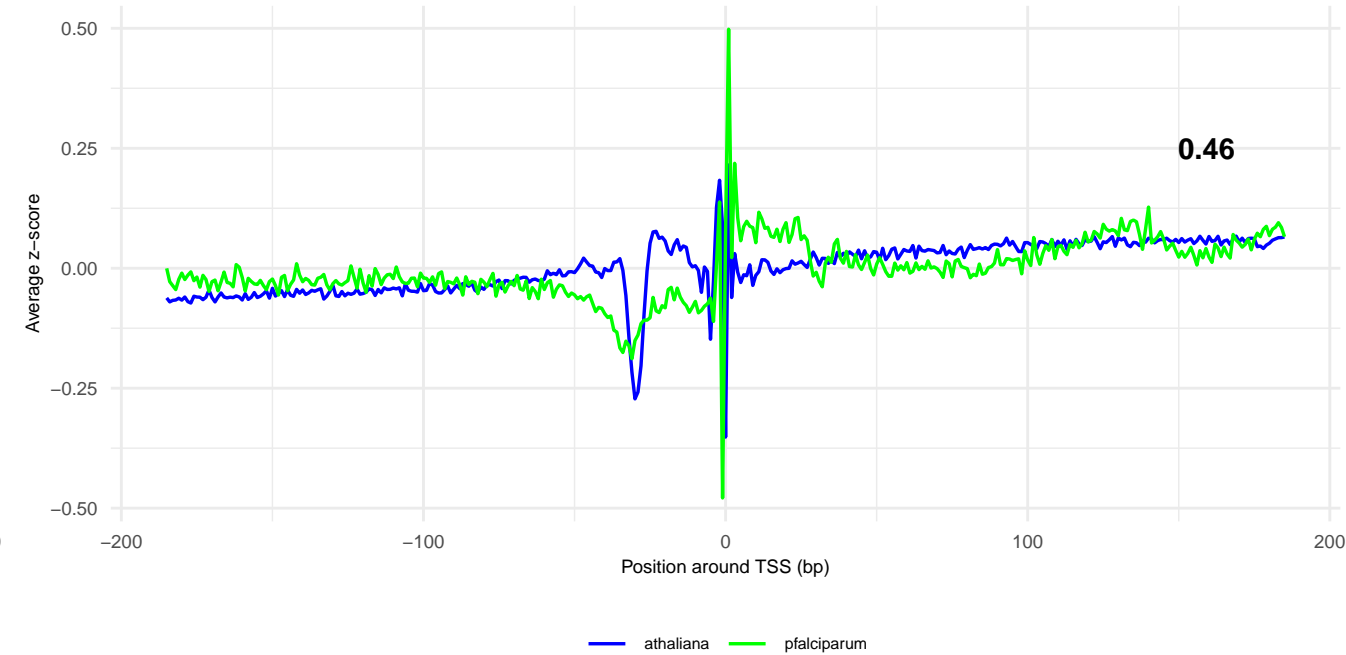

Comparison of Stagger between athaliana and hsapiens

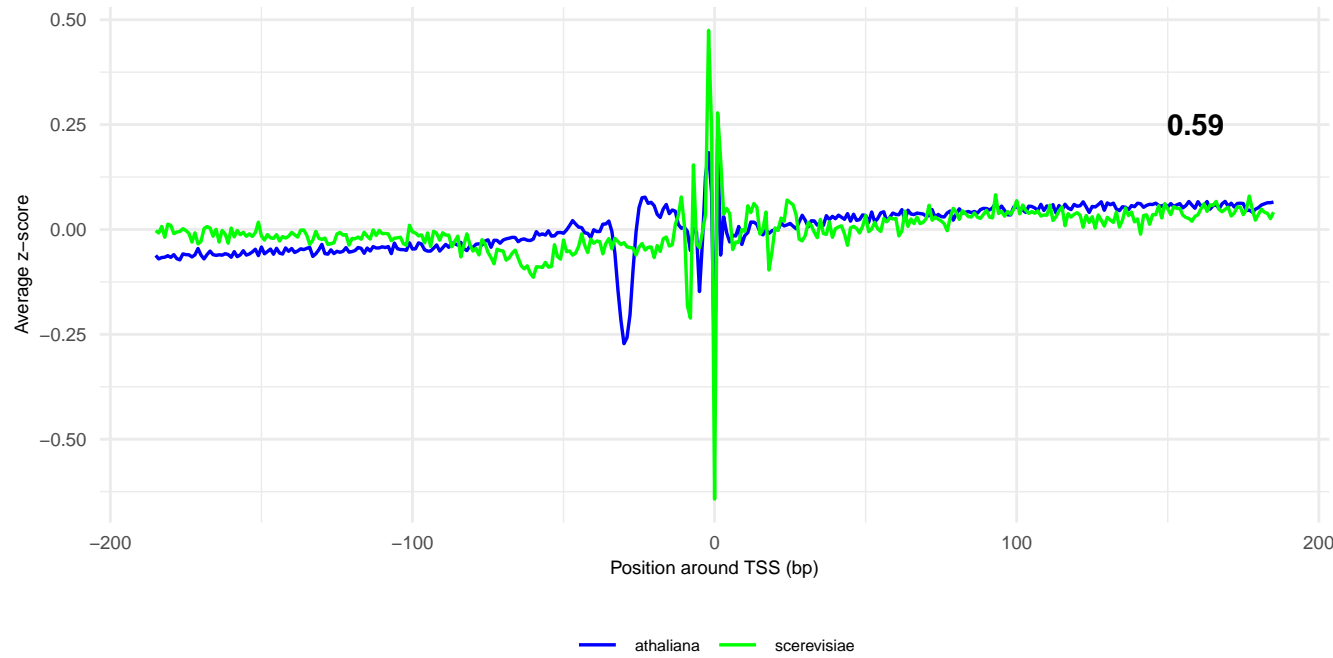

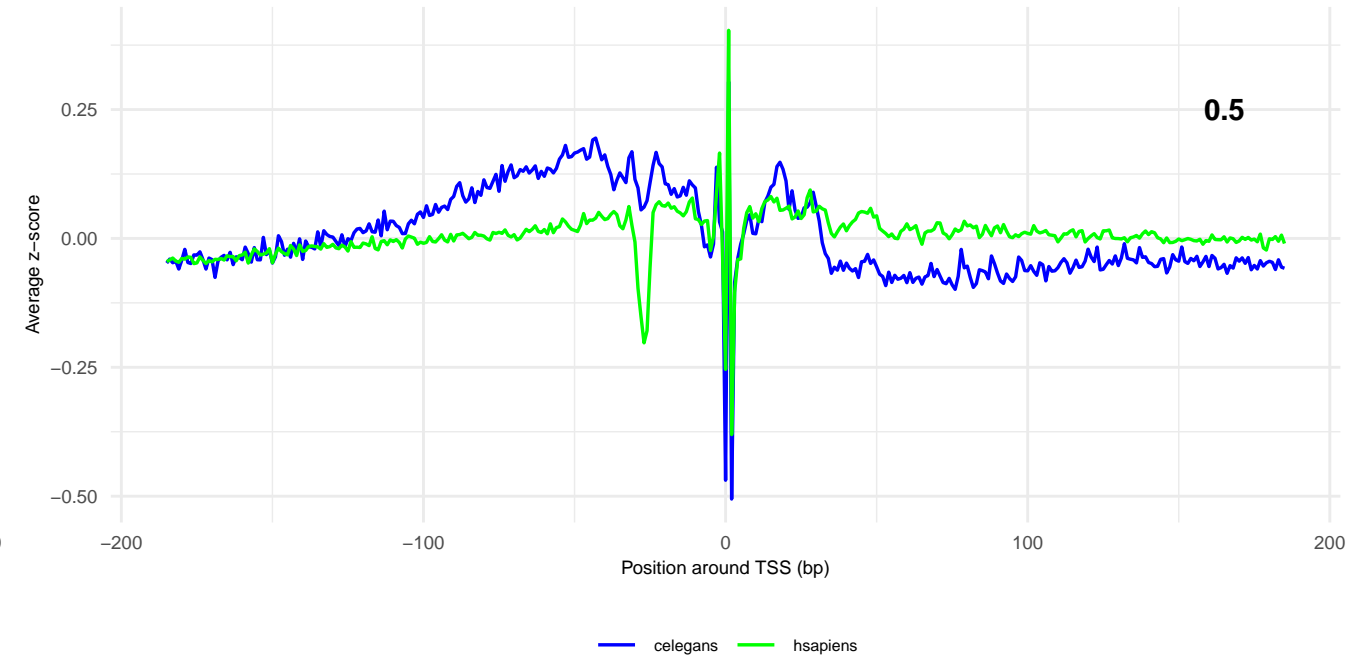

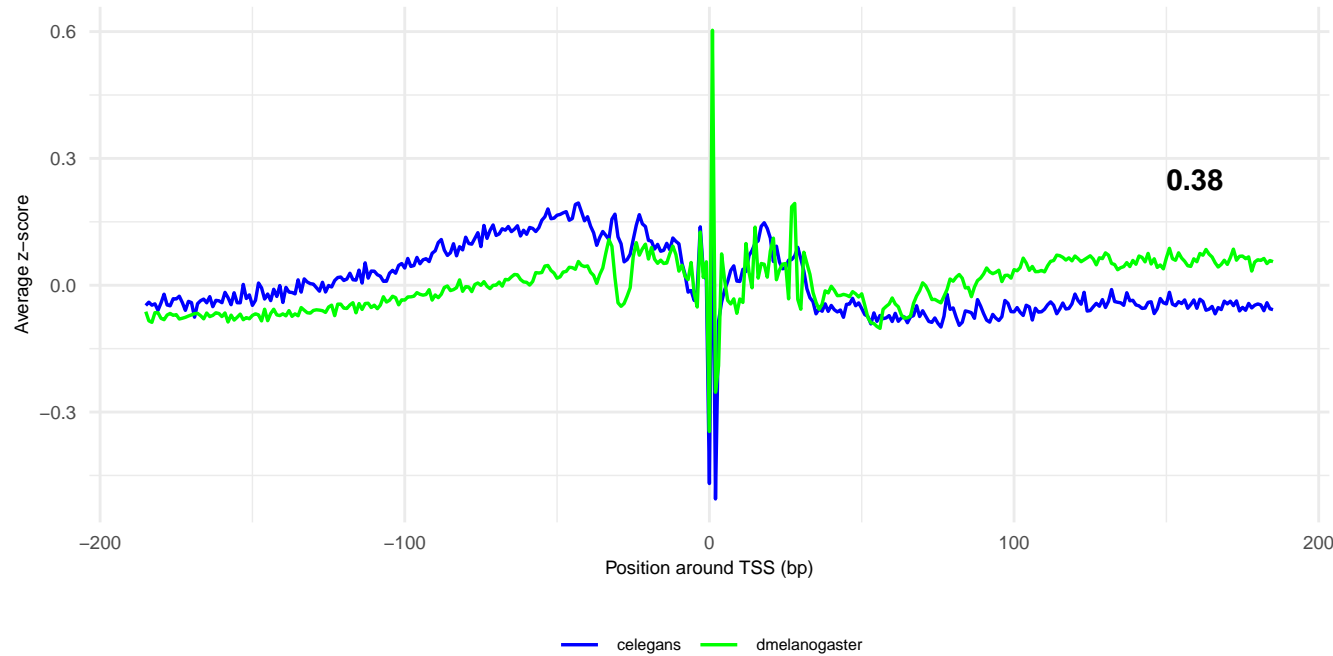

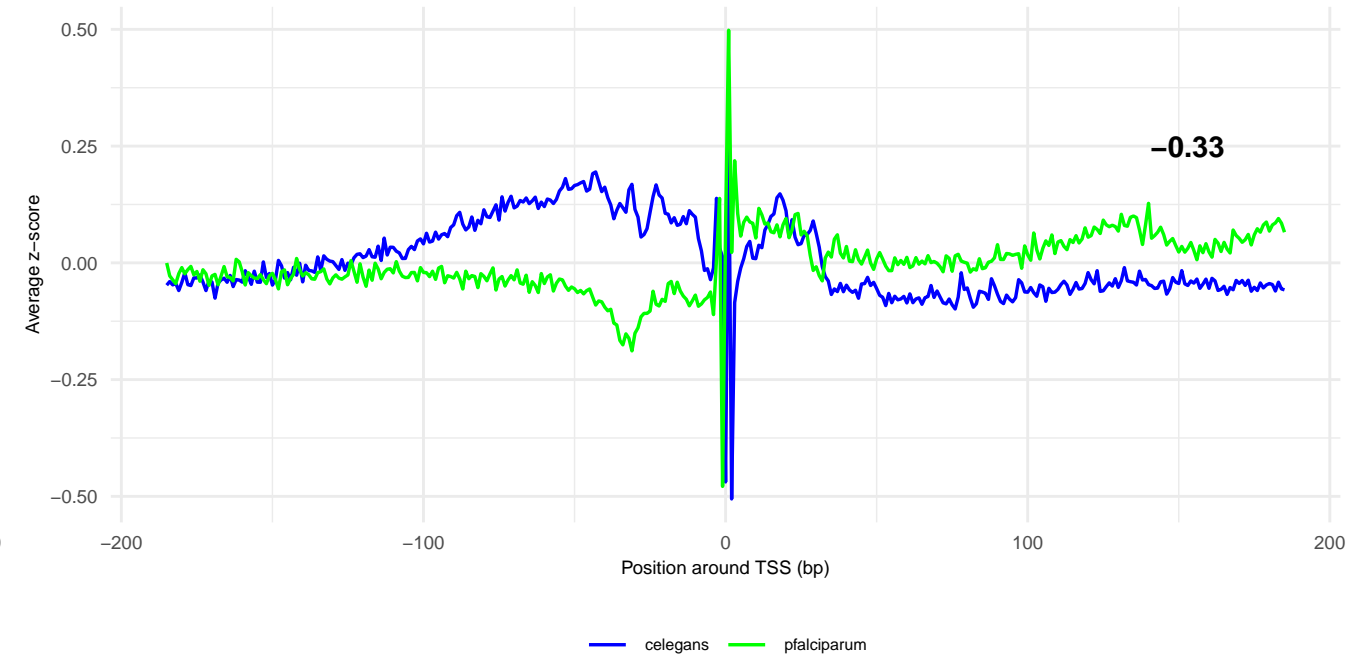

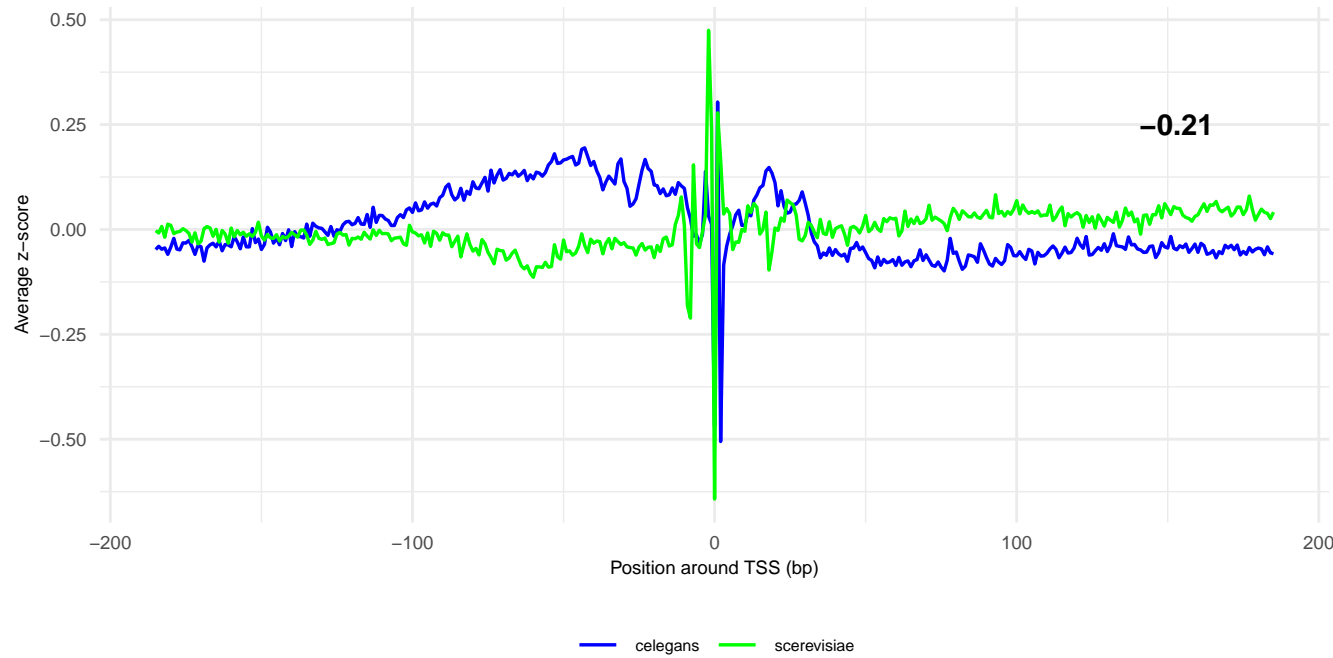

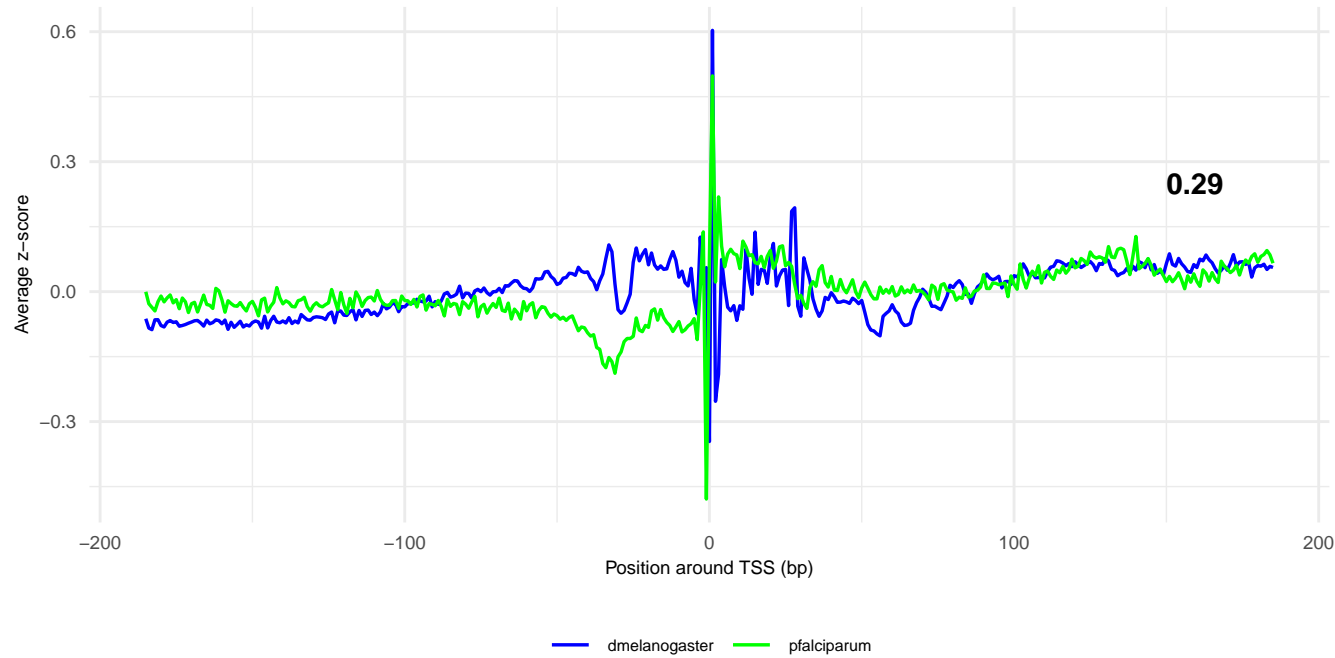

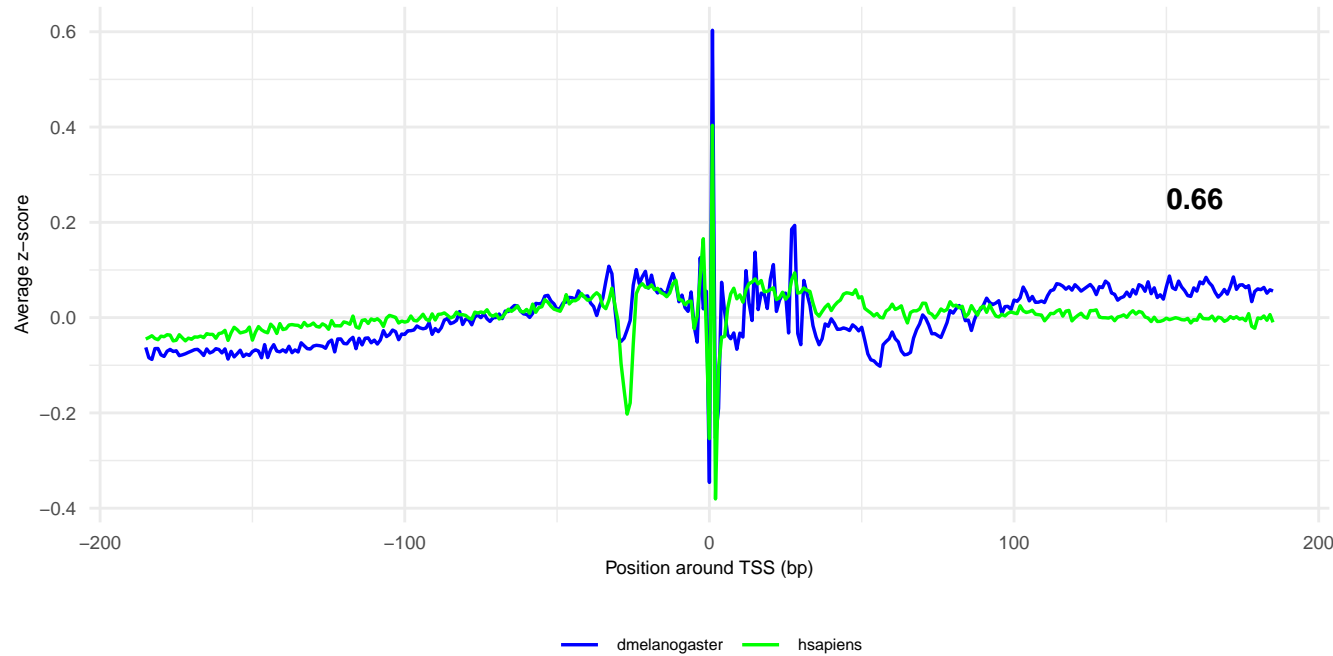

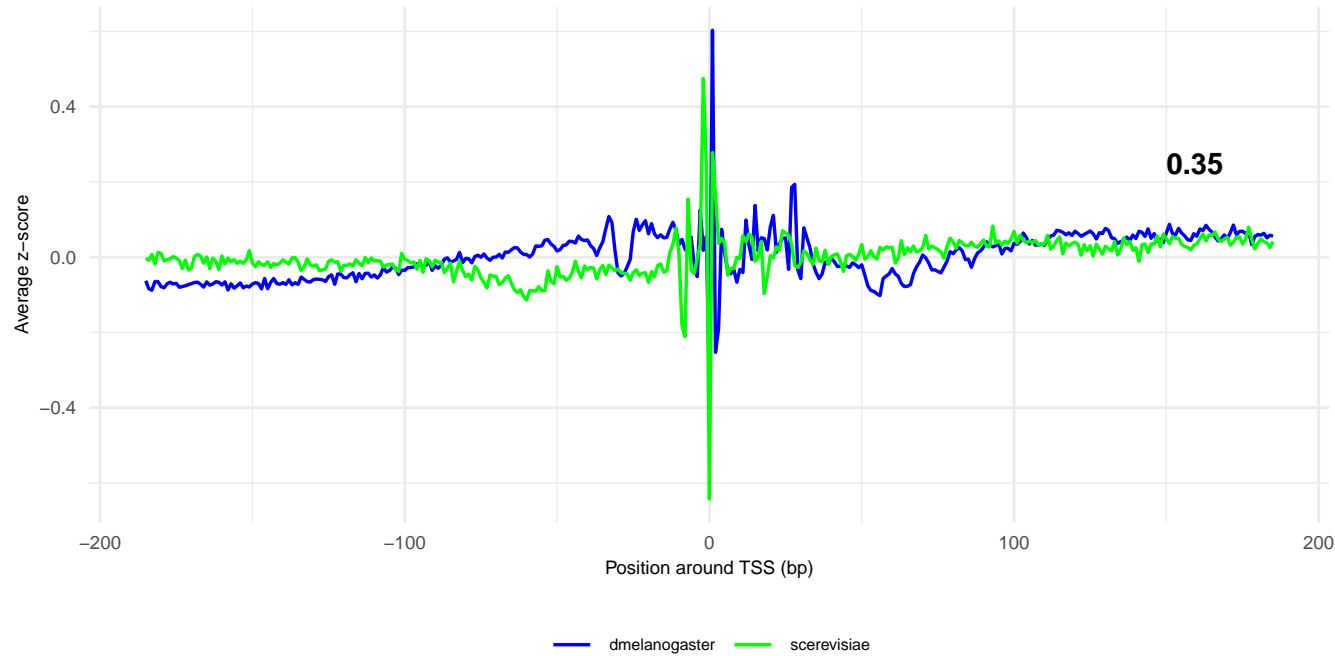

Comparison of Stagger between athaliana and dmelanogaster

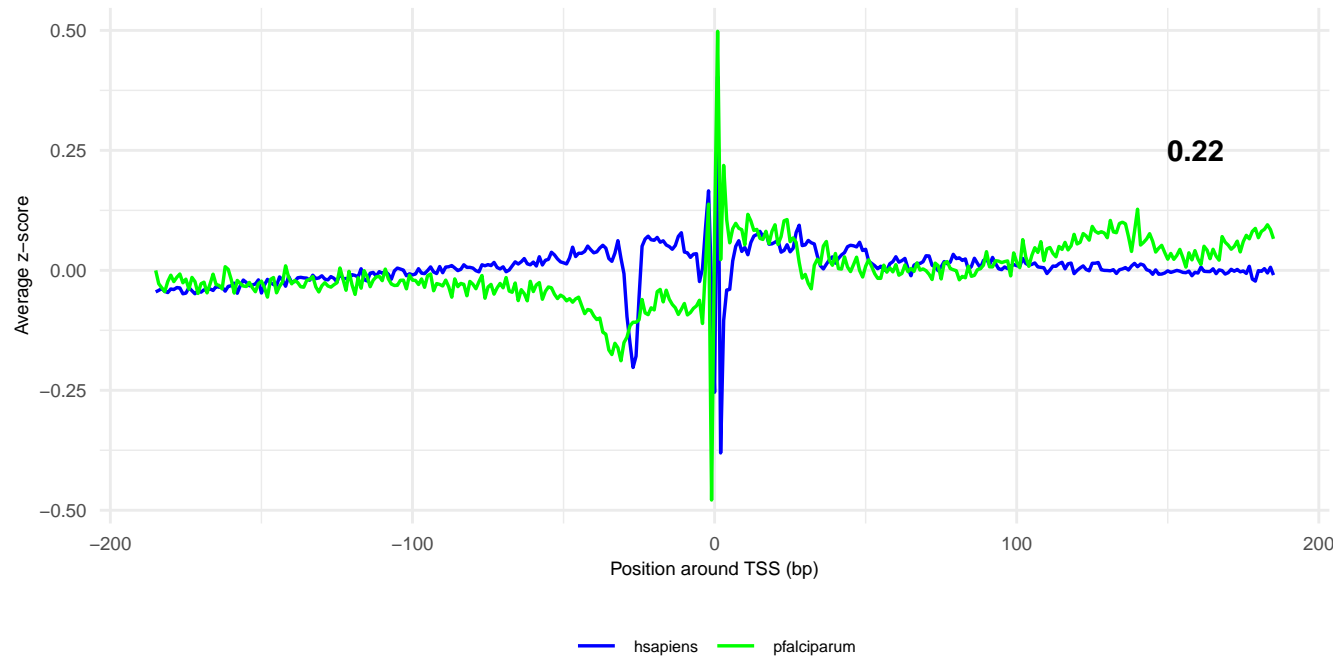

Comparison of Stagger between athaliana and pfalciparum

Comparison of Stagger between *athaliana* and *scerevisiae*Comparison of Stagger between *celegans* and *hsapiens*Comparison of Stagger between *celegans* and *dmelanogaster*Comparison of Stagger between *celegans* and *pfalciparum*

Comparison of Stagger between *celegans* and *scerevisiae*Comparison of Stagger between *dmelanogaster* and *pfalciparum*Comparison of Stagger between *dmelanogaster* and *hsapiens*Comparison of Stagger between *dmelanogaster* and *scerevisiae*

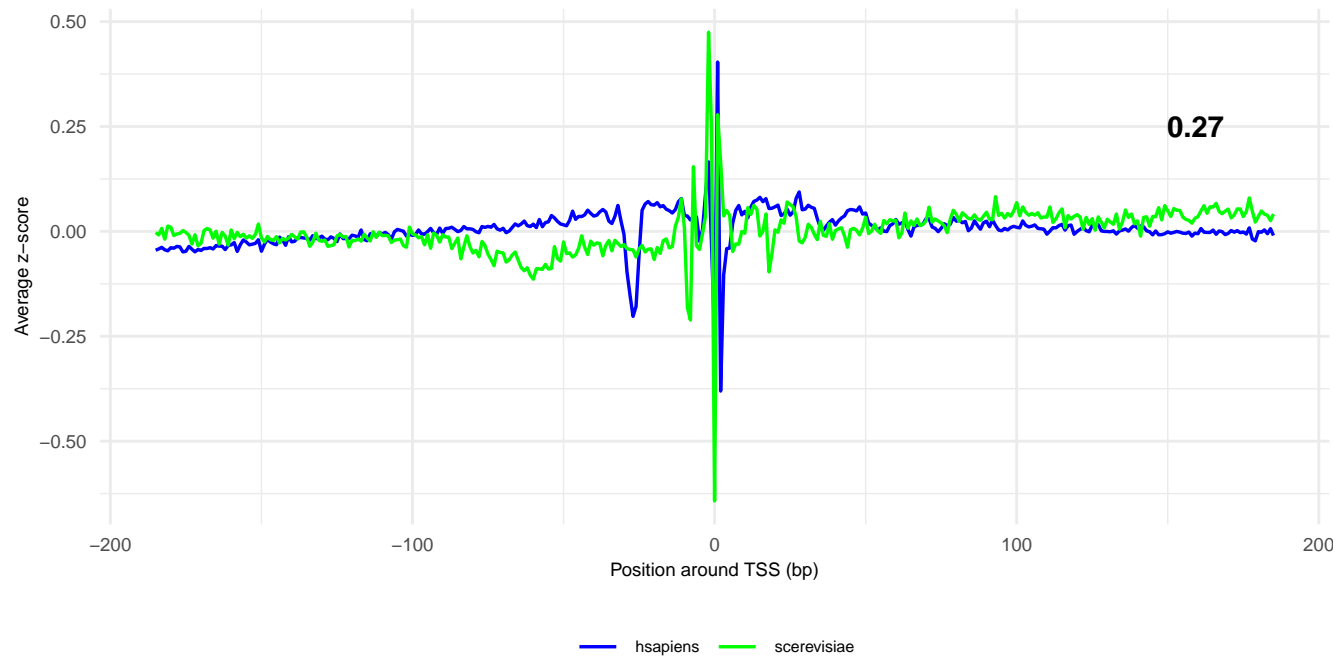

Comparison of Stagger between hsapiens and pfalciparum

Comparison of Stagger between pfalciparum and scerevisiae

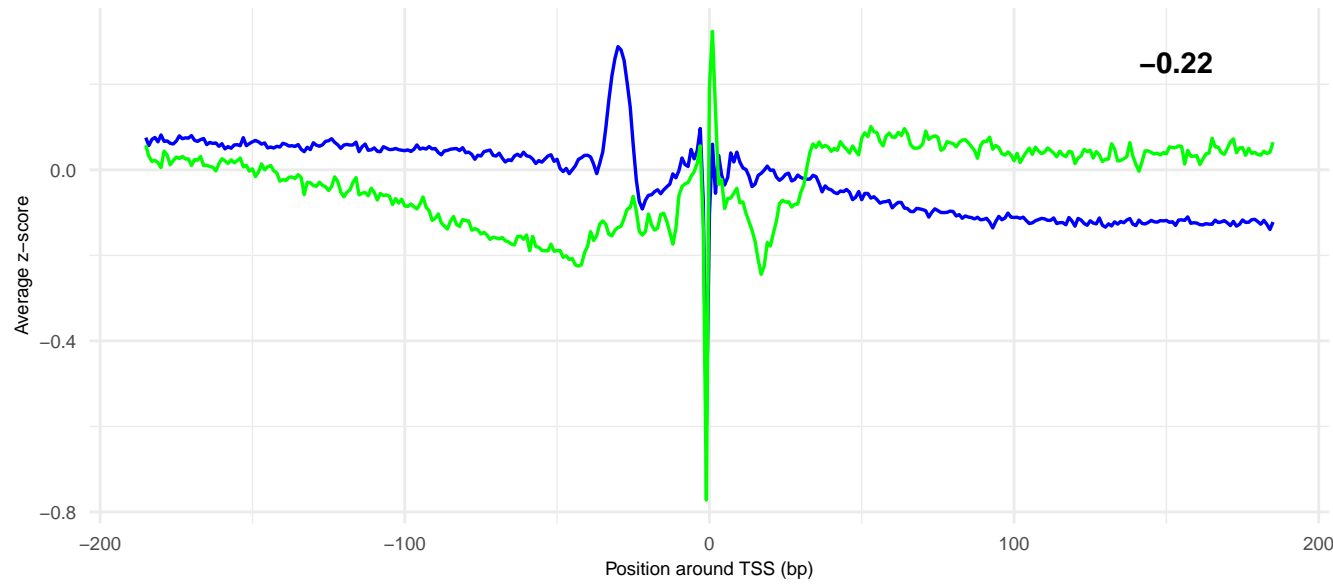

Comparison of Stagger between hsapiens and scerevisiae

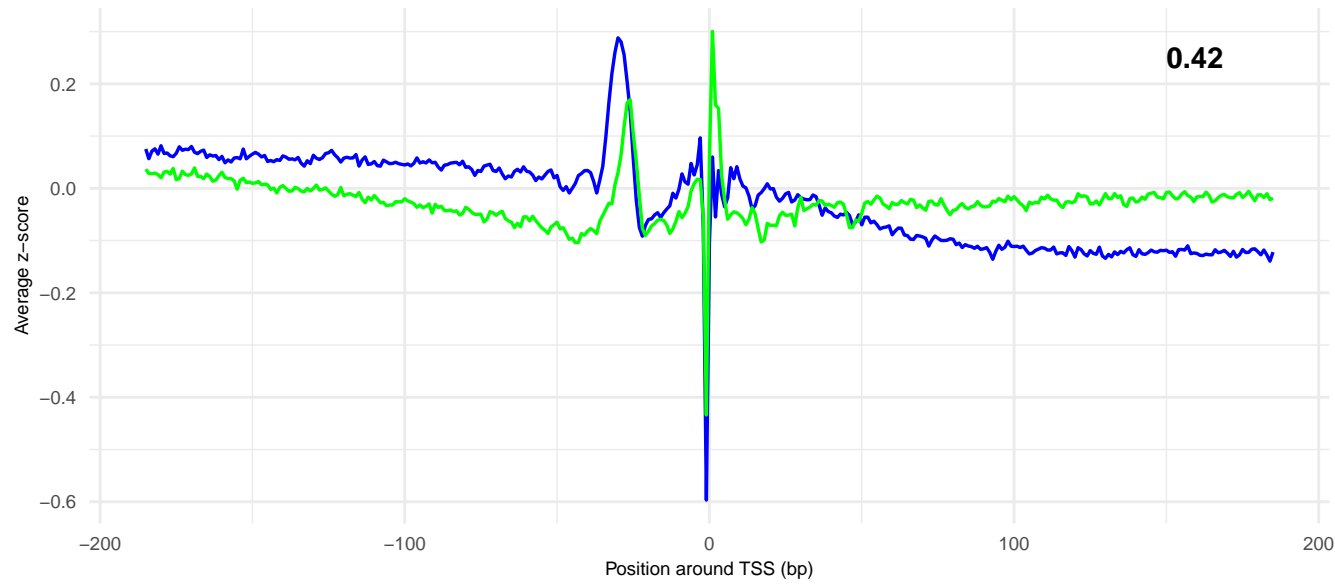

Property: Stretch

Comparison of Stretch between athaliana and celegans

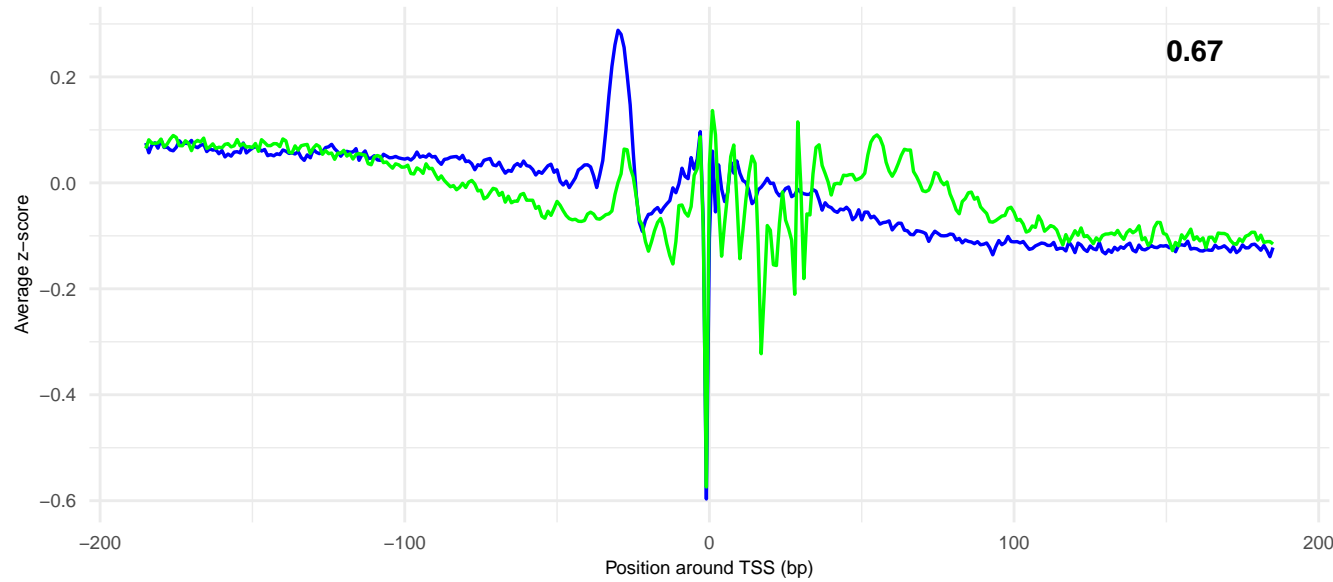

athaliana celegans

Comparison of Stretch between athaliana and hsapiens

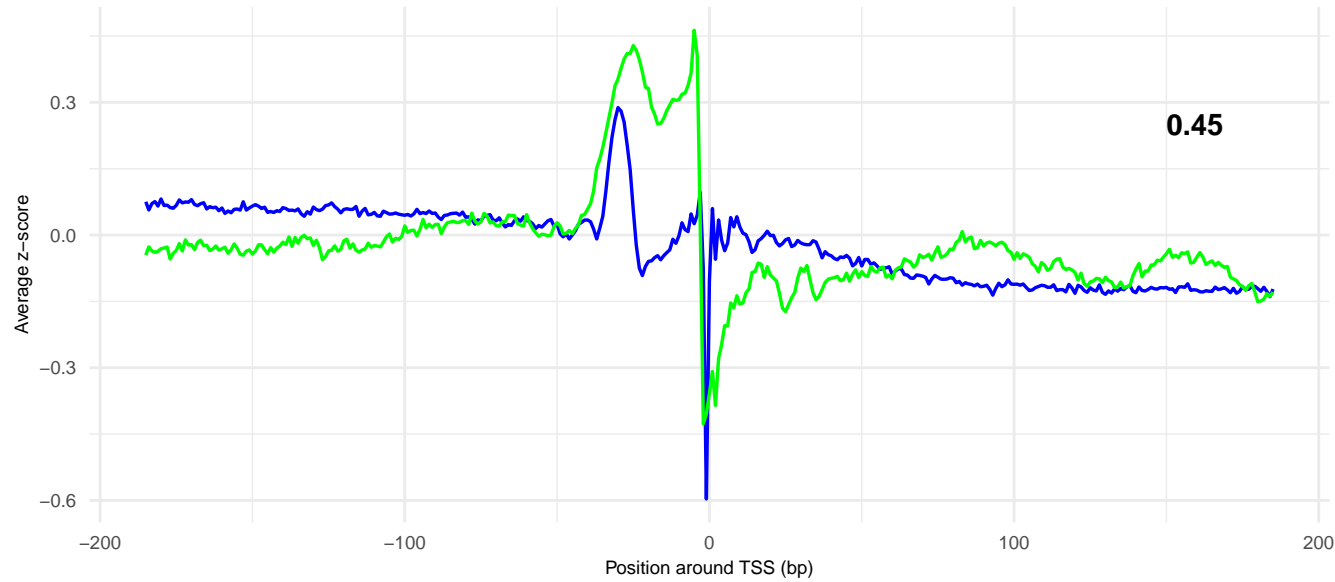

athaliana hsapiens

Comparison of Stretch between athaliana and dmelanogaster

athaliana dmelanogaster

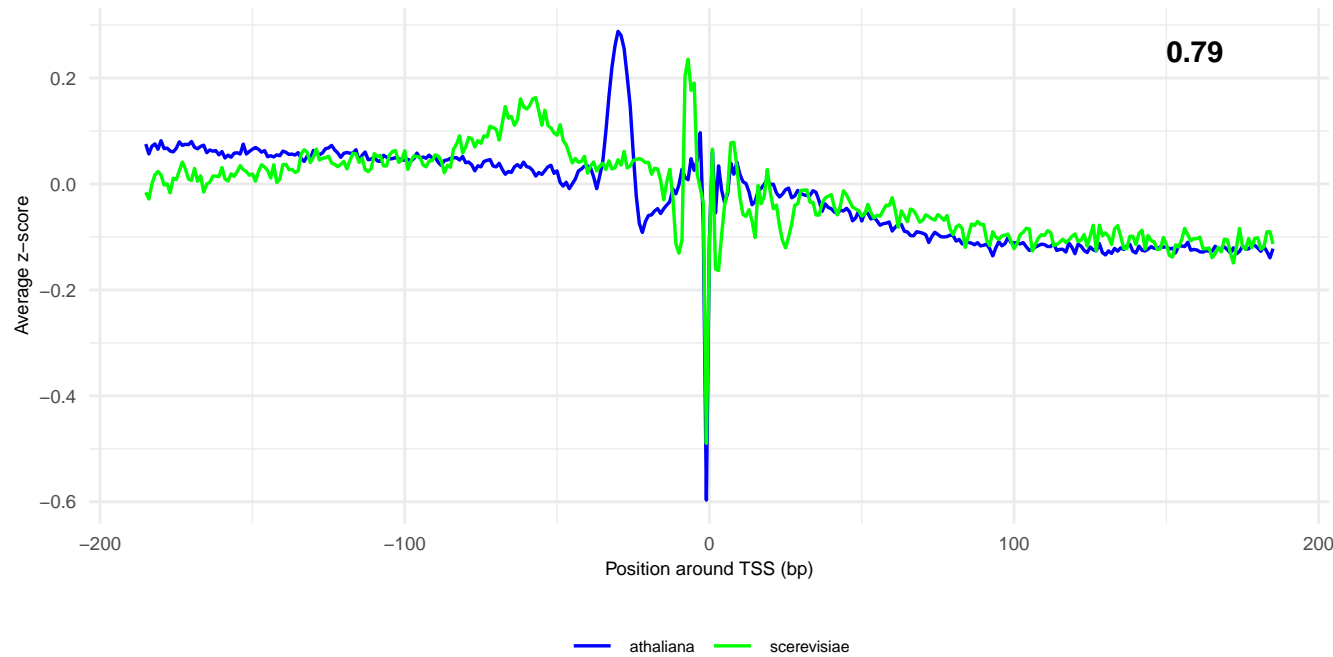

Comparison of Stretch between athaliana and pfalciparum

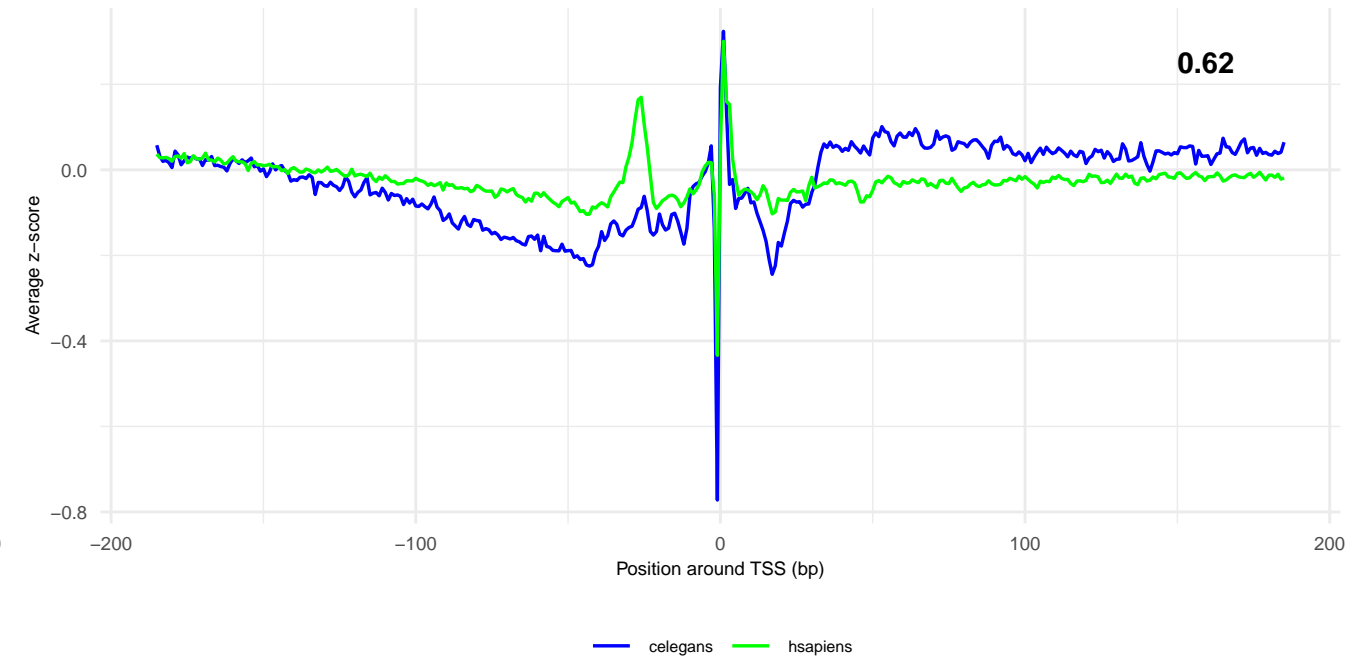

athaliana pfalciparum

Property: Stretch

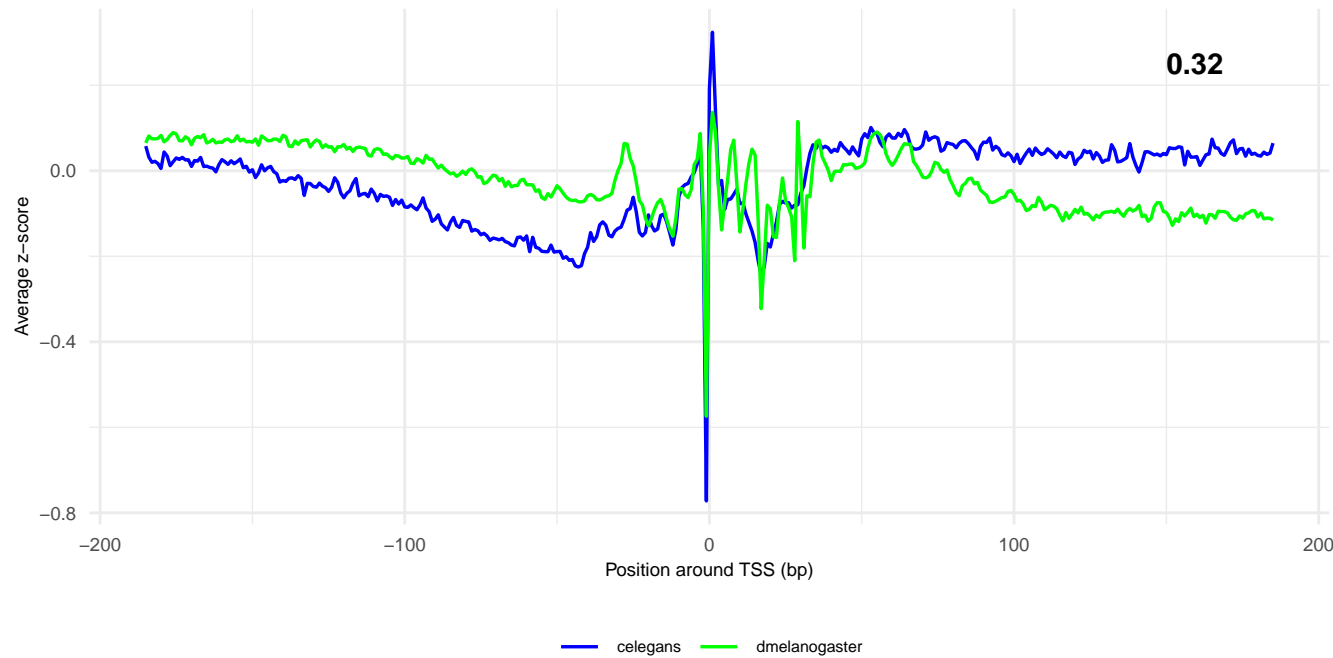

Comparison of Stretch between athaliana and scerevisiae

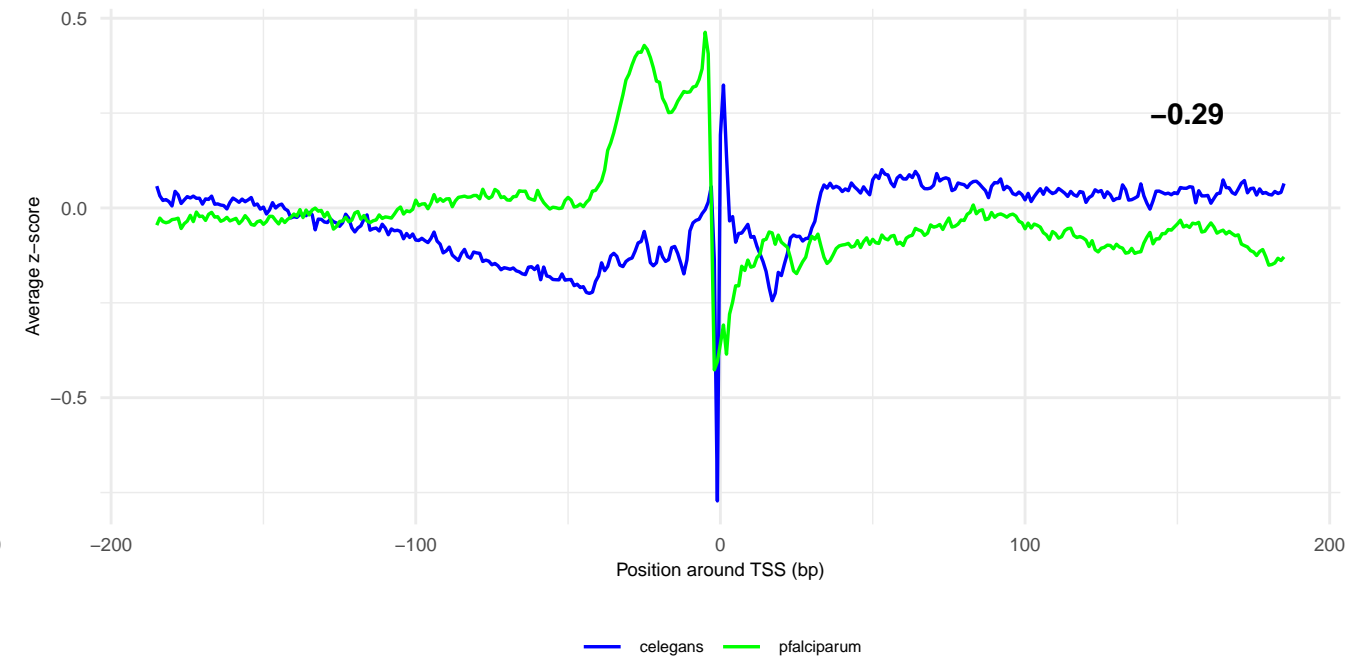

Comparison of Stretch between celegans and hsapiens

Comparison of Stretch between celegans and dmelanogaster

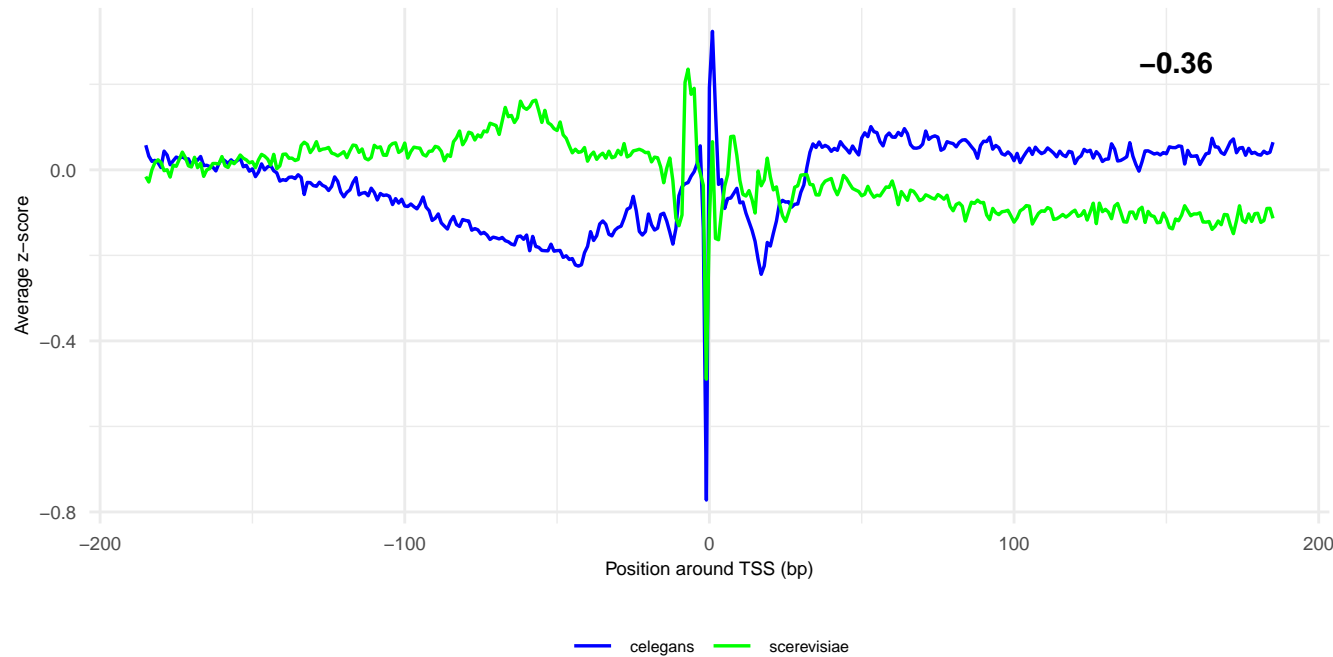

Comparison of Stretch between celegans and pfalciparum

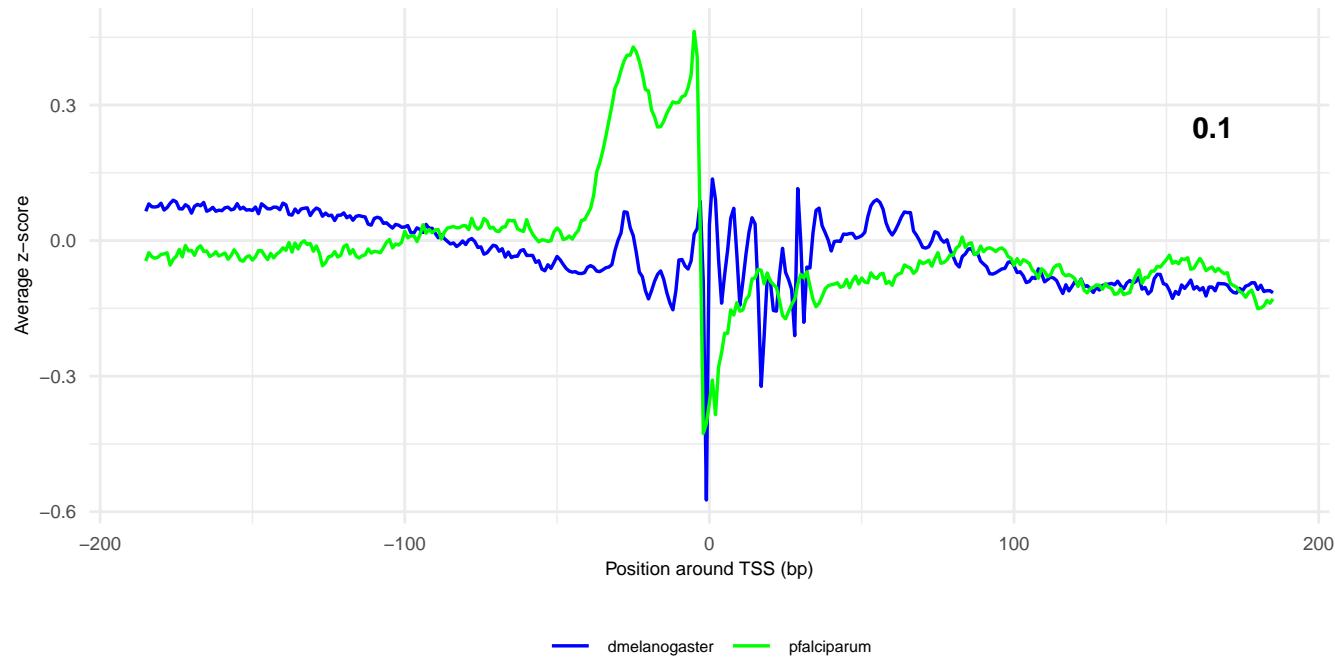

Property: Stretch

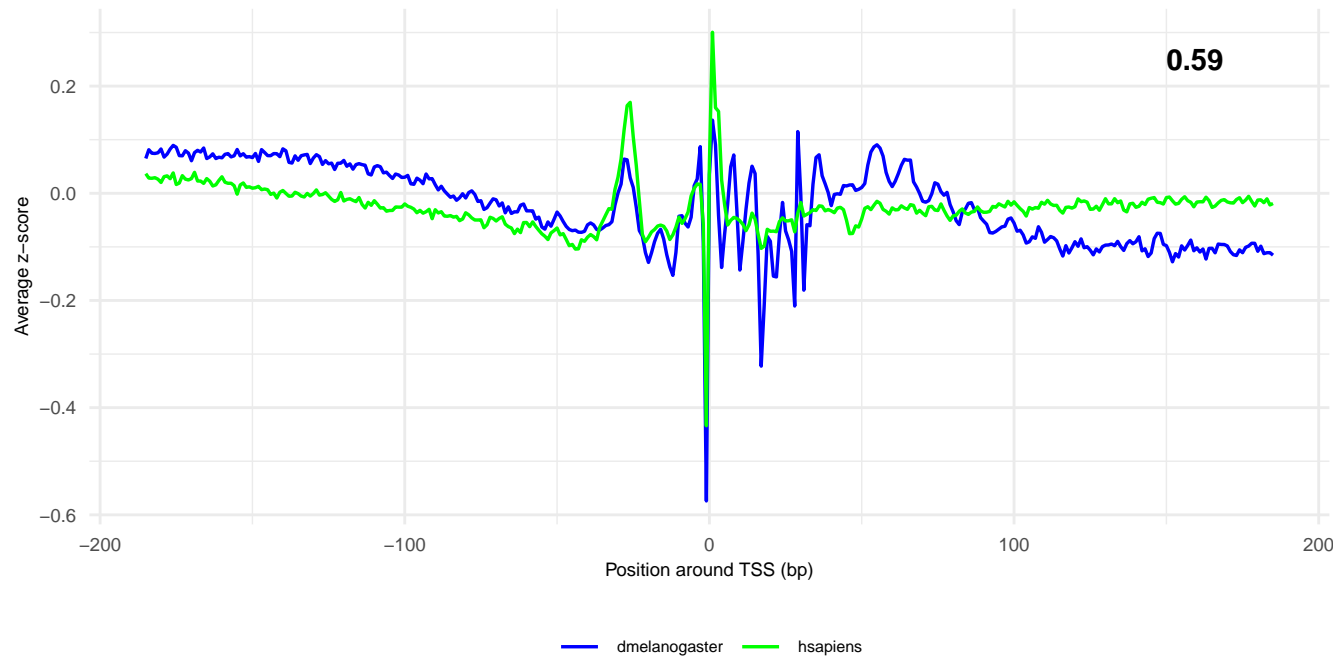

Comparison of Stretch between celegans and scerevisiae

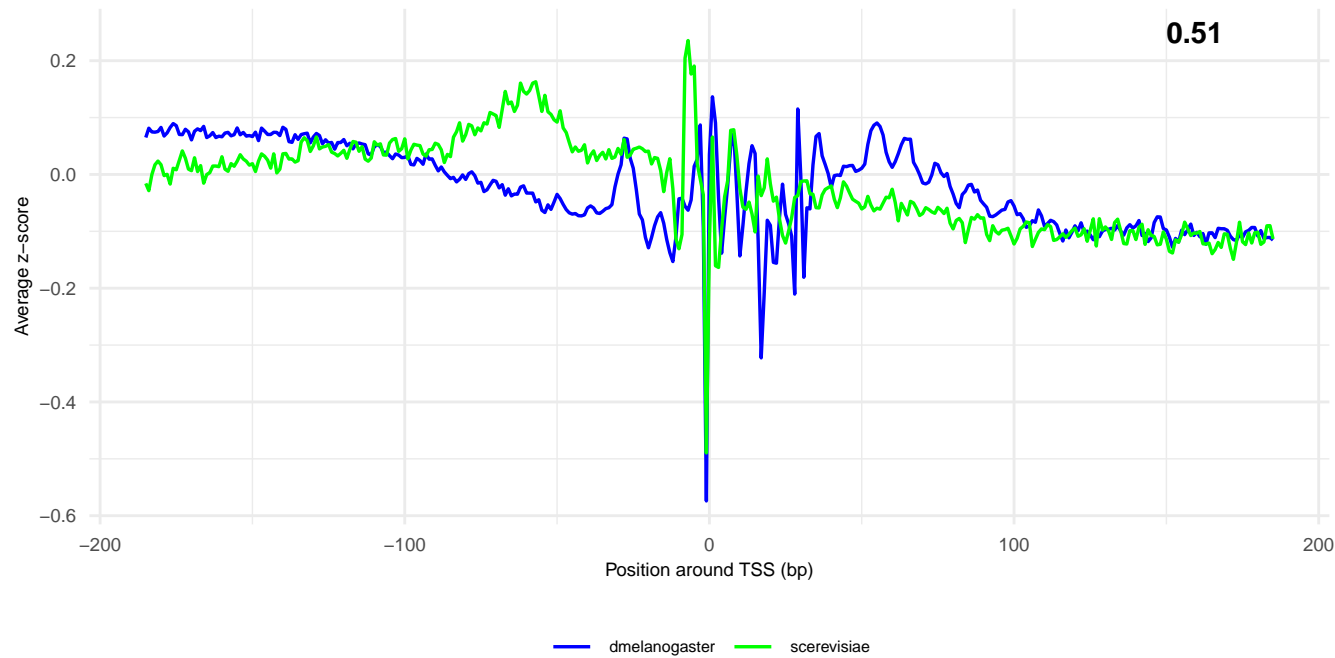

Comparison of Stretch between dmelanogaster and pfalciparum

Comparison of Stretch between dmelanogaster and hsapiens

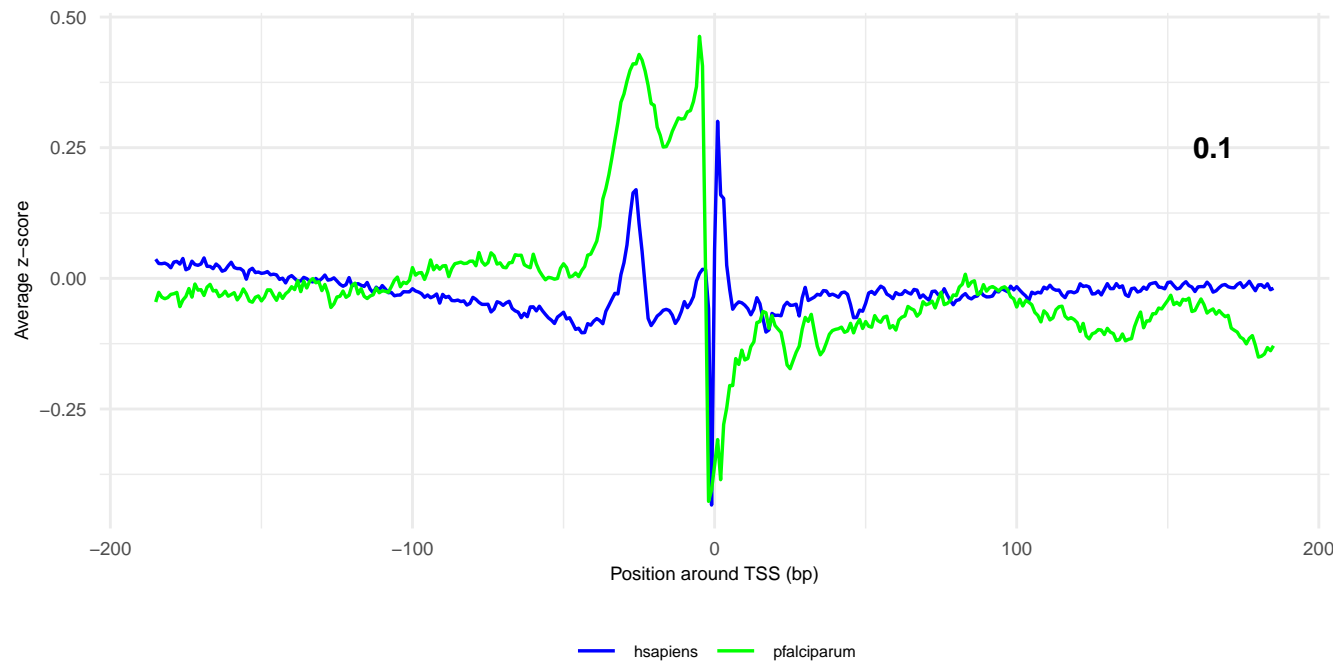

Comparison of Stretch between dmelanogaster and scerevisiae

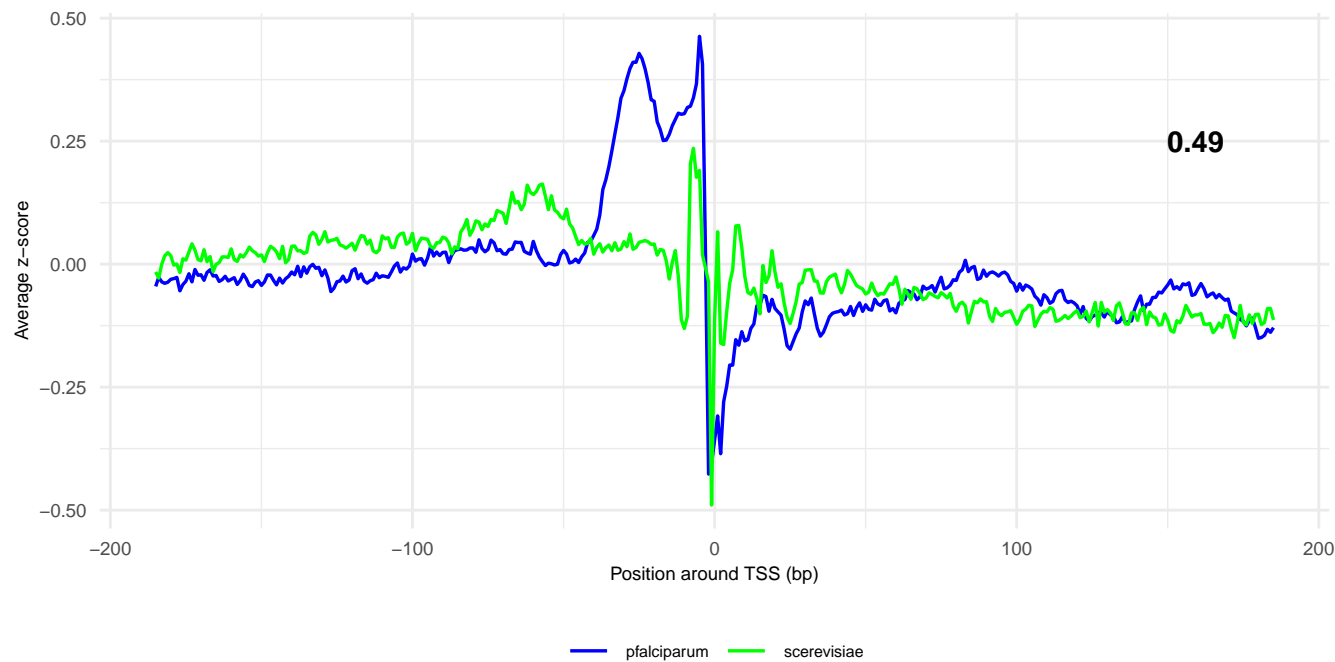

Property: Stretch

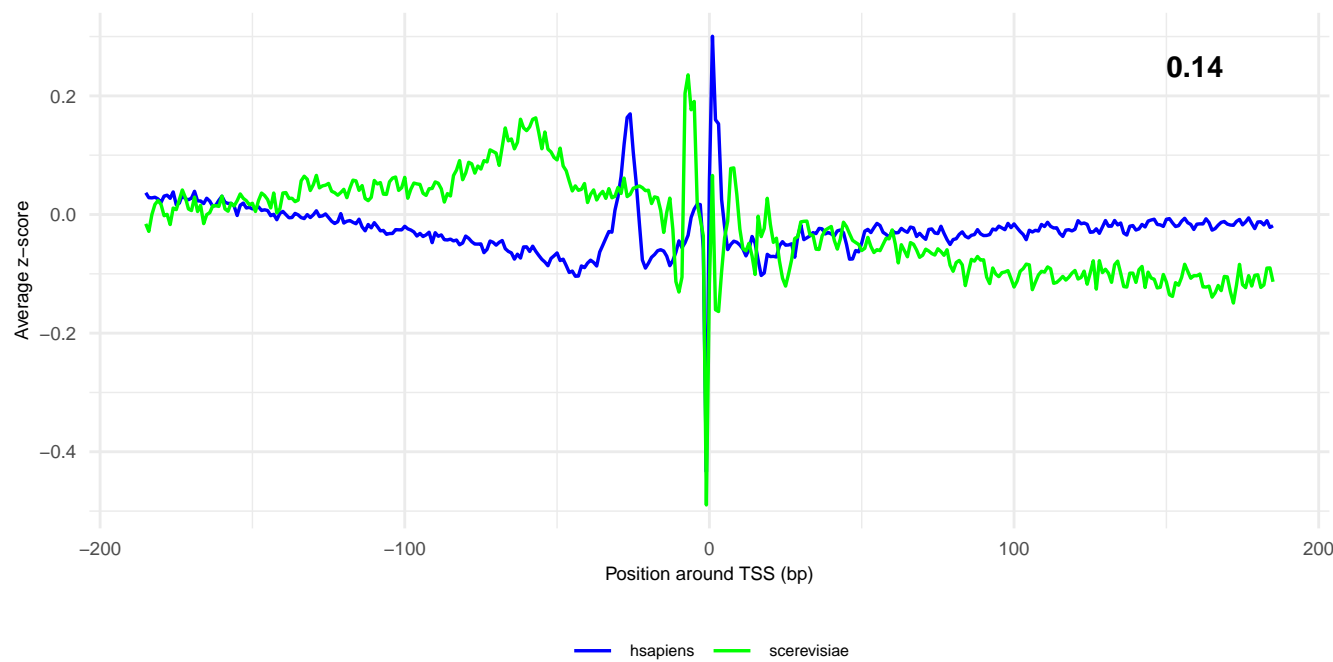

Comparison of Stretch between hsapiens and pfalciparum

Comparison of Stretch between pfalciparum and scerevisiae

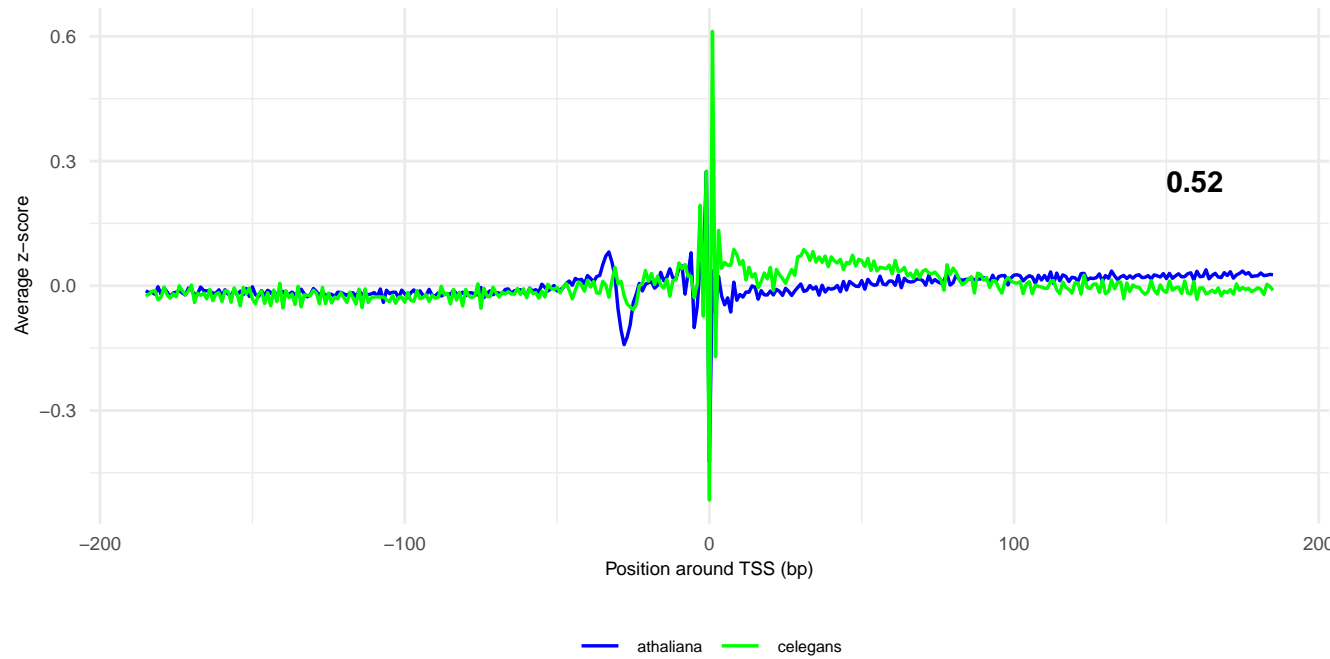

Comparison of Stretch between hsapiens and scerevisiae

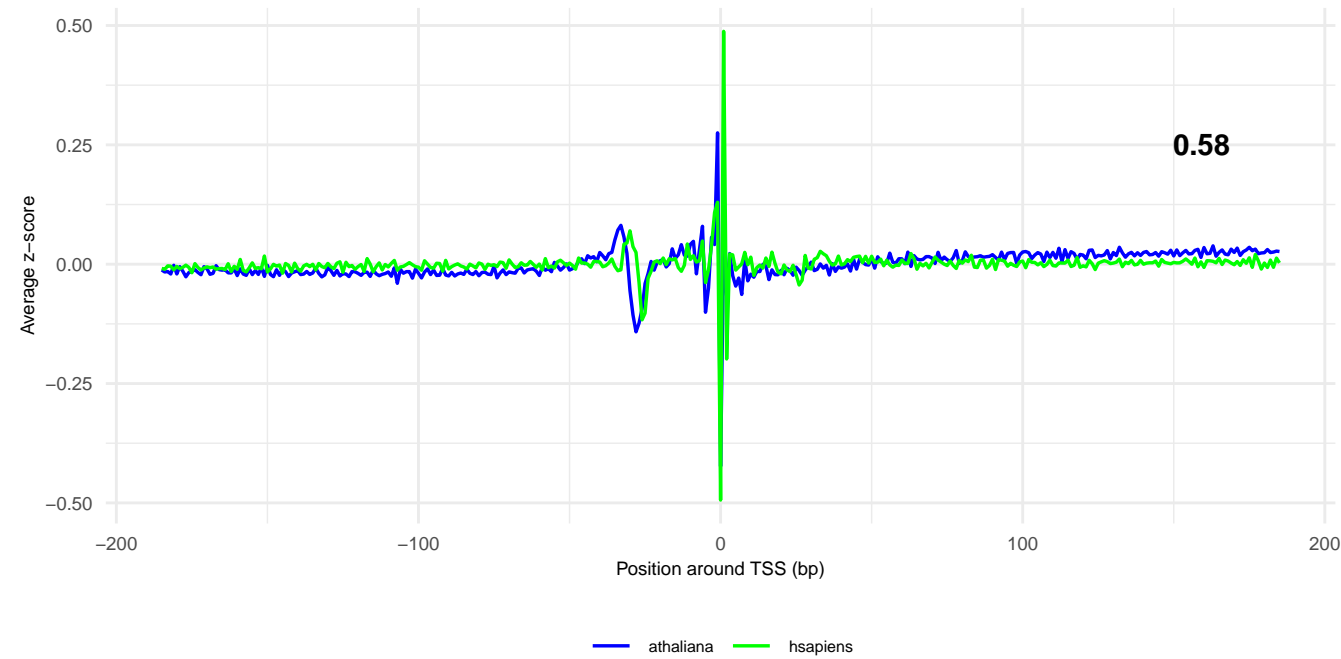

Property: Tilt

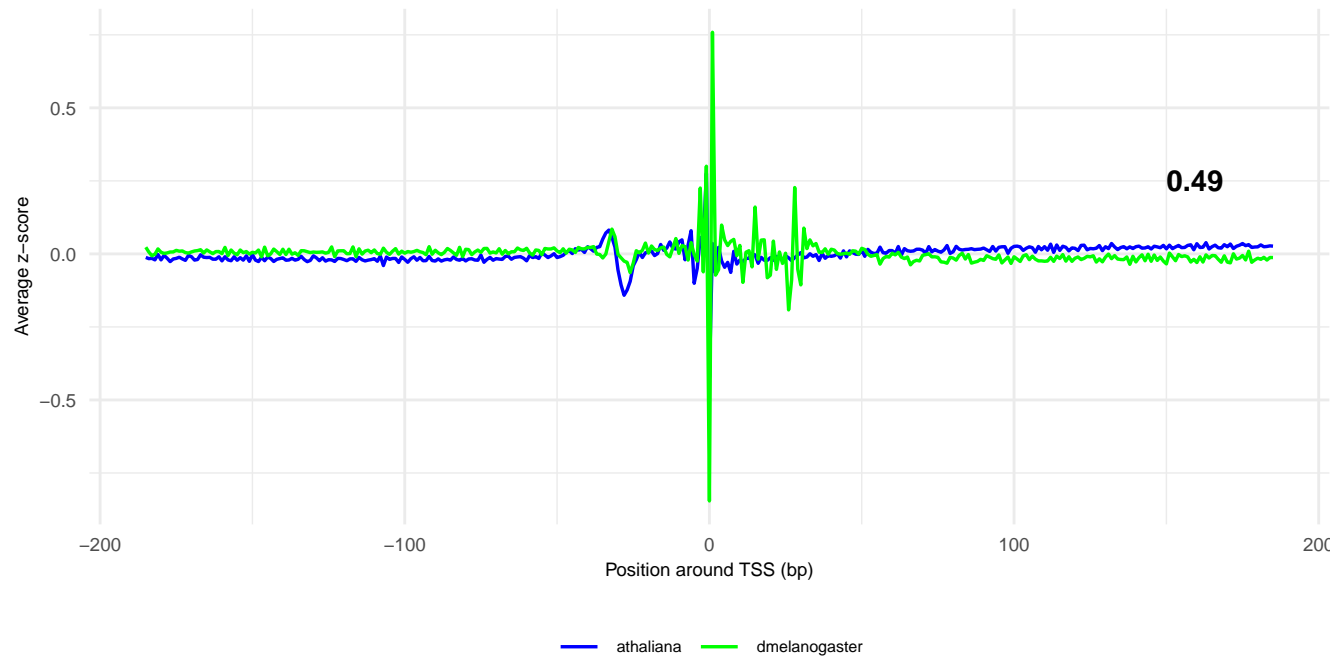

Comparison of Tilt between athaliana and celegans

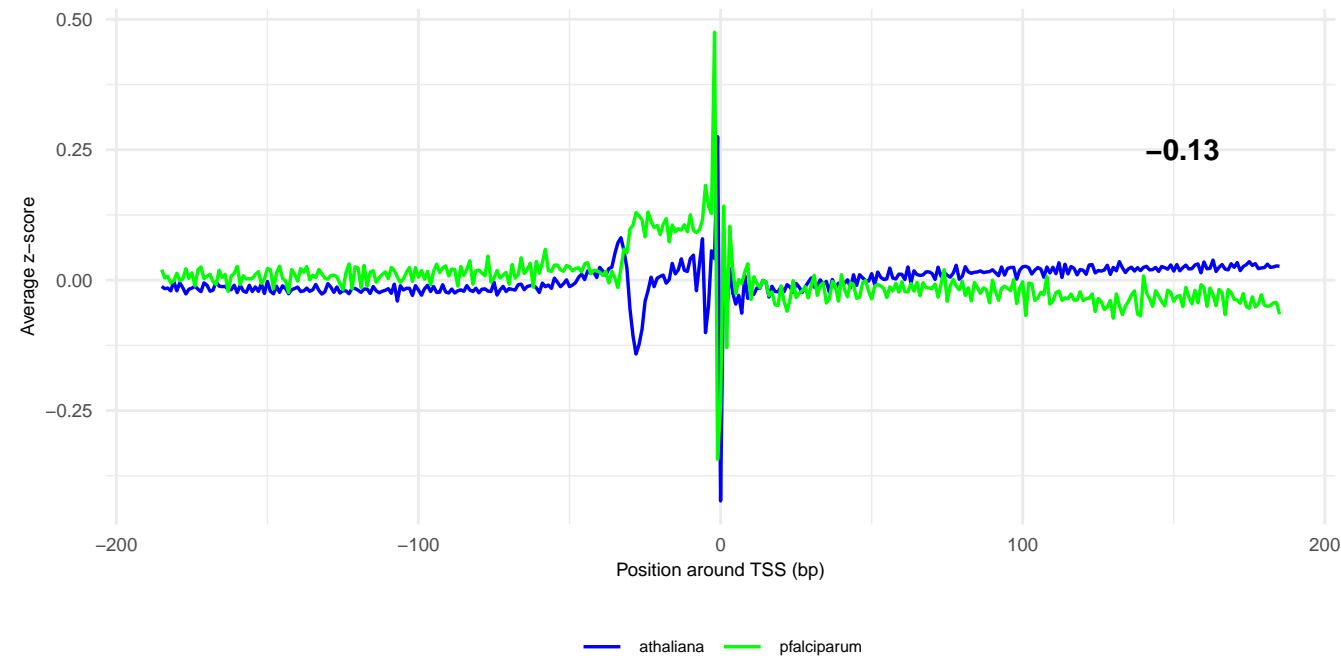

Comparison of Tilt between athaliana and hsapiens

Comparison of Tilt between athaliana and dmelanogaster

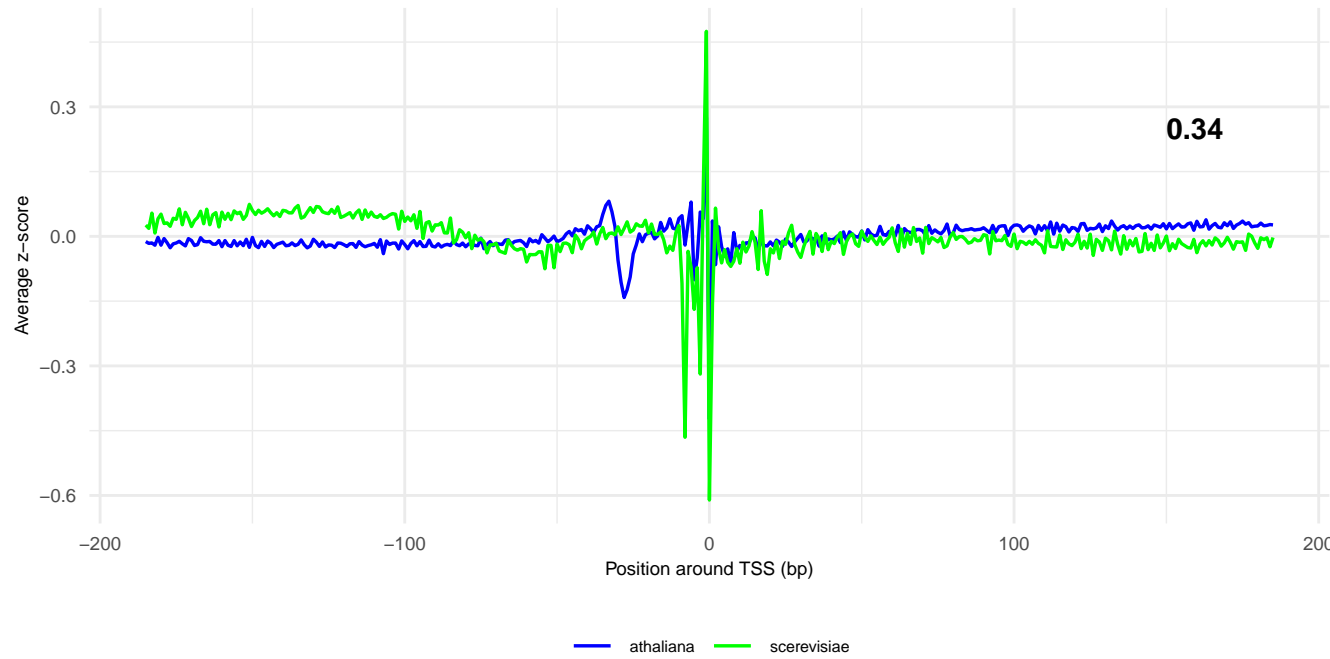

Comparison of Tilt between athaliana and pfalciparum

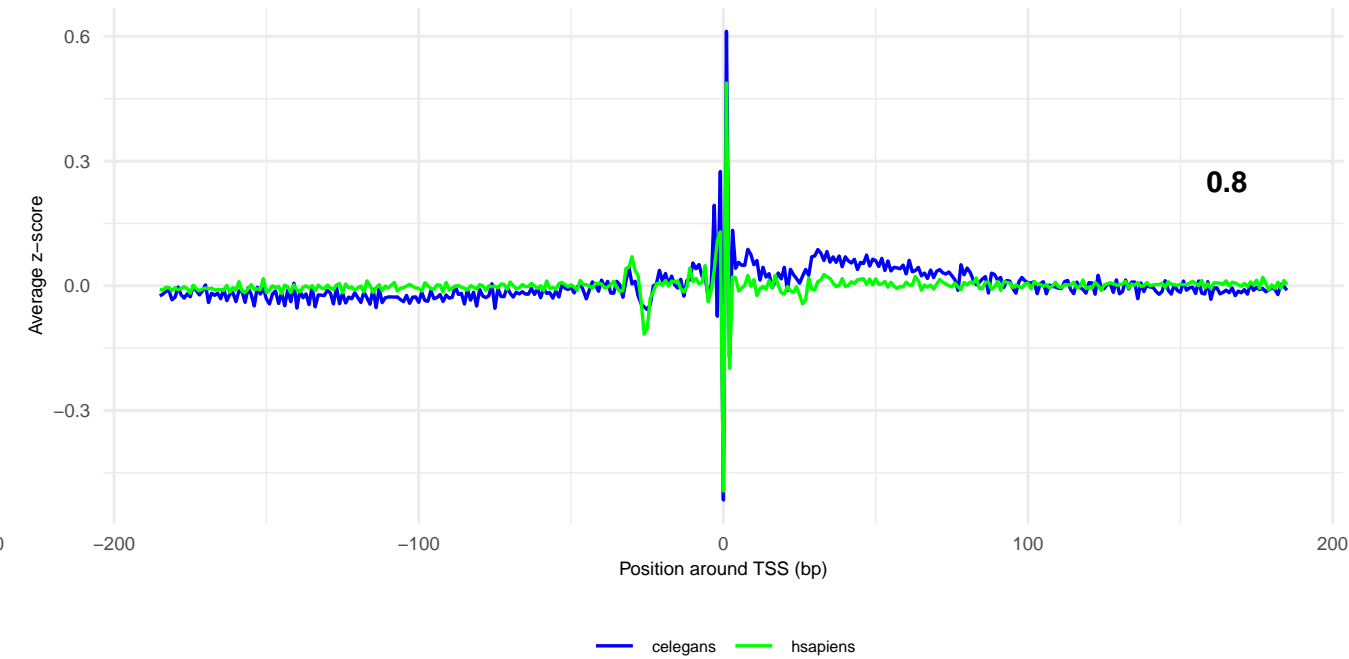

Property: Tilt

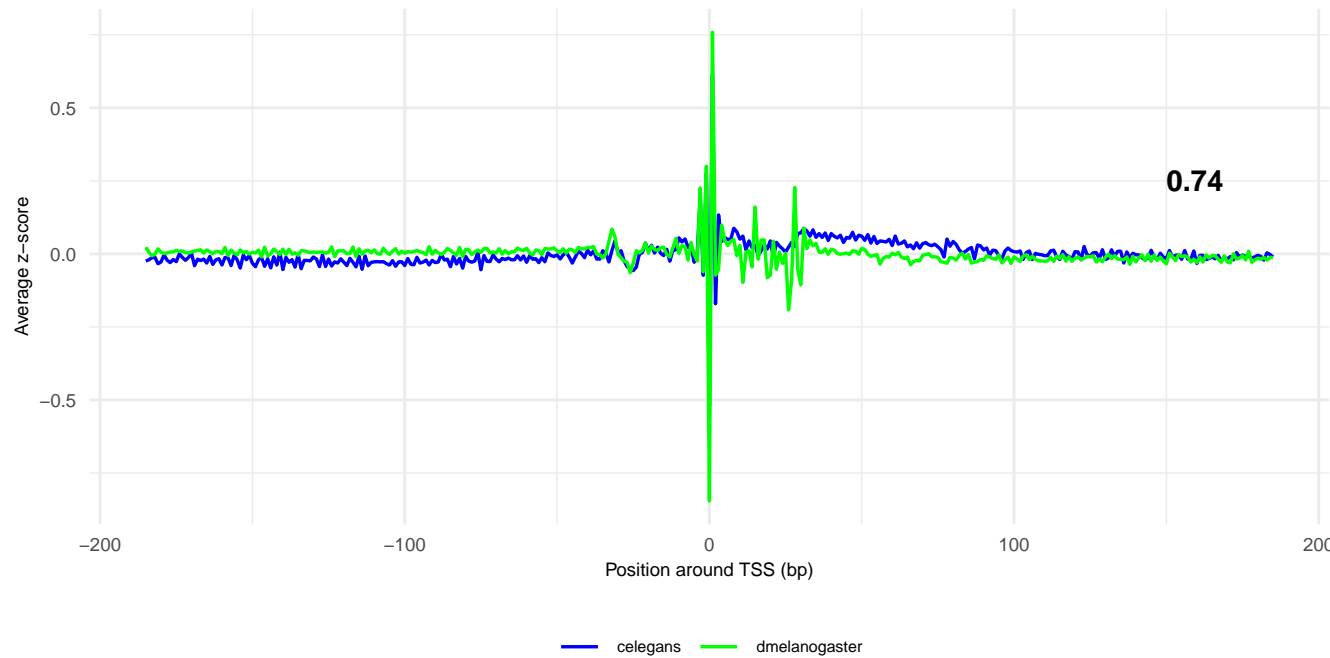

Comparison of Tilt between athaliana and scerevisiae

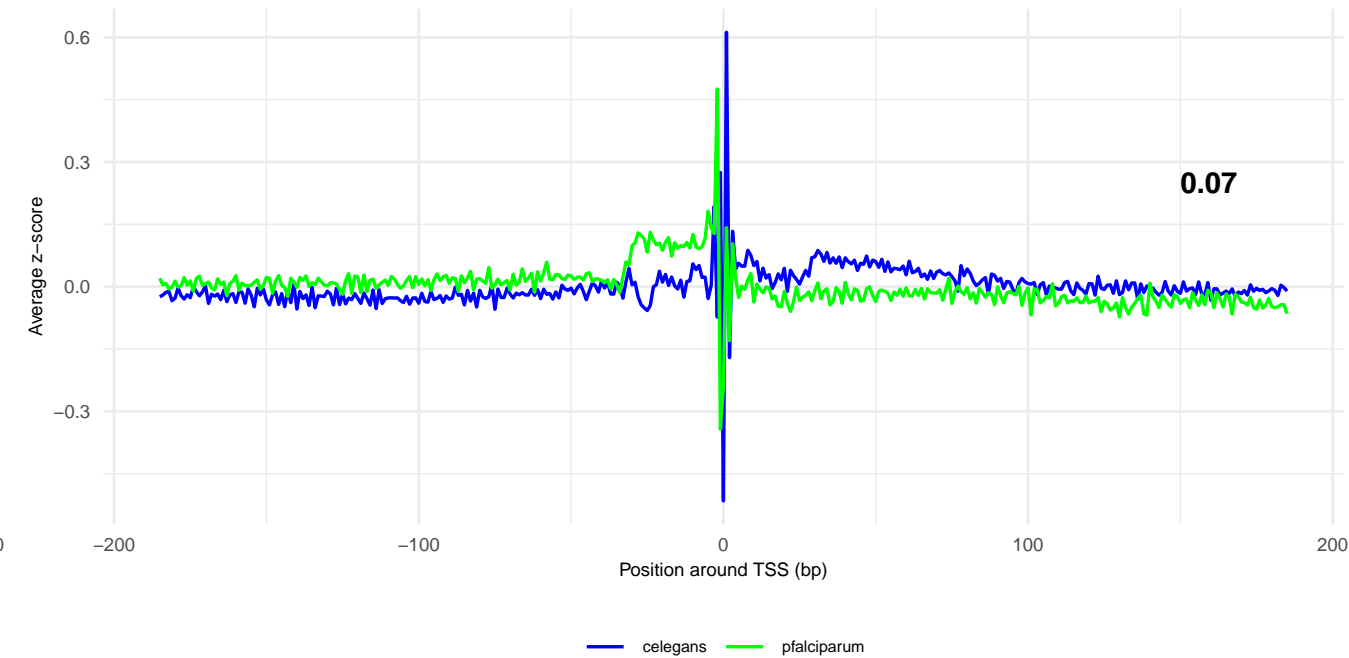

Comparison of Tilt between celegans and hsapiens

Comparison of Tilt between celegans and dmelanogaster

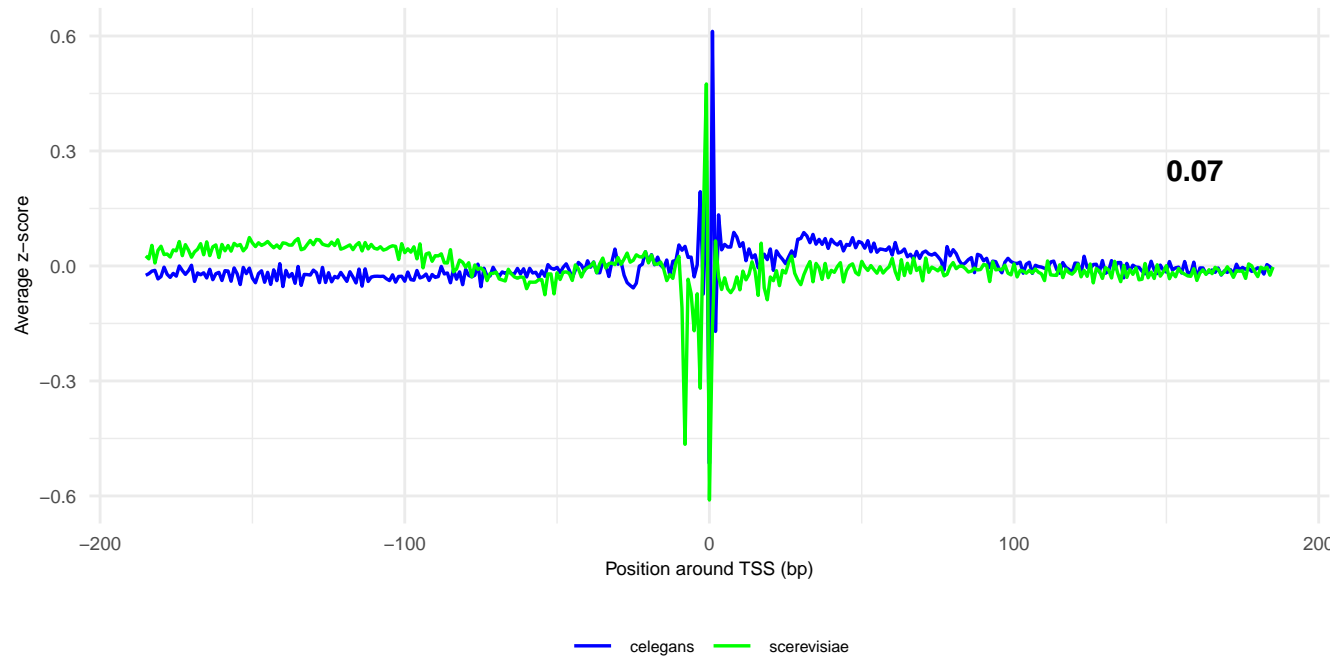

Comparison of Tilt between celegans and pfalciparum

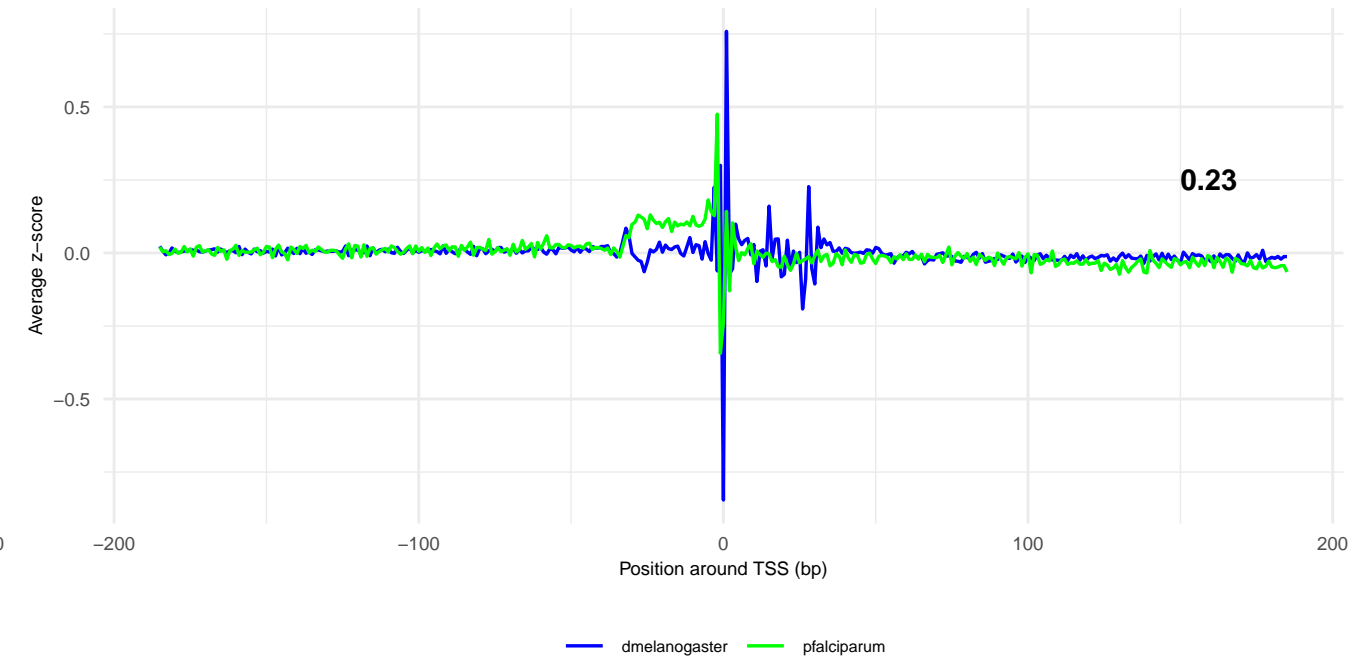

Property: Tilt

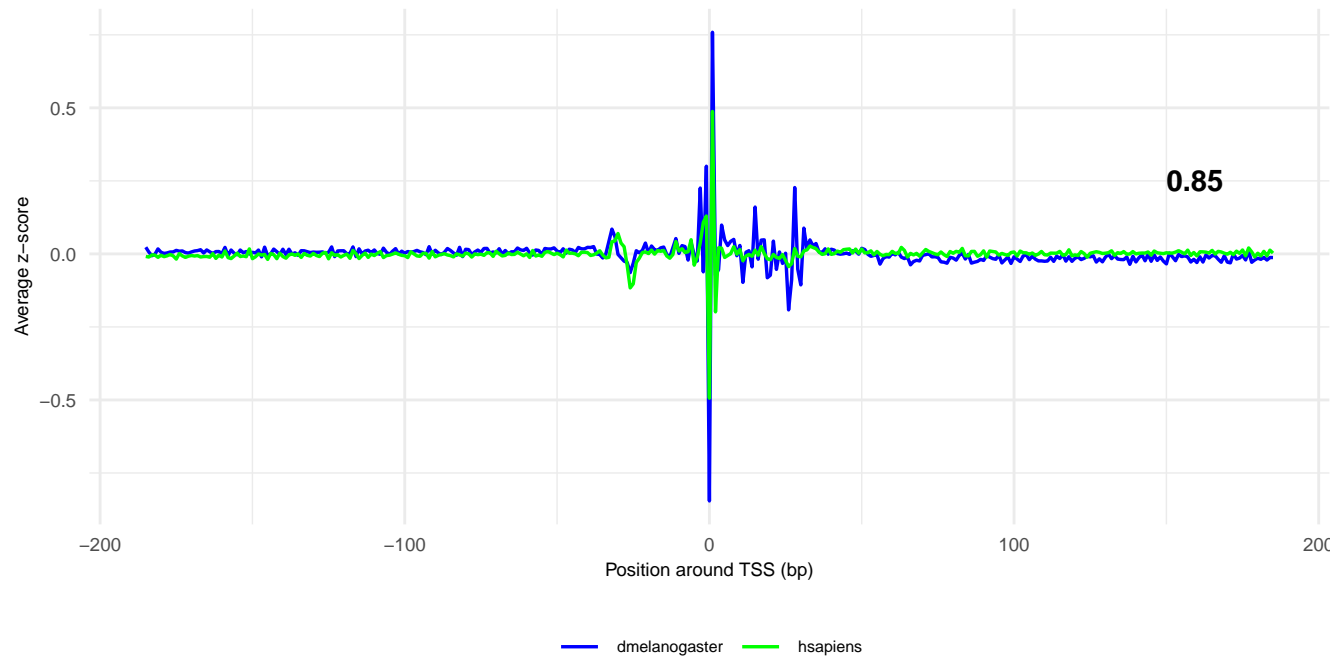

Comparison of Tilt between celegans and scerevisiae

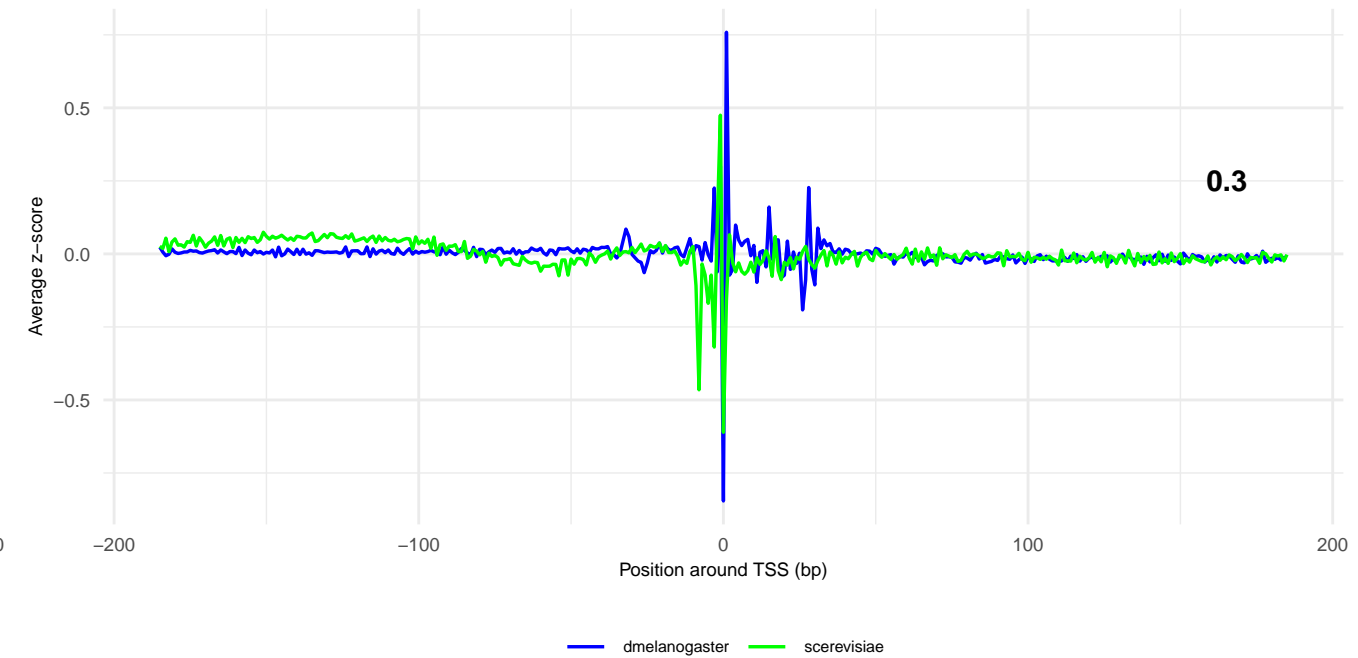

Comparison of Tilt between dmelanogaster and pfalciparum

Comparison of Tilt between dmelanogaster and hsapiens

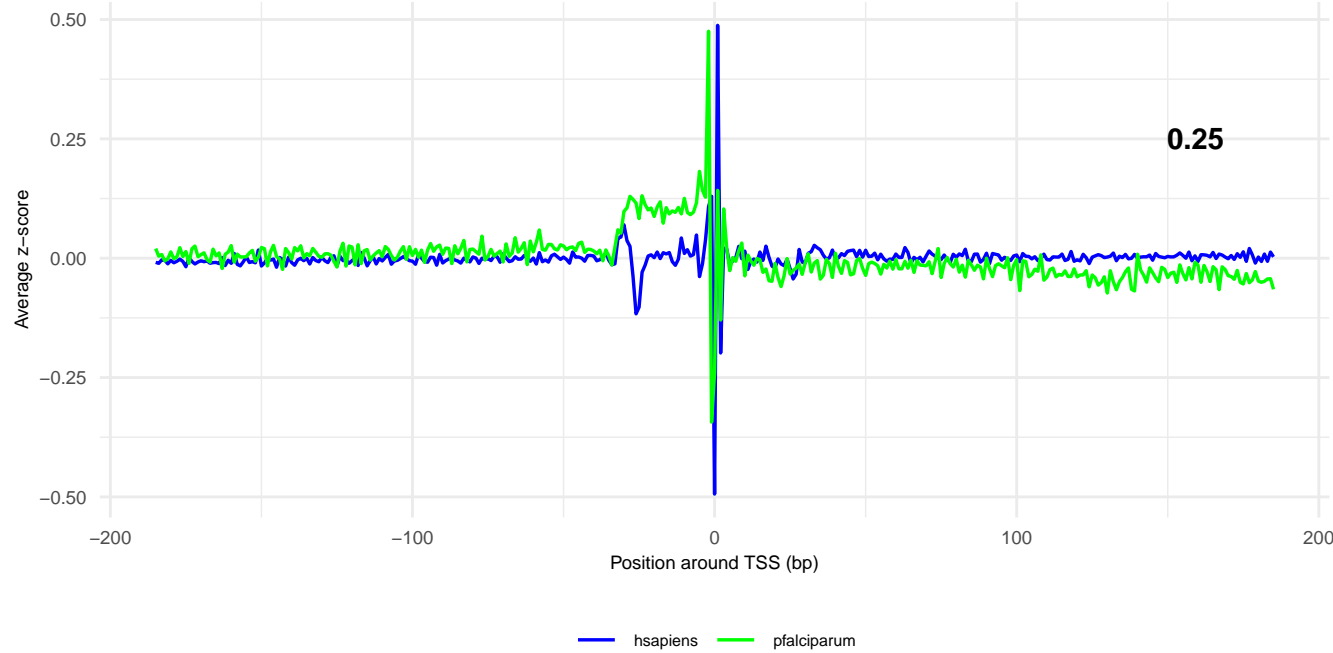

Comparison of Tilt between dmelanogaster and scerevisiae

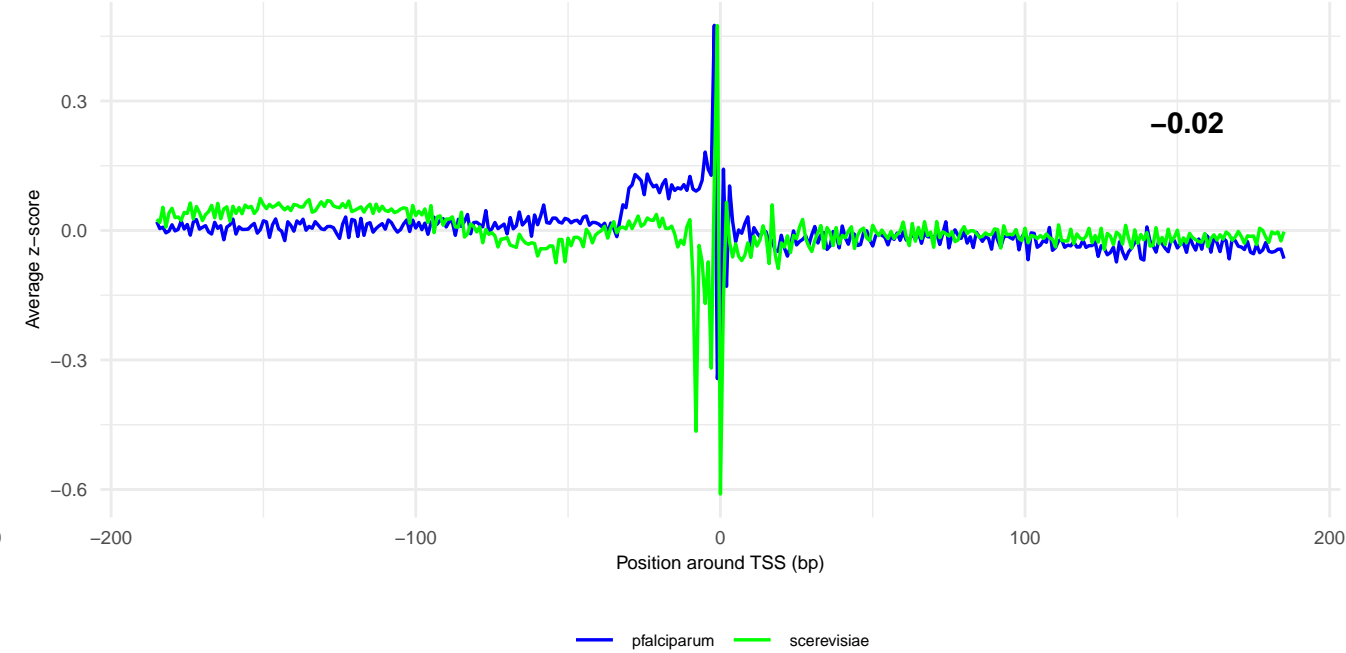

Property: Tilt

Comparison of Tilt between hsapiens and pfalciparum

Comparison of Tilt between pfalciparum and scerevisiae

Comparison of Tilt between hsapiens and scerevisiae
